### REPORTS

#### CONFERENCE BOARD OF ORDAINED MINISTRY

##### THE REPORT OF THE BOARD OF ORDAINED MINISTRY TO THE 180TH SESSION OF THE MEMPHIS ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH

The Lord is with you. **And also with you.**

Bishop McAlilly, sisters and brothers of the Memphis Conference, and guests, good morning.

On behalf of the Board of Ordained Ministry, I am honored to bring our report on behalf of the women and men, lay and clergy, who do this important work on behalf of the Memphis Annual Conference of the United Methodist Church. Will all members of the Board of Ordained Ministry please stand? Please join me in praising God for these servants and their faithful stewardship of the important work charged to this body.

This conference year, we welcomed Ms. Deborah Owens to the Office of Leadership Formation and Development (formerly the Office of Ministerial Concerns) and continued the work of aligning our Board of Ministry work with the Tennessee Conference by creating an area-wide Orientation to Ministry. It has been challenging but fruitful work. We are grateful for the support of the Office of Leadership Formation and Development, our Nashville Area Orientation to Ministry team co-chairs The Rev. Dr. Gary Morse and The Rev. Nan Zoller, as well as the cooperation of our DCOM leaders for their work.

For the last several years, we have partnered with the General Board of Higher Education in Ministry in its Excellence in Clergy Leadership Scholarship Program to help reduce the amount of debt carried by students who attend United Methodist Seminaries. This morning I would like for us to hear from scholarship recipient Christy Brown, a candidate for ministry from Collierville United Methodist Church. But first let's watch a brief video about the Excellence in Clergy Leadership Scholarship Program and then the next voice you will hear will be Christy Brown's.

#### *Clergy Excellence in Leadership Scholarship Video*

*Bishop asks Wesley's historic questions to the ordination candidates from ¶336, 2016 Book of Discipline*

It is my charge to answer Question 17 from the Business of the Annual Conference before the whole body of the Conference. It is the question on clergy conduct and character. Are the clergy fit for appointment?

We answer this question realizing that none of us, clergy or lay, are what we should be in our character and conduct. By God's grace, we strive to be made perfect in our love of God and one another as expressed in our commitment to Christian covenantal living.

**Are all the clergy members of the Conference blameless in their life and official administration (¶¶604.4, 605.6)? Yes. There are no charges pending against any of our clergy.**

This completes the Report of the Board of Ordained Ministry.

Respectfully Submitted on this Third day of June in the year of our Lord, Two Thousand Nineteen,

Reverend Autura Eason-Williams  
Chair, Board of Ordained Ministry

## **BOARD OF PENSIONS AND CLERGY WELLNESS**

Rev. Dr. Scott Alford, Chairperson

### **Part A**

The Board of Pension and Health Benefits continues its ministry of serving the clergy and clergy families of the Memphis Conference, and we are grateful for the chance to share together in this work. We are especially delighted to work alongside Larry Davis, our Conference Treasurer, and Clare Wilson, our Assistant Treasurer. They carry a large workload on behalf of the board and conference, and we appreciate their ministry.

The board holds reserves with Wespeth and the United Methodist Foundation for the Memphis and Tennessee Conferences for pension and benefit purposes only, and we are pleased that the funding status for all pension plans are funded in full. The board monitors our reserves and strives to maintain them at an acceptable level. As with all investments, our reserves are subject to market fluctuations and other variables. Remaining observant and making smart decisions will be key in sustaining proper funding levels, and the board will do all it can to ensure that our pension and benefit plans are financially stable.

We are pleased that our first year of directly billing the pension and insurance obligations has been a success. We received more than 99% of the required payments, and we thank the congregations for their faithfulness. Moving into 2020, as the Comprehensive Protection Plan premium holiday will be over, the direct billing for full-time clergy pension obligations will be 14% of plan compensation (salary and housing), up from the current rate of 11%.

In October, we held a Clergy Benefits Seminar to educate our clergy on available benefits through Wespeth as well as other items related to retirement and taxes. There was good attendance, and we anticipate another event in the future.

Lastly, the work of incorporation has been completed, better protecting our assets.

### **Part B**

#### **Allowances to Retirees**

Regarding allowances for the benefit of retired ministers, the Conference Board of Pension and Health Benefits recommends the following:

That ministers retired prior to the opening session of a regular annual conference shall receive an allowance at the rate of up to \$75.00 per day effective June 3, 2012 for each day in attendance at the conference. Reimbursement shall be authorized by the Board of Pension and Health Benefits upon receipt of a voucher showing the actual expense incurred. This benefit shall be available also to surviving spouses, subject to the same conditions.

That upon retirement, full-time active ministers in regular appointment will receive a one-time retirement stipend in the amount of \$1,500 effective January 1, 2011.

That upon retirement, part-time active ministers in regular appointment will receive a one-time retirement stipend proportional to their appointment percentage at retirement in the amount of \$1,125 (75%), \$750 (50%), and \$375 (25%) effective July 1, 2014.

Those full-time, active members in regular appointment may receive the retirement one-time stipend at the time of taking disability leave in lieu of receiving it at the time of retirement.

Beginning January 1, 2017, retirees and spouses on their plan receive a defined contribution of \$250 per month (\$3000 annually) through a Health Reimbursement Account (HRA) and are allowed to participate in the Medicare Supplement program called ViaBenefits. The ViaBenefits program is available through Wespath, though it is operated by Towers-Watson. Retirees/Spouses may use their HRA accounts to pay premiums or help with deductibles or copays. To qualify for the retiree subsidy, the retiree must have served a minimum of 20 years in a full-time appointment (local church, campus ministries, or under appointment to an entity accruing pension benefits) in the Memphis Conference or other conference in the case of one who has transferred from another conference. The retiree subsidy program has been terminated for future retirees. To allow future retirees adequate time to plan for retiree medical expenses the cut-off age is 60. Everyone who was 60 years of age or older as of July 1, 2016, with 20 years of service as defined above would remain eligible for the retiree medical subsidy.

### **Part C Incapacity Leave**

In accordance with ¶356.1 of The Book of Discipline, 2016, the Conference Board of Pension and Health Benefits recommends the following conference members to be approved for disability benefits:

Harold Q. Evans, Sr.

John Jeffery Irwin

Joe Beal

Robert Utley

Only pastors granted Comprehensive Protection Plan (CPP) incapacity leave by Wespath qualify for Conference Board of Pension and Health Benefits incapacity leave benefits in the Memphis Conference.

### **Part D Resolutions Relating to Rental/Housing Allowances for Retired, Disabled, or Former Clergypersons of The Memphis Conference (Revision effective January 1, 2014)**

The Memphis Conference (the "Conference") adopts the following resolutions relating to rental/housing allowances for active, retired, terminated, or disabled clergypersons of the Conference:

WHEREAS, the religious denomination known as The United Methodist Church (the “Church”), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church (“Clergypersons”);

WHEREAS, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation;

WHEREAS, pensions or other amounts paid to active, retired, terminated, and disabled Clergypersons are considered to be deferred compensation and are paid to active, retired, terminated, and disabled Clergypersons in consideration of previous active service; and

WHEREAS, the Internal Revenue Service has recognized the Conference (or its predecessors) as an appropriate organization to designate a rental/housing allowance for Clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation;

NOW, THEREFORE, BE IT RESOLVED:

THAT an amount equal to 100% of the pension, severance, or disability payments received from plans authorized under The Book of Discipline of The United Methodist Church (the “Discipline”), which includes all such payments from Wespeth during the period January 1, 2020 through December 31, 2020, by each active, retired, terminated, or disabled Clergyperson who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such Clergyperson; and

THAT the pension, severance, or disability payments to which this rental/housing allowance designation applies will be any pension, severance, or disability payments from plans, annuities, or funds authorized under the Discipline, including such payments from Wespeth and from a commercial annuity company that provides an annuity arising from benefits accrued under a Wespeth plan, annuity, or fund authorized under the Discipline, that result from any service a Clergyperson rendered to this Conference or that an active, a retired, a terminated, or a disabled Clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such an active, a retired, a terminated, or a disabled Clergyperson’s pension, severance, or disability plan benefit as part of his or her gross compensation.

NOTE: The rental/housing allowance that may be excluded from a Clergyperson’s gross income in any year for federal (and, in most cases, state) income tax purposes is limited under Internal Revenue Code section 107(2), and regulations thereunder, to the least of: (a) the amount of the rental/housing allowance designated by the Clergyperson’s employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (b) the amount actually expended by the Clergyperson to rent or provide a home in such year; or (c) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

Each clergyperson or former clergyperson is urged to consult with his or her own tax advisor to determine what deferred compensation is eligible to be claimed as a housing allowance exclusion.

### **Part E**

#### **Current Program/Budget Projection/Funding Request**

The Memphis Conference Board of Pension and Health Benefits 2020 budget request will be included in the Conference Finance and Administration Report.

### **Part F**

#### **Memphis Annual Conference Funding Plan for Supplement One to the Ministerial Pension Plan**

The 2020 Past Service Rate (PSR) is \$636, which represents a 1.9% cost of living adjustment. The Board of Pension and Health Benefits has adopted the policy to update the PSR based on the rate of change in the Conference Average Compensation.

Wespath's actuarial valuation of the Pre-82 plan for the Memphis Conference shows more assets than benefit obligations. We anticipate no additional deposits into this account in the near future.

### **Part G**

#### **CRSP Eligibility and UMPIP Contributions for Part-Time Clergy**

The Clergy Retirement Security Plan (CRSP) is for full time clergy under Episcopal appointment within the bounds of The Memphis Annual Conference. The United Methodist Personal Investment Plan (UMPIP) is for all clergy, including those serving less than full time, under Episcopal appointment within the bounds of The Memphis Conference.

Effective January 1, 2014, the Memphis Conference has elected to cover only clergy serving full time under the Clergy Retirement Security Program (CRSP). The Memphis Conference will contribute to the United Methodist Personal Investment Plan (UMPIP) on behalf of clergy who are no longer covered under CRSP. Clergy who are serving three-quarter, half-time or one-quarter time will receive a contribution in the amount of 6% of plan compensation to their UMPIP accounts.

### **Part H**

#### **Active Clergy Health Insurance**

The Memphis Conference offers two medical plans...the B1000 Gold plan, which is a PPO plan, and the High Deductible Plan (HDHP) H1500. The main difference is the choice between having a lower premium and higher deductibles and paying a little more premium for lower upfront costs. The HDHP allows the participant an opportunity to set up a Health Savings Account which can provide significant tax and retirement benefits.

2019 Memphis Conference Journal

Dental and vision coverage are also available from Health Flex, and these coverages are optional. Each year, the participant must select in which plan they wish to be enrolled. Should no plan be selected, the participant will automatically be enrolled in the HDHP.

Health Flex requires mandatory participation for all full-time clergy appointed to local churches and conference entities (DS, campus ministries, new churches, etc.). Part-time clergy (75% and below) are no longer eligible for conference health insurance. Mandatory requirement simply means that all appointed clergy will be included, and their church will receive a bill for the premium unless the clergyperson chooses to opt-out of the coverage. The individual clergyperson may opt-out for one of the following reasons:

- a. Coverage from a previous employer
- b. Covered by spouse's plan
- c. Covered under Tricare
- d. Covered by Medicaid
- e. Insurance is deemed unaffordable under ACA rules. That is, if the annual cost of the single rate exceeds 9.56% of the Adjusted Gross Income the coverage is deemed unaffordable. Our insurance is affordable for those making at least minimum compensation.

The cost of the health insurance premiums will be billed to the local church. Churches are billed for 100% of the premiums and are expected pay 80% of those premiums from church budget and collect the 20% balance by withholding from the clergyperson's salary on a pre-tax basis. Since dental and vision are optional coverages, they may be withheld from the clergyperson's salary in full or paid at the same rate as the medical premiums on a pre-tax basis.

**The due date for submitting premium payments is the 25th of each month, and a 2% late fee will be added for payments received after the due date. Insurance may be subject to cancellation after 90 days of nonpayment.**

Medical insurance premiums for next year will increase only 2.1%. There will be no change to vision or dental premiums. The tables below list 2020 premiums.

