

**Marcella's Kitchen & Marshall Co. Caring Needline are  
inviting YOU to join them for a benefit concert held at Kentucky Opry  
on May 14<sup>th</sup> at 7:00PM**

Marshall County Caring Needline and Marcella's Kitchen are working together to combat food insecurity across our community, and we need **YOUR** help! Let's make certain no one in Marshall County goes hungry.

The Caring Needline & Marcella's food insecurity support programs deliver so much to our community through their non-profit mission - Here's a few services they are actively providing to any Marshall Countian in need:

- Serving over 120 Marshall Countians through the "Hot Meals" Program that combats food insecurities in our home community. . . This need is vastly growing.
- Supplying non-perishable food to Marshall County Blessing Boxes, when requested.
- The Needline's "Back Door Grocery Store" Program.
- Providing surrounding non-profits with lunches to serve vulnerable Marshall Countians, such as the Exceptional Center.

Marshall Co. Caring Needline & Marcella's Kitchen pride themselves on their NO financial questions asked to receive community support services for all community residents.

100 % of ticket sales will be used to maintain the food insecurity support services to some of our most vulnerable families and individuals who call Marshall County home.

**No Marshall Countian should go hungry in our community. . .**

**Please consider attending this benefit concert to raise funds to combat food insecurity in Marshall County!**

**Tickets are \$20.00 and can be purchased by calling KY Opry at 270-527-3869

1. Hot meals served Monday thru Friday at Marcella's Kitchen from 11:00 a.m. to 1:00 p.m.
2. Hot meals delivered Monday thru Friday to over 100 home-bound Marshall County residents.
3. Hot meals provided Monday thru Friday for the students at the Marshall County Exceptional Center.
4. Groceries will be available for families in Marshall County with no financial questions asked.
