## PART II PERTAINING TO ORDAINED AND LICENSED CLERGY

(Note: A (v) notation following a question in this section signifies that the action or election requires a majority vote of the clergy session of the annual conference. If an action requires more than a simple majority, the notation (v 2/3) or (v 3/4) signifies that a two-thirds or three-fourths majority vote is required. Indicate credential of persons in Part II: FD, FE, PD, PE, and AM when requested.)

17. Are all the clergy members of the conference blameless in their life and official administration (§604.4, 605.7)?

My final duty in this report is to answer Question 17 before the whole body of the Conference. It's the question on clergy conduct and character. The required answer is a functional one. That is, are the clergy fit for appointment?

We answer it knowing inwardly none of us, clergy or lay, are what should be in our character and conduct. But thanks be to God, none of us are what we will be perfected in the Love of God through Jesus Christ our Lord.

Are all the clergy members of the conference blameless in their life and official administration (§604.4, 605.6)?

#### REPORT

#### BOARD OF PENSIONS

#### MEMPHIS CONFERENCE BOARD OF PENSIONS

#### **The Rev. J. Barry Henson – Chair, Memphis Conference Board of Pensions** Part A

I am deeply appreciative for the opportunity to have served as the Chair of the Memphis Conference Board of Pensions, for the past two years, but will be resigning this year as I am transitioning to the retired relationship. I can assure you that your Board of Pensions works very hard to make certain that the faithful work of our clergy who have retired and those who continue to serve is not forgotten and that we continue to provide the very best pension benefits available to our clergy families.

The Board of Pensions has a reserve account with the General Board of Pension and Health Benefits (GBPHB) and the Nashville Area Foundation. According to past Pension reports, these reserve accounts may only be used to fund pension requirements by the Board of Pensions of our Annual Conference, but we have appointed a Task Force to study the legal implications of the use of these funds along with establishing policies and procedures for the Conference Board of Pensions as well as reviewing investments, etc. We appreciate the efforts that our Conference Finance and Administration and our Bishop and Cabinet have made to continue to encourage all churches to pay their proportional apportionment items in full as defined in The Book of Discipline. However, we still have a number of churches which are not meeting this Disciplinary requirement, and this makes it difficult to protect our reserves and maintain our budget at or below previous years. While our budget will be part of the Conference Finance and Administration report, I am pleased to report that we are recommending a reduction in our request for the 2016 budget and we are doing so because our growth from our reserves significantly exceeded our expectations, thus allowing us to use more of the growth, while still increasing our reserves.

I am deeply indebted to those who serve on the Board of Pensions and especially to our Interim Conference Treasurer, Brent Smith and our Assistant Treasurer Clare Wilson and the Treasurer's office staff at the Tennessee Conference Jim Allen and Melinda Parker for their invaluable contributions of knowledge and counsel. The work of these staff with and for the Board of Pensions is indispensable and should be deeply appreciated by everyone in our Annual Conference.

We also recommend to the Annual Conference that we continue our current relationship with the Tennessee Annual Conference in regard to managing our Pension Benefits.

I assure you that we as your Board of Pensions will continue to do everything possible to provide the support that you have come to expect from this Board as we work together to provide for the pension needs of our clergy. Scott Alford, Vice Chair of the Board of Pensions will assume the role of Chair at the end of this session and function in that role until the Board meets and can officially elect a new chair.

## Part B

### Allowances to Retirees

With regard to allowances for the benefit of retired ministers, the Conference Board of Pensions recommends the following:

That ministers retired prior to opening session of a regular annual conference shall receive an allowance at the rate of up to \$75.00 per day effective June 3, 2012 for each day in attendance at the conference. Reimbursement shall be authorized by the Board of Pensions upon receipt of a voucher showing the actual expense incurred. This benefit shall be available also to surviving spouses, subject to the same conditions.

That upon retirement, full-time active ministers in regular appointment will receive a one-time retirement stipend in the amount of \$1,500 effective January 1, 2011.

That upon retirement, part-time active ministers in regular appointment will receive a one-time retirement stipend proportional to their appointment percentage at retirement in the amount of \$1,125 (75%), \$750 (50%), and \$375 (25%) effective July 1, 2014.

Those full-time, active members in regular appointment may receive the retirement one-time stipend at the time of taking disability leave in lieu of receiving it at the time of retirement.

## Part C

### Incapacity Leave

In accordance with ¶357.1 of The 2016 Book of Discipline, the Conference Board of Pensions recommends the following conference members to be approved for disability benefits:

Harold Q. Evans, Sr. John Jeffery Irwin Patricia King

Esther Gant (Medical Leave effective 03/01/2010, Ineligible for CPP benefits)

### Resolutions Relating to Rental/Housing Allowances for Retired, Disabled, or Former Clergypersons of The Memphis Conference (Revision effective January 1, 2014)

The Memphis Conference (the “Conference”) adopts the following resolutions relating to rental/housing allowances for active, retired, terminated, or disabled clergypersons of the Conference:

WHEREAS, the religious denomination known as The United Methodist Church (the “Church”), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church (“Clergypersons”);

WHEREAS, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation;

WHEREAS, pensions or other amounts paid to active, retired, terminated, and disabled Clergypersons are considered to be deferred compensation and are paid to active, retired, terminated, and disabled Clergypersons in consideration of previous active service; and

WHEREAS, the Internal Revenue Service has recognized the Conference (or its predecessors) as an appropriate organization to designate a rental/housing allowance for Clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation;

NOW, THEREFORE, BE IT RESOLVED:

THAT an amount equal to 100% of the pension, severance, or disability payments received from plans authorized under The Book of Discipline of The United Methodist Church (the "Discipline"), which includes all such payments from the General Board of Pension and Health Benefits ("GBOPHB"), during the period January 1, 2016 through December 31, 2016, by each active, retired, terminated, or disabled Clergyperson who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such Clergyperson; and

THAT the pension, severance, or disability payments to which this rental/housing allowance designation applies will be any pension, severance, or disability payments from plans, annuities, or funds authorized under the Discipline, including such payments from the GBOPHB and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the Discipline, that result from any service a Clergyperson rendered to this Conference or that an active, a retired, a terminated, or a disabled Clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such an active, a retired, a terminated, or a disabled Clergyperson's pension, severance, or disability plan benefit as part of his or her gross compensation.

NOTE: The rental/housing allowance that may be excluded from a Clergyperson's gross income in any year for federal (and, in most cases, state) income tax purposes is limited under Internal Revenue Code section 107(2), and regulations thereunder, to the least of: (a) the amount of the rental/housing allowance designated by the Clergyperson's employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (b) the amount actually expended by the Clergyperson to rent or provide a home in such year; or (c) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year. Each clergyperson or former clergyperson is urged to consult with his or her own tax advisor to determine what deferred compensation is eligible to be claimed as a housing allowance exclusion.

##### Current Program/Budget Projection/Funding Request

The Memphis Conference Board of Pensions budget request will be included in the Conference Finance and Administration Report for 2016.

#### Part F

##### Memphis Annual Conference Funding Plan

##### For Supplement One to the Ministerial Pension Plan

The 2016 Past Service Rate (PSR) is \$587. We expect our recent pattern of 2% annual PSR increases to continue.

As of January 1, 2016, assuming 2% annual PSR increases, the General Board of Pension and Health Benefits' actuarial valuation of the plan for the Memphis Conference shows more assets than benefit obligations. The funding plan is summarized below.

Pre-1982 Plan Valuation:

Plan Assets \$25,541,704

Plan Liability (19,179,976)

Funding Surplus \$6,361,728

With conference assets equal to 145% of actuarially projected plan liability, we anticipate no additional deposit of funds to this account in the near future.

## Part G

### CRSP (Clergy Retirement Security Program)

#### Participation for Deacons

Effective January 1, 2007 most deacons were enrolled in the same plan as their other clergy colleagues. Under CRSP, the annual conference becomes the plan sponsor for deacons appointed to a local church, charge, conference or entity for which the conference is responsible (EM1). The conference treasurer's office will be responsible for submitting the pension plan contributions for these deacons to the General Board of Pensions and the local church, charge, conference or entity for which the conference is responsible (EM1) will be responsible for submitting these contributions to the conference treasurer's office on a monthly basis.

☐ Deacons and other Clergy in most extension ministries, however, will need their employers to sponsor another plan in order to receive pension benefits.

## Part H

### Pension Plan changed effective January 1, 2014

Clergy Retirement Security Plan (CRSP) Full Time clergy under Episcopal appointment within the bounds of The Memphis Conference.

United Methodist Personal Investment Plan (UMPIP) for Less Than Full Time clergy under Episcopal appointment within the bounds of The Memphis Conference.

Effective January 1, 2014, the Memphis Conference UMC has elected to cover only clergy serving full time under CRSP (Clergy Retirement Security Program).

The Memphis conference will contribute to the UMPIP (United Methodist Personal Investment Plan) on behalf of clergy who are no longer covered under CRSP to lessen the impact on their retirement savings.

Clergy who are serving three-quarter, half-time or one-quarter time will receive a contribution in the amount of 12% of cabinet total plan compensation to their UMPIP accounts.

Respectfully Submitted, J. Barry Henson – Chair, Memphis Conference Board of Pensions

## REPORT

### CLERGY WELLNESS COMMISSION

The Rev. L. Ray Chandler, Jr. – Chair, Memphis Conf. Clergy Wellness Commission

rchandler63@icloud.com

The mission and ministry of our Clergy Wellness Commission is to provide the best possible health care to all of our participants while being faithful stewards of the finances it takes to fund the program. We are funded through three resources: the premium billing receipts where the churches pay 80% of those premiums, the 20% our participants are responsible for with those premiums, and the designated apportionment item CFA and the Annual Conference approves. We also have a reserve fund to help us with higher than projected claims, unfunded apportionment receipts, and in those good claim years even with necessary premium increases to help the local church.

Thanks to our conference staff of Brent, Clare and Helen; our consultant Jim Horobetz; Cigna; Methodist Healthcare; and the commission we work constantly to keep our program thriving, competitive, and faithful. This is not a business for us. It is a ministry of doing all we can to get you well, keep you well, and to take care of you when you are not well.

For the past number of years we have been fortunate enough to have little or no increase in our premiums. This has been due to good claim years and a healthy reserve fund. It has been 11 years since we have had an increase in the double digits, which has been a true blessing. But we always live with the knowledge that a year can come along where all the key factors come together and call for a larger increase. This is one of those years. We broke a 16-year record of claims over \$100,000. Without the security of our Stop Loss or Coinsurance our program would have been busted. Plus with the size of our group, the average age of our group, and how we have to budget a year ahead of ourselves we always walk a fine line.

This year we need a 35% increase with premiums in order to be good stewards of our program. The good news is that due to our healthy reserves we are only asking for 20% from the churches and our participants. Our reserve fund can withstand the other 15%. We are also not asking for an increase with our apportionment item, which is four years in a row. We want to faithful with CFA in keeping our budget line item fixed.

While 20% seems horrible to us (since we have not had an increase like this in years) we have to remember some important things. First of all, 20% increases are the norm or median in the insurance industry. The lay people reading this report know exactly what we mean when we say 20% is a normal increase. Secondly, we are blessed beyond measure with the extreme generosity of Methodist Healthcare who gives us the highest discount in the entire Southeastern Jurisdiction. Yes, the premiums will always fluctuate but the discount is there when we need the program the most. We are indebted to Methodist Healthcare who continues to promise to stand with us. Finally, we are fortunate to be able to offer free eye care insurance, low dental insurance rates, and a free Employee Assistance Program through Methodist Healthcare, which gives you up to 6 free sessions with a therapist/counselor/psychologist when you or your spouse/family need someone to talk to. Overall we feel that we have an insurance plan that offers you great care.

We encourage the participants in our group insurance program to take advantage of the Vision benefits, Lifestyle Management and Disease Management Programs that are available to them as participants in the medical plan. Preventative care and disease management are important factors in improving health among clergy and their families.

Lifestyle change programs include a health coach to assist in meeting personal goals around stress management, weight management, and quitting tobacco use. This telephonic program is easy to use and offers both motivation and accountability. Active participants on the conference health plan can access this program by calling 1-866-417-7848.

With the disease management programs, a participant on the conference insurance plan can speak with a nurse to help in managing conditions such as asthma, back pain, diabetes, cardiac, depression, COPD, and weight. Typically, a Cigna nurse reaches out to active members who have a chronic disease.

### **Memphis Conference of The United Methodist Church Retirees' Healthcare Funding Plan for 2016**

Since 1950, the Memphis Conference has provided a health insurance plan that was available to its active ministers and their families, conference & district lay employees and their families, surviving clergy spouses and families. Coverage for our retirees has also been provided; in recent years, this has been in the form of a Medicare wraparound policy.

Beginning in 1960, the retirees' premiums were wholly subsidized by an apportioned amount included in the conference budget. Retirees and surviving spouses became responsible for paying 10% of their premium amount in 2004; 15% in 2005; 20% in 2006. The 20% rate continues to the present time.

The conference continues to budget an amount sufficient to cover the 80% of wraparound premiums due on behalf of our retirees. This is an ongoing commitment that is affected by the typical elements of (1) healthcare costs in general, (2) specific claims against the conference plan, and (3) ongoing healthcare issues as addressed legislatively within the U. S.

Given these uncertainties and the flexibility we hold for this self-insured plan to adapt both premiums and benefits to accommodate the needs of our retirees and surviving spouses in ever-changing circumstances, we view the actuarial reports requested by the General Conference through a very hazy atmosphere. In light of the numerous uncertainties before us, it is our plan to continue monitoring these many matters that impact our health insurance for both active and retired pastors, adapting those plans as necessary, and responding to the benefits-related circumstances that are before us at any given time.

Should any plan at any time become unsustainable, it will be terminated after all other options are exhausted.

### **Arrearage Policy**

Effective January 1, 2009, it is the policy of the Memphis Conference Group Insurance Program that a member's insurance premium must be paid in full by the end of each quarter to prevent suspension pending cancellation of coverage.

It is the policy of the Memphis Conference Group Insurance Program that any time a member's insurance premium is more than three months in arrears, the participants shall be suspended from the group insurance program as soon as administratively possible; that is, claims will not be paid during the period of suspension until suitable payment arrangements have been made and a written agreement is in place to pay the amount of arrearage in full. Once the arrearage payment is approved the quarterly insurance premiums must remain current and will not be allowed to fall into arrears.

Your dental insurance is a voluntary benefit elected by the member in which it is the member's responsibility to submit the premiums in full. If your dental insurance is cancelled due to nonpayment, you will receive a Form 1099 for the total amount of unpaid dental insurance premiums. If an arrearage payment agreement is approved, the quarterly dental insurance premiums must remain current and will not be allowed to fall into arrears.

The insurance coverage will be cancelled as soon as administratively possible if the arrearage payment agreement is not honored and/or the current quarterly premiums payments do not remain current. You will receive a Form 1099 for the total amount of unpaid insurance premiums.

It is our policy to cancel medical and dental insurance coverage for nonpayment of premiums and/or receipt of written request from the participant prior to the effective date of cancellation. The cancellation effective date must be the last day of the month. We do not prorate premiums.

Grace and Peace, Ray Chandler - Chair, Clergy Wellness Commission

## REPORT OF THE BOARD OF ORDAINED MINISTRY TO THE 176TH SESSION OF THE MEMPHIS ANNUAL CONFERENCE

The Lord is with you. *And also with you.*

Bishop McAlilly, sisters and brothers of the Conference and guests, good afternoon.

As Chair of the Board of Ordained Ministry, I come before you today with gratitude for the men and women who serve on this body with me. We are an “all hands on deck” operation, every person has something to contribute to our common work, and I’m honored to labor alongside each of these servants. I offer my annual report with brief updates on a number of areas of progress, while identifying points of need and concern requiring further work and study in the coming year.

We are one year into our Area-wide Residence in Ministry. Together with our Tennessee Conference partners, our provisional deacons and elders undertake the Disciplinary requirements of a Residency process together. The common experience has enriched personal relationships with cross-conference colleagues, and will bear fruit of long lasting vitality for ministry’s future. These residents are modelling covenant life in ways for which all of us deployed in the field of ministry for many years could take lesson. So rich are the relationships being formed that current residents have lamented reaching the end of the journey, ordination, in the absence of their cross-conference colleagues. That is a telling sign of meaningful covenant relationships, is it not?

After two years of planning, I am proud to announce that beginning July 1, 2015, the Memphis Conference joins with the Tennessee Conference in creating the Area-wide Office of Ministerial Concerns. The Rev. Tommy Ward, my colleague and friend, is the director of that office. Over the coming months, the work of our registrars will matriculate into the Area OMC office. Having a centralized place for all matters related clergy status, for local pastor progress, for candidates, and for all seeking ordination will be of immense value to us. This office is a major step in our progression toward excellence. All in this room who either are or have been registrars for the Board of Ordained Ministry, or have chaired the BOM, understand all too well how meaningful this shift is for us.

I want to acknowledge Tommy’s presence with us today. You will see more and more of Tommy as time goes by. Please join me as we extend warm welcome both to he and my Tennessee Conference counterpart, the Rev’d Bryan Brooks. Tommy and Bryan will be participating in our Ordination Service tonight.

I reported last year about the General Conference’s Young Clergy Initiative, and that we would be submitting a grant proposal to the General Board of Higher Education and Ministry through which we’d offer internships. The Rev’d Nancy Johnston Varden composed and submitted our proposal on behalf of the Board. It dealt with matching the opportunity to serve others through working the land. The theology of working the land and the sustainable food sources it provides in both urban and rural areas matters much to the 20-something generation. Our conference was awarded \$84,000 to implement this program. Special thanks to Nancy for her vision and commitment. We are prayerful that once engaged, the call to ministry will emerge.