## COUNCIL ON FINANCE AND ADMINISTRATION

### POLICY RECOMMENDATIONS FOR

Fiscal Year 2020

- I. The Council on Finance and Administration concurs with the Connectional Ministries Team regarding conference and general church special day observances. We also concur with the special day designated offerings.
- II. We recommend that only under emergency conditions, as determined by the CFA in consultation with the bishop and the cabinet, shall funds be borrowed from an outside lender for current expenses. The maximum such borrowing shall be \$250,000 (two hundred fifty thousand dollars).
- III. The CFA recommends that it be authorized to act on requests for funds in those situations in which budgeted funds, as approved by the conference, are inadequate to meet emerging missional needs or unforeseen circumstances. Those requests which are approved shall be funded from the Conference Reserve Fund, and the amounts of the funding shall be reported to the conference (2016 Discipline p. 612.7).
- IV. We advise all agencies that the conference treasurer will be instructed to issue funds only up to the amount of the projected income for each fund for the year. Salary items shall be paid at full budgeted amounts, but the amounts remaining in the budgets after salaries are funded will be expended only up to the projected percentage of apportioned amounts that will be collected. Each group is responsible for proper allocation of its funds for the year, and no funds will be issued when the projected income ceiling has been reached, without prior approval of the Council on Finance and Administration.
- V. We recommend approval of the Reserve Fund report of the Council on Finance and Administration. We further recommend acceptance of the audit report from the conference's certified public accountant for 2018, and that the audit for 2019 be submitted no later than May 31, 2020.

We request full disclosure of the income & expenses of the entities for 2019, along with a Statement of Financial Position (balance sheet) as of 12/31/19. Budget request for 2021 funds should also include detailed listing of reserve funds with & without donor restrictions and their application to current ministry needs.

- IX. We request that each district submit to the CFA by March 1st, 2020, the budget request for 2021 funding. We request full disclosure of the income & expenses of the districts for 2019, along with a Statement of Financial Position (balance sheet) as of 12/31/19. An audit of the funds handled during the year 2019 is also requested before annual conference. Budget request for 2021 funds should also include detailed listing of reserve funds with & without donor restrictions and their application to current ministry needs. In order to continue the practice of alignment between the Tennessee and Memphis conference particularly within the cabinet, we recommend the districts work with the Episcopal Office to develop the same reserve policy adopted within the Tennessee Conference districts.
- X. We would remind all conference entities of the provision in the 2016 Discipline, paragraph 614.5.a, which disallows special conference-wide funds appeals without prior approval of the Annual Conference upon CFA's recommendation.
- XI. All items added to the conference budget at the annual conference session will become a part of the year's budget under consideration, and will not be taken from the Conference Reserve Fund.

  - Receipts from capital campaigns or interest from previous years' campaign
  - Receipts from memorials, endowments or bequest
  - Receipts from sale of church owned land
  - Receipts for benevolent causes such as Special Sunday offerings or designated donations given by individuals (pass through donations)
- IV. To be considered a Tithing church, churches must remit their tithe monthly and remit at least 10% of line 52t on the 2019 statistical report.

This measure will facilitate more accurate voice voting, the use of paper ballots for the resolution on creation of a new conference on Monday afternoon, and security of keypad voting devices on Tuesday.

### **Resolution on Intent to Form a New Conference**

Whereas: The Nashville Episcopal Area is comprised of the Memphis and Tennessee Conferences,

Whereas: In 2014, the Memphis and Tennessee Annual Conference delegates adopted the same mission statement:

The mission of the Memphis and Tennessee Conferences is to discover, equip, connect and send lay and clergy leaders who shape congregations that offer Jesus Christ to a hurting world one neighborhood at a time,

Whereas: We are committed to our mission more than to our geographic boundaries,

Whereas: Over the past four years, the following areas of ministry have been aligned between the two conferences:

- Appointive cabinets meeting/working together as one
- Office of Ministerial Concerns provides shared services for both conferences (ex: administration, licensing school, Orientation to Ministry, Healthy Boundaries training)
- Clergy Spiritual Life Retreat combined to serve both conferences
- Area wide Hispanic Ministries team
- Area wide Archives and History team
- Area wide New Church Development team
- Annual conference sessions have worshiped and learned around the same themes and speakers

Whereas: After successful alignment efforts demonstrated increased focus, efficiency and fruitfulness, an advisory team was identified to further pursue what benefits and challenges would be presented by formation of a new conference to include all geographic areas of the current Memphis and Tennessee Conferences,

Whereas: Bishop McAlilly, along with other conference leaders, led 18 district sessions for clergy and laity across the Memphis and Tennessee Conferences to offer information which had been compiled by the advisory team, and

Whereas: The advisory team's report indicated there were significant benefits to the creation of a new conference, and no insurmountable challenges in the formation of a new conference.

Therefore, be it resolved:

1. That we will rely on God to show us the “new thing” that God is doing! (Isaiah 43:19)
2. That we will model innovation, unity, and good stewardship of our resources.
3. That we endorse the intent to move forward with a plan to form a new conference, with the expectation that each conference will receive additional information and will then vote upon whether or not to approve a plan for a new conference in 2019. If each conference votes in 2019 to approve such plan(s), including a motion for approval to the Southeastern Jurisdictional Conference in 2020, and if those are passed, we would meet as a fully unified new annual conference in 2021.
4. That in the 2018-2019 conference year, the Memphis and Tennessee Conferences continue the process of alignment in any additional areas where there might be a benefit to both conferences.
5. That the advisory team continue its work on two main items listed below needing more clarification, with quarterly reports during the 2018-2019 conference year.
  - a. The methodology used to pay for the conference budget, including health and pensions costs.
  - b. A decision regarding utilization of one health care provider for both conferences.
6. That the advisory team complete its study and offer its findings on these and any other remaining items no later than the 2019 annual conferences.

## **CONSENT AGENDA**

## **BOARD OF TRUSTEES**

Erv Walker, Chair

The Purpose of the Board of Trustees is to receive, hold in trust, buy and sell real and personal property and to invest funds, if any, as prescribed in The Book of Discipline, 2016, Section IV. Annual Conference Property, ¶ 2512. 1 – 8, in the name of and on behalf of the Memphis Annual Conference. Additionally, pursuant to ¶ 2517 Responsibilities of Annual Conference Trustees Related to Health and Welfare Institutions, the Conference Trustees have the responsibility of establishing and maintaining statements of relationship between the Conference and related health and welfare organizations within the bounds of the Conference.

The Board of Trustees has two regular meetings each year, spring and fall. The board also routinely conducts business via e-mail and phone conferences in order to minimize the impact of time and travel on the board members as well as to be effective and timely in its work.

The Board of Trustees oversees and/or contributes to the maintenance of four properties on behalf of the conference and provides assistance to the districts in completing property transactions approved by prior Annual Conference resolutions. It provides guidance and information as requested in matters pertaining to the full range of former and current property issues.

The Trustees hold the following campus ministry facilities: Murray State University Wesley Foundation, University of Memphis Wesley Foundation and University of Tennessee-Martin Wesley Foundation.

The Trustees voted to approve a property management and brokerage program with A. Anthony Corporation to effectively manage discontinued and abandoned churches across the Conference.

The Trustees budget proposal of \$71,000 for 2020 was submitted to CF&A.

## **EQUITABLE COMPENSATION COMMISSION**

Martha Dell King, Chair

The purpose of the Equitable Compensation Commission (ECC) is to support full-time clergy serving as pastors in the charges of the annual conference by: (a) recommending conference standards for pastoral support; (b) administering funds to be used in base compensation supplementation, and (c) providing counsel and advisory material on pastoral support to district superintendents and committees on pastor-parish relations; and (d) submitting an arrearage policy to be adopted by the annual conference. This purpose is consistent with the provision of ¶ 625 of The Book of Discipline, 2016.

Given these primary efforts of the Equitable Compensation Commission, the use of conference tithes assists the Equitable Compensation Commission to achieve its purpose by having funds available to address and support issues of equitable compensation as related to full-time clergy serving as pastors in the Memphis Conference. Funds are disbursed to each pastor to provide sufficient compensation, in addition to supplemental aid/income, to ensure that the minimum base salary be met for all eligible clergy. In short, the conference tithes allotted to assist the Commission in addressing issues of equity and fairness without penalty to the pastor or pastoral charge. These actions directly link the basic concepts of the mission statement, "...to discover, equip, connect and send lay and clergy leaders..." to the approved and adopted practices of the Equitable Compensation Commission. Specifically, clergy are financially equipped to eliminate any related pressure that might distract from the primary focus of offering Christ to a hurting world.

An integral part of this process is to assure that our pastors and churches in the mission field are not forgotten or denied adequate support. The ECC strives to financially support those churches and charges that are engaging the areas of the mission field that are not able to financially sustain them at this time.

With all these elements being a critical part of what we believe, clergy who are supported through equitable compensation would serve as living proof of what God's grace looks like when there is respect for each individual's dignity and self-worth. The outcome could very well be fruitful and faithful churches. And, with this, we will be the recipients of pastoral, missional, and congregational excellence.

#### 1) Types of Equitable Compensation Support

##### a) Minimum Compensation Support

The Commission annually proposes to the Annual Conference a schedule of minimum compensation for ministers in the various categories of Conference relationship. In approving this schedule, the Conference guarantees each of its itinerant ministers a certain minimum compensation. Unless a minister voluntarily waives this right, s/he is entitled to an appointment where the compensation, including increments, will be at least the minimum of his/her category.

##### b) Minimum Compensation Levels for 2020 defined salary plus housing allowance or parsonage (plan compensation as defined by Wespath)

\$42,422 Full Conference Members and Probationary members with seminary degree

\$41,137 Associate Members

\$40,066 Full-time Local Pastors

##### c) Years of Service Program

In order to provide further incentives for pastors receiving Equitable Compensation support, the Commission will provide an increment for past years of full-time service within The United Methodist Church. (Years of service shall be the same as pension service credit. See pastoral records for approved years of service.) Beginning after 5 years of service, the pastor will receive \$100 for each year of service; those having served 5 years will receive \$500; 6 years \$600; 7 years \$700; and so on.

## 2) Eligibility for Equitable Compensation Program

- 
- a) Only those appointed to a pastoral charge within the Memphis Annual Conference, and meeting the requirements of The Book of Discipline shall be eligible for compensation support.
  - b) A claimant must complete and submit in full, all application forms as necessitated by the Commission. The forms include 1) a signed application, 2) a financial reduction plan for the church/charge which indicates a lessening dependence upon ECC funding to support the pastor and a church audit or finance report. Additionally, the church must show compliance with their direct bill responsibilities.
  - c) A claimant must live within the bounds of the pastoral charge to which he/she is appointed if no parsonage is provided, or in the parsonage (if provided.) Clergy couples shall be an exception.

## 3) How Applications are Submitted

- a) All applications shall be submitted on forms provided by the Commission, signed by the applicant and the district superintendent.
- b) Signed applications should be submitted to the chairperson on the Equitable Compensation Commission on or before the fifteenth day of December of each year or the fifteenth day of May for the conference year.
- c) Applications shall not be taken at any other time unless approved by the bishop, cabinet, and the Chairperson of the Commission.
- d) District superintendents shall furnish the Commission with requested data for determining eligibility for equitable compensation support.

## 4) Payments to Claimants

Each month, the Treasurer of the Memphis Annual Conference shall make payments to the Charge/Church Treasurer, upon request from the Commission on Equitable Compensation.

## 5) Financial Reports

At each session of the Annual Conference, financial statements shall be filed as follows:

- a) Basic Compensation Program payments (including bonuses) made to the various charges of the Conference.
- b) Supplemental Compensation Aid payments made to the various charges.
- c) Grants from the Emergency Fund (to be shown by district.)
- d) Administrative expenses of the Commission on Equitable Compensation.

## 6) Recommendations to the Memphis Annual Conference

Charges receiving support from the Equitable Compensation Commission are encouraged to take steps regularly toward becoming self-supporting and toward the increasing of the total level of support of their ministers. The following actions should encourage these steps:

- a) The district superintendent will annually review each application for equitable compensation with the appropriate Charge Conference.
- b) If after four consecutive years of receiving equitable compensation support, the church or charge shows little or no interest in becoming self-supporting, it is recommended that the cabinet look at the possibility of filling that appointment with a less than full-time person.
- c) Exceptions to the phasing-out support must be approved after careful annual review by the bishop and cabinet, and must involve clear missional reasons for maintaining the United Methodist witness in the parish of such a charge.

- d) The Commission encourages each church or charge in setting their minister's compensation to consider an annual cost of living increase, in addition to any appropriate merit increases.
- e) It is expected that any church or charge that receives equitable compensation support shall pay their conference tithes in full.
- f) The Commission encourages the bishop and district superintendents to be creative in the appointive process; however, it is recommended that no church or charge be allowed to become a station appointment unless that church or charge has the potential to become self-supporting within four years during which time Equitable Compensation will be decreased by one-fourth each year.

#### 7) Emergency Fund

This is administered by the Chairperson of the Commission, upon recommendation of the bishop and the cabinet, for the purpose of meeting emergency needs arising among the pastoral members of the Conference. The Secretary of the cabinet is to notify the Chairperson of the Commission by letter to requisition funds.

