This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this 2nd day of March 2023, by and between Homestead UMC (“Local Church”) and Tennessee-Western Kentucky Conference of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference’s interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:

- a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
- b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church’s disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation (“Disaffiliation Date”). The Disaffiliation Date must be subsequent to the Annual Conference’s ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference’s ratification, the parties agree that upon Local Church’s completion of its local church conference vote and execution of this Agreement by Local Church’s authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local*

*Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey

all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

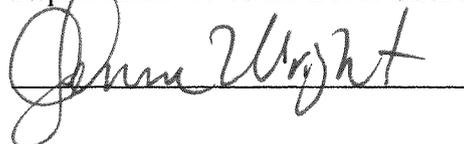

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference’s interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:

- a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
- b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church’s disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation (“Disaffiliation Date”). The Disaffiliation Date must be subsequent to the Annual Conference’s ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference’s ratification, the parties agree that upon Local Church’s completion of its local church conference vote and execution of this Agreement by Local Church’s authorized*

*representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:

The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. 9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this 26th day of March 2023, by and between Wolf River UMC (“Local Church”) and Tennessee-Western Kentucky Conference of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference’s interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:

- a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
- b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church’s disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation (“Disaffiliation Date”). The Disaffiliation Date must be subsequent to the Annual Conference’s ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference’s ratification, the parties agree that upon Local Church’s completion of its local church conference vote and execution of this Agreement by Local Church’s authorized*

*representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:

Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this 26<sup>th</sup> day of March, 2023, by and between Salem United Methodist Church (“Local Church”) and Tennessee Western Kentucky Conference of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church "for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow." Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be "ratified by a simple majority of the members . . . present and voting" at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:

  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.

Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

**Standard Form Disaffiliation Agreement - Tennessee-Western Kentucky Conference**

*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this **16th day of March 2023**, by and between **Abrams United Methodist Church** (“Local Church”) and **Tennessee-Western Kentucky Conference** of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

November 2022

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church "for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow." Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be "ratified by a simple majority of the members . . . present and voting" at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.
3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*
4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:
  - a. *Payments.* Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:
    - i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.

- ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$1,112**;
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling **\$1,124**;
  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**
  - v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$2,013**;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.
- c. *Intellectual Property.* Local Church shall cease all use of "United Methodist," the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same."
- d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been

included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.

5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.
  
6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The

United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:
  - i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.

  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$ 0.00;**

- v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$ 17,184**;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date **\$ 0.00**.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.

Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.
5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or

to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other.

Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.
5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or

to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other.

Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

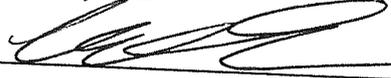

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this **18th day of March 2023**, by and between **Cedar Grove United Methodist Church** (“Local Church”) and **Tennessee-Western Kentucky** Conference of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

November 2022

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

**Standard Form Disaffiliation Agreement - Tennessee-Western Kentucky Conference**  
*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this **18th day of March 2023**, by and between **Chestnut Grove United Methodist Church** (“Local Church”) and **Tennessee-Western Kentucky Conference** of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

November 2022

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
    - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church "for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow." Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
    - b. *Annual Conference Vote*. This Disaffiliation Agreement must be "ratified by a simple majority of the members . . . present and voting" at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).
- Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

a. *Payments.* Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:

i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.

- ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$1,088**;
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling **\$2,611**;
  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**
  - v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$4,676**;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.
- c. *Intellectual Property.* Local Church shall cease all use of "United Methodist," the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same."
- d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been

included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.

5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The

United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this **1st day of April 2023**, by and between **Dunn United Methodist Church** (“Local Church”) and **Tennessee-Western Kentucky Conference** of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

a. *Payments.* Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:

i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.

- ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **(\$2,604)**;
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling **\$4,465**;
  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**
  - v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$7,996**;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.
- c. *Intellectual Property.* Local Church shall cease all use of "United Methodist," the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same."
- d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been

included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.

5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The

United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*
  
4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:
  - a. *Payments.* Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:
    - i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.

- ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$121**;

  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**
  - v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$2,864**;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.
- c. *Intellectual Property.* Local Church shall cease all use of "United Methodist," the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same."
- d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been

included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.

5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The

United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

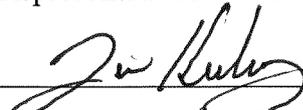

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

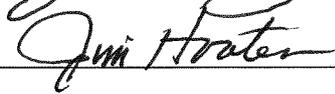

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. 7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other.

Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this **25th day of March 2023**, by and between **Lobelville United Methodist Church** (“Local Church”) and **Tennessee-Western Kentucky** Conference of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.
  
3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*
  
4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.

Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.

**Standard Form Disaffiliation Agreement - Tennessee-Western Kentucky Conference**  
*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this **18th day of March 2023**, by and between **Minor Hill United Methodist Church** (“Local Church”) and **Tennessee-Western Kentucky** Conference of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

November 2022

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

a. *Payments.* Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:

i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.

- ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$587**;
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling **\$1,408**;
  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**
  - v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$2,522**;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.
- c. *Intellectual Property.* Local Church shall cease all use of "United Methodist," the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same."
- d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been

included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.

5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The

United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this **14th day of March 2023**, by and between **Oak Grove United Methodist Church** (“Local Church”) and **Tennessee-Western Kentucky** Conference of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

November 2022

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

a. *Payments.* Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:

i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.

  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**
  - v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$9,762**;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.
- c. *Intellectual Property.* Local Church shall cease all use of "United Methodist," the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same."

Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.

5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The

United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

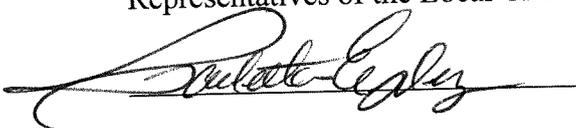

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.

5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or

persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

**Standard Form Disaffiliation Agreement - Tennessee-Western Kentucky Conference**  
*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this **18th day of March 2023**, by and between **Trinity United Methodist Church** (“Local Church”) and **Tennessee-Western Kentucky** Conference of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

a. *Payments.* Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:

i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.

  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**
  - v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$14,967**;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.

Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

**Standard Form Disaffiliation Agreement - Tennessee-Western Kentucky Conference**  
*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this **13th day of March 2023**, by and between **Whittens Crossroad United Methodist Church** (“Local Church”) and **Tennessee-Western Kentucky Conference** of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

a. *Payments.* Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:

i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.

- ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$638**;
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling **\$1,532**;
  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**
  - v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$2,744**;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.
- c. *Intellectual Property.* Local Church shall cease all use of "United Methodist," the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same."
- d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been

included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.

5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The

United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

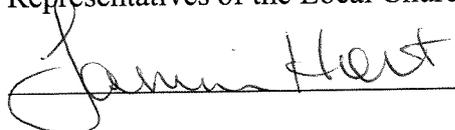

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“Discipline”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “*for reasons of conscience regarding a change in the requirements and provisions of the Book of Discipline related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.*”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “*in trust for The United Methodist Church and subject to the provisions of its Discipline.*”

WHEREAS, property subject to ¶ 2501.1 “*can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the Discipline.*” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “*memorialized in a binding Disaffiliation Agreement.*”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference’s interest, on behalf

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church’s disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation (“Disaffiliation Date”). The Disaffiliation Date must be subsequent to the Annual Conference’s ratification referenced in

Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

vi. 9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this 5 day of November, 2022, by and between Garland (“Local Church”) and the Tennessee-Western Kentucky Conference (“Annual Conference”) of the United Methodist Church.

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on either June 30 or December 31, whichever is the next date following the Annual Conference vote to approve disaffiliation ("Disaffiliation Date"). Such Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. OPTIONAL LANGUAGE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments.* Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:
  - i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.
  - ii. Any unpaid current year Connectional Commitment based on the Annual Conference approved formula, totaling **\$3,535.00**;

  - iv. Any past due Direct Bill Pension or Health Insurance payments \$0.00;
  - v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling \$15,739.00;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
  - vii. Total due for disaffiliation: \$26,345.00
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.
- c. *Intellectual Property.* Local Church shall cease all use of "United Methodist," the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same."
- d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling

5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers,

representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their

relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. 9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this **5th** day of **March**, by and between **Randolph United Methodist Church** (“Local Church”) and **Tennessee-Western Kentucky Conference** of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “*for reasons of conscience regarding a change in the requirements and provisions of the Book of Discipline related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.*”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “*in trust for The United Methodist Church and subject to the provisions of its Discipline.*”

WHEREAS, property subject to ¶ 2501.1 “*can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the Discipline.*” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “*memorialized in a binding Disaffiliation Agreement.*”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference’s interest, on behalf

of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “*for reasons of conscience regarding a change in the requirements and provisions of the Book of Discipline related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.*” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be “*ratified by a simple majority of the members...present and voting*” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.
3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church’s disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation (“Disaffiliation Date”). The Disaffiliation Date must be subsequent to the Annual Conference’s ratification referenced in

Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:

  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**
  - v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding

obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$12,938.00**

vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date. **\$0.00**

vii. **Total due for disaffiliation: \$21,968.00**

b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not

to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this **8th** day of **January, 2023**, by and between **Somerville First United Methodist Church** (“Local Church”) and **Tennessee-Western Kentucky Conference** of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“Discipline”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “*for reasons of conscience regarding a change in the requirements and provisions of the Book of Discipline related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.*”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “*in trust for The United Methodist Church and subject to the provisions of its Discipline.*”

WHEREAS, property subject to ¶ 2501.1 “*can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the Discipline.*” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “*memorialized in a binding Disaffiliation Agreement.*”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “*for reasons of conscience regarding a change in the requirements and provisions of the Book of Discipline related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.*” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be “*ratified by a simple majority of the members...present and voting*” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.
3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day

of the month in which the Annual Conference votes to approve disaffiliation (“Disaffiliation Date”). The Disaffiliation Date must be subsequent to the Annual Conference’s ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference’s ratification, the parties agree that upon Local Church’s completion of its local church conference vote and execution of this Agreement by Local Church’s authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church’s Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:
  - i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church’s retention of its property will be borne by Local Church.
  - ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$14,899.00**
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling **\$35,756.00**
  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**

- v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$74,784.00**
- vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date. **\$0.00**
- vii. **Total due for disaffiliation: \$125,439.00**

- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.

Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.

5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or to establish

any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their

relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this 23rd day of March, 2023, by and between **Bethesda United Methodist Church (Lauderdale Co.)** (“Local Church”) and **Tennessee-Western Kentucky Conference** of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“Discipline”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “*for reasons of conscience regarding a change in the requirements and provisions of the Book of Discipline related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.*”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “*in trust for The United Methodist Church and subject to the provisions of its Discipline.*”

WHEREAS, property subject to ¶ 2501.1 “*can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the Discipline.*” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “*memorialized in a binding Disaffiliation Agreement.*”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision 1379*.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church "for reasons of conscience regarding a change in the requirements and provisions of the Book of Discipline related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow." Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be "ratified by a simple majority of the members...present and voting" at a duly-called session of Annual Conference, as required by Judicial Council *Decision 1379* and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.
3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day

of the month in which the Annual Conference votes to approve disaffiliation (“Disaffiliation Date”). The Disaffiliation Date must be subsequent to the Annual Conference’s ratification referenced in Section I above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church’s Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments.* Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:
  - i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church’s retention of its property will be borne by Local Church.
  - ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$615.00**
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling **\$3,174.00**
  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**

- v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$5,684.00**
- vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date. **\$0.00**
- vii. **Total due for disaffiliation: \$9,473.00**

- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.
- c. *Intellectual Property.* Local Church shall cease all use of "United Methodist," the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same."
- d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.

5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or to establish

any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their

relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:
  - i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.
  - ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$1030.00**;
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling **\$4121.00**;
  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**.

- v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$7380.00**;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.
- c. *Intellectual Property.* Local Church shall cease all use of "United Methodist," the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same."
- d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.
5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or

to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest - both for itself and on behalf of The United Methodist Church - in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other.

Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

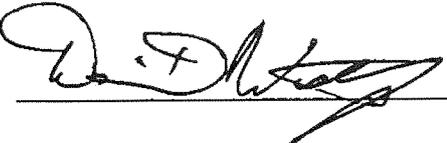

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

5. **Organizational Transition.** Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or to establish

any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest - both for itself and on behalf of The United Methodist Church - in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their

relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this **29th** day of **March, 2023**, by and between **Gardner Weakley County United Methodist Church** (“Local Church”) and **Tennessee Western Kentucky** Conference of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church "for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow." Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be "ratified by a simple majority of the members . . . present and voting" at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:
  - i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.

  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**.

- v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$9,787.00**;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other.

Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this 13 day of November, 2022, by and between Halls (“Local Church”) and the Tennessee-Western Kentucky Conference (“Annual Conference”) of the United Methodist Church.

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:

- a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church "for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow." Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
- b. *Annual Conference Vote*. This Disaffiliation Agreement must be "ratified by a simple majority of the members . . . present and voting" at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on either June 30 or December 31, whichever is the next date following the Annual Conference vote to approve disaffiliation ("Disaffiliation Date"). Such Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. **OPTIONAL LANGUAGE:** *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments.* Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:
  - i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.
  - ii. Any unpaid current year Connectional Commitment based on the Annual Conference approved formula, totaling **\$6,845.00**;

- iii. An additional twelve (12) months of Connectional Commitment based on the Annual Conference approved formula, totaling **\$16,427.00**;
  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**;
  - v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$34,922.00**;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
  - vii. Total due for disaffiliation: **\$58,194.00**
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.
- c. *Intellectual Property.* Local Church shall cease all use of "United Methodist," the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same."
- d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling

administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.