In the past year we rolled out our Orientation to Ministry plan. OTM, another new requirement of the 2012 General Conference, is intended to provide information about the

wide range of ministry opportunities for those very early in the inquiry process. Special thanks to Rev'd Mike Pilcher and his team for bringing this work to fruition.

In August of this past year, we sent a delegation of 8, representing Board of Ministry officers and Chairs of the Orders and Fellowship to Denver for the Mid-Quadrennial meeting of Boards of Ordained Ministry sponsored by the General Board of Higher Education and Ministry. We learned much about the opportunities and challenges of our work in a time of great transition in the Church. While there were many relevant takeaways, among those most notable was that the path the Church has created to ministry for any who feel called to it, is cumbersome and too often serves to discourage and alienate rather than facilitate and encourage. To be sure, due diligence and examination must be done, and at times that means telling someone while they may sense a call to ministry, it is our discerned sense that it is not ministry in The United Methodist Church...but in general, we need to find ways to streamline processes for those called to ministry reflecting the growing diversity of our culture so that we can make a more excellent witness with and among those for whom the current model is a stumbling block.

Building upon lessons learned from that gathering, points of focus for our work in the upcoming year include:

- dCOM training. Given the new district structure and our new OMC office, it is all the more critical that our dCOMs and DS's are in synch with each other and with the Conference Board. I'm targeting this summer, hopefully late July, for that opportunity.
- Taking up part of our responsibility as a BOM, in partnership with the Orders, and the Bishop and cabinet to speak to questions of effectiveness for clergy. The GBHEM has been developing tools for just that work, and I'm hopeful we can implement so that we can come alongside struggling clergy aspire to fruitfulness in their life and ministry.
- We have not yet achieved the desired or intended outcome of our BOM website. Focused work needs to be brought to bear on that.
- Detailed analysis of our Ministerial Education Fund to assess the prospect of increasing our level of support for seminary students so as to offset impact student debt.
- Explore partnership with The United Methodist Foundation of the Memphis and Tennessee Annual Conferences to develop a plan to lessen the impact of clergy currently holding significant seminary debt.

## Bishop asks Wesley's historic questions to the ordination candidates

My final duty in this report is to answer Question 17 before the whole body of the Conference. It's the question on clergy conduct and character. The required answer is a functional one. That is, are the clergy fit for appointment? We answer it knowing inwardly none of us, clergy or lay, are what should be in our character and conduct. But thanks be to God, none of us are what we will be perfected in the Love of God through Jesus Christ our Lord.

Are all the clergy members of the conference blameless in their life and official administration (¶¶604.4, 605.6)? Yes, but for one.

Respectfully Submitted,

Rev'd Dr. Jonathan L. Jeffords,  
Chair, Memphis Annual Conference Board of Ordained Ministry

## REPORT OF COMMISSION ON EQUITABLE COMPENSATION

Deborah B. Smith, Chair

The purpose of the Equitable Compensation Commission is to support full-time clergy serving as pastors in the charges of the annual conference by: (a) recommending conference standards for pastoral support; (b) administering funds to be used in base compensation supplementation, and (c) providing counsel and advisory material on pastoral support to district superintendents and committees on pastor-parish relations; and (d) submitting an arrearage policy to be adopted by the annual conference. This purpose is consistent with the provisions of ¶625 of The Book of Discipline, 2012, as explicated in detail below.

### 1) Types of Equitable Compensation Support

#### a) Minimum Salary Support

The Commission annually proposes to the Annual Conference a schedule of minimum salary for ministers in the various categories of Conference relationship. In approving this schedule, the Conference guarantees each of its itinerant ministers a certain minimum salary. Unless a minister voluntarily waives this right, s/he is entitled to an appointment where the salary, including increments, will be at least the minimum of his/her category.

#### b) Minimum Salary Levels for 2016 (using the NEW cabinet total, per GCF&A standards)

\$33,796 Full Conference Members and Probationary members with seminary degree

\$32,511 Associate Members

\$31,440 Full-time Local Pastors

#### c) Years of Service Program

In order to provide further incentives for pastors receiving Equitable Compensation support, the Commission will provide an increment for past years of full-time service within The United Methodist Church. (Years of service shall be the same as pension service credit. See pastoral records for approved years of service.) Beginning after 5 years of service, the pastor will receive \$100 for each year of service; those having served 5 years will receive \$500; 6 years \$600; 7 years \$700; and so on.

### 2) Eligibility for Equitable Compensation Program

a) Only those appointed to a pastoral charge within the Memphis Annual Conference, and meeting the requirements of *The Discipline* shall be eligible for salary support.

b) A claimant must complete in full and submit proper application forms as required by the Commission.

c) A claimant must live within the bounds of the pastoral charge to which he/she is appointed if no parsonage is provided, or in the parsonage (if provided). Clergy couples shall be an exception.

d) If a housing allowance is given in lieu of a parsonage, it should not be regarded as income. Twenty-five percent of the basic Equitable Minimum for each charge without a parsonage will be allowed for housing.

### 3) How Applications are Submitted:

a) All applications shall be submitted on forms provided by the Commission, signed by the applicant and the District Superintendent.

- b) Signed applications should be submitted to the chairperson of the Equitable Compensation Commission on or before the fifteenth day of December of each year or the fifteenth day of May for the conference year.
- c) Applications shall not be taken at any other time unless approved by the Bishop, Cabinet, and the Chairperson of the Commission.
- d) District Superintendents shall furnish the Commission with requested data for determining eligibility for equitable compensation support.

4) Payments to Claimants Each month, the Treasurer of the Memphis Annual Conference shall make payments to the Charge/Church Treasurer, upon request from the Commission on Equitable Compensation.

#### 5) Financial Reports

At each session of the Annual Conference, financial statements shall be filed as follows:

- a) Basic Compensation Program payments (including bonuses) made to the various charges of the Conference.
- b) Supplemental Salary Aid payments made to the various charges.
- c) Grants from the Emergency Fund (to be shown by districts).
- d) Administrative expenses of the Commission on Equitable Compensation.

#### 6) Recommendations to the Memphis Annual Conference

Charges receiving support from the Equitable Compensation Commission are encouraged to take steps regularly toward becoming self-supporting and toward the increasing of the total level of support of their ministers. The following actions should encourage these steps:

- a) The District Superintendent will annually review each application for equitable compensation with the appropriate Charge Conference.
- b) If after four consecutive years of receiving equitable compensation support, the church or charge shows little or no interest in becoming self-supporting, it is recommended that the Cabinet look at the possibility of filling that appointment with a less than full-time person.
- c) Exceptions to the phasing-out of support must be approved after careful annual review by the Bishop and Cabinet, and must involve clear missional reasons for maintaining the United Methodist witness in the parish of such a charge.
- d) The Commission encourages each church or charge in setting their minister's salary to consider an annual cost of living increase, in addition to any appropriate merit increase.
- e) It is expected that any church or charge that receives equitable compensation support shall pay their Connectional Ministerial Support apportionment in full.
- f) The Commission encourages the Bishop and District Superintendents to be creative in the appointive process; however, it is recommended that no church or charge be allowed to become a station appointment unless that church or charge has the potential to become self-supporting within four years during which time Equitable Compensation will be decreased by one-fourth each year.

#### 7) Emergency Fund.

This is administered by the Chairperson of the Commission, upon recommendation of the Bishop and the Cabinet, for the purpose of meeting emergency needs arising among the pastoral members of the Conference. The Secretary of the Cabinet is to notify the Chairperson of the Commission by letter to requisition funds.

### 8) Funding Program

Based on the projected program for **2016**, we request funding from the Annual Conference in the amount of **\$100,000, reflecting no increase or decrease** from the previous year.

**REPORT**  
**COUNCIL ON FINANCE AND ADMINISTRATION**  
**POLICY RECOMMENDATIONS**  
**FOR Fiscal Year 2016**

- I. The Council on Finance and Administration concurs with the Connectional Ministries Team regarding conference and general church special day observances. We also concur with the special day designated offerings.
- II. We recommend that only under emergency conditions, as determined by the CFA in consultation with the bishop and the cabinet, shall funds be borrowed from an outside lender for current expenses. The maximum such borrowing shall be \$250,000 (two hundred fifty thousand dollars).
- III. The CFA recommends that it be authorized to act on requests for funds in those situations in which budgeted funds, as approved by the conference, are inadequate to meet emerging missional needs or unforeseen circumstances. Those requests which are approved shall be funded from the Conference Reserve Fund, and the amounts of the funding shall be reported to the conference (2012 Discipline p.612.7). Such inter-fund borrowing shall be reported to CFA monthly.
- IV. We advise all agencies that the conference treasurer will be instructed to issue funds only up to the amount of the projected income for each fund for the year, except for Group Insurance, which is designated as a priority item and is to be paid in full. Salary items shall be paid at full budgeted amounts, but the amounts remaining in the budgets after salaries are funded will be expended only up to the projected percentage of apportioned amounts that will be collected. Each group is responsible for proper allocation of its funds for the year, and no funds will be issued when the projected income ceiling has been reached, without prior approval of the Council on Finance and Administration.
- V. We recommend approval of the Reserve Fund report of the Council on Finance and Administration. We further recommend acceptance of the audit report from the conference's certified public accountant for 2014, and that the audit for 2015 be submitted no later than May 31, 2016.
- VI. We recommend that all conference-authorized travel be reimbursed as follows:

One passenger	.21 per mile
Two or more passengers	.24 per mile
Six or more in a van	.30 per mile
Conference Staff	IRS rate
- VII. Boards and agencies requesting funds must have their vouchers approved administratively as follows:

<u>Claimant</u>	<u>Approving Officer</u>
A. District Superintendent	A. Bishop or CFA President
B. CMT Staff and employees	B. CMT Director
C. CMT Committees	C. CMT Director
D. Committee, Commission, and Board members	D. Committee, Commission and Board Chairs
E. Treasurer	E. Bishop or CFA President
F. CMT Director	F. Bishop or CFA President
G. CFA President	G. Bishop
H. All others	H. Bishop or CFA President

- VIII. All who are requesting funds of the conference for 2017 are asked to have their requests, in writing, to the conference treasurer by March 1, 2016. We request full disclosure of the expenditures of the groups for 2015, and budget projections for the expenditures for 2017 funds.
- IX. We request that each district, through its district superintendent, submit to the CFA by its fall meeting, a copy of the budgets for those funds that are apportioned and administered within the bounds of the district. An audit of the funds handled during the year 2015 is requested by the fall 2016 meeting of the CFA. We recommend following, as far as applicable: the outline of the General Council on Finance & Administration's Local Church Audit Form or, if performed by a certified public accountant, to the Standards of Review of the American Institute of Certified Public Accountants.
- X. We would remind all conference entities of the provision in the 2012 Discipline, paragraph 614.5.a, which disallows special conference-wide funds appeals without prior approval of the Annual Conference upon CFA's recommendation.
- XI. All items added to the conference budget at the annual conference session will become a part of the year's budget under consideration, and will not be taken from the Conference Reserve Fund.
- XII. The Director of the Conference Connectional Ministries Team and/or the Annual Conference Treasurer or their assigns shall serve as an ex-officio member of all special study committees authorized by the annual conference session.
- XIII. The Conference Treasurer shall execute the policies established by the Conference Council on Finance and Administration, and in consultation with the Conference Investment Coordinating Committee, with regard to the investment of funds and the regulation of cash flow.
- a. All funds shall be invested following the Guidelines of the General Council on Finance and Administration wherever they may be relevant or applicable.
  - b. The objectives for the investment of conference funds shall include:
    - (1) (1) The preservation of the principal value of the investment
    - (2) The investment should provide a reasonable rate of return
    - (3) The investment should be invested, so far as is practical, with those agencies whose management policies are consistent with the Social Creed of the United Methodist Church.
  - c. The Treasurer shall report annually to the Conference Council on Finance and Administration the location and amounts of invested funds, and the earnings gained.
- XIV. Moving expenses for those hired or appointed as district superintendents, CMT staff members, campus ministers, or CFA staff members will be paid by the conference. These payments will not include amounts for storage, packing materials or labor to pack.
- a. Local churches may not reimburse a minister's professional expenses more than two months ahead of the prorated budget amount at any given time.
  - b. Expenses from January 1 to June 30 in any given year may not exceed 1/2 of the total annual budget amount for reimbursable expenses.

### **BUDGET RECOMMENDATIONS**

- I. a. We recommend an apportionment not to exceed \$1,578,699 for the Clergy Wellness Commission for 2016. We recommend that these funds be established as a priority item, and the conference treasurer be authorized to borrow whatever funds are necessary to pay the premiums during 2016.
- II. We recommend that the 2016 salary of each district superintendent, the program ministries director, and the conference treasurer be \$70,000 plus \$10,000 for utility and household allowance. We recommend that travel expenses for these positions be reported monthly by voucher for reimbursement. In those instances where a parsonage is not provided, the superintendent's housing allowance shall be 25% of (salary + utilities allowance); \$20,000, using the above amounts.
- III. We recommend that the bishop create a CFA task force to recommend: (a) a procedure for establishing base compensation based on complexity of the expectations of each position and (b) a procedure for rewarding performance at a level beyond those expectations. The task force's recommendations will become the means of budgeting compensation for ensuing years.
- IV. We recommend that the budget as presented in the "CFA Recommendation" column on the budget summary page of this document be approved, and that the fiscal year be designated as 1/1/2016 through 12/31/2016.

### **APPORTIONMENT RECOMMENDATIONS**

- I. We recommend that there be 22 apportioned funds, corresponding to the Arabic numbers appearing on the Budget Summary page.
- II. We recommend that all designated budget items be apportioned to the local churches at 101% of the approved amounts using a percentage computed from the 2014 statistics as follows: Grand Total expenditures for all purposes (column 60), less payments on indebtedness (column 58), buildings and improvements (column 59), and all amounts paid toward apportioned funds (column 35b). **For those churches that paid their apportionments in full during 2014**, an additional reduction for advance special gifts (columns 37, 38 and 39), and United Methodist charitable causes (column 43) will be made.
- III. We remind all pastors that the 2012 Discipline (par. 340.2(c) (2) (f) requires that all finances of the local church are to be reported to the conference.

### **OTHER RECOMMENDATIONS**

- I. We recommend that Bishop McAlilly create a task force that brings together representatives from pension, insurance, apportionments and related reserves for the purpose of examining the total financial picture, obligation and best practices in these critical areas.
- II. We recommend that William L. Davis, Jr. (Larry) be named the Treasurer for the Memphis Conference of the United Methodist Church.

## RESOLUTIONS

---

### Clergy for Inclusion

WHEREAS the Council of Bishops of the United Methodist Church has acknowledged that the church is “not of one mind” on the full inclusion of Lesbian, Gay, Bisexual, and Transgender (LGBT) people in the life of the church (*Council of Bishops’ Statement, October 23, 2013*); and

WHEREAS last year the Tennessee Conference resolved to “commit to respectful dialogue about issues on which we disagree” and “support our bishop and Conference leaders to facilitate such a dialogue;” and,

WHEREAS the Murfreesboro District (Tennessee Conference), Paducah District (Memphis Conference), and Paris District (Memphis Conference), have taken the first steps in facilitating such dialogue among clergy; and

WHEREAS such dialogue must be done intentionally and requires time for processing and relationship-building,

THEREFORE BE IT RESOLVED that along with the Tennessee Conference, the Memphis Conference calls upon all lay and clergy persons to commit to participate respectfully in opportunities for dialogue as they are offered; and

RESOLVED that our bishop and district superintendents offer opportunities for dialogue, learning from the example of the districts that have already begun this work; and

RESOLVED that each district will participate in such dialogue in the next twelve months.

Respectfully submitted,  
Memphis Conference Clergy for Inclusion

### Reading Program for Public Schools

At the Spiritual Life Retreat for the Memphis and Tennessee Annual Conferences the following resolution was proposed:

Be it resolved that every church, missional agency, and campus ministry in the Memphis Conference shall be encouraged to be engaged in a reading program at a public elementary school, preferably working with kindergarten through third grade, but not limited to these grades. This program may be as simple as one church member going to one school to work with one child who is having difficulty learning to read or as elaborate as the school and the church, missional agency, and campus ministry want or are able to make it. The program will cost nothing in dollars and cents unless the church, missional agency, or campus ministry chooses to provide books. It will take time and involvement with children and teachers. There are many advantages, but one that was lifted up is that by the third grade it is predictable which children will be imprisoned at some time in their lives due to the inability to read. A report on the program will be included at Charge Conference or in agency or campus ministry reports. We especially encourage linking in with Partner Today and Project Transformation.

Presented by Rev. Gail Gaddie, convener for Group 24.

### **Memphis Annual Conference Journal**

I move to have the published hardcopy in the hands of the district offices within 120 days of the end of the Memphis Annual Conference and that all materials be accessible online as soon as available. The website states that not all material is accessible online at the present time. That printed copies be limited to those needed by the conference and for archival purposes. Additional printed copies are to be made available to individuals at cost, plus postage and handling.

Should the journal not be published as stated above a deduction of 10% for each 30 day delay will be assessed. However, should the journal be published prior to the above date a "bonus" of 10% will be awarded.

Anne Richards

### **Standing Rules Policies and Procedures**

"Be it resolved that the Memphis Annual Conference authorizes a comprehensive review of the all MAC standing rules, policies, procedures, and standards pertaining to all entities of the conference to be conducted jointly by the Committee on Standing Rules and the MAC Extended Cabinet for the purpose of simplifying, updating, organizing, and aligning the same to the stated mission, core values, and focus areas of the conference. (See mission, core values, and focus areas adopted 2014) This review will entail bringing forward and revising rules, policies, procedures, and standards adopted by previous sessions of the annual conference. The Committee on Standing Rules will report the findings and recommendations of this review to the 2016 session of the MAC."