#### 8) Funding Program

Based on the projected program for 2020, we request funding from the Annual Conference in the amount of \$85,000, reflecting no change in funding from the previous year.

## **MEMPHIS CONFERENCE DISASTER RESPONSE**

Robert Craig, Nashville Episcopal Area Disaster Response Coordinator

The mission of United Methodist Disaster Response is to offer a caring Christian presence to communities that have experienced disaster. The purpose of disaster response in the Memphis Conference is to live into that mission in our local communities. While partnering in other conferences is sometimes necessary, our primary focus is to prepare churches and individuals to respond to their neighbors in time of need.

Disaster response ministry in the Memphis Conference is vital for a number of reasons. Obviously, it is an important ministry in times of relief and recovery for people affected by disaster. This ministry is also important for the health of the local church. When a church is spiritually and physically prepared to respond to and engage the surrounding community that church grows stronger and it is more effective in sharing the love of Christ to its community.

One of the most important aspects of disaster response is preparation, and that means training. We will focus on training individuals and churches in the different areas of preparation and response. There is a place for everyone in disaster response. All age and skill levels are needed. We will offer trainings in churches, cooperative parishes, or districts to help educate and train people for the work of offering hope in trying times of disaster. Please feel free to contact me if you wish schedule as training for your community. Likewise, watch for conference news that will communicate when trainings will be available in your area. I believe our goal should be at least one Early Response Team training and one Connecting Neighbors training in each district annually.

The ministry of disaster response touches on all four focus areas of ministry in the Memphis Conference. Disaster response invests in young people by offering opportunities for them to be involved. In fact, people of all ages are encouraged to share in this ministry of hope. Churches and families are urged to include children in assembling supplies for times of response.

Additionally, older youth work alongside adults in cleanup and repair efforts for neighbors affected by disaster. These are all opportunities that help connect young people into the life and mission of the church.

Engaging in the mission field is at the very core of disaster response ministry. Local congregations, districts, and conferences should be present when the community around them has been impacted by disaster. This connects the church with her neighbors, expresses the concern of the church for her community, and illustrates the love of Christ for the world. The work of offering a caring Christian presence cannot be attained without engaging the mission field in authentic and relational ways.

Disaster response ministry has the potential to create and transform lay and clergy leaders when people truly engage in this work. The submission of one's self in loving service to others produces spiritual maturation. Disaster response and preparation involves this kind of submission. Lay and clergy transformation takes place when self-giving is paired with the power of the Holy Spirit.

When congregations are prepared to respond to the needs of their community, growth takes place. This is how disaster response ministry assists in growing fruitful and faithful churches. As churches help their membership find ways to be involved in ministry, spiritual growth happens. Growth leads to a higher level of involvement in all aspects of worship life together. Increased discipleship allows a church to become more highly involved in the surrounding community. Finally, increased community involvement can result in a realization of the love of Christ present with them.

This year has proven successful in a number of ways. One such success involves work of the Nashville Episcopal Area as we rallied in the collection of much needed supplies for our neighboring conferences in times of need. Another success is the current response to our own neighbors' need following historic flooding in our conferences. Thank you for your continued participation in this important ministry.

## UNITED METHODIST WOMEN

Mary Lou Wurth, President

The Memphis Conference of United Methodist Women is a part of an organized group of women working in the area of mission. Over 800,000 women worldwide are part of our organization. The United Methodist Women is a supportive, inclusive Christian membership organization where women grow spiritually, develop as leaders and serve and work to create a world in which all women, children and youth thrive. United Methodist Women is celebrated as the women's ministry of The United Methodist Church. Our members nurture one another in community and support U.S. and international projects and partners improving the lives of women, children and youth with their prayers, volunteering, and advocacy efforts, and financial gifts.

Each year we provide opportunities for women to achieve wholeness through Jesus Christ. We do this by planning, organizing, and executing events to aid women on their spiritual journeys:

1. Leadership Development Day. Our newly elected Conference officers attend a multi-day event lead by National Leadership to help develop leadership qualities in our ladies. They bring back information that is shared with the membership in a day long conference wide event.
2. Our Annual Spiritual Growth Retreat is held at Lakeshore Assembly and retreat center each spring. The 2018 Retreat entitled "A Guest of Grace; Cultivating Habits of Hospitality" was lead by Rev. Amanda Westmoreland, Associate Pastor of Bolivar United Methodist Church.

2019 Memphis Conference Journal

3. May 18-20, 2018 found United Methodist Women from around the world gathered at 2018 Assembly, "The Power of Bold" in Columbus, Ohio. Among the speakers was 2011 Nobel Peace Prize winner Lehman Gbowee. Ms. Gbowee was awarded the Peace Prize by helping bring about the end of the Second Liberian War in 2003.
4. Mission u our mission education event included classes for adults, youth, and children. Our studies were "Living as a Covenant Community" (Spiritual Growth), "What about our Money" (current event issue), Missionary Conferences of the United Methodist Church, (geographic study), and "It's just money" (youth study).
5. Social Action day is an event for participants to learn more about social issues that women face each day.
6. Each year books from five categories are selected by National UMW as additional reading materials. UMW members are encouraged to complete one of four reading plans. The categories are Education for Mission, Leadership, Nurturing for Community, Social Action, and Spiritual Growth. The plans begin with Plan one, reading one book ( 5 books) from each category and end with Plan four, reading two books from each category and an additional ten books (total 20 books) from the reading list.

**Purpose: United Methodist Women shall be a community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church.**

We are the United Methodist Women we put faith, hope, and love into action.

## UNITED METHODIST FOUNDATION FOR THE MEMPHIS AND TENNESSEE CONFERENCES

Dr. Philip D. Jamieson, President

"Therefore, since we are justified by faith, we have peace with God through our Lord Jesus Christ, through whom we have obtained access to this grace in which we stand; and we boast in our hope of sharing the glory of God. And not only that, but we also boast in our sufferings, knowing that suffering produces endurance, and endurance produces character, and character produces hope, and hope does not disappoint us, because God's love has been poured into our hearts through the Holy Spirit that has been given to us." (Romans 5:1-5) To say the least, these are interesting times for the United Methodist Church. There is much speculation about what the future will hold. Nobody can say for sure what will transpire over the next several years. But we do know this: we have access to hope because of our Lord and Savior, Jesus Christ. Paul speaks of a peace that may see us through even (and especially) difficult times. In other words, it is not a peace based upon our circumstances, but rather based upon the past and present activity of God. That same work allows us to hope and with the promise that as we do that, we shall never be disappointed. We may live today with a joyful certainty that our future is secure. And that being the case we may also invest and financially plan with hope.

The work of the United Methodist Foundation for the Memphis and Tennessee Annual Conferences and the United Methodist Development Fund of Tennessee/Kentucky is future oriented. The Foundation and Development Fund are committed to helping the local churches and extension ministries of the Memphis and Tennessee Annual Conferences to sustain best practices and find new ways to encourage greater generosity while planning for future ministry. We do that in a number of ways.

First, our future orientation is lived out in our work as a custodian for endowed funds on behalf of local churches and other United Methodist ministries. As of December 31, 2018, our holdings were \$53,755,839. Last year, a difficult final quarter caused the value of the fund to drop by approximately 5%. However, a solid first quarter in 2019 has more than recouped that loss. In 2018 alone, approximately \$3.9 million were distributed for ministries in the two annual conferences. Endowed fund giving truly allows local churches the ability to fund ministry today while growing many monies for future faithfulness!

We also serve by means of the United Methodist Development Fund of Tennessee/Kentucky. Accepting investments from individuals, churches and organizations, we are able to loan money at a competitive rate to United Methodist churches and ministries for building projects. Currently, the Development Fund is loaning money at 3.99% and paying 1.675% to shareholders. Currently, the Fund has \$11,675,883 on loan to local churches and ministries. By both loaning for new construction and refinancing existing capital debt, the Development Fund empowers churches to continue to give freely today while planning for the future!

In 2014, we launched a new initiative to help churches and ministries gain greater ability to encourage generosity. Over \$75,000 has been given to churches in the Tennessee and Memphis Annual Conferences through the Stewardship Grant Program and by partnering with the Lake Institute's Creating Congregational Cultures of Generosity program. In 2017, the Foundation Board voted to initiate a new grant program. The Foundation works with newly commissioned and ordained clergy to help them find productive ways to retire educational debt. Each participant receives \$1,000 for doing so. Once again, all of this is done in order to help churches and individuals give freely and anticipate all that God desires to do through us in the future!

In closing, I am reminded of the words of the old Gospel song: "Many things about tomorrow

I don't seem to understand. But I know who holds tomorrow. And I know who holds my hand." It is in the light of that knowledge that we can continue to freely give, never forgetting that the hope that we have in Jesus Christ will never disappoint.

If you have questions regarding the work and ministries of the Foundation, the Development Fund, or grant programs; if you would like to have one of us to come to preach and/or speak to a group in your church; or if you would like to learn more about ways to create an endowed fund for your church or ministries, give us a call (615-259-2008) or visit our website at [www.umfmtc.org](http://www.umfmtc.org).

## **REELFOOT RURAL MINISTRIES, Inc.**

Robert Craig, Executive Director

The mission of Reelfoot Rural Ministries (RRM) defines how the staff and volunteers of this organization strive each day to love our neighbor. The mission statement is: “Following Christ in building relationships, we provide resources and offer hope to our Reelfoot Lake neighbors.” At the core of our work is relationships. Our reason for existing as a ministry is succinctly defined in this focus statement; “Restoring Hope, One Relationship at a Time.” While our neighborhood includes the counties in northwest Tennessee and southwest Kentucky around Reelfoot Lake, our primary goal is to approach each neighbor, one relationship at a time. This helps us earn trust and discern needs.

There have been several changes “on the hill” at Reelfoot Rural Ministries this year. There have been changes to how we serve school supplies, groceries, and emergency resources. The changes in these areas have made our work a more efficient use of resources and the changes have expanded the impact we have with our neighbors and volunteers. Another area of major change was in the senior center. After the Christmas holiday, the senior day center at RRM ceased operation. This change was made to make personnel and ministry space available to impact more lives of senior citizens in more lasting ways. The dental clinic has been expanded in space and in the number of clinic offerings each month. The dental clinic now has an expanded focus on senior citizens to include annual preventative care as well as a denture lab. The other expansion in the area of senior citizens is with the home repair program known as ReelHOME. This ministry is specifically focused on making the homes of seniors safer, more accessible, and functional. The senior citizen centers in the area are still invited quarterly to the RRM Center for special meals and programs for seniors.

Reelfoot Rural Ministries began by serving children and continues this strong focus today. Each ministry at RRM impacts children and young people in some way. However, we specifically seek to “Invest in Young People” through our day care, school supplies drive, backpack buddies, the annual toy store, and the home rehabilitation work camp. These service projects help young people gain skills for life and an experience in serving the world for Christ. The goal of ministry services focused on children is to ensure that they know that they are beloved children of God.

At RRM, we seek to engage our mission field daily through the 12 ministries in which RRM is involved. These ministries include: Day Care, School Supplies, Christmas Toy Store, Lake County Imagination Library Sponsorship, Food Distribution Center, Emergency Services, Dental and Oral Hygiene Clinic, Vision Clinic, Special Needs Home, Lake County Backpack Buddies, ReelHOME, and the RRM Thrift Store. Some of these ministries require neighbors to come to us and others involve staff and volunteers working in the surrounding communities. The focus for the coming year is a more intentional focus on expanding our impact into the communities we serve.

Creating and transforming lay and clergy leaders along with growing fruitful and faithful churches are both areas of focus that are enhanced through the multiple volunteer opportunities at Reelfoot Rural Ministries. When individuals and groups come to RRM to volunteer, whether for a few hours, for a few days, or for a weeklong work camp, they are changed by the work of the Holy Spirit. This experience allows individuals, groups, and churches to grow closer in relationship with God, one another, and with the neighbors they serve. This causes transformation that strengthens personal relationships with Christ, thereby strengthening the local church in relationship with one another for ministry opportunities in that church’s own neighborhood.

## ANNUAL REPORT, UM NEIGHBORHOOD CENTERS

Mark Matheny for UMNCM

Our 2018-19 Conference year has been a successful one, with a nearly unprecedented set of changes we have made, by God's Grace. The Vision shared in 2017 for divestiture of expensive properties has been made real. We are now completely out of major debt to the W. TN- W. KY Area Foundation, and that resource ministry worked with us in exemplary fashion.

Thanks to a partnership with Good Shepherd UMC, our Miriam Early Childhood Development Center as well as our administrative office are well located at 6050 Summer Avenue. An after-school ministry, two classes of Shelby County Schools Pre-K and traditional service with 2- to 4-year-olds are at full steam.