5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers,

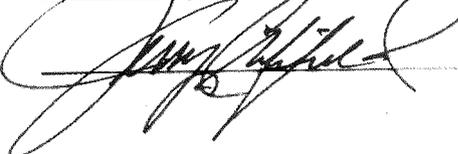

representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this **29th** day of **November 2022**, by and between **Melville United Methodist Church** (“Local Church”) and **Tennessee-Western Kentucky Conference** of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-3 of *The Book of Discipline of The United Methodist Church* (“Discipline”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “*for reasons of conscience regarding a change in the requirements and provisions of the Book of Discipline related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.*”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “*in trust for The United Methodist Church and subject to the provisions of its Discipline.*”

WHEREAS, property subject to ¶ 2501.1 “*can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the Discipline.*” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “*memorialized in a binding Disaffiliation Agreement.*”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision 1379*.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church "*for reasons of conscience regarding a change in the requirements and provisions of the Book of Discipline related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.*" Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be "*ratified by a simple majority of the members...present and voting*" at a duly-called session of Annual Conference, as required by Judicial Council *Decision 1379* and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.
3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day

of the month in which the Annual Conference votes to approve disaffiliation (“Disaffiliation Date”). The Disaffiliation Date must be subsequent to the Annual Conference’s ratification referenced in Section I above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference’s ratification, the parties agree that upon Local Church’s completion of its local church conference vote and execution of this Agreement by Local Church’s authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church’s Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:
  - i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church’s retention of its property will be borne by Local Church.
  - ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$574.00**
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling **\$1,378.00**
  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**

- v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$2,464.00**
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date. **\$0.00**
  - vii. **Total due for disaffiliation: \$4,416.00**
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.

- d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.
5. **Organizational Transition.** Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or to establish

any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their

relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “*memorialized in a binding Disaffiliation Agreement.*”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision 1379*.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:

- a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church "for reasons of conscience regarding a change in the requirements and provisions of the Book of Discipline related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow." Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
- b. *Annual Conference Vote*. This Disaffiliation Agreement must be "ratified by a simple majority of the members...present and voting" at a duly-called session of Annual Conference, as required by Judicial Council *Decision 1379* and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day

of the month in which the Annual Conference votes to approve disaffiliation (“Disaffiliation Date”). The Disaffiliation Date must be subsequent to the Annual Conference’s ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference’s ratification, the parties agree that upon Local Church’s completion of its local church conference vote and execution of this Agreement by Local Church’s authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church’s Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments.* Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:
  - i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church’s retention of its property will be borne by Local Church.
  - ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$650.00**
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling **\$1,559.00**
  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**

- v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$2,740.00**
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date. **\$0.00**
  - vii. **Total due for disaffiliation: \$4,949.00**
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.

- d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.
5. **Organizational Transition.** Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or to establish

any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest both for itself and on behalf of The United Methodist Church in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their

relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property *“in trust for The United Methodist Church and subject to the provisions of its Discipline.”*

WHEREAS, property subject to ¶ 2501.1 *“can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the Discipline.”* (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be *“memorialized in a binding Disaffiliation Agreement.”*

*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this 29th day of March, 2023, by and between Stanley Chapel Obion County United Methodist Church (“Local Church”) and Tennessee Western Kentucky Conference of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:

  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**.

- v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$10,471.00**;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.

Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other.

Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this 23 day of October, 2022, by and between Troy (“Local Church”) and Tennessee - Western Kentucky *Name* Conference of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church "for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow." Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be "ratified by a simple majority of the members . . . present and voting" at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:

i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.

- ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling 6,809 ;
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling 8,055 ;
  - iv. Any past due Direct Bill Pension or Health Insurance payments  
~~0~~
  - v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling 17,437 ;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.
- c. *Intellectual Property.* Local Church shall cease all use of "United Methodist," the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same."

d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.

5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions

convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:
  - i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.
  - ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$1452.00**;
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling **\$4358.00**;
  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**.

- v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$7805**;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.
- c. *Intellectual Property.* Local Church shall cease all use of "United Methodist," the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same."
- d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.
5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or

to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other.

Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this **30th** day of **March, 2023**, by and between **Arlington (Carlisle County) United Methodist Church** (“Local Church”) and **Tennessee-Western Kentucky** Conference of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:

- a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
- b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

**Standard Form Disaffiliation Agreement - Tennessee-Western Kentucky Conference**

*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this **2nd** day of **February, 2023**, by and between **Cayce (Fulton County) United Methodist Church** (“Local Church”) and **Tennessee-Western Kentucky** Conference of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:

- a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church "for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow." Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
- b. *Annual Conference Vote*. This Disaffiliation Agreement must be "ratified by a simple majority of the members . . . present and voting" at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:
  - i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.
  - ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$3,964.00**;
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling **\$9,515.00**;
  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**.

- v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$17,041.00**;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.
- c. *Intellectual Property.* Local Church shall cease all use of "United Methodist," the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same."
- d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.
5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or

to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other.

Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:

- a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
- b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:
  - i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.
  - ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$5,705.00**;
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling **\$13,691.00**;
  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**.

- v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$28,635.00**;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.
- c. *Intellectual Property.* Local Church shall cease all use of "United Methodist," the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same."
- d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.
5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or

to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other.

Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees,

employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other.

Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this 18th day of January, 2023, by and between Mt. Olive (Graves County) United Methodist Church (“Local Church”) and Tennessee-Western Kentucky Conference of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:

- a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church "for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow." Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
- b. *Annual Conference Vote*. This Disaffiliation Agreement must be "ratified by a simple majority of the members . . . present and voting" at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:
  - i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.
  - ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$1,108.00**;
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling **\$2,658.00**;
  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**.

- v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling \$5,559.00;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.
- c. *Intellectual Property.* Local Church shall cease all use of "United Methodist," the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same."
- d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.
5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or

to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other.

Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.

Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.

5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or

Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other.

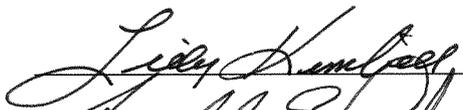

Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

**Standard Form Disaffiliation Agreement-Tennessee-Western Kentucky Conference**  
*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this **19th day of March, 2023**, by and between **Antioch United Methodist Church** (“Local Church”) and **the Tennessee-Western Kentucky Conference** of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church's disaffiliation from The United Methodist Church to be "memorialized in a binding Disaffiliation Agreement."

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church "for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow." Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be "ratified by a simple majority of the members . . . present and voting" at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments.* Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:

- i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.
  - ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$856**;
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling **\$5,135**;
  - iv. Any past due Direct Bill Pension or Health Insurance payments   --0-
  - v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$9,196.**
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.

- c. *Intellectual Property.* Local Church shall cease all use of “United Methodist,” the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same.”
  - d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination’s group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.
5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church’s failure to take all necessary steps as required by this Section 5.
6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church’s property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other

Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this **1st day of April, 2023**, by and between **Central Chapel United Methodist Church** (“Local Church”) and **the Tennessee-Western Kentucky Conference** of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church's disaffiliation from The United Methodist Church to be "memorialized in a binding Disaffiliation Agreement."

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church "for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow." Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be "ratified by a simple majority of the members . . . present and voting" at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:

- i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.
  - ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$1,752**;
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling **\$4,204**;
  - iv. Any past due Direct Bill Pension or Health Insurance payments     --0-
  - v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$7,529.**
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.

- c. *Intellectual Property.* Local Church shall cease all use of “United Methodist,” the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same.”
  - d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination’s group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.
5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church’s failure to take all necessary steps as required by this Section 5.
6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church’s property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other

transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.

5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions

convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

**Standard Form Disaffiliation Agreement-Tennessee-Western Kentucky Conference**  
*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this **25th day of February, 2023**, by and between **Louise United Methodist Church** (“Local Church”) and **the Tennessee-Western Kentucky Conference** of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church's disaffiliation from The United Methodist Church to be "memorialized in a binding Disaffiliation Agreement."

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church "for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow." Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be "ratified by a simple majority of the members . . . present and voting" at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments.* Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:

- i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.
  - ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$1,075** ;
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling **\$2,578**;
  - iv. Any past due Direct Bill Pension or Health Insurance payments **-0-**
  - v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$4,617**.
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.

- c. *Intellectual Property.* Local Church shall cease all use of “United Methodist,” the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same.”
- d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination’s group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church’s property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other

transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

**Standard Form Disaffiliation Agreement-Tennessee-Western Kentucky Conference**  
*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this **1st day of April, 2023**, by and between **Mt. Pleasant United Methodist Church** (“Local Church”) and **the Tennessee-Western Kentucky Conference** of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church's disaffiliation from The United Methodist Church to be "memorialized in a binding Disaffiliation Agreement."