### HANNAH'S HOPE

Rev. Trina Bell Morrison, Executive Director

Dear Friends of the Memphis Annual Conference,

It is my privilege as Executive Director of Hannah's Hope to provide this report. The ministry of Hannah's Hope continues to grow and touch more lives as years go by. We are proud to be an extension of the ministry of every church in Memphis Annual Conference as we bring professional services delivered in a Christ-centered manner to pregnant women, their children and adoptive families.

Our Vision (goals) and Mission (objectives) statements have been newly revised by our Board of Trustees and Staff to reflect the reality and our sense of calling to today's ministry and the future of our ministry. The newly adopted VISION is: ***We are a growing, loving ministry dedicated to the healing of God's children (pregnant women, families seeking to adopt and children who need to be adopted) through adoption and pregnancy counseling.***

Our newly refined MISSION is as follows:

TO LOVE GOD'S CHILDREN BY:

- ***Helping pregnant women in crisis explore healthy options***
- ***Providing the option of adoption with a Christian family prepared to parent for a lifetime***
- ***Supporting children, pregnant women and families through the adoption process and beyond.***

When comparing the daily interactions of our ministry with the Conference Mission Statement, it almost feels as though the phrase "offering Jesus Christ to a hurting world, one neighborhood at a time" was written to describe what we do here at Hannah's Hope. Our work is definitely "in the mission field" as the vast majority of our pregnancy clients are unchurched and living in poverty. The women who come to us seeking counseling for their crisis pregnancies range in age from 14-40 and there is never a charge for this service. Most have other children they are parenting and we have the opportunity to mentor these struggling moms as we assist them in making plans for their current pregnancy. Our "mission field" is all over West Tennessee and includes neighborhoods that are rarely visited by anyone in the name of the church. As we work with our pregnancy clients, we are asked time and again if "those people" (the church groups who provide our birth mother care bags or gift cards for emergency food / diapers) know "WHO" we will be giving those items to because they are certain that anyone associated with a church would not want to be involved in their "messy" story. On a daily basis, we are interacting with the "woman at the well" as Jesus did and are dedicated to sharing with her the love of Christ through every interaction.

The ministry of Hannah's Hope serves a population of God's children that are hurting, who feel rejected and/or unworthy to be received by the church and have needs that are very specific and not well served by the general church leadership. We regularly visit in the homes of clients who are uncertain where their next meal will come from, who lack heat in the cold of winter and air conditioning in the heat of summer, who cannot safely sit on their front porch and have no certainty of what their future will hold. We strive to be the hands and feet and voice of Christ as we quite literally "clothe the naked, feed the hungry and offer shelter to the homeless." Often we are the tiny light of hope at the end of a very dark tunnel in a woman's life and share with them sacred moments as we provide support while they bring new life into the world. It is not uncommon for the Hannah's Hope Social Worker to be the only person who supports her client through labor and delivery. Those of us who are on staff at Hannah's Hope have the privilege of sharing the journeys of our clients, but this ministry is done as an extension of every individual and congregation who provide the resources that sustain our efforts.

*May the Grace and Peace of Christ be with you all.*

## WESTERN KENTUCKY UNITED METHODIST FAMILY SERVICES

CATHY BURKHEAD, CHAIR

[CJBURKHEAD@ATT.NET](mailto:CJBURKHEAD@ATT.NET)

---

The purpose of the Western Kentucky United Methodist Family Services is to offer services for the care and maintenance, support and education of children, youth and their families needing its services and care, and do all things which may be necessary, proper or pertinent in the operation and conduct of such an institution and agency. The mission of the agency is to provide Christian ministry through prevention, support, education and rehabilitation for children and families.

Our **mission** aligns with the Memphis Annual Conferences by discovering, equipping, connecting, and sending our services to our foster children in foster care. WKUMFS discover those foster children in need and provide foster parents, as well as providing extra necessities to make them feel accepted and not any different from other children. We **equip** the funds needed for providing the extras for our foster children. Our agency has fundraisers, write nonprofit grants, and gets needed provision of funds from the Memphis Conference. WKUMFS **connects** with our foster children and families by providing as many necessities as our budget will allow supporting the needs of our foster children. By sending professionals with the ability to provide our services, we feel we are giving the children in the foster care system an opportunity to experience the love of Jesus Christ through our efforts.

The **values** of WKUMFS Board of Trustees and others involved with our services, aid with **love** through dedicating and volunteering our time/service and by budgeting our finances to meet the needs of our foster children. **Integrity** is built with grace, compassion, accountability and providing the resources that our foster children so badly need. Our **faithfulness and fruitfulness** are established by prayers for our foster children, establishing relationships with social workers, foster families and foster children. Our actions and decisions are measured by the success of meeting our foster children's needs in in our care.

Through whatever change is needed, we are **innovated** to change our structure and ourselves to give our foster children an opportunity to experience the love of Jesus through our efforts in our mission.

WKUMFS **four areas of focus** with our mission and the Memphis Conference mission in mind are:

- **Investing** time, talent, and resources so that our foster children will become good citizens in the community and experience the love of Jesus through their foster care.
- **Engaging** in the foster care mission through our beliefs, we will provide those needs to assist in the well-being, love and care of our foster children.
- **Create transforming** opportunities for foster children to know that they are loved because they will always be a child of God.
- With God's help, our foster children will grow into **fruitful and faithful Christians** because we were blessed to touch their lives with love, care, and The Word.

WITH YOUR SUPPORT, FUNDRAISERS, AND GRANTS, WKUMFS WILL CONTINUE TO PROVIDE  
CHRISTIAN MINISTRY THROUGH PREVENTION, SUPPORT, EDUCATION AND  
REHABILITATION FOR CHILDREN AND FAMILIES

## REELFOOT RURAL MINISTRIES, Inc.

Rev. Robert Craig, Executive Director  
[executive@reelfootruralministries.org](mailto:executive@reelfootruralministries.org)

Mission Statement: In Christian love, we seek to provide personal encouragement, material assistance, helpful training, and spiritual guidance to children, the elderly, and low-income families in the rural Northwest Tennessee counties of Dyer, Lake, and Obion and Fulton County in Southwest Kentucky, in a manner that enhances self-esteem and encourages self-support.

In Matthew's account of the feeding of the multitude, Jesus had compassion on the crowd and offered healing to those in need of wholeness before providing a meal of abundance to thousands from a small offering of five loaves of bread and two fish (Matthew 14:13-21 paraphrased). Reelfoot Rural Ministries seeks to be an extension of Christ's compassion, healing, and provision to the multitude in Northwest Tennessee and Southwest Kentucky. Without fail, God takes the offerings of our volunteers, staff, and donors to restore hope, offer healing, and provide for needs. Just like in Matthew's story of the multitude, God seems to always make our offering enough.

We have witnessed countless moments of hope restored during the last year. A coffee mug caused abundant joy for a single gentleman who did not own one. He shared with us, through his tears, that prior to this gift he drank his coffee from an old green bean can. A homebound neighbor received the gift of a washcloth and wept with joy because it was an answer to a prayer the gentleman had prayed just that morning! A single working mother was overwhelmed when she was made aware that she qualified for the RRM grocery ministry. She initially came to RRM when she learned she could possibly receive help with school supplies. When she was offered groceries too, her response was, "I had no idea how I would provide for my kids this week, because their school clothes (which came from a thrift store) took most of my grocery money."

These are just a few examples of how we seek to live into the statement of purpose at Reelfoot Rural Ministries, Inc. That purpose statement is; ***"Restoring Hope, One Relationship at a Time."*** Jesus' example of ministry was relational; therefore we at RRM seek to be engaged in relational ministry as we offer Christ to a hurting world. There are thirteen areas of ministry in which we are engaged in this task. Those ministry areas include; Tenne Butler Day Care, Christmas Toy Store, School Supplies, Lake County Imagination Library sponsorship, Homebound Meal Delivery, Senior Center and Meal Program, Food Distribution Center (Grocery Ministry), Emergency Services, Dental and Oral Hygiene Clinic, Vision Clinic, Special Needs Home, Work Camp Ministry/Home Repairs, and the RRM Thrift Store.

While monetary and material donations are of incredible importance to this ministry, volunteers are an absolute necessity as well. Without volunteers, we could not possibly be as effective in ministry to thousands of households each year. In the past year, we have hosted volunteers from every district in the Memphis Annual Conference, multiple denominations in the service area, as well as several surrounding states. Volunteers are welcome to work on the ministry site for day projects or be hosted for several days at RRM to work in the surrounding community. These volunteer opportunities strengthen individuals in their faith journeys and the teamwork draws groups and churches closer together in relationship with one another for ministry opportunities in their church's neighborhood.

## LAKESHORE UNITED METHODIST ASSEMBLY

THE REVEREND GARY D. LAWSON, SR, EXECUTIVE DIRECTOR

MS. JOYCE WIGGINS, CHAIR, BOARD OF DIRECTORS

---

Lakeshore is proud to be the Camp and Retreat Center of the Memphis Annual Conference. The fiscal year 2016 will mark the fifth straight in which we have decreased our request for funding from apportionment giving. We recognize the struggle our local churches face in funding our conference and are committed to doing our part in easing that burden. It is our ultimate goal, as an organization, to become self-sustaining through fees and the faithful and generous giving of our donor base and guests.

Even so, we believe the ministry of camps and retreats is a worthy resource for our churches and an accountable partner in the mission of "Making disciples for the transformation of the world". We continue to expand programs, seek new ministries, and develop and maintain a facility that all of us can be proud of for years to come. Just as a reminder, the following list is just the beginning of a long list of the blessings the ministry of camp and retreats offers:

- An experience of true community. Many campers and guests call Lakeshore their home away from home. Here you are accepted for the child of God that you are and are free to grow as you choose to grow.
- Christian education in an action-based format. No rote learning here. At Lakeshore, we want you to experience the love of God as you learn all about it.
- Self-esteem and confidence building. Often campers that are shy and withdrawn at school find the confidence to lead and be an active part of the Lakeshore ministry.
- Empowers open dialogue regarding faith and discipleship. It is safe here. Your hopes, dreams and doubts can be shared without judgment or ridicule.
- Leadership development with hands on experience. Over 39,000 hours (yes, thousands) of volunteer leadership opportunities were enjoyed in 2014 alone.
- Appreciation for creation. We used to be called "Outdoor Ministries." The wonder and awe of the Creator is still experienced out in the wonderful world God made. We still see ourselves as the annual conference leader in doing ministry with ecological integrity.

An Announcement! During the summer of 2016, Lakeshore will be partnering with local churches throughout the geographical boundaries of our conference to bring week long day camps (Mon-Fri). These high energy, Christ-centered programs will happen at a partner church (call us if you want to partner) and be available to the community. We are calling it DayShore. Be looking out for more information.

Thank you Memphis Conference. Your prayers and continued financial support are essential to our being one of the finest camp programs in the United Methodist Church.

## NEW CHURCH DEVELOPMENT

DR. REV. STEVEN STONE, SR

---

Church planting is all about new things for new people for Christ's sake. The Memphis Conference New Church Development (NCD) Team has been hard at work on the mission of the conference to discover, equip, connect and send lay and clergy leaders who shape congregations that offer Jesus Christ to a hurting world one neighborhood at a time.

This year we are finding unclaimed people in our area through demographic and anecdotal study, by recruiting outstanding lay and clergy leadership, assessing them to ensure they possess the spiritual and emotional wiring needed for the difficult, specific and deeply rewarding work of raising up a new community of faith, providing them training opportunities for learning and applying church planting skills and providing them a personal coach paid for by the conference for the first two years.

Salary funding for New Church Starts is a cooperative effort which includes the conference through the New Church Development Team, the district in which the new church plant will be located, a partner church or churches, with one fourth of the salary funding in the first year being raised by the planter themselves. In addition, the New Church Development Team provides up to \$55,000 over the first four years for grant requests, and the Clergy Wellness Commission pays for medical, dental and optical insurance on a sliding scale during that same period.

Our efforts this year promises to see four new churches started this July; two in Collierville (one a Hispanic church plant led by a lay woman), and two intentionally multi-cultural churches (one in the Wolfchase area of Memphis and the other in Midtown Memphis).

These are the most exciting developments in new church planting for the Memphis Conference in several decades. We are in a new era of planting churches as many unclaimed people inhabit our geographical area and will most respond to something new that catches their imaginations and meets their conscious or unconscious spiritual needs. What we have done so far is exciting, but it is far from what needs to be done. To adequately reach out the unreached in our area will take concentrated effort by the NCD Team, the bishop and cabinet, partner churches and entrepreneurial Jesus followers who will commit their time, energy, creativity and resources to a Matthew 28:19-20 lifestyle.

## UNITED METHODIST NEIGHBOR CENTERS OF MEMPHIS

FRED VANN, CHAIR OF BOARD OF DIRECTORS

---

UMNC falls directly under the mission goals of our Memphis Conference. Our stated mission is "New vision for New days." Guided by that thrust, we continue to *Discover* critical needs of people in Shelby County and address them as we have the resources to do so. These generational needs include food, clothing, educational assistance, child care, emergency utility and medical assistance (when cash is available), and office space for community assistance agencies. We at UMNC believe our six food pantries demonstrate a passion today that equals the dedication of the founding Methodist Women Auxiliary who founded the agency in 1907. We believe our 3-Star rated Child Development Center (CDC) with 85 capacity and our newly renovated Shelby County Pre-K center with 15 capacity serve to *Equip* children from low income families with tools to assist their successful integration into public schools as they come of age. Studies are clear that academic achievement of children by the sixth grade determine their chances of success or being caught up in a life of criminal behavior. American job markets and defense agencies are dependent upon physically and mentally strong citizens for future existence.

UMNC was born and bred with *Connections* to our local churches. The critical call to local churches in September 2014 to raise \$50,000 by December 2014 brought in more than \$80,000 to sustain our mission. Another fundraiser on March 1 2015 entitled "The Singing Preachers" raised an additional

\$14,000 to further sustain the efforts of our Memphis Conference to continue this vital ministry to our Memphis citizens who need a helping hand. Former Executive Director Dr. Elvernice "Sonny" Davis served as Interim Director for six months free of charge to also assist our recovery. His predecessor Reverend Brent Porterfield also periodically ploughed his salary back into the payroll budget to keep the centers open during his administration.

UMNC is a mission arm of our conference in Shelby County. Our UMNC Key Women, critically essential to UMNC, are representatives of our UMW in our local churches. UMNC is *Connected* to our Memphis Conference by a spiritual umbilical cord.

UMNC's ownership and on-going support of the Smith Center enables us to admire the work of Reverend James Davis whose work in the Smith Center Food Pantry inspired his own call to ministry. He is now a Local Pastor with a Food Pantry that has revitalized St. Matthew UMC, which was slated for closing. The Smith Center also houses a Food Pantry that serves more than 8000 families per year and Holy Community Church with 60-80 worshippers per Sunday. The Smith Center is also the ministry headquarters for Jacob's Well with a Saturday evening worship services of 100-150 worshippers.

The Lay Volunteers in the activities of UMNC are extremely strong supporters of their respective local churches offering Christ through their services to people and communities that are hurting financially, socially, educationally, mentally and spiritually. Our former Leggett Center, a food pantry and clothing store building in Frayser is now housing Lifeline to Success, a ministry to former convicted felons and drug addicts. This ministry hopes to one day purchase the property from us. In addition to our CDC and Shelby Pre-K center, we lease office space to Dr. Mark Matheny's Highland Area Renewal Corporation and his Friendship Center, which provides a successful ministry to the homeless. We also provide meeting space to 100 Black Women, an agency seeking to upgrade the quality of life for African American girls and women. Without reservation, we quote your fourth mission area: *Connect and Send lay and clergy leaders who shape congregations that offer Jesus Christ to a hurting world, one neighborhood at a time.*

With the above justification, we thank our conference for its historical support and ask on behalf of a duly elected Board of Directors, the UMNC Key Women, our staff, and volunteers that our conference support will remain at its current level.

## UNITED METHODIST VOLUNTEERS IN MISSION

---

REV. ROBERT CRAIG, CONFERENCE COORDINATOR

[ROBERT.REELFOOT@GMAIL.COM](mailto:ROBERT.REELFOOT@GMAIL.COM)

---

What is UMVIM? United Methodist Volunteers in Mission (UMVIM) is the short-term mission arm of the United Methodist Church. Our volunteers are lay and clergy, young and old, with differing abilities, vocations, and at different phases in life. We come together through the United Methodist Church in order that all may offer their skills and talents for Christian service at home and abroad.

Our emphasis is upon matching persons with opportunities so that everyone may participate in mission. After all, mission is not only for those who live in the field full-time. God calls all Christians “to bring good news to the oppressed [and] to bind up the broken-hearted” (Isaiah 61:1). We believe that no matter who you are, no matter the level of your resource, no matter how big or small your church, God is calling you to mission.

UMVIM exists to connect you with mission projects, both in your backyard and across the globe. Within the United Methodist Church, UMVIM relates closely with annual conference UMVIM committees and the General Board of Global Ministries, all of which seek to serve as a source of information for potential volunteers.

What is SEJ? In the United States, the United Methodist Church is divided into five geographical regions; the Southeastern Jurisdiction is one of those five. UMVIM, SEJ is a 501 (c) 3 non-profit ministry of the Southeastern Jurisdiction that facilitates short-term mission in the following annual conferences: Alabama-West Florida, Florida, Holston, Kentucky, Memphis, Mississippi, North Alabama, North Carolina, North Georgia, Red Bird Missionary, South Carolina, South Georgia, Tennessee, Virginia, and Western North Carolina.

How We Work With Local Churches: UMVIM, SEJ exists to help local churches fulfill the great commission by personifying Christian love in action. Our primary function is to connect churches with appropriate mission projects, both within the United States and abroad. We also provide training materials for churches and mission teams, and we exist as a resource for team leaders. Our website, [www.umvim.org](http://www.umvim.org), offers information on the process of sending a team, potential project sites, and insurance information. In addition, the staff of UMVIM, SEJ is knowledgeable on all aspects of short-term mission. Contact our office with any questions relating to your local church’s mission experience. If we cannot immediately answer your question, we will connect you with someone who can.