In addition, our "5-Star Ministry" plan is working out via partnerships spread around the Metro District. These include Mason Initiative in Mission (MIM) in impoverished Mason, TN, Hunger Ministry in Binghampton, and the new area-wide advocacy mission called Voices For Justice in the Mid-South (VFJM). Also, we are exploring partnership with Longstreet UMC for expanding their after-school program.

Despite the recent reductions, we are grateful for the ongoing support of the Memphis Conference. We are going to assist in the celebration of the life of this conference next year at the time of forming a "New Conference", including the inspiring story of this mission dating from 1907.

God bless you all!

Mark Matheny, President  
Program Director Iletha Washington

## HANNAH'S HOPE

*Rev. Trina Bell Morrison, Executive Director*

Dear Friends of the Memphis Annual Conference,

I bring you this report on behalf of the staff and Board of Trustees of Hannah's Hope as we wrap up our 16th year of ministry with pregnant women in crisis and their vulnerable children and prospective adoptive families.

The past year has been filled with challenges as we have found ourselves on the front lines of our nation's opioid crisis as we served pregnant women who were addicted and cared for their very sick babies after delivery. Each of these cases demanded extraordinary time and resources. We are grateful for the new connections we have made with community resources to assist women in the crisis of addiction. Additional challenges have resulted from losing approx. 75% of our grant monies from the Memphis Annual Conference just as we were required to assume financial responsibility for clergy pension costs. Our Board of Trustees is diligently working to increase fundraising efforts to reduce the budget shortfall so that we do not have to cut client services. We are so grateful for each individual, small group, UMW Circle and congregation who provides financial support to the ministry of Hannah's Hope so that we can continue serving pregnant women in crisis all over West Tennessee.

Last November, we were pleased to host our 1st Annual Hannah's Hope Family Day where we enjoyed catching up with over 75 folks and their precious Hannah's Hope kiddos on the grounds of Emmanuel United Methodist

2019 Memphis Conference Journal

Church in Memphis. It was such a joy for all of us to see these beautiful children thriving in homes filled with love. We were thrilled that a couple of our birth mothers joined their adoptive family in attending the event and look forward to doing it again this fall.

We are proud to be a growing, loving ministry dedicated to the healing of God's children (pregnant women, families seeking to adopt, and children who need to be adopted) through adoption and pregnancy counseling. Our ministry is focused on "Engaging the Mission Field" and we live out the mission statement of the Annual Conference as well by "offering Jesus Christ to a hurting world" on a daily basis.

We are so thankful for the individuals, UMW Circles, Sunday school classes, and congregations who support the ministry of Hannah's Hope through contributions to the Circle of Hope initiative and by filling Baby Bottles of Hope. It is only with this support that we are able to provide birth mother care bags for our clients after they give birth, provide free counseling to pregnant women in crisis situations, offer free consultations to couples seeking to discern whether God is calling them to adopt and stand in the gap for children in need of a new, forever home. We also appreciate each one of you who has taken the time to add a link to the Hannah's Hope website ([www.hannahs-hope.org](http://www.hannahs-hope.org)) to your church website so that we may better connect with those who need us around the conference.

May the Grace and Peace of Christ be with you all...

## **WESTERN KENTUCKY UNITED METHODIST FAMILY SERVICES**

Timm Fair, Chair

Western Kentucky United Methodist Family Services (WKUMFS) is a 501(c)(3) Foster Care Support Agency of The Memphis Conference of The United Methodist Church. Its ministry aligns perfectly with the Memphis Conference Mission; especially offering Jesus Christ to the hurting world, one neighborhood at a time. The Holy Scriptures in Proverbs 31:8-9 NLT says: Speak up for those who cannot speak for themselves; ensure justice for those being crushed. Yes, speak up for the poor and helpless, and see that they get justice.

The oppression of children entering foster care comes primarily from neglect or drug abuse by their birth parents. There are currently 9,700+ children in foster care in the state of Kentucky. WKUMFS engages this mission field in The Purchase District by establishing connections with social workers and foster parents as it prays for and serves these hurting children.

WKUMFS' Mission is threefold: 1) Provide for the care and maintenance, support and education of foster children and foster families. 2) Transform local churches by informing them of the ever-present need for foster parents, respite parents, and adoptive parents. 3) Develop foster children into good citizens of the community through experiencing the love of Jesus Christ.

The WKUMFS Board of Trustees consists of volunteer laity and clergy from local area United Methodist Churches along with Purchase District and Memphis Conference Connectional Ministry leaders.

**What Are Local United Methodist Churches Doing to Help?**

When congregations are inspired and equipped to help foster and adoptive families: Every child is cared for, every family has hope, congregations are strengthened, and communities are healthier and safer.

Trinity UMC (Graves Co.) began, in 2018, hosting a Fall Festival on their grounds for foster children and foster parents; and they will begin hosting an Easter Egg Hunt in 2019. Lone Oak UMC began hosting, in 2018, bi-monthly training meetings for the Paducah area foster children and foster parents. Here are several ways congregations can get involved: begin a Prayer Initiative, start a Supportive Care Group, hold an Adoption/Foster Care Awareness Event, host a Local Child Placing Agency Training or Special Event, begin a Bags of Love ministry, or donate to WKUMFS.

Improving the life of foster children is the measure of success. The Kentucky Foster Care program measures success against its permanency goals. They are 1) return to birth parent, 2) permanent relative placement and 3) adoption. There are currently 200+ children awaiting adoption in Western Kentucky. Fourteen children in foster care, helped by WKUMFS, were eventually adopted in 2018. Jesus described the final judgement in Matthew 25:40 NLT "And the King will say, 'I tell you the truth, when you did it to one of the least of these My brothers and sisters, you were doing it to Me!'"

## WESLEY SENIOR MINISTRIES FOUNDATION

David Kabakoff, President

Wesley Senior Ministries Foundation of Memphis, Inc. d.b.a Golden Cross Senior Ministries has a mission, "To enhance the quality of life for all seniors served by Wesley Living."

Mr. "B" lived an amazing life in the country woods. Fishing, gardening and working around his serene home was how he spent his days. That is, until tragedy hit! A catastrophic house fire burned his home to the ground, wiping out everything! With no insurance and funds to rebuild, Mr. "B" joined the ranks of homeless seniors. Adequate housing now seemed impossible, especially after a cancer diagnosis and related medical expenses. For the next several years, Mr. "B" spent his time between homeless shelters and the couches of generous friends.

Fortunately, Mr. "B" found his way to a Wesley Living community and now is under the caring umbrella of Golden Cross Senior Ministries. After we were able to bless Mr. "B" with the generosity shown to Golden Cross, here is what was reported: "For the first time in years, Mr. "B" was able to sleep in his **own** bed, sit in his **own** chair in the quiet of his **own** home, place his clothing in his **own** private chest of drawers and choose what he wanted to eat while preparing it in his **own** kitchen. He felt safe for the first time in a long time and his son expressed that he saw his father smile for the first time in a long while." Your generosity has resulted in yet another transformed life!

Golden Cross Senior Ministries now serves the needs of almost 2,200 senior residents living in the 29 Wesley Living affordable housing retirement communities in West Tennessee, Murray KY and Jonesboro, AR. Golden Cross Senior Ministries supports those dear residents with daily use items, financial assistance and social activities. That support can't happen without the generosity of God's angels throughout the Memphis Conference.

There are four main initiatives undertaken by the mission of Golden Cross Senior Ministries: the Resident Support fund provides material individual support, The Homeless Initiative provides interventions for homeless seniors moving into a Wesley Living community, Personal Support Services Scholarship provides personal care support for the most "frail" residents and the Endowment Fund that represents a "permanent" lasting gift protecting the future.

**100%** of all monies donated to Golden Cross Senior Ministries go directly to the benefit of the senior residents of Wesley Living communities. Why? Because no senior should ever have to travel life's journey alone!

A local church had a member who had been living with an extremely abusive caregiver. The physical, mental and financial abuse got so bad that Ms. P fled her living situation. Finding her way to a Wesley Living community her life began to turn around. After a time a loyal Golden Cross supporter sent this email to report on Ms. P: "I wanted to let you know Ms. P is doing well. It was a hard two weeks, but she is settled into her forever home. I now see "first hand" how life changing Golden Cross and Wesley Living are. It is amazing to watch a woman so lost and scared put her faith in God to provide her every need. It has changed her life and mine, too!"

Your support, prayers, encouragement and donations truly transform lives one need at a time.

Blessings,  
David

We proudly do so in a covenant relationship with the Memphis Annual Conference of The United Methodist Church. Visit our new and updated website at [www.wesleyliving.com](http://www.wesleyliving.com).

Since last year's Annual Conference our organization's focus has not wavered from its service oriented areas with the goal of enhancing the quality of life for the elderly. These areas are Ministry, Preservation, Staff development and the Future. Ministry is at the heart of our purpose and Pastoral care is a key to the lives of those we serve. We are finding more and more residents wanting one-on-one care requiring more dedication to this and what is sometimes a very specialized service. Every community continues to be served by a United Methodist pastor located close to every community. This would not be possible without the ongoing cooperation of every district superintendent, active clergy and several retired clergy who remain committed to serving.

Providing affordable housing and assisted living is the largest part of the ministry. The goal is to continually update the existing while expanding the services being provided. Beginning in 2019 a Wellness Counselor has been added to the staff to educate our residents in all areas of wellness, fitness and nutrition. And, as reported last year, the Tennessee Housing Development Agency awarded two competitively bid applications to St. Peter Manor, a 283 unit community in the Midtown area of Memphis and St. Joseph Village, a 90 unit community in Dyersburg, TN. The preservation and other construction efforts is now underway. The lives of every resident in these two communities will be greatly enhanced once this effort is complete later this year.

No amount of ministry, preservation or genuine caring can be provided without compassion filled quality staff. Our efforts to provide a living wage and competitive benefits continues again this year with an increase of the minimum starting wage by \$1.00 per hour. Careers are to be found at Wesley Living and encourage everyone to inquire if a faith based organization is of interest for their career path.

For the ninth year Wesley Home Services provides non-medical, in-home assistance services which range from companionship to housekeeping to personal assistance. It is proving to be an incredibly rewarding way to serve our seniors when served with an employee possessing the highest moral, ethical and compassionate character.

The number of elderly needing quality, affordable housing and services continues to grow. Wesley Living is a premier provider and remains committed to solving these social issues. Wesley Living also remains committed to expanding the number of elderly served when possible.

Wesley Senior Ministries Foundation of Memphis, Inc. d.b.a. Golden Cross Senior Ministries continues to be a strong partner providing answers to resident needs. Please see their report in the Journal.

We sincerely appreciate your prayerful support. We continue to measure our effectiveness in how the lives of the elderly and their families are improved every day. Today, we re-commit ourselves to honor this connection and to live out our mission "In response to the love of God...."

## **LAKESHORE CAMP & RETREAT CENTER**

Rev. Gary D. Lawson, Sr, Executive Director

94% Capacity! Let me say that again. The 2018 Summer Camp season was at 94% capacity. That is a remarkable statistic. Our DayShore program grew by 40% and, unless you can host us on the week of Memorial Day, we are completely booked for the 2019 season and considering adding a 3rd team for the 2020 season.

Continuing with some crazy good statistics, our commitment to reach out to offer the love of Christ to poor and marginalized communities led to over \$108,000 in camperships. Because of the generosity of Lakeshore's many friends and supporters, we were able to fully fund our campership offerings. OK, one more amazing stat – Lakeshore was able to offer over 30,000 volunteer hours last year. We have often said that we are a laboratory for developing Christian Spiritual Leaders. With most of our volunteer hours involving older teens and college level young persons, we believe we continue to be a leadership lab that is making a huge difference in the lives of exceptional young people.

We remain committed to functioning in a Christ-centered manner while bearing witness through word and deed to the love and grace of our truly remarkable God. That commitment keeps our programs open to ALL persons regardless of race, ethnic origin, socio-economic status, and gender. As our mission statement reads, "Lakeshore offers ways for ALL to encounter life, love and the God of Grace.

We continue to renovate and remodel existing facilities to meet demand. During the winter and spring, Lakeshore has removed the non-load bearing wall between both the upper and lower sunrooms and the main areas of the conference center. A sound tampering panel wall will be installed on the top level so that the Sunroom can continue to be used as meeting space for groups under 200 guests while allowing us to open it to allow for a meeting of up to 300. Downstairs will have attractive accordion style panels that can be opened and closed based on dining needs.

Lakeshore is also looking at plans to build a multi-purpose building at the site of the Alford Recreation Center basketball area. This facility will be able to be opened for large meetings of 300 persons around tables and serve as a recreation area during the heat and cold of our unpredictable seasons.

The continued support of the Memphis Annual Conference is vital to our ministry and mission. We will continue to work hard to be the most we can be for the sake of Christ Jesus.