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:

- a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church "for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow." Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
- b. *Annual Conference Vote*. This Disaffiliation Agreement must be "ratified by a simple majority of the members . . . present and voting" at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments.* Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:

- i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.
  - ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling \$410;
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling \$2,457;
  - iv. Any past due Direct Bill Pension or Health Insurance payments --0--
  - v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling \$4,400.
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.

- c. *Intellectual Property.* Local Church shall cease all use of “United Methodist,” the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same.”
  - d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination’s group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.
5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church’s failure to take all necessary steps as required by this Section 5.
6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church’s property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other

transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church’s property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. 7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees,

employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this 16<sup>th</sup> day of April 2023, by and between Beech Grove UMC (“Local Church”) and The Tennessee-Western Kentucky Conference of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with §§ 246.8, 248, and 2553.2-3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this 29 day of January, 2023, by and between Eagleville United Methodist (“Local Church”) and The Tennessee-Western Kentucky Conference of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

November 2022

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:

  - iv. Any past due Direct Bill Pension or Health Insurance payments \$0
  - v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling \$20,182.00;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.

Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees,

employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this 26<sup>th</sup> day of March 2023, by and between Goose Pond UMC (“Local Church”) and The Tennessee-Western Kentucky Conference of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation (May 31, 2023). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments.* Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:
  - i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.

- ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling \$3,114.00.
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling \$2,983.00;
  - iv. Any past due Direct Bill Pension or Health Insurance payments \$432.00
  - v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling \$5,342.00;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.
- c. *Intellectual Property.* Local Church shall cease all use of "United Methodist," the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same."
- d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been

included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.

5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees,

employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

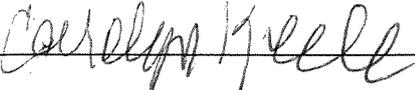

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation (May 31, 2023). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

a. *Payments.* Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:

An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling \$9,809.00;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.

5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees,

employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other. Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this 19<sup>th</sup> day of January 2023, by and between Tullahoma First UMC (“Local Church”) and The Tennessee-Western Kentucky Conference of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church "for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow." Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be "ratified by a simple majority of the members . . . present and voting" at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date. \$.00

Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.

*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this 21st day of March, 2023, by and between Aldersgate Madison County United Methodist Church (“Local Church”) and Tennessee Western Kentucky Conference of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:

- a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church "for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow." Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
- b. *Annual Conference Vote*. This Disaffiliation Agreement must be "ratified by a simple majority of the members . . . present and voting" at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:
  - i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.
  - ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$11,038.00**;
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling **\$33,111.00**;
  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**.

- v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$59,299.00**;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.
- c. *Intellectual Property.* Local Church shall cease all use of "United Methodist," the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same."
- d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.

5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or

to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other.

Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this 27<sup>th</sup> day of February, by and between Bath Springs Decatur County United Methodist Church (“Local Church”) and Tennessee Western Kentucky Conference of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision 1379*.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:

- a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church "for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow." Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
- b. *Annual Conference Vote*. This Disaffiliation Agreement must be "ratified by a simple majority of the members . . . present and voting" at a duly-called session of Annual Conference, as required by Judicial Council *Decision 1379* and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:
  - i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.
  - ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$984.00**;
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling **\$2363.00**;
  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**.

- v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$4232.00**;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.
  - c. *Intellectual Property.* Local Church shall cease all use of "United Methodist," the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same."
  - d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.
5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or

to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other.

Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:

- a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church "for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow." Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
- b. *Annual Conference Vote*. This Disaffiliation Agreement must be "ratified by a simple majority of the members . . . present and voting" at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:
  - i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.
  - ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$361.00**;
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling **\$2151.00**;
  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**.

- v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$3852.00**;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.
- c. *Intellectual Property.* Local Church shall cease all use of "United Methodist," the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same."
- d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.
5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or

to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other.

Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other.

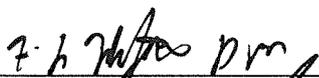

Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this 9<sup>th</sup> day of **January**, 2023, by and between **Concord (Decatur County) United Methodist Church** (“Local Church”) and **Tennessee Western Kentucky** Conference of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this 30<sup>th</sup> day of **March, 2023**, by and between **Henderson First Chester County United Methodist Church** (“Local Church”) and **Tennessee Western Kentucky Conference** of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:

- a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
- b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:
  - i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.
  - ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$4322.00**;

  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**.

- v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$30965.00**;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.

5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or

to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other.

Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

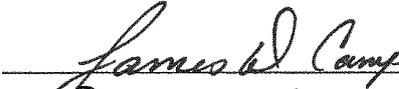

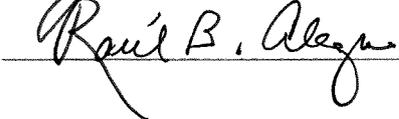

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

**Standard Form Disaffiliation Agreement-Name Conference**  
*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this 26<sup>th</sup> day of February, by and between Maggie Jones United Methodist Church (“Local Church”) and Tennessee Western Kentucky Conference of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:

- a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
- b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:
  - i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.
  - ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$1241.00**;
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling **\$3073.00**;
  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**.

- v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$9817.00**;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.
- c. *Intellectual Property.* Local Church shall cease all use of "United Methodist," the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same."
- d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.
5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or

to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other.

Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:

- a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church "for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow." Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
- b. *Annual Conference Vote*. This Disaffiliation Agreement must be "ratified by a simple majority of the members . . . present and voting" at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:
  - i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.
  - ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$520.00**;
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling **\$1248.00**;
  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**.

- v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$2235.00**;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.
- c. *Intellectual Property.* Local Church shall cease all use of "United Methodist," the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same."
- d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.
5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or

to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other.

Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this **8<sup>th</sup>** day of **February, 2023**, by and between **Mt. Lebanon Decatur County United Methodist Church** (“Local Church”) and **Tennessee Western Kentucky** Conference of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

**Standard Form Disaffiliation Agreement-Name Conference**

*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this **26th** day of **March**, by and between **Nebo Henderson County United Methodist Church** (“Local Church”) and **Tennessee Western Kentucky Conference of the United Methodist Church** (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church "for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow." Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be "ratified by a simple majority of the members . . . present and voting" at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:
  - i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.
  - ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$2032.00**;
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling **\$4876.00**;
  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**.

- v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$8733.00**;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.
  - c. *Intellectual Property.* Local Church shall cease all use of "United Methodist," the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same."
  - d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.
5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or

to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other.

Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

*As mandated by ¶ 2553*

**DISAFFILIATION AGREEMENT PURSUANT TO ¶ 2553**

This Disaffiliation Agreement Pursuant to ¶ 2553 (“Disaffiliation Agreement”) is entered into this 19th day of February, by and between New Hope Henderson County United Methodist Church (“Local Church”) and Tennessee Western Kentucky Conference of the United Methodist Church (“Annual Conference”).

WHEREAS, Local Church is a United Methodist church within the boundaries of Annual Conference;

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS, property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS, ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS, ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS, Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all of Annual Conference's interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:

- a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church "for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow." Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
- b. *Annual Conference Vote*. This Disaffiliation Agreement must be "ratified by a simple majority of the members . . . present and voting" at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments*. Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:
  - i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.
  - ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$1546.00**;
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling **\$4639.00**;
  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**.

- v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$8308.00**;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.
- c. *Intellectual Property.* Local Church shall cease all use of "United Methodist," the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same."
- d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.
5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or

to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other.

Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

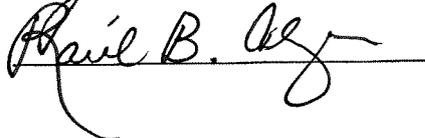

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
  - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church must vote to disaffiliate from The United Methodist Church "for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow." Local Church must provide documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference. Such documentation must be certified by an authorized officer of Local Church and shall be included as EXHIBIT A to this Disaffiliation Agreement.
  - b. *Annual Conference Vote*. This Disaffiliation Agreement must be "ratified by a simple majority of the members . . . present and voting" at a duly-called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).

Should either of the above not occur, this Disaffiliation Agreement shall immediately become null and void.

2. Applicability of ¶ 2501. Local Church acknowledges and agrees that pursuant to ¶ 2501 of the *Discipline*, Local Church holds all property, real and personal, tangible and intangible, in trust for the benefit of The United Methodist Church.

