REPORTS

BOARD OF PENSIONS AND CLERGY WELLNESS

Rev. Dr. Scott Alford, Chairperson

Part A

The Board of Pension and Health Benefits continues its ministry of serving the clergy and clergy families of the Memphis Conference, and we are grateful for the chance to share together in this work. We wish to thank Larry Davis and Clare Wilson for the daily work they provide in the Treasurer's Office.

With the transition of forming the new Tennessee-Western Kentucky Conference, some of our work has been in conversation with the new conference benefits task team as a way for us to begin aligning benefits between the Memphis and Tennessee Conferences.

The board currently holds reserves with Wespath to be used for pension and benefit purposes only, and we are pleased that all pension plans are funded in full. The board monitors our reserves and strives to maintain them at an acceptable level. As with all investments, our reserves are subject to market fluctuations and other variables. Remaining observant and making smart decisions will be key in sustaining proper funding levels. Through incorporation and the creation of trusts, the board has made steps to protect our assets, helping the plans remain financially stable.

Part B

Allowances to Retirees

Regarding allowances for the benefit of retired ministers, the Conference Board of Pension and Health Benefits recommends the following:

That ministers retired prior to the opening session of a regular annual conference shall receive an allowance at the rate of up to \$75.00 per day effective June 3, 2012 for each day in attendance at the conference. Reimbursement shall be authorized by the Board of Pension and Health Benefits upon receipt of a voucher showing the actual expense incurred. This benefit shall be available also to surviving spouses, subject to the same conditions.

That upon retirement, part-time active ministers in regular appointment will receive a one-time retirement stipend proportional to their appointment percentage at retirement in the amount of \$1,125 (75%), \$750 (50%), and \$375 (25%) effective July 1, 2014.

Those full-time, active members in regular appointment may receive the retirement one-time stipend at the time of taking disability leave in lieu of receiving it at the time of retirement.

Beginning January 1, 2017, retirees and spouses on their plan receive a defined contribution of \$250 per month (\$3000 annually) through a Health Reimbursement Account (HRA) and are allowed to participate in the Medicare Supplement program called ViaBenefits. The ViaBenefits program is available through Wespath, though it is operated by Towers-Watson. Retirees/Spouses may use their HRA accounts to pay premiums or help with deductibles or copays.

To qualify for the retiree subsidy, the retiree must have served a minimum of 20 years in a full-time appointment (local church, campus ministries, or under appointment to an entity accruing pension benefits) in the Memphis Conference or other conference in the case of one who has transferred from another conference. The retiree subsidy program has been terminated for future retirees. To allow future retirees adequate time to plan for retiree medical expenses the cut-off age is 60. Everyone who was 60 years of age or older as of July 1, 2016, with 20 years of service as defined above would remain eligible for the retiree medical subsidy.

Part C

Incapacity Leave

In accordance with ¶ 356.1 of *The Book of Discipline*, 2016, the Conference Board of Pension and Health Benefits recommends the following conference members to be approved for disability benefits:

Harold Q. Evans, Sr.

Joe Beal

Robert Utley

Joe Thorn

Larry Woodruff

Only pastors granted Comprehensive Protection Plan (CPP) incapacity leave by Wespath qualify for Conference Board of Pension and Health Benefits incapacity leave benefits in the Memphis Conference.

Part D

Resolutions Relating to Rental/Housing Allowances for Retired, Disabled, or Former Clergypersons of The Memphis Conference

(Revision effective January 1, 2014)

The Memphis Conference (the “Conference”) adopts the following resolutions relating to rental/housing allowances for active, retired, terminated, or disabled clergypersons of the Conference:

WHEREAS, the religious denomination known as The United Methodist Church (the “Church”), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church (“Clergypersons”);

WHEREAS, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation;

WHEREAS, pensions or other amounts paid to active, retired, terminated, and disabled Clergypersons are considered to be deferred compensation and are paid to active, retired, terminated, and disabled Clergypersons in consideration of previous active service; and

WHEREAS, the Internal Revenue Service has recognized the Conference (or its predecessors) as an appropriate organization to designate a rental/housing allowance for Clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation;

NOW, THEREFORE, BE IT RESOLVED:

THAT an amount equal to 100% of the pensions, severance, or disability payments received from plans authorized under *The Book of Discipline of The United Methodist Church* (the “Discipline”), which includes all such payments from Wespeth during the period January 1, 2022 through December 31, 2022, by each active, retired, terminated, or disabled Clergyperson who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such Clergyperson; and

THAT the pension, severance, or disability payments to which this rental/housing allowance designation applies will be any pension, severance, or disability payments from plans, annuities, or funds authorized under the Discipline, including such payments from Wespeth and from a commercial annuity company that provides an annuity arising from benefits accrued under a Wepath plan, annuity, or fund authorized under the Discipline, that result from any service a Clergyperson rendered to this Conference or that an active, a retired, a terminated, or a disabled Clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related to the ministry of the Church, or its predecessors, and the elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such an active, a retired, a terminated, or a disabled Clergyperson’s pension, severance, or disability plan benefit as part of his or her gross compensation.