## BETHEL UNIVERSITY WESLEY FOUNDATION

Student Council Board

Brooke Cagle - President

Ashley Powers - Vice President

Brooke Cagle & Ashley Powers - Worship Leaders

Thank you, Memphis Annual Conference of the United Methodist Church, for your support, encouragement and guidance. The 2018-2019 academic year has been a great time of growth for the Bethel Wesley Foundation and your willingness to walk beside us has played a tremendous part. This year God truly revealed to our Bethel Wesley Family who we are and what we are called to do.

A very special thank you to Brooke Cagle and Ashley Powers. Your leadership in this ministry continues to shape us into a God centered ministry focused on what it means to serve Christ in the world around us. Brooke and Ashley are both seniors this year and will be leaving us soon. They have sought the Lord and prayed faithfully to equip and encourage leadership for the next year and for that I also give thanks. You have left a living legacy in our Wesley family and trust that we will continue to see you as Wesley Alumni.

The Bethel Wesley Foundation continues to grow in number and in service to the church and community. In the Fall Semester of 2018 we were blessed with the opportunity to serve as missionaries, led by Dr. Joe Geary and Mrs Elyse Bell, to Mexico. We had 9 members participate and this experience has changed the future of many. Upon returning one of our students joined McKenzie First United Methodist Church.

Currently we have another student exploring the call to ministry in the United Methodist Church. All praise to God!!

Our commitment to Bethel University continues to provide opportunities to be in ministry and to be present on campus. Bethel Wesley Foundation hosted several events on campus to reach new students.

In just a few short weeks we will end this semester together with a short term mission trip to the Red Bird Mission in the Red Bird Conference. We currently have 13 students that will be joining with us to serve in our greater area.

I close by giving thanks to God and to each of you for allowing me the opportunity to play a small part in what God is doing at Bethel Wesley Foundation. As we look to the future we covet the prayers of the members of the Memphis Annual conference. Pray with us that we will continue to find ways to Discover, Equip, Connect and Send students in ministry to serve the world in Christ's name and for his sake.

In his service,

Sis. LaTricia Trull

Campus Minister

Bethel Wesley Foundation

## **MURRAY STATE UNIVERSITY WESLEY FOUNDATION**

Cherry Pyron, Advisory board chair

At Murray State University, we continue to support the faith journeys of students from western Kentucky, southern Illinois, southeast Missouri, many other parts of the United States, and countries around the world. God's kingdom is inclusive and worldwide, and at Wesley we continue to bring in God's kingdom by building relationships, encouraging honest conversations about living, and providing safe haven and sanctuary among our college students.

We are blessed by the commitment of our student council to their fall planning retreat in preparation for the academic year ahead and to their leadership of weekly Bible study and corporate worship. Each spring, students interested in council leadership in the coming academic year interview for the positions, sharing not only roles they might play in the ministry but also their struggles, victories, and ambitions as their faith and places of service are developing.

A Murray State faculty member serves our council and all Wesley family as advisor, building their leadership skills as well as helping them maintain high academic standards, and more importantly, providing wise counsel in all areas of their lives, academic, spiritual, emotional, relational. With this advisor and our director and administrative assistant, Wesley students have a supportive community of adults who not only love them but also hold them accountable. It is no wonder that so many of the students consider Wesley their "home" on campus.

One of our graduating seniors will enter seminary in the fall in preparation for a lifetime of Christian service in the ordained ministry. Regular participation in both worship and service throughout the Purchase District and within the Murray-Calloway County community includes a majority of the Wesley students. And with the Wesley students at the University of Tennessee Martin, Murray State students serve with inner city UM churches and community organizations in Memphis in the spring and fall semester breaks. We have faith that our Wesley family will continue to be active members of their communities, wherever they land as they move into professional and family life and higher education.

Consistent commitment is strong among students who become family at MSU Wesley. God is among us, we will continue to grow together for God's kingdom.

## UT MARTIN WESLEY FOUNDATION

Amanda Crice, Director

The Wesley Foundation at UT Martin is a ministry of the Memphis Conference of the UMC whose Mission Statement reads: **DISCOVER, EQUIP, CONNECT and SEND lay and clergy leaders who shape congregations that offer Jesus Christ to a hurting world, ONE NEIGHBORHOOD AT A TIME.**

At UTM Wesley we seek to live into the conference mission statement with our own mission statement: **Offering Christian community that empowers students to explore faith and discover grace in order for all to develop a strong, confident foundation in God's Kingdom.**

In reports over the last two years we have shared evidence of the places we are **investing in young people, engaging the mission field, creating transforming lay and clergy leaders, and growing fruitful and faithful churches** in the context of our ministry. As an extension ministry on college campus we have the unique position of being able to contribute to each of those five areas of focus in unique ways that center around young people (a highly underrepresented demographic in the United Methodist Church), but also in ways that dynamically involve local churches. The 2018-2019 year has been no different. We continue to offer space for young people to gather, fellowship and worship. Weekly worship and Bible study continue. Our small groups have changed and shifted, but we are exploring new ways to offer this ministry. We have partnered with the MS River District to offer 9 internships to college students who are serving in ministry roles at UTM Wesley and 5 district churches. We have expanded our regular service opportunities to include an immersion trip to Memphis that focused on engaging diverse populations and understanding systems that create poverty. Other opportunities have arisen organically, such as: participating in childcare at Fulton FUMC's weekly Celebrate Recovery service and hosting a pet adoption drive. And, we have encouraged participation in summer opportunities like Lakeshore Camp and Retreat Center where we again have UTM Wesley students on summer staff. We have also added an intramural ministry which has been the avenue for several new students. At the end of the school year we will be celebrating the baptism of one student who came through the invitation of a friend and found her faith in Jesus Christ. The 2018-2019 Wesley Student Council has been the most dynamic, mature, and effective group of student leaders we have seen in the past few years. They have cultivated a culture that nurtures care for body, mind, and soul. Good and fruitful things are happening!

As we continue to grow and do ministry, we are becoming increasingly aware of our need to do administrative and structural work to ensure the sustainability of our ministry. Last July we hired an administrative assistant that works 20 hours per week to help with administrative work in the ministry. We thank Martin FUMC for providing the funds that could make that happen. Additionally, our board of directors voted to hire Jennie Dickerson of Cabin 9 Consulting to guide us through the process of developing a strategic plan. As the state of conference funding becomes more and more precarious, we see it is more important than ever to work on ways to be a self-sustaining ministry that engages the churches in the region in joining the mission efforts we are making on the UT Martin campus and the Martin community. The plan lays out in detail a 5 year process for addressing the following strategic goals:

- Create a culture that is conducive to exploring faith and discovering grace.
- Provide tools, resources, & opportunities for students at a variety of levels of discipleship to become confident in their Christian faith.
- Develop Christian spiritual leaders.
- Connect effectively with UTM campus and surrounding community.
- Create covenant relationships with regional churches.
- Provide an inviting facility to build and nurture

We have high hopes for the ways this plan can help us to cooperate with the Holy Spirit to sustain the good work God is doing at UTM Wesley Foundation. Thanks be to God!

## **UNIVERSITY OF TENNESSEE HEALTH SCIENCE CENTER CAMPUS MINISTRY**

Rev. Jonathan C. Lewis, BCC, Chaplain and Campus Minister

At the University of Tennessee Health Science Center (UTHSC) in Memphis, the United Methodist campus ministry continues to grow and explore new opportunities. In March of 2011, Jonathan Lewis started as the campus minister there, and he continues to serve in that position. Jonathan is also Program Manager of UT and Conference Ministries with Methodist Le Bonheur Healthcare (MLH).

UTHSC is composed entirely of graduate schools, all of them specializing in some form of health science – from dentistry to medicine to nursing to laboratory science and much more. Jonathan relates well to UTHSC because of his own immersion in the hospital and healthcare setting, where he ministers to patients, families, and medical professionals of all kinds.

The campus ministry student group at UTHSC is called the Faith Health Collaborative (FHC). For more information and partnership opportunities, please visit the student group website at [www.faithhealthcollaborative.com](http://www.faithhealthcollaborative.com). FHC engages the entire UTHSC community – all colleges and programs, all students, faculty, and staff. FHC connects UTHSC to MLH, including its clinical work, its fruitful partnerships with community organizations and congregations, its local and international missions and service opportunities, and its unique educational initiatives through the Center of Excellence in Faith and Health. Since being officially approved as a campus student group in 2016, FHC has recruited student vice presidents from all 6 of the colleges that make up UTHSC and also has an active membership of nearly 50 students.

Specific initiatives for FHC include:

### **Connection to United Methodist Congregations and Programs**

Through FHC, students, faculty, and staff connect to Chaplain Lewis and the United Methodist Church. Relationships and partnerships with United Methodist congregations and programs are a significant part of FHC. FHC aims to be an innovative vehicle that increases student exposure to the church and its health ministries.

### **Support and Service**

Chaplain Lewis is a Board Certified Chaplain, experienced spiritual caregiver, and currently a candidate for a Doctor of Ministry degree in Pastoral Therapy at Memphis Theological Seminary. Jonathan's increased exposure to UTHSC enables him to offer more support and care to the entire UTHSC community, witnessing to the love of Christ that can work through the United Methodist Church and its people, reflecting the call of the Gospel to love God and love our neighbors.

### **Education**

In partnership with Church Health, Chaplain Lewis continues to help design and facilitate the “Serving The Underserved” certificate course. Serving The Underserved seeks to create a space for productive dialogue among health science students on the components of healthcare among underserved populations and the ways in which poverty shapes the health lives of people and communities. Each class session focuses on a topic relevant to this overall goal, featuring speakers who are leaders in the Memphis healthcare community and elsewhere. Students have the opportunity to interact and dialogue with these leaders and with each other in the effort to raise awareness, competency, and action for these issues. FHC helps to expand and develop that educational experience, aligning itself with the Wesleyan emphases on health, education, and personal formation. Serving The Underserved received about 200 applications from interested students and faculty persons in 2018. Since starting in 2010, Serving The Underserved has engaged nearly 700 students and faculty, and there are currently another 100 students on a waiting list for the program.

## **THE WESLEY FOUNDATION AT MEMPHIS**

Morgan Stafford, Executive Director

The vision of the Wesley Foundation at the University of Memphis is to be a diverse and inclusive faith community for all students. This new vision statement was created by our student leadership team and approved by our board of directors. The following paragraphs will describe how the ministries of Wesley at Memphis align with the four areas of focus of the Memphis Conference.

Wesley at Memphis is investing in more college students and young adults. 25 students are now engaged in leading ministries at Wesley on a daily basis. With the covenant discipleship framework as our guide for structuring ministry, our students lead ministries in the areas of compassion, devotion, justice, and worship. Our students created a fifth team focused on outreach in order to include more students from the University of Memphis campus and the city of Memphis. This season of growth has empowered students to take increased ownership of the campus ministry as a student-led ministry.

Our students have consistently engaged the mission field over the past school year. While we seek to increase use of our facility by students and other partner organizations such as Project Transformation Tennessee, we also seek to empower our students to serve beyond the walls of our facility and to become more engaged in the city of Memphis. We have partnered with Longstreet UMC to launch a new after school program coordinated by a Wesley intern and student volunteers. Our students have also served with community outreach ministries of St. John's UMC and St. Luke's UMC. By partnering with other churches and ministries, we have increased our impact in the community.

Wesley at Memphis is creating transforming leaders each day, particularly through our expanded student leadership team. We hired five student leadership interns in the fall semester and we expanded the team to eight interns in the spring semester. Our team is diverse and inclusive, empowering young women and men to lead the ministries of Wesley while discovering their gifts and talents for a life of ministry of service. Several students are discerning a call to either lay or ordained ministry. With the help of faithful partner churches in the Metro District and Memphis Conference, we plan to continue to expand our student leadership team through paid student internships.

As the Memphis Conference seeks to grow fruitful and faithful churches, Wesley at Memphis has strengthened connections and partnerships with a number of churches and organizations in the Metro District. Our expanded board of directors of 15 leaders now has more churches represented at our table. Through our Tuesday community nights this school year, 20 churches have partnered with Wesley to provide dinner and hospitality to our students along with guest speakers for our program. We look forward to expanding this number in the year to come, and we give thanks for the churches and leaders who have invested in our ministries during the past school year!

Wesley at Memphis celebrates an energizing year of ministry, and we look forward to continued growth and impact with your support. If you have ideas for partnership and investment in our ministries, please contact us so that we may seek God's vision for faithful and fruitful ministry together. May God continue to lead us forward!