*(The preceding is an excerpt from the introduction section of the  
UMVIM Team Leader Handbook 2015 edition)*

As the UMVIM coordinator for the Memphis Annual Conference, I am available to help connect you and your church with short-term mission experiences within our conference, around the United States, and abroad. I am also available to help prepare teams and team leaders through training. Please feel free to contact me or contact the UMVIM, SEJ office with any inquiries about mission.

## **CONFERENCE COMMITTEE ON LAY SERVANT MINISTRIES**

---

SUSAN DAVIDSON, DIRECTOR

---

The Lay Servant Ministries are alive and well in the Memphis Conference. This past year has seen a renewal of interest in the districts. The name change from the former Lay Speaker to Lay Servant has been confusing to some and we are trying to clarify the name “Lay Servant Ministries” to include Lay Servants, Lay Speakers and Certified Lay Ministers. Lay Servant Ministries include teaching, leading, guiding, reaching out to others, and other ways to demonstrate and proclaim the love of God in Jesus Christ.

We encourage people to recognize and use their spiritual gifts for work in the Church, helping congregations to become an outpost for mission and transformation. Sessions guide participants through thoughtful reflection on the areas of leading, caring, communicating, and spreading the love of Christ into the world.

In the conference, we have offered 9 training sessions for Lay Servants. We have 26 new Lay Servants. The Brownsville/Dyersburg District held a Youth Lay Servant weekend training and now we have 18 new Youth Lay Servants and 6 new Certified Youth Lay Servants. Our goal is to have a Director of Lay Servant Ministries in every district in the Memphis Conference. We also want to provide ongoing Lay Servant training in every district every year. Our Conference committee met in the Fall of 2014 and will meet Spring of 2015.

## **BROWNSVILLE DISTRICT**

SUSAN DAVIDSON, LAY RESOURCE LEADER

---

We have had a very busy year in the Brownsville District. Our priority has been to live into the mission of our Conference by discovering, equipping, connecting and sending lay leaders into the world. The logistical problems of lack of internet access and long driving distances within the district continue to be a challenge for us.

In June, the Brownsville District had a youth mission trip to Gulf Shores, Mississippi. We were a group of 76, who proudly proclaimed on the back of our t-shirts: We are one of the 72. Nine churches were represented. Our goal was to refurbish a United Methodist Church after a homeless shelter, which had been using the church's activity building, moved. This shelter was used at the church since Hurricane Katrina and they finally moved to their remodeled building this summer. We all learned a lot about connection during this week of hard work.

Also in June, youth and adults from the Brownsville District participated in a Youth Summit at Ross United Methodist in Dyersburg. The group spent the day hearing inspirational talks and participating in discussion groups on the very important topic of bullying.

In July, the Brownsville District and Dyersburg District had their very first clergy gathering together. It is exciting to meet new brothers and sisters in Christ, as well as to connect with old friends. We are excited about the opportunities for ministry in our new district to be.

We have had 4 Advanced Lay Servant trainings in the past year. There have been 3 Basic Lay Servant trainings. We had our 4<sup>th</sup> Youth Lay Servant training in February. A total of 18 youth were trained in the Basic class, and 8 were trained in the Advanced class.

Two new small groups were formed this past year. A group women representing churches in Lauderdale County met together for a small group study. A group of approximately 20 youth and adults met together at Alamo First United Methodist Church for a program called Table Talk.

District Superintendent, Harrell Nation, has pulled together a group of 18 experienced Lay Servants and trained them on the 72+U curriculum. These Lay Servants will then go out into the Brownsville and Dyersburg Districts and train this curriculum to Administrative Councils, SRCs, Leadership teams or any other small group in the church.

On November 1, we had our first Laity Gathering for both districts. It was at Medina First United Methodist Church. There were approximately 300 in attendance. This group was excited to be together and talk about ministry in our districts of Brownsville and Dyersburg.

## JACKSON DISTRICT

DELORES SMITH, LAY RESOURCE LEADER

---

In the Jackson District we continue to live into the call “Expecting Greater Things”. Our district wide event, *Living in Touch*, focused on prayer. We had testimonies from lay persons on how you live in touch with Christ, with others, and with the world. Bishop McAlilly spoke to us about living in touch with our communities. This began our district wide prayer emphasis. Each week a church/charge and pastor is intentionally prayed for in each congregation in the district. As we work through the year, we know each church/charge and pastor will be lifted up in prayer.

Our lay servant ministry continues to grow. We are focusing on leadership courses. We have offered “*Afire with God*” and “*Transforming Evangelism*” as advanced courses. “*Afire with God*” focused on stewardship and of course, “*Transforming Evangelism*” focused on evangelism. We also offered the basic course “*Learning and Leading*”. Several of our lay leaders have attended these leadership courses and are taking these studies back to the local congregation.

As a district we have discovered our call, connected in prayer, and this year we are equipping our leaders. Our district wide event in 2015 will focus on equipping. Ephesians 4: 11-13 will be our scripture focus for the event. “The gifts he gave were that some would be apostles, some prophets, some evangelists, some pastors and teachers, to equip the saints for the work of ministry, for building up the body of Christ, until all of us come to the unity of the faith and of the knowledge of the Son of God, to maturity, to the measure of the full stature of Christ.”

It is exciting to see what God is doing through His disciples in the Jackson District. We are truly living and working as brothers and sisters in Christ. We are family, helping each other as we offer Christ to a hurting world, one neighborhood at a time.

We will continue to expect greater things as we pray together and listen for God’s call on our lives.

## PARIS DISTRICT LAY RESOURCE LEADER

ELYSE BELL

---

The responsibility of a Lay Resource Leader is to serve as a liaison between the annual conference and the district, promoting and sharing the vision and priorities of the conference, building relationships with local churches, identifying needs, and offering leadership training and resources.

This is being lived out in the Paris District through the four verbs in the Memphis Conference Mission Statement; discover, equip, connect, and send.

New leadership is being discovered through the building of relationships with local church members, as I attend weekly Sunday worship services, week-day Bible studies, fellowship events, and charge conferences.

Leaders are being equipped through a variety of leadership training opportunities offered during the annual Paris District Training Day Event, participation in the four sessions of the Generative Leadership Academy, monthly coaching calls, a best practices list, and a resource library list of available books and DVD's.

Every congregation is encouraged to connect with their community after studying their Mission Insite demographic report, made available to every church by the district office. The district staff held a morning training session for participants, and personally modeled what it means to walk the streets of the community and connect your neighbors, through a community prayer and share opportunity. This event, entitled Warmth in Winter, was demonstrated at a centrally located church in Paris. The group divided into 7 teams and engaged in 70 neighborhood porch visits, which included the distribution of Bibles, health kits, listening to their concerns and offering prayers, and sharing the items needed for a complete spaghetti dinner. The community was then invited to join in a free lunch of hamburgers and hot dogs at the neighborhood UMC, including activities for the young people. This event engaged 60 members from eight churches representing each of the four counties throughout the district and fed approximately 100 residents of the neighborhood.

Now, a group of members from eight churches have been trained as leaders and have returned to their respective congregations to train others who will be sent out into their local community neighborhoods to share the love of Christ by engaging in mission and ministry. This is one example of what it means to offer Jesus Christ to a hurting world, one neighborhood at a time. "And the seventy returned with joy." Luke 10:17

## PADUCAH DISTRICT

---

KIM MORRISON, LAY RESOURCE LEADER

---

As the new Lay Resource Leader in the Paducah District, I am serving by being a liaison between the Annual Conference and the district. I am available to help with information, training, and support that equips our clergy and laity to serve together to enhance and grow the Kingdom.

Change of focus is what I have seen this year in the Paducah District. There has been a shift from looking at the life “inside” the four walls of the church to looking “outside” to see what the needs of our communities are. Rev. Sky McCracken, DS brought a question to charge conference last year and asked, “If your church ceased to exist, would people outside the church notice?” This really upset some churches in the beginning. It was upsetting because most churches realized that they would not be missed by people outside the four walls. They realized that a lot of their programs were inward focused.

So, as the Resource Leaders, it’s our job to discover what these churches need, equip them with the right resources, connect them with programs, organizations, other churches and then send them out into the community to meet needs such as hunger, clothing, sickness, grace, mercy, or love- those things that Jesus would address if He walked down our streets today.

One way of approaching this is forming and developing groups of laity and clergy that are focused on the mission of “offering Jesus Christ to a hurting world”. We are encouraging small groups within the district that worship, learn, love and covenant together. Through these bonds that are formed, developed and strengthened we have seen mission ideas created and implemented with great success.

Generative Leadership Academy is continuing to be a successful form of this small group technique. Leaders are recognized and encouraged to “step up” and “step out” in the name of Jesus and the mission. These leaders go back to their churches and recognize and encourage other leaders forming a “generative” approach which provides a strong foundation for the church.

I have seen a renewed spark in the eyes of many because of the shift in the Paducah District and the Memphis Conference. People are excited to become more focused on becoming better disciples themselves that go out and make new disciples that address the needs of their community.

Mission Blitz is a product of the type of thinking that sees the hurts of this world and acknowledges the need of a resolution. All the churches in the district came together on one day that was set aside to do mission work in various forms and locations. From this day, new ministries have evolved to address needs throughout the year.

A renewed focus within the churches and communities of the Paducah District is developing. It’s a sending out as Jesus did- “the Lord chose 72 more followers. He sent them in groups of two. He sent them ahead of Him into every town and place where He planned to go.” He told them that the harvest was bigger than they could imagine and that they were only a few but to GO

## Memphis Conference United Methodist Men

CHARLES GILLILAND, MMS, PRESIDENT

---

A summary of some of the ministries of Memphis Conference United Methodist Men

**Investment in young people** - Across our conference, dozens of children's fees are paid by our various men's groups to enable them to attend summer camp at Lakeshore. Many of our older youth go, or return, to college with a scholarship or stipend provided by the men of their church. Most of the national or regional spiritual retreats our children and youth attend have at least some of the expense offset by the men of their home church. We continue to be a major supporter of scouting troops for both boys and girls. We provide coaches for sports teams and mentors for confirmation in addition to teaching Sunday School classes and providing adult leadership for UMYF groups across the conference. Additionally each year we assist with dozens of "one of a kind" events: lock ins, Valentine's banquets, Super Bowl parties, family game nights, and numerous other activities.

**Engaging the mission field** - Reelfoot Rural Ministries is our most common mission activity. We support Reelfoot in numerous ways - from cash contributions to on site work groups. The Christmas Toy Store draws large numbers of new toys, but it also requires workers to set up, assemble bicycles and tricycles, and large numbers of other activities necessary to handle the flow of clients over the days the store is open. The PET Project produces a hundred or more personal transport units each year, and has produced over 400 total units as of this writing. The last three years those units have been personally delivered by our men. We support Disciple Bible Studies in the West Tennessee Penitentiary at Henning as well as several local prison ministries. We host Family Promise clients on a regular basis. Several of our churches pass out Manna Bags, single meals of nutritious nonperishable food similar to what you might pack in a lunch for yourself. We support outreach ministries in several at risk communities in the larger towns of the conference, running the gamut from providing meals to rebuilding housing and cleaning and restoring community common areas in addition to providing mentoring, worship and leadership building events. We are in the process of raising funds to provide transportation for District Superintendents in the East Congo Conference after learning that the best transportation any of the seven had was a bicycle. That conference covers a geographical area roughly equivalent to the Southeast Jurisdiction. We are committed to bringing the Upper Room Prayer Line to a 24/7 operation. We believe that this ministry offers a unique opportunity for older men, worshiping in smaller congregations to engage in meaningful ministry in spite of limitations of age, infirmity or location. We also believe that the very act of engaging in prayer for the benefit of another will nourish a renewed spirit within the congregations that participate.

**Creation of transforming lay and clergy leaders** - United Methodist Men is about growth in and spreading of our faith in ways that are meaningful to men - not about organizational structure. Too many lay and clergy Methodists think "club" when they think about United Methodist Men. We continue to encourage our men to be involved in opportunities for growth in their faith, in conference wide activities as well as events specifically for men. We still struggle to gain commitment to regular "self-improvement" or educational events. We do feel we are making headway in changing from a "meeting" culture to a "growth" culture in our men's ministries. Our biggest success has come in small groups, but we continue to search for a vehicle for a larger scale session.

**Growing fruitful and faithful churches** - It is our belief that as we find success in the activities we have listed above, we automatically become more fruitful and faithful in support of our churches. We are firmly committed to the development of our Methodist Manpower in the Memphis Conference believing that is our best contribution to our faith and our Church.

Respectfully submitted, Memphis Conference United Methodist Men

## UNITED METHODIST WOMEN

### DELORES SMITH, CONFERENCE PRESIDENT

---

The United Methodist Women of the Memphis Conference are continuing a legacy started in 1869 of offering Christ to a hurting world. Our women have discovered the needs, connected with others to equip ourselves to be sent into the neighborhoods around the world.

We have a unit that has made dresses that went to a community thrift store, Reelfoot Rural Ministries, and as far as Africa with a few other stops along the way. We have a unit that has pledged to raise \$15,000 by 2015 for insecticide-treated nets to reduce the spread of malaria in Africa. We have units reaching out to children through back-pack programs and mentoring programs.

Each year we come together for educational studies at Mission U. Our studies for 2015 are:

- SPIRITUAL GROWTH:  
Created for Happiness: Understanding Your Life in God
- ISSUE STUDY:  
The Church and People with Disabilities
- GEOGRAPHIC:  
Latin America: People and Faith
- CHILDREN'S STUDY:  
Life and Faith in Latin America
- YOUTH STUDY:  
Latin America: Places, Culture, and Faith

In the spring we come together for Spiritual Growth. This year's retreat will be focused on the 72 sent out by Christ. We will answer the question: "Will you be one of the 72?" Social Action Day will focus on domestic violence. It is a growing concern in our communities. Mission Outreach Retreat will bring us together so we can work on some projects that will reach out to the neighborhoods.

2014 took us to Paris (Tennessee that is) with Bishop McAlilly. We had a wonderful day of celebration as we remembered the women of the Bible and the women in our lives that have led us on this journey of caring and working for justice for women, children and youth around the world. 2015 will take us to Jackson, the Hub City of West Tennessee. As we study domestic violence, we will be supporting the Carl Perkins Exchange Clubs for the Prevention of Child Abuse by bringing items for the centers. We might just have some "blue suede shoes" dancing around. Come and be a part.

2019 will mark the 150<sup>th</sup> year of women in mission. You will be hearing a lot about that as we strive to set up a Legacy Fund that will sustain the work we do into future generations. We have a legacy of offering Christ to a hurting world and we continue to live into that legacy every day. We are United Methodist Women who believe in Faith, Hope and Love in Action.

Memphis Conference United Methodist Women, I thank you for the work you do, for all the lives you touch, and for all the love you give. Continue to live into the legacy of those courageous women of Boston. May 2015 shine brighter because of you.

## BOARD OF LAY MINISTRY (BOLM)

### DAVID R. REED, MEMPHIS CONFERENCE LAY LEADER

---

The purpose of the Board of Lay Ministry is to prepare and encourage all people in a life of Christian discipleship. The Book of Discipline of The United Methodist Church 2012 ¶631 ...the BOLM should:

- Foster an awareness of the role of laity both within the local congregation and through their ministries in the home, work place, community, and world in achieving the mission of the Church.
- Develop and promote stewardship of time, talent, and possessions within the Annual Conference in cooperation with the Conference Council on Ministries.
- Relate to, support, and assist in coordinating the activities of the following organized laity of the conference: Lay Servant Ministries, United Methodist Men, United Methodist Women, United Methodist Young Adults and United Methodist Youth.

Shortly after the 2014 Memphis Annual Conference, your BOLM spend a Saturday at Jackson FUMC with Bishop Bill McAlilly; the Rev. Tom Hazelwood - CMT Director; Dr. Richard Clark - Jackson D. S. and BOLM Cabinet Representative and the Rev. Sky McCracken - Paducah D. S. and co-founder of the Generative Leadership Academy, for a day of worship, fellowship and strategic planning around our work together for the coming year.

Bishop McAlilly challenged the BOLM to do its part in leading the UMC to reclaim our Culture of Call while we are in this season of rethinking the church. He pointed out that the church is only vital when engaged in mission.

The bishop emphasized the importance of each of us living into our newly adopted **Mission Statement**: *To discover, equip, connect and send lay and clergy leaders who shape congregations that offer Jesus Christ to a hurting world, one neighborhood at a time.*

He encouraged us to stay grounded in our **Conference Values**: *unrelenting love for all people, integrity, excellence, faithfulness and fruitfulness, and innovation.*

We explored ways to encourage congregations to engage **72+U**, which is based on Luke 10:1-11, the story of Jesus calling 72 disciples, commissioning them and sending them ahead to every town in place of him. Bishop McAlilly asked us, "What are the distractions that are keeping us from our task of being in mission to our neighborhoods and communities?" He emphasized, "Our shared dream for the people called Methodist must be to set aside our fears, petty politics, cynicism and step into the future unafraid; where every congregation is a mission outpost, every pastor is a missionary and every layperson is part of that mission advance."

We agreed that one very important way the BOLM can encourage local churches to engage the children and youth in their mission fields is through **Partner Today**: an initiative introduced by Lynn McAlilly, to serve our neighborhood schools. [www.PartnerToday.org](http://www.PartnerToday.org)

We explored ways we can support the Annual Conference's renewed emphasis on **Youth Activities**, with the Rev. Kristofer and Alyssa Roof from Collierville FUMC serving as Coordinators of Conference Youth Ministries.

We agreed to provide leadership, during the coming year, for the Nashville Episcopal Area goal of raising \$1,000,000 for the **Imagine No Malaria** initiative.