3. Date of Disaffiliation. Should Local Church timely comply with all of its obligations as set forth herein, Local Church's disaffiliation from The United Methodist Church will be effective on the last day of the month in which the Annual Conference votes to approve disaffiliation ("Disaffiliation Date"). The Disaffiliation Date must be subsequent to the Annual Conference's ratification referenced in Section 1 above. LANGUAGE TO BE USED IF LOCAL CHURCH CHOOSES NOT TO CONTINUE WITH APPOINTED CLERGY FROM CHURCH CONFERENCE TO DISAFFILIATION DATE: *Notwithstanding that the Disaffiliation Date shall not occur until after Annual Conference's ratification, the parties agree that upon Local Church's completion of its local church conference vote and execution of this Agreement by Local Church's authorized representative, neither Annual Conference nor the Bishop for the Episcopal area shall have any obligation to appoint clergy to Local Church, nor shall Local Church have any obligation to accept clergy so appointed, and Local Church shall be, from said date, solely responsible for selection and supervision of its own clergy. Should the Local Church choose not to continue its acceptance of a pastor appointed by the Bishop from the date of the local church conference vote to the Disaffiliation Date, Local Church shall be responsible for paying to Conference a sum equal to the cost of salary and benefits for the pastor for that period of time or until such time as another appointment providing for equal or greater compensation is afforded to the pastor in question.*

4. Local Church's Obligations. Unless a different date is specified, Local Church shall, by no later than the Disaffiliation Date, do the following:

- a. *Payments.* Prior to the Disaffiliation Date, Local Church shall pay to Annual Conference, in a manner specified by Annual Conference, the following:
  - i. Local Church shall have the right to retain its real and personal, tangible and intangible property without charge. Any costs relating to Local Church's retention of its property will be borne by Local Church.
  - ii. Any unpaid connectional for the twelve (12) months immediately prior to the Disaffiliation Date, as calculated by Annual Conference, totaling **\$1670.00**;
  - iii. An additional twelve (12) months of connectional commitment, as calculated by Annual Conference, totaling **\$1600.00**;
  - iv. Any past due Direct Bill Pension or Health Insurance payments **\$0.00**.

- v. An amount equal to Local Church's pro rata share, based on a ratio of church's Connectional Commitment to the current year's budget, of Annual Conference's unfunded pension obligations, based on the Annual Conference's aggregate funding obligations as determined by the General Board of Pension and Health Benefits using market factors similar to a commercial annuity provider, totaling **\$2865.00**;
  - vi. Any grant from the Annual Conference to the Local Church that was received within two (2) years prior to the Disaffiliation Date, including but not limited to grants for Equitable Compensation or small church capital improvements, shall be treated as a loan and shall be repaid in full prior to the Disaffiliation Date.
- b. *Other Liabilities.* Local Church shall either satisfy all of its debts, loans, and liabilities, or assign or transfer such obligations to its new entity. Such debts, loans and liabilities, and the disposition thereof, are listed in EXHIBIT B to this Agreement. Local Church must provide sufficient documentation of same to Annual Conference. Notwithstanding whether any such liability is disclosed in EXHIBIT B, all liabilities of Local Church shall remain liabilities of Local Church's new entity and shall not become liabilities of Annual Conference.
  - c. *Intellectual Property.* Local Church shall cease all use of "United Methodist," the Cross & Flame insignia, and any other intellectual property of the denomination and Annual Conference, including the removal of all signage containing the same."
  - d. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and also shall ensure that any affiliates of Local Church which have been included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination's group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.
5. Organizational Transition. Local Church shall take all steps necessary to close and/or dissolve any legal entities and to settle, liquidate, or transfer all assets and obligations of such entities, or

to establish any new legal entities, or to modify its current organizing documents, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this Section 5.

6. Property. On the Disaffiliation Date, Local Church will have full ownership of the property and assets listed in EXHIBIT B to this Agreement. For any real property to be retained by Local Church, Local Church shall cause to be prepared a quitclaim deed in the form shown in Exhibit C hereto, for signature by two Conference Trustees, which deed shall disclaim any interest of the Conference in the real property pursuant to the UMC trust clause or otherwise. Local Church shall be solely responsible for ensuring that the property description contained in the Quitclaim Deed is accurate, and Conference shall make no warranty of title as to Local Church's property. Local Church shall provide the information required by Exhibits A and B and the Quitclaim Deed referenced in Exhibit C prior to the date of the Annual Conference vote on disaffiliation. The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all of Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other.

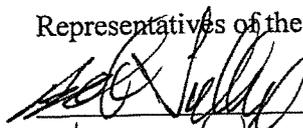

Notwithstanding the foregoing releases and covenants not to sue, the parties may take action to enforce this Disaffiliation Agreement in any court where jurisdiction and venue are proper.

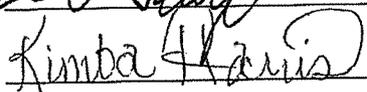

8. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein by December 31, 2023, this Disaffiliation Agreement shall be null and void.

9. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits (Wespath) to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

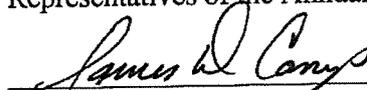

10. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.