## **AFRICA UNIVERSITY**

Africa University thrives in ministry because of the steadfast support of local congregations of The United Methodist Church. Thank you to the leaders and members of the Memphis Conference for prioritizing Africa University with the contribution of 80 percent of the asking to the Africa University Fund (AUF) apportionment in 2018. The students, faculty, and staff value every gift. For the university community, the 3.37 percent increase in support in 2018 is especially encouraging and indicative of the sacrifices that are being made as the Memphis Conference strives to achieve 100 percent support for the AUF.

Through its investment in the Africa University Fund, the Memphis Conference continues to affirm the university's core mission of nurturing leaders who help communities to know Jesus Christ and to experience peace, sustainable livelihoods, food security and abundant health. Thank you, Memphis United Methodists, for your steadfast commitment and strong support.

### **Institutional Update:**

- Africa University remains a top choice for African young people who are seeking a relevant and life-changing educational experience. In 2018, Africa University enrolled more than 700 new students and maintained an overall enrollment of around 2,000 students. There were 25 African countries represented in the student body. Women made up 53 percent of the student population, which is almost twice the average for African higher education institutions. Africa University's women graduates are emerging as the change leaders of their generation, whether empowering victims of gender-based violence in the Democratic Republic of Congo or working alongside rural women to establish and operate community-based telecommunications infrastructure and provide internet connectivity to underserved communities across Africa.
- Throughout 2018, Africa University weathered the challenges of Zimbabwe's depressed and uncertain socio-economic environment with creativity and prudence. The university delivered teaching, learning and community service activities of high-quality without interruption, while also renewing and expanding its infrastructure. Key enhancements in 2018 included the refurbishment of three residence halls for women students and the full implementation of an ERP software system to integrate and manage all facets of the university's operations.
- For the first time in five years, there is new construction on the Africa University campus thanks to a 25th anniversary gift from Highland Park United Methodist Church in Dallas, TX. In December 2018, work began on the foundation for a new residence hall. The university subsequently broke ground for the construction of phase two of its Student Union and Cafeteria building. Both projects are progressing well and are expected to be fully in use by August 2020.
- With conflict, poverty, and the impact of climate change persisting as the key drivers of food insecurity and the rise in internal displacement, migration, and refugeehood in Africa, the university consolidated its position as a trailblazer by offering new graduate training and research opportunities. Africa University has also continued to provide scholarships for refugee women so that their experiences, talents and ideas are integrated into the search for sustainable solutions.
- Africa University delivered critical data for reducing malaria deaths in southern Africa and controlling the spread of insect-borne diseases world-wide. AU's insectary—a laboratory for rearing and studying live insects, such as mosquitos—shares its findings through the Southern Africa Centers of Excellence for Malaria Research. This data informs regional policies, practices and malaria control efforts.

The students, faculty, administrators and trustees of Africa University thank the members of the Memphis Conference for their prayers and support, which continue to grow and sustain this ministry. Thank you for all that you have sown into Africa University over the past 27 years. As Africa University and the Memphis Conference move forward together in missional engagement, we trust in God's unending grace for the increase.

## **Candler School of Theology**

For more than 100 years, Candler School of Theology at Emory University has prepared real people to make a real difference in the real world. Since our founding in 1914, more than 10,000 students have graduated from Candler, where they have been shaped as thoughtful, principled, and courageous leaders dedicated to transforming the world in the name of Jesus Christ.

This is especially important to note amid the current uncertainty in our denomination. It is an honor and a privilege for Candler to be one of 13 official seminaries of The United Methodist Church. Yet true to the Methodist tradition of ecumenical openness, Candler has enthusiastically welcomed the entire Wesleyan family to our community for generations. Faculty, staff, and students from the AME Church, the AMEZ Church, the CME Church, Free Methodists, Nazarenes, and others have worked, worshiped, learned, and prayed alongside United Methodists, and have been a vital part of shaping Candler and our mission. This diversity has been a wonderful gift and a rich blessing. As we move forward from the Special Session of General Conference, we will continue to invite and welcome wholeheartedly those from all expressions of the Wesleyan tradition. Indeed, we will continue to welcome all those who follow Jesus Christ.

Candler is also privileged to be one of seven graduate professional schools of Emory University in Atlanta. With the resources of a top-tier research institution and the reach of a global city, our students benefit from a rich academic and hands-on learning environment: The General Board of Global Ministries is in Atlanta, as are numerous public health, international development, and social service organizations. Candler's intentional involvement with our surrounding community has contributed to our inclusion on a list of "Seminaries that Change the World" for six years running. In short, there is no better place to prepare for ministry that engages our major denominational priorities: developing leaders, starting and growing churches, ministry with the poor, and improving global health.

In order to keep pace with the needs of the church and the world, Candler offers 16 degrees: six single degrees and ten dual degrees pairing theology with bioethics, business, international development, law, public health, and social work. Our Doctor of Ministry degree is 90 percent online, so students can remain in their places of ministry and immediately apply to their context what they learn in class. Our Teaching Parish program allows eligible United Methodist students to serve as pastors in local churches while they're enrolled—they earn a salary as they earn course credit and pastoral experience, plus they are mentored by an experienced United Methodist elder.

Candler's student body continues to reflect the diversity and breadth of the Christian faithful, with an enrollment of 453, reflecting 51 percent women, 39 percent people of color (U.S.), and a median age of 27 among MDivs. Students represent 44 denominations, with half coming from the Methodist family.

Candler has a deep commitment to alleviating student debt and promoting financial literacy. In 2018-2019, we awarded \$5.8 million in Candler scholarships, with 100 percent of MDiv students receiving aid. Plus, our comprehensive "Faith & Finance" program teaches money management skills that serve our students now and will continue to serve them—and the churches they lead—well into the future.

Candler draws considerable strength and inspiration from its relationship with The United Methodist Church. Our ability to fulfill our mission of educating faithful and creative leaders for the church's ministries throughout the world depends upon your prayers, partnership, and support. Thank you for the countless ways you advance this vital ministry in the life of our denomination.

Visit us in person or online at [candler.emory.edu](http://candler.emory.edu) to see firsthand how Candler prepares real people to make a real difference in the real world.

### **Drew University Theological School**

Javier A. Viera, Vice Provost and Dean of the Theological School

Drew University Theological School continued its multi-year self-transformation by launching its new curriculum for the Master of Divinity in the fall of 2018. This entirely reconceived degree seeks to form graduates that are rooted in the Christian story and traditions, capable of effective and creative leadership, and spiritually and socially resourceful for cultivating the transformative gospel of Jesus Christ in, with and for the church and the world. A new two-year degree, the Master of Arts in Theology and Ministry also launched, and offers students the opportunity to prepare for public leadership or a specialized vocation through deep theological and ethical reflection informed by biblical, historical, theological and practical sources. New pathways in the Master of Arts, the Master of Sacred Theology, and the Doctor of Ministry were also created as part of the curriculum transformation process which seeks to more intentionally focus the school's service to the church, as well as to the academy and civil society.

Drew welcomed 145 entering students this academic year, its largest entering class in over a decade, with an overall enrollment of 350 for the current academic year. In the coming year a new 5-year strategic plan will be developed, new degree delivery options that increase accessibility and affordability for prospective students, as well as new partnerships with annual conferences, other church bodies, and values-based organizations that share and strengthen Drew's mission to advance peace, justice, love of God, neighbor, and the earth.

2019 Memphis Conference Journal

The support of this Annual Conference helps Gammon/ITC students carry on a proud tradition. They are taught to think independently and communicate effectively. They are also challenged to become involved in finding solutions to problems that affect the human condition, and to become active in the community beyond this campus. Additionally, graduates of this institution are encouraged to maintain a lifelong desire for intellectual growth, spiritual development, and the acquisition of skills for the practice of ministry.

Gammon/ITC has had a very exciting and busy year living out its mission, which is to recruit, support and educate pastors and leaders for the United Methodist Church. Gammon Theological Seminary is extremely grateful to this Annual Conference for your support of theological education, and for your commitment to ensuring that God's church will be served by persons who are called and trained to lead us forward.

Grace and Peace,

## Memphis Theological Seminary

Submitted by:  
Michael K. Turner, Director of Methodist House of Studies  
mturner@memphisseminary.edu

For nearly four decades, Memphis Theological Seminary has been a leading institution in the Mid-South for producing graduates who are commissioned as elders or deacons in The United Methodist Church. MTS also has the largest Master of Arts in Youth Ministry program in the country. The majority of the students enrolled in that program are UMC. United Methodist students continue to be the largest denomination represented at our school and approximately 50% of our full-time faculty are from a Pan-Methodist tradition.

It has been an eventful and exciting year at the Seminary. In August 2018, Rev. Dr. Susan Parker became the Interim President. Dr. Parker, who is ordained in the Cumberland Presbyterian Church, served in two elected offices for the state of Alabama, Stated Auditor and Public Service Commissioner. She also worked as the Vice President for Advancement for Athens State University. Dr. Parker replaced Dr. Jay Earheart-Brown, who left the Seminary in July to become the lead pastor at Faith Cumberland Presbyterian Church in Bartlett, Tennessee.

Thanks to a generous donation by Mrs. Barbara Hamilton and her late husband, Dr. Ralph Hamilton, MTS is in the process of expanding and renovating the existing chapel. Her gift to the Seminary is also helping endow the Methodist House of Studies Chair. The Seminary family is very grateful to the Hamiltons and all the other supporters who have made this possible.

With the help of a \$1 million grant from the Lilly Endowment's Thriving in Ministry program, the Center for Faith and Imagination at MTS was launched in August 2018, and will offer a variety of resources and opportunities to help faith leaders live and lead with vitality and imagination. Martha Lyle Ford and Billy Vaughan are co-directors of the Center, with Martha Park serving as Program Coordinator.

At the end of April, CFI will hold its first leader training for leaders of both Formation for Ministry groups within the seminary and Faith Formation groups outside the seminary. By the fall of 2019, CFI's first five Faith Formation groups will begin meeting across the Mid-South.

Wesleyan Studies continues to be a strength of the Seminary. Dr. Michael Turner, Associate Professor of the History of Christianity and Wesleyan Studies, teaches the required classes in UMC history, doctrine, and polity each academic year. Dr. Turner, along with his colleagues Dr. Lee Ramsey, Dr. Carmichael Crutchfield, and Rev. Billy Vaughan also offer a number of electives in the field of Wesleyan Studies. Students that take a minimum of five courses in Wesleyan studies electives have the opportunity to earn the Certificate in Wesleyan Studies.

One of the most dynamic programs at MTS is our Methodist House of Studies. It serves as a community within a community for students from Methodist backgrounds. Recent student gatherings have focused on topics that include General Conference 2019, rural ministry, and hospital chaplaincy. We also co-sponsored a lecture from the well-known UMC Civil Rights leader, Rev. James Lawson.

The MHOS has also been active in providing continuing education events for clergy and lay people. Recently, we led a workshop for local pastor in the Metro District of the Memphis Annual Conference. Dr. Turner regularly leads workshops on Wesleyan theology and heritage at congregations in the greater Memphis area. In partnership with the Turner Center for Church Leadership and the Center for Faith and Imagination, the Methodist House of Studies recently hosted three retreats called *At Table: United Methodists Seeking a Way Forward*. The goal of these retreats was to prepare United Methodist pastors and lay people for difficult conversations around human sexuality and the work of the Commission on a Way Forward in anticipation of the 2019 General Conference. At these retreats, we provided models for conversations that engage in difference without resorting to argument. Participants practiced engaging in these conversation models with the guidance of trained facilitators. As part of the work of these retreats, Dr. Turner gave presentations on the various ways that our Wesleyan theological heritage can serve as a guide to these types of conversation.

Looking toward the next academic year, the MHOS plans to offer retreats focusing on creating a shared vision among young people for the future of Methodism in the Mid-South, navigating conversations about divisive topics in church settings, and finding tools for spiritual and ecclesial renewal in our shared Wesleyan heritage.

We are grateful for the support of the Memphis Annual Conference and for the many fine students who have attended MTS from the Memphis area over the years. We appreciate the confidence the Conference places in MTS for preparation of United Methodist women and men for Christian ministry, and we welcome your ongoing involvement and prayers for the Seminary. For ongoing information about the Methodist House of Studies, we invite you to visit us at [www.MethodistHouse.org](http://www.MethodistHouse.org)

## **Rust College of Holly Springs, Mississippi**

Dr. David L. Beckley, President

Established in 1866 by the Freedmen's Aid Society of the Methodist Church on a former slave auction site. Rust is the oldest one of 11 Historically Black Colleges and Universities established after the Civil War by the Methodist Church still in existence today serving more than 1,000 students annually from Mississippi, 22 states and 4 foreign countries. Rust's Mission continues to be in tune with the church's overall philosophy – doing no harm, doing good and staying in love with Jesus Christ as we serve the young people who look to Rust as their bridge to a better tomorrow through education.