We agreed to help the Annual Conference reach its goal of starting 25 new churches in the next 5 years by promoting and supporting the **2 Benjamins** initiative to generate new funding.

Given the difficulty of having being able to schedule well attended meetings, because of demanding individual schedules and the cost of travel; the BOLM plans to schedule a series of electronic conferences this coming year to improve communications with each other, with Bishop McAlilly, with Dr. Clark and other denominational leaders.

For the **72+U** initiative to be able to transform communities, it must be to a large extent, lay-driven. Your Board of Lay Ministry stands ready to assist you and your local congregation in exploring how to transform your neighborhood, by offering Christ to a hurting world.

## UNITED METHODIST FOUNDATION FOR THE MEMPHIS & TENNESSEE CONFERENCES

DR. PHILIP D. JAMIESON, PRESIDENT

---

“For the Son of God, Jesus Christ, whom we proclaimed among you, Silvanus and Timothy and I, was not ‘Yes and No’; but in him it is always ‘Yes.’ For in him every one of God’s promises is a ‘Yes.’ For this reason it is through him that we say the ‘Amen’, to the glory of God” (II Corinthians 1:19-20). It continues to be my privilege to serve the United Methodist Foundation for the Memphis and Tennessee Annual Conferences. This significant ministry in conjunction with the United Methodist Development Fund for Kentucky and Tennessee is helping further the work of God in our communities. And the most important way that we do that is to keep stewardship front and central to our life together in the Church. As a ministry connected to the United Methodist Church structure we take that ministry of stewardship very seriously. In particular, we are committed to being stewards of God’s promises in Christ. We are committed to helping you help others embrace the reality of God’s “yes” in Jesus.

The Foundation is here to help you make faithful responses to God’s “yes”. We do that in several important ways. First, we serve as a custodian for endowed funds on behalf of local churches and other United Methodist ministries. As of March 1, 2015, our holdings are \$56,309,929. Last year, the fund grew by approximately 4%. We are able to help you secure current ministries and to reach out into the new places where Christ is calling you.

We help by means of the United Methodist Development Fund of Tennessee/Kentucky. Accepting investments from individuals, churches and organizations, we are able to loan money at a competitive rate to United Methodist churches and ministries for building projects. Currently, the Development Fund is loaning money at 4.5% and paying 1.75% to shareholders. With \$17,345,233 in assets, the Development Fund is ready to serve you.

Last year we launched a new initiative to help you help others embrace God’s “yes”. In 2014, 23 churches in the Tennessee and Memphis Annual Conferences took advantage of our Stewardship Grant Program. These churches said “yes” to the challenge to embrace best stewardship practices. In doing that, they became eligible for \$1,000 grants. The program is continuing this year and we will make available over 50 \$1,000 grants. Working with the Foundation, we will help you strengthen your stewardship practices in order to help the world better understand the glorious generosity of our Triune God.

If you have questions regarding the work and ministries of the Foundation, the Development Fund, or stewardship; if you would like to have one of us to come to preach and/or speak to a group in your church; or if you would like to learn more about ways to create and leave a financial legacy for your church or ministries, give us a call (615-259-2008) or visit our website at [www.umfmtc.org](http://www.umfmtc.org).

## **WESLEY SENIOR MINISTRIES**

### **WESLEY HOUSING CORPORATION OF MEMPHIS**

JIM NASSO, CHIEF EXECUTIVE OFFICER

JIM.NASSO@WESLEYHOUSING.COM – 901.380.4900

Wesley Living is a group of organizations that is essentially about people—elderly residents and at-home clients, hands-on serving staff, pastors, maintenance personnel, service coordinators, community managers and administrators, program managers, corporate staff and executives, boards of directors— all necessary to the mission of enhancing the lives of older generations of the area. We proudly do so in a covenant relationship with the Memphis Annual Conference of The United Methodist Church.

Pastoral care is a key to the lives of our residents and clients. During the past year our staff has worked diligently with the district superintendents to establish relationships with local pastors throughout the annual conference where we serve. Today, every community is being served.

Providing affordable housing for our seniors is a major part of the ministry effort. The demand remains high and the goal is to continually update the existing while expanding the services being provided.

August of this year marks the 5th anniversary of Wesley Home Services which provides non-medical, in-home assistance services which range from companionship to housekeeping to personal assistance. Serving the broad range of people and locations inherent in this ministry is both a blessing and challenge. The campaign to expand this ministry through a better understanding of those being served hinges on the highest caliber employee possible. This includes their moral, ethical, compassion and skills being one to make Wesley's value unique from others providing this service.

The number of elderly needing quality, affordable housing and services continues to grow as the traditional resources for construction and tenant services become more difficult to access. Last fall a new program was introduced by the State of Tennessee to assist in delivering such services. Wesley Living has positioned itself to be the premier provider in West Tennessee. Other ideas continue to be discussed locally, regionally and nationally and Wesley remains engaged and participative to aid in solving these social issues. A major rehabilitation is beginning at Wesley Highland Meadows, a 200 unit community in the Raleigh area of Memphis utilizing Low Income Housing Tax Credits and other federally insured loans to enhance the resident's lives.

These conditions create a growing demand for assistance to residents from Wesley Senior Ministries Foundation. Food, medicine, rent, medical bills, and furnishings are supplied to those in need. This year, a modified selection policy has provided a larger demand to serve the homeless. The Foundation has continued to grow into a larger part of the answer to resident needs. David Kabakoff, President of the Foundation, and Kristi Owens, Executive Director create a dynamic duo. Please see the report in the Journal.

We sincerely appreciate your support through your giving and your prayers. In all that we do, we measure our effectiveness in how the lives of the elderly and their families are improved relative to our mission. Today, we re-commit ourselves to honor this connection and to live out our mission "In response to the love of God...."

**WESLEY SENIOR MINISTRIES FOUNDATION**

DAVID KABAKOFF, PRESIDENT DAVID.KABAKOFF@GOLDENCROSSFUND.ORG

---

The mission of Wesley Senior Ministries Foundation, through the Golden Cross Senior Residents Fund™, is to provide the resources to enhance the quality of daily life and well-being of the elderly residents of Wesley Living communities.

2014 was a record setting year! A record number of new churches participated financially with Golden Cross offerings. Our Key Women of the United Methodist Women have packed their meetings and donated items like never before. And, the amazing generosity of the Memphis Conference has worked harder than ever towards our goal of transforming lives, one need at a time! For example:

There has been an increase in the last year of homeless or nearly homeless senior residents moving into Wesley Living communities. It is very humbling to witness what having nothing really means. Your generosity has enabled residents to be provided "Move In" kits full of household items and in a lot of cases "Move In" kits complete with furniture thanks to our friends at Hollywood Furniture.

One such resident was living at one of our Wesley Living communities and it was discovered that he was sleeping on a pile of blankets. His apartment lacked all the basics you and I take for granted. We went to work immediately obtaining a bed, linens, a sofa, tables and all of the typical things needed to outfit a home.

The day after all these blessings were delivered to him, he had an appointment at the community office. He showed up hours late! Not realizing how late he was, he exclaimed somewhat confused, "that was the best night's sleep I have had in a very long time." It seems, he had slept the entire day away.

Your generosity was turned into our first ever "Bear Your Heart for Art" contest in our communities. Blank teddy bears were decorated and after a winning community was named all of the bears were donated to a local children's charity. Coats were collected and distributed in our communities ahead of the cold weather.

Thank you to all the faithful and generous supporters of the GOLDEN CROSS Senior Residents Fund™ throughout the Memphis Conference. With your blessings lives have been transformed, one need at a time.

It is important to remind at this point, the GOLDEN CROSS Senior Residents Fund™ relies solely on your generosity. No apportionments are received by the Memphis Conference. In addition since our incredible Board of Trustees insures funds are available to operate the Foundation, **100%** of monies donated to GOLDEN CROSS go directly to the benefit of the residents of Wesley Living communities.

Blessings,  
David

## PROJECT 20/20

---

GRACE BONNER, COORDINATOR

---

Project 20/20 is a mission of the Memphis Conference that has been growing and growing in the last 20 years. It is housed at Emmanuel UMC in Memphis, Tn., but is connected to the Memphis Conference of the United Methodist Church and the rest of the world through mission teams that distribute eyeglasses and sunglasses to people in need.

Project 20/20 had a great year in 2014. A group of about 15 volunteers processed at least a ton of donated glasses, finding ones that could be useful to people in need of vision care around the world.

Volunteers sorted, cleaned, checked and bagged 6,400 pairs of prescription glasses and 3,000 pairs of sunglasses. They filled orders from 21 mission teams who took the eyeglasses and sunglasses to 13 countries, reaching over 5,000 people

Donors from all over the country sent in from one to several hundred pairs of glasses and sunglasses. United Methodist churches in Memphis Conference (West Tennessee and Western Kentucky) provided faithful support, mailing directly or sending in glasses via a kind of “pony express” that moves from church to district office to Memphis Conference office to Project 20/20’s home at Emmanuel UMC.

The work of Project 20/20 is done on a shoestring. The only expenses are supplies for processing and packaging and shipping costs for getting the glasses to mission teams. Money comes from many sources. Two churches in Georgia sent large donations in 2014. Glasses that can’t be used for the missions are recycled and Project 20/20 is paid for that. So every pair of donated glasses is used in one way or another.

2015 is already starting out to be a great year. Five orders of glasses (total of 4,387 pairs) are with mission teams traveling to Haiti, El Salvador, Dominican Republic, Belize and Mexico. There is a large order leaving soon for the local student chapter of the Fellowship of Christian Optometrists to take to Nicaragua in May. These teams will return the prescription glasses they don’t use and they will be available to go out to other mission teams.

If you want to help, you may contact Project 20/20 at [info@project2020.org](mailto:info@project2020.org). One current need is for children’s sunglasses. Perhaps your Sunday School classes or your Vacation Bible School could start a mission project to collect them for Project 20/20 to send around the world to help other children protect their eyes.

## WESLEY THEOLOGICAL SEMINARY WASHINGTON, DC

At Wesley, we are a church-based seminary committed to **multiplying the number of people who love God and love their neighbor** locally, nationally and globally. Our degrees and programs – traditional and new alike – reflect our dedication to the Great Commandment and Great Commission. We ask you to pray for us, hold us accountable, and join us in this Kingdom work.

### EQUIPPING FAITH LEADERS THROUGH DEGREE PROGRAMS

In fall 2015, our new master of divinity curriculum launches. We thoroughly **redesigned the M.Div. to prepare leaders for both church and society**. This 81-hour degree offers flexibility and an excellent core curriculum focused on empowering passionate, mission-focused leaders.

Wesley also offers a 36-hour Master of Arts and a 60-hour Master of Theological Studies to **equip those called to ordained deacon ministries or a wide range of ministries**.

In our doctor of ministry program, we continue to offer **the most practical and spiritually renewing tracks** in theological education. These include leadership excellence, pastoral counseling, arts, and new mission-focused tracks. Wesley is accepting applications to two tracks based in Cambridge, England. These tracks, *Transformative Leadership in Wesleyan Perspective* and *Creative Ministry for Church Renewal in a Changing World*, are each limited to 20 students.

Wesley provides **more than \$2 million dollars annually in scholarships** to our students thanks to the consistent support of graduates, congregations and friends of the seminary.

*Talk to someone at (202) 885-8659 or [admissions@wesleyseminary.edu](mailto:admissions@wesleyseminary.edu) about how Wesley's degree programs equip people to lead others to loving God and neighbor.*

### PROVIDING RESOURCES TO FAITH COMMUNITIES AND LEADERS

Wesley's **Lewis Center for Church Leadership** continues to be the go-to resource for actionable best-practices for clergy and laity. The center's free *Leading Ideas* e-newsletter provides well-researched, discipleship-growing ideas to more than 15,000 people. Visit [www.churchleadership.com](http://www.churchleadership.com) for resources in: Taking Church to the Community, Doing Good Well, Funding Your Congregation's Vision, and Reaching New Disciples. Also, learn about the newest book by the Rev. Tom Berlin and the Rev. Dr. Lovett Weems Jr., *High Yield: Seven Disciplines of the Fruitful Leader*.

In early 2015, we developed the **Institute for Community Engagement at Wesley Downtown** to help the church turn itself inside-out. The institute encompasses the existing Urban Ministry Program and the Missional Church Program, which includes Heal the Sick, an initiative to congregations for public health work in their parishes.

The third component of the Institute for Community Engagement is Wesley's emerging **Center for Public Theology**. Under the leadership of Distinguished Professor of Public Theology, Mike McCurry, we are developing this center to provide churches and their leaders, and seminary students tools to help navigate the connection between faith and public policy

The **Luce Center for Arts and Religion** remains the only seminary-based program uniting arts and theology. The center celebrated the 25th anniversary of the Dadian Gallery in late 2014.

Wesley faculty members are continually development resources to the faithful, including **books by Drs. Carla Works, Deborah Sokolove, F. Douglas Powe Jr., Cedric Johnson, and Lovett H. Weems Jr.**

Throughout the academic year, Wesley hosts Second Mondays – a series of lectures on campus and streaming live. This year we explored “Living Matthew 25 – Focusing on the Big Things.” In this chapter of Matthew’s Gospel, Jesus challenges us to heal the sick, feed the hungry, and welcome the stranger. In their lectures, **Wesley’s faculty unlocked the Holy Scriptures and the church’s history, traditions and theology to clarify these Gospel imperatives.** These presentations are available at [www.youtube.com/c/wesleyseminaryedu](http://www.youtube.com/c/wesleyseminaryedu) and via live stream at [www.ustream.tv/channel/wesley-seminary](http://www.ustream.tv/channel/wesley-seminary). **CELEBRATING JUSTICE:** From Selma in 1965 to the Arizona-Mexico border and the streets of U.S. cities, we celebrate transformational leadership and explore paths to just peace.

- **Retracing history** by commemorating civil rights milestones with: Walter Fluker, Martin Luther King, Jr. Professor of Ethical Leadership; and a panel of alumni and faculty on "Selma at 50, Ferguson Today."
  - **Moving forward** to understand and build justice, engaging with Cornell William Brooks—BUSTH alumnus and President of the NAACP—and with our students, faculty, and alumni who seek to build justice in Boston, Ferguson, Hong Kong, Indonesia, Uganda, and beyond.

## ILIFF SCHOOL OF THEOLOGY

---

*Rev. Dr. Thomas V. Wolfe, President and Chief Executive Officer*

---

Greetings from the Iliff School of Theology in Denver, Colorado. We wish you blessings as together we continue the work of strengthening the Church and offering a compassionate presence to the World.

The Iliff School of Theology's commitment to the Wesleyan tradition of providing intellectually alive and spiritually grounded theological education for our students continues. From Tanzania to Texas, Denver to Delhi, Missouri to Mexico, Iliff students and graduates are holding constructive tension with the human condition as it is and courageously standing with those who seek justice.

This past year saw one of Iliff's largest enrollments since its founding by the United Methodist Church in 1892 - 333 students, 60% female and 40% male, 35% Methodist – all actively engaged in both the classroom and a host of ministry contexts. Some are leading congregations toward revitalization while others are doing ministry by establishing new forms of community.

Interest in online and hybrid classes continues to grow from across the nation in our Journey MDIV Program - one of the first to bring quality theological education online. As a concerted move by Iliff to reduce student debt and grow the ability of students to lead financially sound, engaged communities, many MDIV students are also participating in the Spiritually-Integrated Financial Resiliency Program, funded by a \$250,000 grant from the Lilly Endowment.

We welcomed participants to our first Spanish-Speaking Local Pastors Licensing School hosted in partnership with the Rocky Mountain Conference and participated in healing events for commemoration of the Sand Creek Massacre. In addition, Iliff students participated in an immersion trip to Africa University and are planning an additional experience this year. We look forward to continuing these vital relationships.

Iliff created numerous events for area clergy and supporters. Via forums on leadership, policing, the role of faith in world events, and more, campus speakers included: Amy Goodman, Garry Kasparov, and the Rev. Dr. Rebecca Chopp, this year's Jameson Jones Preacher. Bridging theological education to new arenas was further cultivated through Iliff's Authentic Engagement™ Program with trainings for civic and non-profit groups. Our efforts were duly noted by McCormick Theological Seminary's Center for Faith and Service when we were named as one of the nation's "Seminaries That Change the World."

We continue to look to the future with courageous theological imagination. We are grateful for our denominational connection.

## **MEMPHIS THEOLOGICAL SEMINARY**

Daniel J. Earheart-Brown, Ph.D., President and Professor of Theology

Memphis Theological Seminary (MTS) is an ecumenical graduate school of religion that provides theological education for 300+ students each semester, representing close to 30 denominations. The seminary is accredited by SACS and ATS and is **approved by the University Senate** to prepare ordained leaders for the United Methodist Church. In any given semester, total enrollment includes 25-35% Methodist students, by far the largest denominational percentage.

### CURRICULUM FOR UNITED METHODIST STUDENTS

In addition to the seminary's core curriculum, many courses are offered specifically for Methodist students, such as "Wesleyan Theology of the Means of Grace," "Evangelism and Discipleship in the Wesleyan Tradition," "Women in Methodist History," "Pastoral Care in the Wesleyan Tradition" and "The Practical Theology of John Wesley." MTS also offers the required sequence in United Methodist history, doctrine, & polity on a yearly basis.

### NEW INITIATIVE: THE METHODIST HOUSE OF STUDIES

Over the past 18 months, MTS has been developing a major new initiative – the **Methodist House of Studies**. Under the direction of Dr. Andrew C. Thompson, the Methodist House of Studies serves as a "community within the community" of MTS, where our Methodist students can take advantage of the best in Wesleyan theological formation within the seminary's richly ecumenical context.