NOTE: The rental/housing allowance that may be excluded from a Clergyperson’s gross income in any year for

federal (and, in most cases, state) income tax purposes is limited under Internal Revenue Code section 107(2), and regulations thereunder, to the least of: (a) the amount of the rental/housing allowance designated by the Clergy person's employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (b) the amount actually expended by the Clergy person to rent or provide a home in such year; or (c) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year. Each clergy person or former clergy person or former clergy person is urged to consult with his or her own tax advisor to determine what deferred compensation is eligible to be claimed as a housing allowance exclusion.

Part E

Current Program/Budget Projection/Funding Request

The Memphis Conference Board of Pension and Health Benefits 2022 budget request will be included in the Conference Finance and Administration Report.

Part F

Memphis Annual Conference Funding Plan for Supplement One to the Ministerial Pension Plan

Please refer to the Joint Distributing Committee Report for 2022 Past Service Rate.

Wespath's actuarial valuation of the Pre-82 plan for the Memphis Conference shows more assets than benefit obligations. We anticipate no additional deposits into this account in the near future.

Part G

CRSP Eligibility and UMPIP Contributions for Part-Time Clergy

The Clergy Retirement Security Plan (CRSP) is for full time clergy under Episcopal appointment. Clergy who are serving three-quarter, half-time or one-quarter time will receive a contribution in the amount of 9% of plan compensation to their UMPIP accounts.

Part H

Active Clergy Health Insurance

In 2021, Wespeth, through Healthflex Exchange, is opening six medical insurance plan options for clergy and their families, billing the annual conference a blended rate. For churches with clergy on the conference plan, premiums billed to the churches will reflect that blended rate in the form of a fixed premium credit. Each church will be billed the same amount of no more than \$13,440 annually.

The clergy then choose the insurance plan that best fits their needs and pay the premium appropriate to their selection through a pre-tax salary reduction.

Dental and Vision coverages remain optional, and those premiums may also be paid in full or in part through a pre-tax salary reduction. Through Healthflex Exchange, there are three dental and two vision plan options from which the clergy may choose.

The due date for submitting premium payments is the 25th of each month, and a 2% late fee will be added for payments received after the due date. Insurance may be subject to cancellation after 90 days of nonpayment.

The Board of Pension and Health Benefits will continue to pay 100% of premiums for those who are on CPP approved disability.

L. District Team. Each district shall have a leadership team.

IV. Pension and Health Plans

A. Pension and Health Plans. The creation of the new conference will require changes to clergy pension and health benefit plans. This work is performed by a Joint Distributing Committee whose members were elected at the 2020 Memphis Annual Conference and Tennessee Annual Conference pursuant to ¶ 1509 of the *2016 Book of Discipline*. This committee works in conjunction with Wespeth Benefits and Investments to perform a scope of work related to pension and health plan benefits as outlined in ¶ 1509 and in previous resolutions of the Memphis and Tennessee conferences. The Joint Distributing Committee's scope of work includes: determining the legal structure of the new Conference Board of Pension and Health Benefits, determining the use of existing reserves from each conference after a thorough review of the restricted and designated status of each fund, determining depositories and investment policies, establishing the Pre-82 Past Service Rate and contingent annuitant rate, develops the procedures for clergy seeking medical leave with CPP disability benefits, developing policy, procedure and funding strategy for special grants, and developing policy, plan design and funding strategy for retiree health care benefits. The Joint Distributing Committee report also incorporates the previous work of alignment of the health plans of the Memphis and Tennessee conferences, and the administration of part-time and lay pensions, such work having been approved by the 2020 Memphis and Tennessee annual conference sessions. The Joint Distributing Committee's report will be published in the conference journals of the 2021 Memphis Annual Conference and the 2021 Tennessee Annual Conference. Until the effective date of any change in pension and health benefits as contained in the Joint Distributing Committee report, the pension and health plans of the Tennessee and Memphis conferences will remain in existence and will continue to be administered separately.

B. Equitable Compensation. Equitable Compensation applications and grants will continue to be handled consistent with the *2016 Book of Discipline*. This budget will be compiled consistent with the requirements of the *Book of Discipline*, primarily paragraphs 611-619. This combined budget will be submitted to the legacy annual conferences for approval and ratified by the TWK Conference at its organizational meeting.