Rust College Religious Life is a diverse community providing the administration, faculty, staff and students sacred space to be fellow travelers on a journey of faith that leads to transformation of the individual and the

world. The Office of the Chaplain oversees religious life activities, coordinates training for student ministers, and provides counseling for administration, faculty, staff, and students.

Informed by Christian tradition, Rust College religious life strives to be an ambassador for Jesus Christ to a diverse higher education community. Grounded in the Wesleyan tradition, religious life is the place where “Tomorrow’s Leaders are Students Today.” Students who will be and do “all the good they can, by all the means they can, in all the ways they can, in all the places they can, at all the times they can to all the people they can, for as long as they can.”

Highlights for 2017-2018 year include:

- The College ended the 2017-2018 fiscal year with a balanced budget for the 52nd consecutive year.
- Ms. Irah Gates, a junior Sociology major, Memphis, Tennessee was selected Student Ambassador for the White House Initiative on Historically Black Colleges and Universities.
- Rust College received a grant for \$80,000 from the Hearin Foundation to support needy students seeking financial aid.
- Dr. Alisea McLeod, Assistant Professor in Humanities, received the Humanities Teacher of the Year award.
- Rust College Mass Communication Instructor, Mrs. Sharon Goodman-Hill, and senior student, Mr. William Robinson were Higher Education Appreciation Day - Working for Academic Excellence (HEADWAE) recipients.
- Our frugal fiscal practices continue to keep us financially sound. For the last 50 years, Rust College has had a policy of only building “debt-free” non-income producing buildings. As a result of this policy, Rust has long term debts less than \$1.5 million related to residential hall construction and renovations in 1990. We actively recruit foundations, corporations, alumni and friends for scholarship grants to help underwrite the tuition cost of our students who must have financial support to get and stay in school. Our text book-use-system assists us in keeping our tuition and fees to a minimum. For example, in 2012 tuition, room, board, books and fees totaled \$12,150 annually. In 2017 the total cost is \$14,200 which amounts to an increase of only \$2,050 over a five-year period.

As you, our friends of the United Methodist Church, continue to uphold your promise of educational opportunity established many years ago, we, the members of the Rust College family, will uphold the promise made by our founder, Rev. A. C. McDonald in 1866, “to do not hothouse work” but will work to build men and women morally, spiritually and academically sound. We are thankful to you for your prayers and financial support. Your continued support is essential as we endeavor to build a stronger legacy for this generation and those in years to come who will look to Rust and our great church for higher educational opportunities. The College expresses thanks for the dedication and leadership of the following Trustee from the Memphis Annual Conference: Mr. Gary Shorb, Rev. Dr. Deborah B. Smith, Dr. Cora Norman, Dr. Cynthia Bond Hopson, and Bishop William T. McAlilly.

"Londonderry Air" (Smith)

### + CALL TO WORSHIP <sup>i</sup>

Ms. Kayla Neese

The ways of death in this world are many.

**The words of death surround us; the fear of death envelops us.**

But we come now to hear a different Word,

**A true Word, a life-giving Word.**

We are here on Isaiah's mountain

**where tears are wiped away, where a banquet table has been set,**

**where death has been swallowed up forever.**

We do not fully understand it; we may not fully believe it.

And yet here it is:

**The power of Christ's life within us and among us. So let us be glad and rejoice in our salvation!**

### + PRAYER <sup>ii</sup>

Ms. Kelly Greer

Blessed are you, Lord our God, lover of souls. You uphold us in life and sustain us in death;  
to you be glory and praise forever!

For the darkness of this age is passing away as Christ the bright and morning star  
brings to his saints the light of life.

As you give light to those in darkness—who walk in the shadow of death—

so remember in your kingdom your faithful servants, that death may be for them the gate to life

and to unending fellowship with you, where with your saints you live and reign,

one in the perfect union of love now and forever. **Amen.**

## INVITATION TO THE TABLE <sup>iii</sup>

The Rev. Mark Locke

We are invited to come together around this table as those who belong to Christ: brothers and sisters

who in and through our lives live out the death and resurrection of Jesus—

the family of the reborn and reconciled, who inhabit the mystery and reality of grace.

## CONFESSION & PARDON <sup>iv</sup>

Rev. Locke

O God, the truth of your Word has filled our lives, but we have not heard its wisdom.

**Lord, have mercy on us.**

You have marked us as your own in baptism, but we have not lived as your faithful people.

**Christ, have mercy on us.**

You have called us to proclaim your goodness to the nations, but we have hidden our light under a bushel.

**Lord, have mercy on us.**

*Silent confessions are offered.*

Transform us by the power of your Holy Spirit so that we may live as your new creation, forgiven and made whole by your matchless love in Jesus Christ our Lord.

**Thanks be to God! Amen.**

### + THE PEACE <sup>v</sup>

Rev. Locke

We demonstrate our reconciliation to God in lives reconciled to one another; let us offer one another signs of forgiveness and peace.

THE GREAT THANKSGIVING <sup>vi</sup>

(Musical Setting C, UMH 21)

Bishop Bill McAlilly

The Lord be with you.

**And also with you.**

Lift up your hearts.

**We lift them up to the Lord.**

Let us give thanks to the Lord our God.

It is right to give our thanks and praise. Blessed are you, our Alpha and our Omega, whose strong and loving arms encompass the universe, for with your eternal Word and Holy Spirit you are forever one God.

Through your Word you created all things and called them good, and in you is the whole of who we are and may be. When we fell into sin, you did not desert us. In Jesus Christ your Word became flesh and lived among us, full of grace and truth. And so, with your people on earth and all the company of heaven we praise your name and sing to you ceaselessly:

**Holy, holy, holy Lord, God of power and might.**

**Holy, holy, holy Lord, God of power and might.**

**Heaven and earth are full, full of your glory.**

**Hosanna in the highest, hosanna in the highest.**

**Blessed is he who comes in the name of the Lord.**

**Hosanna in the highest, hosanna in the highest.**

Holy are you, and blessed is your Son Jesus Christ. By the baptism of his suffering, death, and resurrection you gave birth to your Church, delivered us from slavery to sin and death, and made with us a new covenant by water and the Spirit.

On the night before meeting with death, Jesus took bread, gave thanks to you, broke the bread, gave it to his disciples, and said: "Take, eat; this is my body which is given for you. Do this in remembrance of me."

When the supper was over Jesus took the cup, gave thanks to you, gave it to the disciples, and said: "Drink from this, all of you; this is my blood of the new covenant, poured out for you and for all for the forgiveness of sins. Do this, as often as you drink it, in remembrance of me."

And so, in remembrance of these your mighty acts in Jesus Christ, we offer ourselves in praise and thanksgiving as a holy and living sacrifice, in union with Christ's offering for us, as we proclaim the mystery of faith.

**Christ has died, Christ is risen, Christ will come again.**

Pour out your Holy Spirit on us gathered here, and on these gifts, that in the breaking of this bread and the drinking of this cup we may know the presence of the living Christ and be renewed as the body of Christ for the world, witnesses always and everywhere to his grace and redemption.

Since we are surrounded by so great a cloud of witnesses, strengthen us to run with perseverance the race that is set before us, looking to Jesus, the Pioneer and Perfecter of our faith.

As the grain and grapes, once dispersed in the fields, are now united on this table in bread and wine, so may we and all your people be gathered from every time and place into the unity of your love and of your eternal household.  
Through Christ, with Christ, in Christ, in the unity of the Holy Spirit, all honor and glory is yours, almighty God, now and forever.  
**Amen, amen, amen, amen.**

## MEMORIALS

---

**Susan Ailene Bennett**  
**February 26, 1928 - July 28, 2017**

She was the surviving spouse of Herbert Bennett.

**Delores Anne Pettit Broyles**  
**June 17, 1934 - April 26, 2018**

Dolores Anne Pettit Broyles was born on June 17, 1934, at the Bearskin Lodge on Gunflint Trail in Grand Marais, Minnesota and flew to the stars on April 26, 2018 in Nashville, Tennessee. She was preceded in death by her adored husband of 61 years, John Allen Broyles, her parents, Watie Bell Pettit and Anna Sophia Nelson Pettit, her brothers Richard Bell Pettit, Watie Pettit, and J.L. Pettit. She is survived by her daughter, Marianne Aweagon Broyles of Nashville, and her sisters, June Taya Pettit and Margaret LaHoma Pettit Martinez, both of Wichita, Kansas.

As an enrolled member of the Cherokee Nation, she graduated in 1954 from Bacone Junior College (Muskogee, Oklahoma), an American Baptist Indian boarding school, where she served as student body president. She then earned an academic scholarship to the University of Redlands in southern California where she met her lifelong love, John Allen Broyles, and married him the day before their graduation on June 2, 1956.

In addition to her co-ministry with her husband in the United Methodist Church, Dolores was most passionate about her family and being a devoted teacher and advocate for children of all ages and nationalities. When she lived in Oklahoma City, she volunteered to serve as the UNICEF chairperson for OKC where, with her leadership, more money was raised that year than monies raised in the entire state of Massachusetts.

She obtained her first teaching certificate in California where she worked with elementary school children and subsequently earned a certificate in the state of Massachusetts where she worked in a neighborhood of Italian-American fourth and fifth graders as well as a teaching position in Orono, Maine. She subsequently moved to Memphis and taught at Christ United Methodist Day School before her final job in the Memphis City Schools at Cummings Elementary in South Memphis, which has since been razed. She felt particularly called to work with children living below the poverty line who "needed me more." Her dedication, particularly to teaching reading, was evident in the enthusiasm of her pupils. Even in her 70's, she tutored Hispanic children when living in Santa Fe, New Mexico. One of her pupils at Cummings wrote a card for her declaring her "The Queen of My Heart." Her sharp wit, great capacity for joy, love, and diplomacy made this title resonate among her loved ones for the remainder of her life.

**Grace Jarrell Williams Russell**  
**July 4, 1924 - June 1, 2018**

Grace Jarrell Williams Russell was born in Memphis, Tennessee, July 4, 1924. Her parents were Lill Senter Jarrell and Aubrey Hamilton Williams of Humboldt, Tennessee. Grace is the descendant of pre-Revolutionary War settlers from the clan McNeal on the Isle of Bara in Scotland. They arrived in North Carolina, fleeing religious and political persecution and later, crossed over through the Smoky Mountains at Newfound Gap to settle in Tennessee in a settlement party led by Daniel Boone. Grace grew up in Humboldt, Tennessee, when it was a thriving idyllic, small southern town of a close knit community where she was in some way kin to half the town. Her family were civic leaders in the community. Her grandfather and uncles served from time to time as Mayors there and owned the B. C. Jarrell Bushel and Basket Company, the only industry in town that provided jobs for many of the citizens of Humboldt. Her father was the founder of Humboldt's Strawberry Festival.

Grace attended Lambuth Methodist College in Jackson, Tennessee, where she met her husband Henry Ewell (Hank) Russell. They went on to attend Southern Methodist University in Dallas, Texas and were married in Humboldt, Tennessee, April 7, 1945. Grace always wanted to be a missionary to China. She did not fulfill that mission, but her son Rusty would one day fulfill her dream. Rusty has been a missionary to Asia and China for the last 36 years.

Grace and Hank have 5 children, 17 grandchildren, and 21 great-grandchildren and 1 on the way. Among Hank and Grace's direct descendants - children and grandchildren - there are: 4 Ministers, 3 Medical Doctors, 3 Teachers, 1 Engineer, 1 MBA Accountant and Minister of Music, 4 Entrepreneurs, 1 Physicist/software developer, 1 Author, 1 Producer and documentary film artist, 1 Artist, 1 Designer, 1 Computer Graphics Artist/Illustrator and writer of Children's books.

For 72 years of marriage and a lifetime of Christian commitment, Grace Russell has shared her faith, love, and life with countless thousands at home and abroad. Besides serving with her husband in churches of all sizes, Grace was an author, artist, teacher, columnist, and international lecturer.

For over 25 years, Grace was a columnist for newspapers in West Tennessee and West Kentucky. Her popular column called Grace Lines offered wit, wisdom, meditations and practical ideas on how to make spiritual living a reality in everyday life. Grace focused on encouraging people to develop a childlike faith. As a member of America's "Greatest Generation," Grace shared the simple, sacrificial devotion to the love of Christ that generation knew so well. Grace published a series of 4 books compiled from her articles Summer, Fall, Winter, and Spring. Her other works include Rings and Things, Hope in My Heart, and England as I See It, as well as book reviews, and magazine articles. Grace also wrote a book of Christmas meditations. Grace explained: "If you do not have the spirit of love, kindness, and joy of Christmas, it is not too late to start because the spirit of Christmas is the spirit of Christ Himself."