### NEW INITIATIVE: CERTIFICATE IN WESLEYAN STUDIES

A central programmatic element of the Methodist House is the new **Certificate in Wesleyan Studies**, which is available to any student who successfully completes a prescribed curriculum within one of our master's-level degree programs. The certificate is geared towards coursework in Wesleyan theology, history, and pastoral ministry. Students who earn the certificate will have demonstrated a commitment to the study of the Wesleyan tradition at a high level of excellence. At our graduation exercises in May 2015, we anticipate awarding the Certificate in Wesleyan Studies to the first four recipients—all of whom have shown great passion for studying the history and theology of the Wesleyan tradition during their time at MTS.

### ON-GOING PARTNERSHIP WITH THE UNITED METHODIST CHURCH

Of the full-time teaching faculty of 13, four are United Methodist: Dr. Lee Ramsey, Professor of Pastoral Theology and Homiletics; Dr. Andrew C. Thompson, Assistant Professor of Historical Theology and Wesleyan Studies; Dr. John Kilzer, Director of the Center for Recovery Ministries; and Rev. Billy Vaughan, Director of the Formation for Ministry program.

Our board of trustees has 24 members, three of whom are United Methodist, representing the Annual Conferences we primarily serve: Rev. Rick Kirchoff (Memphis), Rev. Robert Marble (Arkansas), and Mr. Johnnie Coombs (Mississippi).

Jesus taught us the importance of a solid foundation for any building. Here at MTS, we are building faith and skills for ministry in the men and women God is calling to serve the church. It is my prayer and my commitment that we build on the solid foundation of the gospel, staying grounded in tradition and open to the Spirit. We are grateful for your partnership and support in this essential work.

## DIVISION OF HIGHER EDUCATION

B. ANDREW HALFORD, CHAIR

[bandrewhalford@comcast.net](mailto:bandrewhalford@comcast.net) 270.444.6065

The purpose of the Division of Higher Education in the Memphis Annual Conference is to oversee the five campus ministries: Murray State University; University of Memphis; University of Memphis, Lambuth Campus; University of Tennessee Health Sciences Center; University of Tennessee, Martin.

On November 5, 2013, the Division of Higher Education and Campus Ministries met with Bishop McAlilly and representatives from the Tennessee Conference in Nashville as we considered answering God's call as part of campus ministry. Exciting ministry is taking place at the campus ministries in the Memphis Annual Conference.

At Murray State University, Wesley is busy making disciples of Jesus Christ. Worship on Tuesday evenings has brought thirty on average; Wednesday evenings focus on Bible Study. Fall Break took the students to Nashville to work ministries such as Open Table and Thistle Farm. Local missions led to a supply pantry for students with classroom and living needs other than food. Students have for me ASL sign worship team and are responding to God's call to ministry and to share their faith stories.

At University of Memphis, the significant "rebooting" of the program began with the repair of Wesley House inside and outside for welcoming students. Perhaps the most meaningful repair was the transformation of Hampton Chapel from a meditation room into a place of worship. The weekly home cooked meals and the worship each week have once again become the foremost outreach for the predominately commuter students. The fall semester began with Rev. Bridgette Young Ross, the General Board of Higher Education and Ministry, serving as a consultant. An average of thirty-five students have participated at each the ministries.

At the University of Memphis, Lambuth, over 50 students have regularly participated in the ministries. The historic quadrangle of the Lambuth campus was the focus of the first outdoor worship event. The ministries at Wesley continued with *God's Text*, a study of the Book of Mark; with a discussion group known as "He-Brews;" and with a Fall Retreat, "Reading the Signs of Your Life," at Lakeshore. The spring semester began with the second "Blessing of the Semester" with forty students and twenty faculty and staff. A Spring Break project involved refurbishing a room at Lambuth Memorial used as part of a mentoring program.

The Wesley Foundation at the University of Tennessee at Martin has undergone a transformation from the Interfaith Student Center to Wesley at UT Martin which is part of the programming and ministry through Martin First United Methodist Church (FUMC). The ministries have included Monday evening meal and worship led by resident managers; Table Talk on Tuesdays at lunch with a focus on current issues and the Christian response; a College Wesley Small Group at FUMC; and a Thursday Late Night Bible Study at 9 pm. Wesley took a Christmas Break Mission trip to Memphis for an Urban Immersion Mission Experience. The Spirit is moving through the transformed Wesley Foundation as students have received God's call to ministry and have been involved in the programs.

**UNIVERSITY OF TENNESSEE HEALTH SCIENCE CENTER  
UNITED METHODIST CAMPUS MINISTRY**

REV. JONATHAN C. LEWIS, BCC, CHAPLAIN AND CAMPUS MINISTER  
[JONATHAN.LEWIS@MLH.ORG](mailto:JONATHAN.LEWIS@MLH.ORG) (901) 516-3735

---

At the University of Tennessee Health Science Center (UTHSC) in Memphis, the United Methodist campus ministry continues to grow and explore new opportunities. In March of 2011, Jonathan Lewis started as the campus minister there, and he continues to serve in that position. Jonathan is also a full time staff chaplain with Methodist Le Bonheur Healthcare (MLH) at Methodist South Hospital.

UTHSC is entirely composed of graduate schools, all of them specializing in some form of health science – from dentistry to medicine to nursing to laboratory science and much more. Jonathan relates well to UTHSC because of his own daily immersion in the hospital and healthcare setting, where he ministers to patients, families, and medical professionals of all kinds. Currently, Jonathan is on campus at UTHSC about one afternoon a week. He spends this time walking the campus, visiting with students and staff, and working on a devotional that he sends out by email. Jonathan is also available to UTHSC by email or phone at all times, and he continues to be present at all of the orientation fairs to greet and welcome incoming students each spring and summer.

Other efforts of the campus ministry include...

- **Mission and Service Opportunities** – In the Summer of 2014, Jonathan and several UTHSC students participated in the “Stop Hunger Now” event sponsored by Memphis Interfaith, where thousands of meals were packaged and sent to people in need around the world. Also this year, Jonathan has publicized several United Methodist mission trips going to Kenya and Honduras in the hopes of recruiting students to participate. The Kenya trip in particular presents opportunities for growth and relationship. There are plans to deepen the relationship between the Kenya mission’s team at Germantown United Methodist, the ministries happening on the ground in Kenya, and UTHSC.
- **Crisis Support, Counseling, and Mental Health** – The campus ministry is in partnership with University Health Services to meet the mental and spiritual needs of students, faculty, and staff. This may include pastoral counseling, crisis support, grief intervention, anxiety management, and requests for prayer ministry.
- **Education and Interaction** – Currently, Jonathan is exploring the possibility of connecting UTHSC with the important and exciting work of MLH’s Center of Excellence in Faith and Health. The resources there can be a great asset to the UTHSC community, and this initiative would also offer an opportunity to strengthen the relationship between MLH and UTHSC. Also, the Church Health Center in Memphis offers a series of classes called “Serving The Underserved” that engages UTHSC students about the social determinants of health, community healthcare in impoverished areas, and even self-care practices for healthcare professionals. The Church Health Center has partnered with the United Methodist campus ministry by allowing Jonathan to help organize and facilitate these class sessions, and we help sponsor the operation costs. Additionally, the campus ministry has sponsored students to attend local educational talks and community service celebrations. Also, in December of 2014, Jonathan was invited to deliver the invocation and benediction at UTHSC’s winter commencement ceremonies for the second consecutive year.

There is much excitement about what is possible at UTHSC as God continues to minister there through the United Methodist Church, its ministers, and members.

## **The Wesley Foundation University of Memphis Lambuth Campus**

REV. STEVEN FONVILLE, DIRECTOR

REV. DR. GARY C. MORSE, CHAIR

---

The 2014-2015 academic year has been a time of blessing for the continuing ministry on the U of M Lambuth Campus. During the spring of 2014 we saw our first group of student leaders graduate. With new leadership, we welcomed the largest freshmen class to join the new "Lambuth" campus. As a result we saw 64 students regularly attend our variety of worship events, 30 of those being freshmen. Average worship attendance held steady at 24, and 19 in *God's Text*-Bible Study seeking to equip our students to live out their calling as children of God. During the fall semester we remade our spiritual formation group into a student driven curriculum where students are free to ask any question that relates to faith, life, and God; seeing as many as a dozen students, and regularly hosting students who self-identify as non-Christian and agnostic.

During the spring semester the Wesley Foundation hosted its third annual *Blessing of the Semester* at the R.E. Womack Memorial Chapel on the U of M Lambuth campus. Faculty and staff joined students in worship asking God's blessing on the new academic year, while raising funds for *Imagine No Malaria*. The Wesley Foundation also hosted an Inter-faith discussion between Muslim and Christian students. Students also reached out to Wesley Jackson Highlands providing Easter baskets to residents, and volunteered to do a spring yard clean-up for the Rev. Dr. and Mrs. Bill Vaughan, long time Lambuth supporter, and dedicated supporter of the new Methodist presence at "Lambuth." Likewise, students volunteered to join with the Hope Center of Jackson to provide meals in their weekly "The Table" ministry in the Hollywood Street community of Jackson.

As the University of Memphis Lambuth campus anticipates its largest enrollment in the fall of 2015 the Wesley Foundation hopes to continue the long term commitment Methodism has had in the Jackson educational community. Partnered with the Lambuth Memorial Congregation, and the U of M, the Wesley Foundation looks forward to a vibrant future that will continue to shape lives through service and faith in a hurting world.

## MURRAY STATE WESLEY FOUNDATION

LEAH HOWE, DIRECTOR

---

Murray State Wesley Foundation This year at the Murray State Wesley Foundation has been a time of growth for our students as disciples of Christ. This past year we have averaged between thirty and thirty- five students at our worship services, small groups, mission projects, and other fellowship activities. In our worship service, we have seen our students take on more leaderships roles beyond participation in the praise band. We have had students feel call to give their testimony and even have students who have felt called by God to give a message.

Our small groups this year have been influenced by Wesley's class meetings. The groups meet together in groups of seven or eight, and have a series of questions they answer each week and hold each other accountable in love. These groups have built strong relationships and walk with each other through everything that life brings.

Our missions this year have focused on raising money and awareness for the Imagine No Malaria campaign, collecting toilet paper for a local charity called Operation Blessings, and Manna House in Memphis. Our spring break mission trip was to Memphis. We spent the week working with Manna House. It was very eye opening for all the students involved. The students came back with a renew spirit to continue to support Manna House and to look for ways to reach the homeless population within our area.

We are blessed to have seven students participating in the Generative Leadership Academy this year. These students are future strong leaders within our congregations. We look forward to attending the other sessions of the GLA and growing in our leadership abilities. Overall, it has been a blessed year at Murray State Wesley Foundation. We are excited about what God has done, what God is doing, and what God is going to do.

### Wesley Foundation University of Tennessee at Martin

#### A Ministry of Martin First United Methodist Church

Beth Brown, Board Chair, Rebecca Alexander, Director

Rev. Randy Cooper, Pastor of Martin FUMC

The Wesley Foundation is a ministry on the campus of the University of Tennessee at Martin and a ministry of Martin First United Methodist Church that seeks to provide a place of spiritual growth and community for young adults while striving to produce a culture of call on campus and among this generation.

After we spent last year re-envisioning our ministry on the campus, we began this year with a ministry model that was built primarily on the Memphis Annual Conference's Four Areas of Focus. As the very nature of campus ministry lends itself *to investing in young people*, we went even further to extend our hospitality to the campus. We reached out to every incoming freshman, as well as offering United Methodist students the opportunity to participate in Freshly Wesley. Participants in Freshly Wesley moved into their dorms early and had the opportunity to interact with current Wesley students, with Martin FUMC family, and serve their campus by helping with Freshmen Move In, all before Freshmen Orientation even began. We were pleased to have a great turnout for our first year and half of those students have remained active in campus ministry.

With Census Bureau reporting in 2013 that 51.8% of college students are living in poverty, it has always been clear to the Wesley family that our ***engagement in the mission field*** begins directly on campus. After paying for books and tuition, many students are left without money to meet their basic needs. Led by the vision of a member of Martin First United Methodist Church, we saw the beginning of the Wesley Clothes Closet in the fall semester. A large vacant closet was redone to handle donations of clothing from the community specifically for college students. Wesley students receive the donations, sort them, hang them, and change them out with the seasons. Everyday clothing is available, as well as business attire that students need for presentations, interviews, internships, student teaching, etc. On top of providing a free meal for students every Monday evening and Martin FUMC providing a free meal for college students on Wednesday evenings, Wesley also provides a food pantry for students to come and get small meals and snacks as needed.

In an effort ***to create transforming lay and clergy leaders***, our primary focus of our Monday Night Wesley Worship and Late Night Bible Study this past two semesters has been discipleship. In an effort to faithfully follow Jesus Christ with our whole lives, we have seen a movement of the Holy Spirit in the lives of students who have risen to roles of leadership and Christian service. Spring graduation saw us send off our first student to seminary. Worship is now student led by a newly formed worship band, Students are volunteering in the youth and children ministry department at Martin First United Methodist Church leading small groups and teaching. While one student has recently taken on a youth ministry position in a local United Methodist Church, two other students are currently exploring a call to ministry.

The constant work of campus ministry is to bring students into meaningful relationship with the church, as well as Christ. In a time when young adults are almost expected to fall away from church life, it is imperative the campus ministry be about the work of ***growing fruitful and faithful church members***. In order to do this, Wesley is in close relationship with Martin First United Methodist Church making sure that students feel loved and welcomed by the church. This year following a free fellowship meal on Wednesday evening, a college small group is led by a church member, as well as College Sunday School class being led by church members as well. We praise God that this year we witnessed a Wesley Student receive Christian Baptism, another student joining the church, and numerous others faithfully attending services at various churches. It is an exciting time to be in ministry with young adults and we covet your prayers as well strive to do the will of God on the UTM campus.

## LAKE JUNALUSKA ASSEMBLY, INC.

JACK EWING, EXECUTIVE DIRECTOR

---

On February 10, 2015 Lake Junaluska, the Southeastern Jurisdiction of the United Methodist Church, the United States, and the world lost a great leader. Rev. Dr. R. Wright Spears died at the age of 102. He served as a pastor to multiple churches in South Carolina and as the President of Columbia College for 26 years, a time during which he helped that institution navigate momentous social changes. Dr. Spears and his wife Mary Blue retired to Lake Junaluska in 1977 where he continued to promote social justice in all forms. Few organizations have in their history a person as influential as Dr. Spears. He had a vision for Lake Junaluska, and spent his years here quietly encouraging us all to more fully live into the Kingdom of God through our mission of Christian hospitality. Arguably the most influential person at Lake Junaluska in the last 50 years, in both formal leadership roles and quiet behind the scenes work, he understood the importance of balancing the budget while offering a great experience to our guests. He urged us to offer great programming, and at the age of 95 was instrumental in launching the Lake Junaluska Peace Conference. Dr. Spears understood that offering Christian hospitality goes beyond simply welcoming our paying customers. At our best, we are what he envisioned us to be: a place that welcomes all and provides transforming and renewing spiritual experiences and a place that pays attention to the bottom line and is operated more like a college than a church camp. We have a long way to go to be the perfect fulfillment of Wright's vision for Lake Junaluska, but we are further along that path today and more inspired to fulfill our mission "to be a place of Christian hospitality where lives are transformed through renewal of soul, mind, and body" than ever thanks to his influence.

For the third year in a row, we ended the year "in the black." We continue to accomplish this without any Operational Apportionment support from the Southeastern Jurisdiction. Lake Junaluska has embraced the new financial model that was approved by the 2008 SEJ Conference and we remain committed to always "live within our means." 2014 was a record breaking year for charitable giving. We received \$1,079,994 from 1,257 individuals. This represents a 34.4% increase in total giving over 2013 and a 2.6% increase in number of donors.

We continue to refine and implement our plans for improvements to our facilities, grounds, and programs. Plans were approved in 2014 to begin an extensive renovation of The Terrace hotel, a project that will have a significant impact on the quality of the guest rooms and public spaces in that facility and will influence the level of service provided to all of our lodging guests. We completed all of the projects planned in 2013 including converting the Jones Dining Hall into a year round facility, renovating the children's playground at the Wilson Children's Building, and numerous improvements to the lake front consisting of a new boat storage area along with a boat dock and fishing pier just to the north of the swimming pool and a beautiful meditation garden to the south. We are working diligently to refine and improve our existing programming for youth and adults and continually seek to implement new innovative programs that align with our mission.

As a member of the United Methodist Church within the Southeastern Jurisdiction we want you to know that "your" asset, Lake Junaluska, is doing very well. You can be very proud of this important organization within the jurisdiction and the larger United Methodist Church. We are striving to be good stewards of the resources with which you have entrusted us and to carry on the legacy of Dr. Wright Spears.

If you haven't already, please pick up a copy of our 2015 program, *Discover Lake Junaluska*. Peruse its pages to read about the impact of our programs, to learn about new projects we are working on, and to familiarize yourself with our calendar of events. We do hope you can come and visit us this year for a conference, a retreat, or a vacation to be transformed and renewed in soul, mind, and body.

Jack Ewing, Executive Director 828-454-6701

## BOARD OF TRUSTEES

---

LARRY KALER, CHAIR

---

The Purpose of the Board of Trustees is to receive, hold in trust, buy and sell real and personal property and to invest funds, if any, as prescribed in The Book of Discipline, 2012, Section IV. Annual Conference Property, ¶ 2512. 1 – 8, in the name of and on behalf of the Memphis Annual Conference. Additionally, pursuant to ¶2517 *Responsibilities of Annual Conference Trustees Related to Health and Welfare Institutions*, the Conference Trustees have the responsibility of establishing and maintaining statements of relationship between the Conference and related health and welfare organizations within the bounds of the Conference.

The Board of Trustees currently supports the mission of the Memphis Conference in providing for facilities of ministry outreach at three university campuses and the conference office.

The Board of Trustees oversees and/or contributes to the maintenance of six properties on behalf of the conference and provides assistance to the districts in completing property transactions approved by prior Annual Conference resolutions. It provides guidance and information as requested in matters pertaining to the full range of former and current property issues.

