TWK Organizational Meeting
for the Tennessee-Western Kentucky Conference
Saturday, December 4, 2021
1:00 p.m.- 3:00 p.m.

What is this meeting?

This Organizational Meeting is the next step in creating the new Tennessee-Western Kentucky Conference!

This meeting is NOT an annual conference. The business to be addressed is limited to items necessary in the next step of forming our new conference.

This brief online meeting will include worship, learning, and business. This will include approving the new conference leadership that will begin in January 2022.

Why did you receive this email?

You are being contacted because you are on the list of clergy or lay voting members (or alternates) **elected at your church's 2020 Charge Conference to serve in 2021** at the Memphis Annual Conference or Tennessee Annual Conference (*i.e. the same people eligible to vote in June 2021*).

Will you receive a new voting code?

Yes! Eligible clergy and 2021 voting laity will receive new voting codes from GNTV for this meeting.

You will be contacted via email with the address provided to the conference secretary by your district office. Voting codes also will be sent to that email address. *There is NO REGISTRATION required for this meeting.*

If a voting member from your church did not receive this email message, their email address may have changed since June. Please encourage them to contact the district office AND info@nashareaumc.org as soon as possible with their correct email address.

What if you cannot attend on December 4?

If you were elected to represent your church at the annual conference in 2021, but cannot attend the meeting on December 4, please follow the procedures on the [organizational meeting webpage](#) so your church's alternate can attend and vote.

What comes next?

Important information will be sent to you via email in early November. Materials also will be posted at twkumc.org/organizational-meeting at that time.

In addition, you will have opportunities for training with GNTV so you can participate and vote at the meeting. The Zoom webinar meeting link and voting codes will be sent out after Thanksgiving.

Thank you for planning to attend this important meeting in December!