Alongside her husband Dr. Russell, Grace served the following Methodist Congregations over their years of ministry together from 1942 -1991: Grace Methodist Church in Dallas, Nevada, Pleasant Valley, Lavon, and

Rowlett, Texas. In the Memphis Conference: Wickliffe and Reidland, Kentucky and Ellendale, Tennessee. Hank and Grace founded St. Stephen's Methodist

Church in Memphis. They served Fulton, Kentucky, and Dyersburg, Tennessee. In 1964, Hank was one of 12 American ministers chosen to be a Delegate to the World Methodist Conference Ministerial Exchange, so Hank and Grace moved to England for the summer and took their 5 children by boat across the Atlantic to exchange pulpits with Rev. Reginald Mallett at the Albert Hall in Manchester, England. Following that ministry, Hank and Grace took the whole family on a camping trip in eleven countries in Europe. They would later take many of their parishioners to Israel and Europe for summer retreats. Grace served alongside Hank in the Brownsville and Dyersburg Districts where Hank was appointed as District Superintendent. With Grace by his side, Hank pastored Broadway United Methodist in Paducah, St. Luke's United Methodist, Memphis, Tennessee, and First United Methodist Church in Paris, Tennessee. In 1974, Hank and Grace attended the Reopening of City Road Church in London where Hank was a delegate.

Ordained to Methodist ministry in 1959, he served as Pastor in the Memphis Annual Conference and Librarian at Lambuth (1963-1964). Moving to Evanston, IL, he worked as Librarian and professor at Garrett Evangelical Theological Seminary (1964-1977). Relocating to Berkeley, CA, he served as Director of the Flora Lamson Hewlett Library of the Graduate Theological Union (1977-1990).

John returned to the Memphis Conference, to serve the local church at the Mason-Braden Charge (1990-1993) where he “just wanted to love the people,” which he did. Retiring, John and Pat relocated to the Boulder, CO area and became active in the Bethel UM congregation where he served in various leadership roles, including directing the choir. Two things he really enjoyed in retirement were capturing beautiful nature scenes in his photography and spending time in the mountains on his little private retreat. A loving father and husband, John served as spiritual mentor to many who sought his counsel and volunteered as a hospice chaplain while in Boulder.

John is survived by his wife of thirty-eight years, Patricia Ann Baker-Batsel; his four children: Lee Ann Batsel Steinmetz, Laura Grace Dicus, Julia Beth Batsel and John David “Jack” Batsel; their mother, Lyda Katherine Dickerson; Pat’s son, Michael Pressey. ## **Independent Auditor's Report**

To the Council on Finance and Administration  
Memphis Conference Treasurer's Office  
Jackson, Tennessee

We have audited the accompanying financial statements of the Memphis Conference Treasurer's Office (a nonprofit organization) (the Conference), which comprise the statement of financial position as of December 31, 2018, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

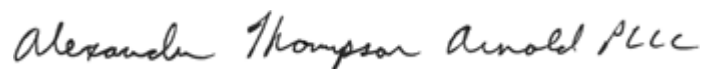

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Memphis Conference Treasurer's Office as of December 31, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## Change in Accounting Principle

As discussed in Note 1 to the financial statements, in 2018 the Conference adopted Accounting Standards Update (ASU) 2016-14, Not-for-Profit Entities (Topic 958), Presentation of Financial Statements for Not-for-Profit Entities. As a result, the unrestricted net assets as of January 1, 2018 in the amount of \$14,039,736 (after a restatement of \$(316,190) and a prior period restatement of \$514,840 – see note 9) is now classified on the financial statements as net assets without donor restrictions. And the restricted net assets as of January 1, 2018 in the amount of \$17,920,492 (after a reclassification of \$316,190 and a prior period restatement of \$15,002,165 – see note 9) is now classified on the financial statements as net assets with donor restrictions. Our opinion is not modified with respect to this matter.

## MEMPHIS ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH

### NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2018

#### Note 1 Nature of Organization and Significant Accounting Policies

##### A. Nature of Operations

The Memphis Conference (the Conference) is a regional body of The United Methodist Church comprised of the lay members, clergy, and 400+ churches in West Tennessee and West Kentucky. The Conference is primarily responsible for all the ministries that are jointly provided by and for United Methodists in its geographic area. The Conference administers Conference operating and program funds that are received from churches, boards and agencies, and individuals of the Conference in accordance with the budget and other directives of the Conference, the respective board and agencies and donors.

##### B. Basis of Accounting

The financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

##### C. Financial Statement Presentation

The Conference follows the recommendations contained in the *Presentation of Financial Statements, Not-For-Profit Entities* topic of the FASB Accounting Standards Codification. Under those provisions, net assets and revenues, gains, and losses are classified based on the absence or existence and nature of donor-imposed restrictions as follows:

Net Assets Without Donor Restriction: Net assets that are not subject to or are no longer subject to donor imposed stipulations.

Net Assets With Donor Restriction: Net assets whose use is limited by donor-imposed time and/or purpose restrictions.

##### D. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

##### E. Cash and Cash Equivalents

The Conference defines its cash and cash equivalents to include cash on hand, demand deposits, and commercial paper and other investments with initial maturities of three months or less whether those amounts are unrestricted or restricted.

## MEMPHIS ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH

### NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2018

#### F. Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in changes in net assets. Investment income and gains restricted by a donor are reported as increases in unrestricted net assets if the restrictions are met in the reporting period in which the income and gains are recognized. However, if a donor contributes an investment required to be held in perpetuity, gains and losses on the investment are subject to the same permanent restriction unless the donor explicitly states otherwise (currently the Conference has no such investment).

#### G. Fair Value Measurements

The fair value of financial assets and liabilities is measured according to the *Fair Value Measurements and Disclosures* topic of the FASB Accounting Standards Codification. Fair value is required to be evaluated and adjusted according to the following valuation techniques.

Level 1 - Fair value is determined using quoted market prices in active markets for identical assets and liabilities.

Level 2 - Fair value is determined using quoted market prices in active markets for similar assets and liabilities.

Level 3 - Fair value is determined using unobservable market prices in a market that is typically inactive.

#### H. Income Taxes

The Conference is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

#### I. Accounts Receivable

Accounts receivable include apportionments received after year-end for the budget year ended December 31, 2018. No allowance for doubtful collections has been recorded.

#### J. Fixed Assets

Fixed assets are carried at cost if purchased and fair market value if donated. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets, excluding land, which are 3 to 40 years. Depreciation expenses for the year ended December 31, 2018 was \$18,061. Property includes land, building and improvements at the Conference headquarters in Jackson TN, as well as closed churches whose ownership was transferred to the Conference at the time of the churches' closing.

## MEMPHIS ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH

### NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2018

#### K. Donated Services

Contributed services are reflected in the financial statements at the fair value of the services received only when those services either (1) create or enhance nonfinancial assets, or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. Unpaid volunteers make contributions of time in various administrative and program functions. The Conference has not valued these donations.

#### L. Revenue and Support

Contributions are received and recorded as contributions with or without donor restrictions depending on the existence and/or nature of any donor restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as support without donor restrictions.

The primary source of support is tithings received from local churches in the Conference. Tithings expire at the end of each calendar year and, therefore, have been recorded as unrestricted support. Contributions and Other Revenue are primarily receipts by programs that have external sources of revenue such as registration fees or reimbursements.

#### M. Functional Allocation of Expenses

Expenses are charged directly to program, management and general, or fundraising based on a combination of specific identification and allocation by management.

#### N. Prepaid Items

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items.

#### O. Recently Adopted Accounting Standard

In August 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-14, Not-for-Profit Entities (Topic 958), Presentation of Financial Statements for Not-for-Profit Entities. This Update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, the lack of consistency in the type of information provided about expenses and investment return between not-for-profit entities, and misunderstandings about and opportunities to enhance the utility of the statement of cash flows. ASU 2016-14 is effective for fiscal years beginning after December 15, 2017 and, therefore, is adopted by the Conference during the fiscal year ending December 31, 2018. A key change required by ASU 2016-14 is the net asset classes used in these financial statements. Amounts previously reported as unrestricted net assets are now reported as net assets without donor restrictions.

## MEMPHIS ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH

### NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2018

As of December 31, 2018, \$10,280,933 of the financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the balance sheet date. The Conference has a goal to maintain financial assets, which consist of cash and cash equivalents, on hand to meet 60 days of normal operating expenses, which are, on average, approximately \$1,205,670. As part of the Conference's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

#### Note 6 Pension Plans

The Conference provides pension benefits for clergy serving churches in the Memphis Conference under Episcopal appointment, and full-time permanent staff of the Conference through various retirement plans. All plans are multi-employer plans administered by Wespath. Wespath operates under the authority of the church's General Conference and implements the plans in accordance with plan documents. Pension benefits for clergy are a combination of defined benefit and defined contribution plans. Pension benefits for Conference lay staff are all defined contribution plans. The various retirement plans are listed below:

##### **Defined Benefit Pension Plans:**

###### *Clergy Retirement Security Program (CRSP-DB):*

CRSP is a multi-employer 403(b) retirement plan that provides pension coverage to eligible clergy. CRSP is both a defined benefit plan, which provides benefits based on years of credited service and a defined contribution plan, which provides a retirement account balance established and funded by the Conference. Effective 1/1/2014, contributions to the defined benefit plan are actuarially determined.

###### *Supplement One to CRSP (Pre-1982):*

Pre-1982 is a multi-employer 403(b) defined benefit plan for Conference clergy entering service prior to 1982. General Conference 2000 required each annual conference to adopt a formal funding plan to retire the Conference pre-1982 pension obligations. The Conference's Pre-1982 plan has been fully funded. The Conference approves a minimum distribution (past service rate) each year for participants in the Pre-1982 plan, based on a recommendation by the Conference Board of Pensions. The PSR for the year ended December 31, 2018 was \$612 for pre-1982 service years, which is .90% of the Conference average compensation respectively.

###### *Ministerial Pension Plan (MPP)*

MPP covers clergy who served from 1982 through 2006. It is a multi-employer defined contribution plan, but differs from a true defined contribution plan in that upon retirement, participants must annuitize at least 65% of their account balances, and the Conference is responsible for funding the annuities should the need arise. Upon annuitization, the monthly benefit becomes a defined benefit.

The Conference makes a 6% contribution to the plan for part-time clergy. The Conference contributes an amount equal to 9% of its eligible lay employee's compensation to the plan. If the employee contributes 3% to the plan, then the Conference will match with an additional 3% for a total contribution of 12%. During the fiscal year ended December 31, 2018, the Conference contributed \$120,952 to the UMPIP and there was no forfeiture during the year.

##### *Clergy Retirement Security Program (CRSP-DB)- Defined Contribution:*

Effective 1/1/2014, contributions to the defined contribution part of the CRSP-DB plan equal 2% of the clergy's monthly compensation, plus a matching contribution of up to 1% of the clergy's compensation, for a maximum of 3%. During the fiscal year ended December 31, 2018, the Conference contributed \$307,109 into the defined contribution part of the CRSP-DB plan and there was no forfeiture during the year.

## Note 9 Beginning Net Assets

During the fiscal year ended December 31, 2018, there were restatements made to net assets as of January 1, 2018 due to the following:

### *Reclassification*

In the financial statements for fiscal year ended December 31, 2017, \$316,190 was erroneously classified as unrestricted net assets. This amount should have been classified as restricted net assets. Therefore, a reclassification of the 2017 net assets was made in the 2018 financial statements.

### *Prior Period Restatement*

As of December 31, 2017, actuarial studies show that the Conference's defined benefit pension plans have a total overfunded pension projected benefit obligation of \$15,002,165. This amount is determined as the excess of the fair value of plan assets over the projected pension benefit obligations. The overfunded pension projected benefit obligation of \$15,002,165 was omitted on the financial statements for fiscal year ended December 31, 2017. Therefore, a prior period adjustment was made in the 2018 financial statements to increase the restricted net assets as of January 1, 2018 by \$15,002,165.

In addition, the accumulated postretirement benefit obligation was recorded in the 2017 financial statements as \$10,667,299 which is the value determined by an actuarial study for the measurement date of December 31, 2016. A prior period adjustment of \$514,840 was made in current year to restate the 2017 accumulated postretirement benefit obligation as \$10,152,459, which is the value determined by an actuarial study for the measurement date of December 31, 2017.

### *Accounting Standards Update (ASU) 2016-14, Not-for-Profit Entities (Topic 958), Presentation of Financial Statements for Not-for-Profit Entities*

The adoption of ASU 2016-14 resulted in the unrestricted net assets at January 1, 2018 of \$14,039,736 being reclassified on the financial statements as net assets without donor restrictions, and the restricted net assets at January 1, 2018 of \$17,920,492 being reclassified on the financial statements as net assets with donor restrictions.