The Trustees hold the following campus ministry facilities: Murray State University Wesley Foundation, University of Memphis Wesley Foundation and University of Tennessee-Martin Wesley Foundation and Director's parsonage.

Since last annual conference, the Dyersburg District parsonage was sold to Dyersburg First United Methodist Church; the Communities of Hope (formerly St. Andrews UMC – Jackson) was transferred to Northside United Methodist Church (J); and the conference's interests in Diamond Grove Methodist Episcopal South Church (closed at the 1965 Annual Conference) were sold to a private individual. Sincere thanks to Kevin Floyd, Memphis Conference Chancellor-Tennessee, for his counsel and legal work in these transactions.

The Trustees budget request for 2016 was submitted to CF&A with a decrease of \$24,000 or 23.3% less than the 2015 budget.

## COMMUNICATIONS ACTION TEAM

CARLA TAYLOR, CHAIR

---

The Communications Action Team met in October of 2014 to review our current communications and to set goals for the upcoming year. The current vehicles of communications that are working well are the conference website, free weekly eNews, and social media outlets. In early 2015 we have added Instagram to our Facebook and Twitter social media presence.

When we met, we discussed our bimonthly, free printable paper, "Circuit Writer," sent electronically to conference churches. Using feedback from a request for input from readers, it was decided to make the "Circuit Writer" a quarterly paper, beginning in 2015 and to change the focus to stories of mission, ministry and transformation. The paper will no longer include news and events because that information is satisfactorily covered via website, weekly eNews and social media. The revised paper is now more feature-filled. It requires less hours to prepare and less pages.

The Communications Action Team empowered the conference's director of communications to produce an Emergency Response Guide for churches/agencies that was first distributed in August 2013 to district superintendents. The district superintendents were asked to distribute and promote the guide to their churches. When our team met in 2014, we decided no updates were needed to the guide in 2014, but the team agreed the document should be redistributed to district superintendents AND to district lay resource leaders. That occurred on Oct. 30, 2014.

Our staff associate for technical communications continues to review the progress and developments related to technology alignment with Tennessee Conference and General Council on Finance and Administration. As part of the technology vision for the conference, our team voted to proceed with purchasing Zoom emeeting software (for the conference) at a cost of approximately \$10 a month to begin setting a good example for cost-effective interaction by conference groups/teams/committees to conduct planning, coordination and training sessions. The team agreed that an emeeting format should be considered for purposes of pre-conference briefings for new and returning annual conference delegates.

The team recognized that there are a number of blogs by Memphis Conference clergy that should, in the interest of sharing different faith viewpoints on current events, be shared via conference communications. In February a link to a list of faith-themed blogs by active and retired clergy was placed on the conference website.

The team applauds the districts for their stepped-up regular communications (mostly via eNews), a development of the last few years. While the districts all have different communication content and frequency, their efforts are important for sharing and reinforcing conference news and events.

Our team sponsored a communications clinic for churches (with speaker Scott Vaughan) in April 2014. It was well attended and considered a success! It was decided, however, that the next round of training needs to be district-by-district for church communicators, pastors, and staff to provide a platform for district-specific news from our director of communications, associate for technical communications and district administrative assistants.

Many stories from our conference continue to be picked up by United Methodist News Service and secular media.

## MEMPHIS CONFERENCE ARCHIVES 2015

---

ANN ROBBINS PHILLIPS, ARCHIVIST/HISTORIAN  
[MEMPHISARCHIVES@BELLSOUTH.NET](mailto:MEMPHISARCHIVES@BELLSOUTH.NET) 731-664-5540

---

The Book of Discipline of the United Methodist Church 2012 states that the Annual Conference Commission on Archives and History's duties are "to collect, preserve, and make accessible the historically significant records of the annual conference and its agencies ...to maintain a fire-safe historical and archival depository and to see that all items that obviously will have value for future history are properly preserved therein." [P641.1]

Since last year the Conference Archives has made progress in several areas. Ten new Closed Church boxes have been added or sorted and labeled. The files of Memoirs are up to date and stacks of local church materials have been sorted, photocopied and filed. There have been 38 research questions completed by phone, email, visits or letter. Some required minutes, others were lengthy and required on-site research. We have had one visiting author working on a manuscript and are still in contact with him for ongoing questions.

Our collection of microfilm of *Western Advocate*, *Nashville Christian Advocate* and other publications, manuscripts and histories has been moved to the Tennessee Conference Archives where a full time staff with reader-printers can answer requests quickly. There are numerous requests because the abstracts of our collection are on-line and available to the general public, thanks to a dedicated historian, Jonathan K. Smith, who read and indexed every reel. Search for *Nashville Christian Advocate* to access them.

The Archives has a section on the Memphis Conference web site which contains our brochure listing the major collections of materials available to researchers. At present we are struggling with the new Brick River set up to complete the "archive" of closed and active churches. The historic clergy archive remains a "work in progress" on my computer, but will eventually be added to the web site.

Our digital photo file has increased to 500 ministers, many from the 1875 composite made by the conference plus all of the 1906 autobiographers. Others have been added as we answer requests for *Journal* pictures from churches. There is also a file of pictures of all of our bishops.

The handwritten preacher autobiographies from the 1906 questionnaire have been transcribed into Word documents. There are now computer files for 218 preachers with pictures and obituaries. These are available to anyone by email. Hopefully they will be on-line by next year.

The major announcement from the Archives this year is the addition of the ALL of the *Journals* from 1862 – 2013, professionally scanned and on-line. They are also searchable. On the web site, click on Archives at the bottom. The *Journals* are in the list of contents on the left.

The Archives is open Tuesday, Wednesday and Thursday from 9:30 to 1:30. Other times can be arranged by appointment. There is no charge for copies to churches or ministers. Volunteers are welcomed and many tasks are available.

## SECTION IV IN MEMORIAM

---

MEMPHIS ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH

A SERVICE OF REMEMBERING

---

**Sunday, May 31, 2015**

**7:00 PM**

+ You are invited to stand. | **Bold** words are read responsively.

WE ENTER GOD'S PRESENCE

PRELUDE

"Prelude on NEED"

Bingham

+ THE COMING OF CHRIST'S LIGHT INTO WORSHIP

+ CALL TO WORSHIP

No one has ever seen God.  
**But if we love one another,**  
**God lives in us, and God's love is perfected in us.<sup>1</sup>**

+ THE WORD OF HOPE

Dying, Christ destroyed our death. Rising, Christ restored our life. Christ will come again in glory.  
As in baptism these sisters and brothers whom today we remember put on Christ,  
so in Christ they are now clothed with glory.  
Here and now, dear friends, we are God's children.  
What we shall be has not yet been revealed; but we know that when he appears,  
we shall be like him, for we shall see him as he is.  
Those who have this hope purify themselves as Christ is pure.<sup>2</sup>

+ HYMN

"For All the Saints"

O Waly Waly

1. For all the saints who've shown your love in  
how they live and where they move,  
for mindful women, caring men,  
accept our gratitude again.
2. For all the saints who loved your name,  
whose faith increased the Savior's fame,  
who sang your songs and shared your word,  
accept our gratitude, good Lord.
3. For all the saints who named your will,  
and showed the kingdom coming still  
through selfless protest, prayer, and praise,  
accept the gratitude we raise.
4. Bless all whose will or name or love  
reflects the grace of heaven above.  
Though unclaimed by earthly powers, your  
life through theirs has hallowed ours.

## PRAYER

Everliving God, this day revives in us memories of loved ones.  
 What happiness we shared when they walked among us!  
 What joy when, loving and being loved, we lived our lives together!  
**Their memory is a blessing for ever.**

Months or years may have passed, and still we feel near to them. Our hearts yearn for them.  
 Though the bitter grief has softened, a duller pain abides; for the place where they once stood is empty now.  
 The links of life are broken, but the links of love cannot break.  
**Their souls are bound up in ours for ever.**

We see them now with the eye of memory,  
 their faults forgiven, their virtues grown larger.  
 So does goodness live, and weaknesses fade from sight. We remember them with gratitude and bless their names. **Their memory is a blessing for ever.**

We remember those  
 who but yesterday were part of our congregations and communities. To all who cared for us and labored for all people, we pay tribute.  
 May we prove worthy of carrying on the tradition of our faith, for now the task is ours.  
**Their souls are bound up in ours forever.**

We give thanks that they now live and reign with you. As a great cloud of witnesses,  
 they surround us with their blessings,  
 and offer you hymns of praise and thanksgiving.  
**They are alive for ever more. Amen.<sup>3</sup>**

## WE PROCLAIM GOD'S GOOD NEWS

## POEM

## "I Cannot Dance"

Mechthild of Magdeburg

I cannot dance, Lord, unless you lead me.  
 If you want me to leap with abandon, You must intone the song.

Then I shall leap into love, From  
 love into knowledge,  
 From knowledge into enjoyment,  
 And from enjoyment beyond all human sensations.  
 There I want to remain, yet want also to circle higher still.<sup>4</sup>

## PSALM 23

The Lord is my shepherd.

I lack nothing.

He lets me rest in grassy meadows; he leads me to restful waters; he keeps me alive.

He guides me in proper paths for the sake of his good name.

Even when I walk through the darkest valley, I fear no danger because you are with me.

Your rod and your staff— they protect me.

You set a table for me right in front of my enemies. You bathe my head in oil; my cup is so full it spills over!

Yes, goodness and faithful love will pursue me all the days of my life, and I will live in the Lord's house as long as I live.

SERMON

"Why I Believe in Resurrection"

Rev. Larry Daniel

WE RESPOND TO GOD'S GOOD NEWS

INVITATION

Christ our Lord invites to his table all who love him, who earnestly repent of their sin, and who seek to live in peace with one another.

Therefore, let us confess our sin before God and one another.

CONFESSION AND PARDON

**Merciful God, we confess that we have not loved you with our whole heart. We have failed to be an obedient church.**

**We have not done your will, we have broken your law, we have rebelled against your love, we have not loved our neighbors, and we have not heard the cry of the needy. Forgive us, we pray.**

**Free us for joyful obedience, through Jesus Christ our Lord. Amen.**

All pray in silence.

Hear the good news:

Christ died for us while we were yet sinners; that proves God's love toward us.

In the name of Jesus Christ, you are forgiven!

**In the name of Jesus Christ, you are forgiven!**

**Glory to God. Amen.**

It is right, and a good and joyful thing,

 God of the priests and the prophets, God of Mary and  
 Joseph,  
 God of the apostles and the martyrs, God of our  
 mothers and our fathers, God of our children to all  
 generations.

And so, with your people on earth and all the company of heaven, we praise your  
 name and join their unending hymn:

**Holy, holy, holy Lord, God of power and might,  
 heaven and earth are full of your glory. Hosanna in the highest.  
 Blessed is he who comes in the name of the Lord. Hosanna in the highest.**

Holy are you, and blessed is your Son Jesus Christ.

By the baptism of his suffering, death, and resurrection you gave birth to your Church,  
 delivered us from slavery to sin and death,  
 and made with us a new covenant by water and the Spirit.

On the night in which he gave himself up for us, he took bread,  
 gave thanks to you, broke the bread, gave it to his disciples, and said: "Take, eat; this is my body  
 given for you.  
 Do this in remembrance of me."

When the supper was over, he took the cup,  
 gave thanks to you, gave it to his disciples, and said:

"Drink from this, all of you; this is my blood of the new covenant, poured out for you and for many for  
 the forgiveness of sins.

Do this, as often as you drink it, in remembrance of me."

And so, in remembrance of these your mighty acts in Jesus Christ, we offer ourselves in praise and  
 thanksgiving

as a holy and living sacrifice, in union with Christ's offering for us, as we proclaim the mystery of faith.

**Christ has died; Christ is risen; Christ will come again.**

Pour out your Holy Spirit upon us gathered here, and on these gifts of bread and wine.

Make them be for us the body and blood of Christ,

that we may be for the world the body of Christ, redeemed by his blood.

Renew our Communion with all your saints, especially those whom we name before you:

*As each name is read, a candle is lit and bell is chimed. Family and friends of the remembered are invited to stand where they are and remain standing until all names are read. A brief silence is kept. All are then seated.*

Frank L. McRae	Sara Cope	Richard W. Dodd	Roy D. Williams, Jr.

Bruce Alton Crill	Rachel Siress	Louise R. Brown	

Since we are surrounded by so great a cloud of witnesses, strengthen us to run with perseverance the race that is set before us, looking to Jesus, the Pioneer and Perfecter of our faith.

By your Spirit make us one with Christ, one with each other, and one in ministry to all the world, until Christ comes in final victory, and we feast at his heavenly banquet.

Through your Son Jesus Christ, with the Holy Spirit in your holy Church, all honor and glory is yours, almighty God, now and forever.

**Amen.**

#### THE LORD'S PRAYER

And now, with the confidence of children of God, let us pray:

**Our Father who art in heaven, hallowed be they name.**

**Thy kingdom come,**

**thy will be done on earth as it is in heaven. Give us this day our daily bread.**

**And forgive us our trespasses,**

**as we forgive those who trespass against us. And lead us not into temptation, but deliver us from evil.**

**For thine is the kingdom, and the power, and the glory, forever. Amen.**

#### BREAKING THE BREAD

Because there is one loaf,

we, who are many, are one body, for we all partake of the one loaf. The bread which we break is a sharing in the body of Christ.

The cup over which we give thanks is a sharing in the blood of Christ.

**+ GIVING THE BREAD AND CUP**

**+ PRAYER AFTER RECEIVING**

**Eternal God, we give you thanks for this holy mystery in which you have given yourself to us.**

**Grant that we may go into the world, in the strength of your Spirit and after the example of all who have served you, to give ourselves for others; in the name of Jesus Christ our Lord. Amen.**

## CHRISTINE DRAKE REID

April 4, 1927- May 9, 2014

Christine Reid, daughter of Winnie Pipkin Drake and John Andrew (Mann) Drake, was born on April 4, 1927, in the Haywood County, Tennessee, community of Wellwood. At the age of nine, Christine suffered the untimely death of her mother, a circumstance that initiated great change and hardship for her and her siblings. Educated in both Haywood County schools and Humes in Memphis, she was a graduate of the Class of 1945.

On March 1, 1947, while employed at the Federal Depot in Memphis, Christine married Haywood native, Russell Lowell Reid, then a recent veteran of World War II. This marriage in Corinth, Mississippi, began a partnership that spanned sixty-four years.

In 1961 when Russell, then an established storekeeper, farmer, and church school superintendent, answered the call to the ministry, the two began a legacy of service in the Memphis Conference that extended beyond retirement. Together they served the following congregations: Floyd's Chapel / Boling Memorial / Crossroads ('61); Charleston / Hebron / Tabernacle ('62); Ripley Circuit consisting of Asbury, Lightfoot, and Hurricane Hill ('65); Halls First ('72); Henderson First / Trinity ('78); Bethany-Parkway ('81); and Alamo First / Center Extended ('85). In 1989 following Russell's retirement, he and Christine moved to their farm in the Diamond Grove community of Madison County- he to raise cattle and manage the farm; she to continue her job as manager of Royal Arms Apartments in Jackson. However, once again the call to serve arose, and, in 1991, while continuing their residence at the farm, they briefly served the churches of Marvin's Chapel and Union Grove. Their final ministry began in 1992 and constituted five years with the Montezuma / Big Springs congregations. In 2004 due to his health concerns, Christine and Russell left the farm for their home in Ripley where together they resided until her death. Throughout Russell's years in the ministry and despite the demands of her own job, Christine rarely missed a service. Nevertheless, after a tearful departure from their first appointment, she avoided the last Sunday with all future congregations. Friendships and relationships had been forged, and it was simply too hard to say goodbye to those she had come to love and appreciate.

An avid reader, Christine additionally enjoyed embroidery, cross-stitching, and crocheting and took great pleasure in gifting loved ones with handmade afghans. When worsening complications from Parkinson's disease prevented these pass-times and ultimately resulted in a home confinement of over three years, she endured her plight with courage and grace. In addition to her parents and six siblings, Christine was preceded in death by a beloved granddaughter, Elizabeth. Survivors include her husband Russell; daughter and son-in-law, Jean and Ivan Criner of Ripley; grandson Clay and his wife Julie of Knoxville; and great-grandsons Will (age six) and Ben (age three).

## JUDITH LYNN FRY ENDSLEY

May 20, 1941—May 14, 2014

Judith Lynn Fry was born on May 20, 1941 in Benton, IL, daughter of Thomas Earl and Lena Lawson Fry. She grew up in Ina, IL, and graduated from Mt. Vernon Township High School in 1959.

Judy continued her formal education at Southern Illinois University, graduating in 1964 with a B.S. Degree in Elementary Education. In 1974 she earned the M.S. Degree, also from SIU. She was a teacher at Horace Mann Elementary School, in Mt. Vernon, IL, for her entire thirty-year teaching career, starting in 1964 until her retirement in 1994.

Throughout her life she was greatly involved in Bonnie Holiness Camp at Bonnie, IL. At age twelve she went to the altar and received Christ as her Lord. In 1974 she was elected Secretary on the Board of Bonnie Camp, an office she fulfilled the remainder of her life. It was at Bonnie Camp that she became acquainted with Rev. Ed Endsley, a United Methodist Pastor. She went on her first date with Ed on September 12, 1987. Judy and Ed were married November 16, 1990 at West Frankfort First UMC, where Ed was then Pastor. Rev. Alan Milligan officiated.

She then began a new set of roles as the wife of a UM Pastor and step-mother to Ed's two college-aged sons. She served admirably in both roles. Church people adored her greatly everywhere they served. In 1994, she and Ed moved to the Memphis Conference, where Ed was a Pastor for thirteen years before retiring in 2007.

