Helpful things to know and decide before you register:

- **Everyone needs to register by May 15** - whether participating online or at Brentwood (or both). Also, guests need to be registered if they plan to attend in person.
- If you cannot attend and your **church's Alternate** needs to attend, please arrange that through your district office.
- **No food will be sold onsite** during the annual conference. However, you may **order and pre-pay** for an onsite meal when you register. (Note: The BUMC Youth Cafe will only have beverages for purchase during the annual conference.)
- The **preliminary schedule** is available on the [conference schedule webpage](#).
- UMCOR representatives are presenting an overview of **Connecting Neighbors** at lunchtime. You may want to order a boxed lunch to eat during that on the day you plan to attend.
- Registration for **childcare and day camp** is separate from conference registration - [sign-up for your children](#).
- If applicable, please indicate specifically on the form what type of **assistance you may need** during the annual conference such as language translation, large print documents, wheelchair access, handicapped parking, etc.
- If you are clergy, you will be asked whether you plan to robe and sit with clergy at the **Service of Licensing, Commissioning, and Ordination** on Thursday night. Be sure to register for this so the appropriate number of seats can be reserved for robed clergy.