In January of 2002, Judy was diagnosed with stage-three ovarian cancer. She underwent extensive surgery at Barnes-Jewish Hospital, in St. Louis, MO, on January 31, 2002. Chemotherapy followed. It did all sorts of unpleasant things to her. She was courageous throughout, and appreciated all that Ed did as he helped care for her. She reached the end of her earthly life on Wednesday, May 14, 2014 at home, surrounded by family.

Her funeral was held on her birthday, May 20, 2014, at the Ina UMC, where she was a loyal member as she grew up. Rev. and Mrs. Phil Foley, of Indianapolis, IN, longtime friends, were in charge of the service. It was a celebration of her life as a faithful Christian. Burial was at Kirk Cemetery, at Ina, IL. She is missed by a great host of family and friends.

## BRUCE ALTON CRILL, JR.

December 15, 1915—June 7, 2014

Bruce Alton Crill, Jr. was born in Forrest City Arkansas on December 15, 1915 and later moved to Memphis in his early youth. He attended Idlewild Elementary, Bellevue Jr. High, and graduated from Central High School. He received a BA degree from Southwestern (Rhodes) University; a BD degree from Vanderbilt University School of Divinity; and a DD, honorary degree, from Burton College and Seminary.

While at Vanderbilt, from 1939-1943, Bruce served student appointments at four different circuits in both the Memphis and Tennessee Conferences. It was also at Vanderbilt where he met Nora May Moore. She was attending Scarritt College studying music and preparing for a missionary project. As fate would have it, both schools shared the same library and Bruce met Nora May there. After graduation, they were married in August of 1943. Throughout Bruce's ministry, Nora May was his complement, as a pianist, organist, soloist, and occasional choir director.

In 1944, Bruce enlisted in the U.S. Army, where he was a field Chaplain and assigned to Patton's 3rd Army in Europe, where he participated in front line non-combatant action during the "Battle of the Bulge". As Patton moved further into Germany, Bruce was reassigned to remain in Luxembourg to join several other Chaplains officiate in the re-interment of soldiers killed in action there, which were buried in battlefield mass graves. Their mission was to establish the new Hamm Military Cemetery, later renamed The Luxembourg American Military Cemetery. Hundreds of the several thousand they reburied there, Bruce had ministered to prior to their death in battle. After VE Day, he opted for a stateside duty assignment, in order to see Nora May and young son, Kendall Alton. Following VJ Day, he remained as Head Chaplain at Ft. Oglethorpe, Georgia, along with his family. Later he resigned his Active Duty Commission, as a Captain in the U.S. Army Chaplain Corps.

Shortly thereafter, Bruce rejoined the Memphis Conference, as a full-time minister, with an appointment to the Kevil, Bandana, New Liberty Circuit, while living in Kevil his daughter Judith Marie (Belote) was born. From 1946 through June 1949, Bruce served this Circuit and later Reidland, KY, all of which were located outside of Paducah.

In June of 1949, Bruce was assigned to a cotton field, located in what was the southern part of Memphis, to organize a new church named, St. Matthews Methodist. In order to finance its building program, he was the first, at the time, in the Memphis Conference to utilize a bond program designed for churches, whereby the majority of those who purchased bonds were Members of this new church. While Bruce was appointed there, he completed two building programs from 1949-1955 and received approximately 1200 new Members. Apparently, this created a stereotype for Bruce, as "The Builder", since his next two

assignments were to start building programs. From 1955-1958 he built a new Educational Building at First Methodist in McKenzie, TN. He then returned to Memphis, where he served from 1958-1962 at Schoolfield Methodist. At this appointment, he again used a bond program to fund over \$270,000 to build a new Sanctuary and Educational Building. During the time Bruce was Senior Minister there, he received over 800 new Members. Following this assignment, he served First Methodist in Mayfield, KY; Colonial Park in Memphis; First Methodist in Dyersburg, TN; Underwood; Grimes Memorial; and Scenic Hills, all in Memphis.

Throughout the 1950s and early 70s, Bruce served on six different Conference Boards. In January of 1963, as President of the Memphis Conference Board of Evangelism, He went to Sitka, Alaska to establish the first Methodist church ever in that city. Thirty years later, while he and Nora May were on an Alaskan Cruise, they had the privilege to fellowship with several hundred Members of that church, since Sitka was one of the ship's Ports of Call. In 1978, Bruce was one of several ministers in the Memphis Conference who exchanged pulpits with other ministers in the Tennessee Conference, in an attempt to eventually merge the two Conferences. His appointment was to Bellevue United Methodist in west Nashville. He remained there until he officially retired, as a full time minister, in 1980.

Bruce's retirement lasted only a few months, since he was asked if he could assist a student minister concentrated more on his studies by finishing his appointment. Thus, he became a supply minister on the Covington Circuit. Later he again helped another student minister by ministering to the Oakland Circuit outside of Memphis. Once this appointment was permanently filled, he became the Associate Minister of Visitation at St. Paul's United Methodist in Bartlett, where he remained active for several years.

Afterwards, he devoted his time to Nora May, until her death in 2005. In 2006, Bruce moved to Kirby Pines Estates in East Memphis, where he resided until his death on June 7, 2014. He was buried alongside of his beloved wife of 62 year at Memphis Memorial Park.

Bruce is survived by a loving family of two married children; five grandchildren; three great-grandchildren; and a step-great grandchild; plus five living nephews, seven nieces, and their respective children. All of his family and friends miss his presence, constant smile, wit, and especially his prayers!

These following scriptures sum up Bruce's life and ministry:

*"...Well done, my good and faithful servant. You have been faithful in handling this small amount, so now I will give you many more responsibilities..."* Matthew 25:21(b)

*"I have fought the good fight, I have finished the race, and I have remained faithful."* 2Timothy 4:7

## ROBERT CLIFTON 'CLIF' MANSFIELD

December 12, 1936--December 9, 2014

As the fourth of seven children, Clif was an integral part of the family farm growing up. He held many different occupations in his life – cattle farmer, construction worker, fireman with Memphis Light, Gas, & Water, grocery store owner – but none were as important to him as pastor. He served in that role for 11 years in the Mississippi and Georgia conferences of the United Methodist Church. A diagnosis of cancer (lymphoma) in 1988 started a steady decline in his health over the next few decades.

An avid hunter and fishermen, Clif spent countless hours with his children and friends at hunting camp and in the woods. He and Charlotte spent many hours in a car enjoying God's creation, traveling the East Coast to Maine one year and to Canada and the Northwest for several years. He attended every graduation and wedding of his grandchildren and took great pride in their accomplishments. He relished a good story or a corny joke and never hesitated to tell either.....multiple times. ☺

Clif never met a stranger. His memorial service was attended by family and friends from all walks of life, a testament to his ability to make people feel important regardless of their station in this life. During his frequent hospital stays, especially in the last year of his life, he shared his faith with the medical personnel who attended him and somehow managed to maintain his sense of humor.

Clif is survived by his soul mate and wife of 58 years, Reverend Doctor Charlotte Harrison Mansfield; their children and their spouses: Joe and Beth Mansfield; David and Sandra Mansfield; Sherrie and John Shelton; Blake and Starlet Mansfield; 9 grandchildren; and 6 great-grandchildren.

Marjorie was born in New Albany, Mississippi, the daughter of the late Jamie Giles Houston and Marjorie Scott Houston. She attended Mississippi State College for Women in Columbus, Mississippi as a piano major for 3 years. She received her Bachelor of Science degree in Music Education from East Tennessee State University.

Marjorie met Don Sanford, a young minister of music, and they were married in 1950 at First United Methodist Church in New Albany, Mississippi. Marjorie taught music education in the Atlanta, Georgia public school system. Later she assisted her husband, Don, in establishing and directing comprehensive choir programs. They served in a number of United Methodist churches, including: St. Paul UMC in Cedar Rapids, Iowa, Grace United Methodist Church in Atlanta, Georgia, and Christ United Methodist Church in Memphis, Tennessee.

Marjorie loved music. She was a talented pianist, played for hundreds of church events in her life. She especially loved children's choirs. If she wasn't playing, she was directing. Marjorie had a child's heart, and would act out the songs the children sang to make them come alive. Put her on a piano bench and some children around her and the world became a different place. She also played in her retirement, giving concerts at the assisted-living facility where she resided.

She is survived by one son, Dr. Scott Sanford and wife Patricia of Colorado Springs, CO, two daughters, Donna Morse and husband Rev. Gary of Jackson, TN, Rebecca Ritter and husband Clifton of Jonesboro, AR, one sister, Sylvia Foster, ten grandchildren and 2 great grandchildren. Marjorie was preceded in death by her husband Donald Sanford, who died in 2006; one son David Sanford, two brothers, Joe Houston and Rev. Jamie Giles Houston, and one sister Mary Pannell.

A memorial service for Marjorie Houston Sanford was held on Saturday, January 24, 2015 at Germantown United Methodist Church (where she and Don were members upon their retirement). The memorial service was officiated by her son-in-law, Reverend Dr. Gary Morse.

Marjorie Houston Sanford loved children, she loved birds, she loved gardening, she loved music. She loved the church. Marjorie loved the gift of life. And she made the most of it. She knew how to receive a blessing, and how to be one.

## NANCY MAE PORTER

January 29, 1928—February 3, 2015

Nancy May McArthur Porter was born January 29, 1928, to Cary Thomas McArthur and Laura Seay. Nancy graduated from Humes High School in Memphis, Tennessee, in 1946. She attended Lambuth College in Jackson, Tennessee, and graduated with an undergraduate degree in 1950. Nancy earned two Master's Degrees: a Master of Arts from Scarritt College in Nashville, Tennessee, and a Master of Education from the University of Memphis. She taught for 22 years in the Memphis City School system.

One of Nancy's goals was to become a Deaconess in the Methodist Church. She prepared herself spiritually and educationally for that service and was scheduled to be ordained in the last class that required women Deaconesses not to marry. This did not occur because I asked Nancy to marry me. Needless to say, the hierarchy of the Women's Society of Christian Service (WSCS) was not happy. However, "Wisdom is justified of her children." Nancy and I were co-ambassadors for Christ for nearly 63 years.

Nancy died peacefully on February 3, 2015, at 3:30 in the afternoon. The time of 3:30 p.m. is significant because Nancy was a teacher. The last bell of the school day rings at 3:30 p.m.; the day is over; work is all done; and it's time to go home.

A Celebration of Life and Resurrection for Nancy was held on February 13, 2015, in Wilson Chapel at Christ United Methodist Church in Memphis, Tennessee. Officiating the memorial service were: Rev. Pat Roseberry, Dr. Toni G. Meek, Dr. Mark Matheny, and Mr. Perry Redfearn. The family grieves her death, but "not as others do who have no hope" (1 Thessalonians 4:13).

Nancy was preceded in death by her parents and brother, C. T. McArthur, Jr. She is survived by her husband, Rev. Everett Porter, of Memphis, and four married children: Bobby Porter (Charlotte) of Millington; Elaine Tosh (Mike) of Henderson; Steve Porter (Tammy) of Collierville; and Carol Doyle (Bob) of Piperton; seven grandchildren, and four great-grandchildren.

Nancy was a Genesis donor. As her last act of selfless giving, she donated her body to the Medical Educational and Research Institute (MERI) for the advancement of science.

"Til we meet again, where "there will be no more death or mourning or crying or pain" (Revelation 21:4).

Everett Porter and Family

## ROY D. WILLIAMS, JR.

November 13, 1925—April 14, 2015

Born November 13, 1925, to the late Orlena and Roy D. Williams, Sr., Roy was the oldest of four children: Roy, Gene, Bob and Patty. They moved to Saltillo, TN when Roy Sr. entered the ministry. Growing up, Roy, Jr. lived in Saltillo, TN, Mercer, TN, and Arlington, KY, as well as Benton, KY, where he excelled at basketball at Benton High School. Roy graduated in 1943.

Having already enlisted in the United States Navy prior to his actual graduation, he was sent to Naval Air Corp Great Lakes Training in the Chicago area, immediately after his cap and gown ceremony. From there he studied at Berea, KY - Naval Air Corp Schooling, Officers Training - then to preflight training school, in Georgia. He further studied and trained on N3N Steerman Biplanes, in Murray KY, and was discharged in 1945, at Millington, TN, where he had his first glimpse of a town he would later come to love.

After the Navy, Roy pursued a degree at Lambuth College, in Jackson, TN, aiming for a career in the sports industry. While there, he would often visit his family in Mayfield, KY, where his father was the minister of the First Methodist Church. His sister, Patricia, told Roy that she found the perfect girlfriend for him - Helen Lamkin, who lived just two houses down the street. Roy's father also thought Helen was perfect for Roy.

After meeting at the church on a Sunday night, Roy said, "It was love at first sight." They dated, and Mr. Lamkin invited Roy to go with them to a St. Louis Cardinals baseball game. Those days, Helen would visit Roy at Lambuth to watch him play basketball and football.

On May 29, 1948, Roy and Helen eloped and were married in Corinth, MS. They welcomed their first child, Helen Carol, in November of 1949.

Roy was graduated from Lambuth College in the spring of 1950. He immediately went to work for Metropolitan Life Insurance as an agent, in Mayfield, KY. Then, in September of 1951, Roy and Helen welcomed Roy D. III (Dee).

After swearing he would never, ever follow in his father's footsteps, leading to the ministry, Roy heard the call. He began his studies for the ministry at Cumberland Presbyterian Theological Seminary, in 1955, in McKenzie, TN.

While Roy studied and worked on his thesis, he also began serving his first appointment through the Methodist Conference as pastor at Maury City Methodist Church, in Maury City, TN. He continued to serve in Maury City after becoming ordained until, in 1960, the Memphis Conference of the Methodist Church assigned him as Associate Minister at Madison Heights Methodist Church in Memphis, TN.

In 1963, Roy, was asked to start a new church in an "un-churched" area of Frayser, TN. Helen, Carol and Dee were the three founding members of Frayser Heights Methodist Church, which grew from three to almost 900 members by 1968. From there he went to serve at Wesleyan Hills United Methodist Church (1970), First United Methodist Church of Millington, TN (1977), and Trinity United Methodist Church (1986).

Retiring from the ministry in 1991, Roy, and Helen then returned to Millington, where he continued to give his time and service to The United Way and The United Methodist Neighborhood Centers.

Throughout the years, they spent time with their families and they always enjoyed traveling and vacationing together. One of the greatest highlights of Roy's life was during a trip to London, England. They were touring John Wesley's Chapel, a church built by the founder of the Methodist Movement, and Roy, was allowed to stand in the pulpit where John Wesley actually preached.

In 2007, Roy, and Helen left Millington and moved to Collierville, TN to be closer to their family. On Tuesday April 14, 2015, in Methodist Hospice, surrounded by family and with love, Rev. Roy, D. Williams, Jr. took his last earthly breath, and left to be with God.

Anyone that listened to Roy, in church, and in life, would know his most important lesson was that of love. His message from the pulpit was always about love. His blessings before meals were always filled with love. Roy's emphasis in any area of discussion would always focus on the foundation of love. The final moments of his life give testament to the fact that he "Practiced what he preached." What a wonderful life. "Well done, thy good and faithful servant."

To the Council of Finance and Administration  
 Memphis Conference Treasurer's Office

We have audited the financial statements of Memphis Conference Treasurer's Office (the Conference) for the year ended December 31, 2014, and have issued our report thereon dated May 29, 2015. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated March 31, 2015. Professional standards also require that we communicate to you the following information related to our audit.

**Significant Audit Findings**

***Qualitative Aspects of Accounting Practices***

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Conference are described in Note 1 to the financial statements. As described in Note 1, the Conference converted from the modified cash basis to the accrual basis of accounting in 2014. Accordingly, the accounting change has been retrospectively applied to prior periods presented as if the policy had always been used. We noted no transactions entered into by the Conference during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

The financial statement disclosures are neutral, consistent, and clear.

***Difficulties Encountered in Performing the Audit***

We encountered no significant difficulties in dealing with management in performing and completing our audit.

***Corrected and Uncorrected Misstatements***

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. The following material misstatements detected as a result of audit procedures were corrected by management: to adjust fund balance to match with prior year's report

***Disagreements with Management***

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

***Management Representations***

We have requested certain representations from management that are included in the management representation letter dated May 29, 2015.

***Management Consultations with Other Independent Accountants***

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting

principle to the Organization's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

*Other Audit Findings or Issues*

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Organization's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with U.S. generally accepted accounting principles, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of The Council of Finance and Administration of the Memphis Conference Treasurer's Office and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Alexander Thompson Arnold, PLLC

**Offices in Tennessee & Kentucky**

To the Council on Finance and Administration  
Memphis Conference Treasurer's Office  
Jackson, Tennessee

We have audited the accompanying financial statements of the Memphis Conference Treasurer's Office (a nonprofit organization)(the Conference), which comprise the statement of financial position as of December 31, 2014, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

#### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

#### **Basis for Qualified Opinion**

As explained in Note 1J to the financial statements, several real property locations owned by the Conference are not recorded in the financial statements because the cost has yet to be determined. Accounting principles generally accepted in the United States of America require real property to be recorded at cost if purchased and fair value if donated. The effects on the accompanying financial statements of that departure from those accounting principles are not reasonably determinable.

#### **Qualified Opinion**

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements referred to above present fairly, in all material respects, the financial position of the Memphis

Conference Treasurer's Office as of December 31, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Basis of Accounting**

We draw attention to Note 1 of the financial statements, which describes the change in basis of accounting. As described in Note 1N, in 2014 the Conference adopted a policy of preparing its financial statements on the basis of accounting principles generally accepted in the United States of America. The financial statements for 2013 have been retrospectively adjusted to reflect the basis of accounting adopted in 2014. The financial statements for the year ended December 31, 2013 were prepared on the modified accrual basis of accounting and our report dated July 15, 2014 reported an unmodified opinion on the modified accrual basis of accounting. Our opinion on the December 31, 2014 financial statements is not modified with respect to that matter.