B. Connectional Commitments. A Resolution Approving Formation of a New Conference Connectional Commitment process was passed by the Tennessee Annual Conference and the Memphis Annual Conference at their 2020 sessions. EXHIBIT 1: Tennessee Annual Conference 2019

Resolution Approving Formation of a New Conference

- Whereas:** The Nashville Episcopal Area is comprised of the Memphis and Tennessee Conferences, and
- Whereas:** In 2014, the Memphis and Tennessee Annual Conference delegates adopted the same mission statement: The mission of the Memphis and Tennessee Conference is to discover, equip, connect and send lay and clergy leaders who shape congregations that offer Jesus Christ to a hurting world one neighborhood at a time, and
- Whereas:** We are committed to our mission more than to our geographic boundaries, and
- Whereas:** Over the past five years, the following areas of ministry have been aligned between the two conferences:
- Appointive Cabinets meeting/working together as one
 - Office of Leadership Formation and Development (formerly Office of Ministerial Concerns)
 - provides shared services for both conference (ex: administration, licensing school, Orientation to Ministry, Healthy Boundaries training)
 - Clergy Spiritual Life Retreat combined to serve both conferences
 - Area wide Hispanic Ministries team
 - Area wide New Church Development team
 - Annual Conference Sessions have worshiped and learned around the same themes and speakers, and
- Whereas:** After successful alignment efforts demonstrated increased focus, efficiency and fruitfulness, an advisory team was identified to further pursue what benefits and challenges would be presented by formation of a new conference to include all geographic areas of the current Memphis and Tennessee Conferences, and
- Whereas:** In 2018, the Tennessee Annual Conference and Memphis Annual Conference sessions voted to endorse the intent to move forward with a plan to form a new conference, with the expectation that each Conference will vote to approve a plan for a new conference in 2019, send a motion to the Southeastern Jurisdictional Conference in 2020, and to meet as a fully unified Annual Conference in 2021, and
- Whereas:** Both Conferences directed the advisory team to continue development of a plan to form a new Conference, with particular attention to challenges related to a unified method of funding the budget and a single health benefits plan, and
- Whereas:** The advisory team, as directed by both Conferences, has continued its work on two identified items, those being the methodology used to pay for the Conference budget, including health and pension costs, and the utilization of one employee health benefit plan for both Conferences, and has presented a recommendation related to those matters, appended to this resolution as Exhibit A, (funding plan) and Exhibit B (guiding principle plan for benefits), and
- Whereas:** The advisory team has developed strategic goals and initiatives for the new Conference that are outlined in Exhibit C.
- Now, therefore, be it resolved, that the Tennessee Annual Conference affirms sending a motion to the Southeastern Jurisdictional Conference, for action at its 2020 session, requesting that the Tennessee and Memphis Conferences be joined to form a new Conference, and to meet as a fully unified Annual Conference in 2021;
- Be it further resolved, that the Tennessee Annual Conference endorses the funding plan outlined in Exhibit A, subject to approval by the newly formed Conference as a unified body at its 2021 Annual Conference session;
- Be it further resolved, that the Tennessee Annual Conference endorses the guiding principle plan for benefits outlined in Exhibit B, subject to approval by the newly formed Conference as a unified body at its 2021 Annual Conference session;
- Be it further resolved, that the Tennessee Annual Conference endorses the goals and objectives outlined in Exhibit C, subject to approval by the newly formed Conference as a unified body at its 2021 Annual Conference session.

Be it further resolved, that those appointments to Conference agencies, committees and other bodies that would ordinarily expire at 2020 Annual Conference shall continue through the end of calendar year 2020, so that their expiration will coincide with the effective date of creation of the new Conference.

Submitted by: The Tennessee Conference Appointive Cabinet
Adopted June 13, 2019

**Exhibit A – Resolution Approving Formation of New
Conference Connectional Commitment
Proposed Funding Plan for New Conference**

1. We will ask each local church to remit to the New Conference 10% of their income as reported on line 62 (that line is now 52t) on their annual statistical report to the conference.
2. We will not ask local churches to self-determine their share to remit, rather we will calculate the amount for each church and inform them of their “fair share” six (or so) months ahead of the calendar year.
3. The amount will be calculated on a two year “lagging” method. I.E., the 2021 amount will be based on the 2019 conference statistical reports.
4. This method assumes that Clergy Health and Pension Costs will be direct billed to the local churches and participants, as appropriate, and the only portion of those benefit costs that ends up being included in this funding methodology, is for plan participants that are not appointed to a local church. I.E. District Superintendents, Conference staff, etc.
5. We will no longer use the terms “apportionments” or “tithe” and are suggesting the use of the term “connectional commitment”. We believe that term is more representative of what this is.
6. In addition, there will be a “transition adjustment” beginning at 1% for the first year and declining by ¼ % each year. (See page 2) The purpose of this transition adjustment, is to cover the cost of churches that are unable to contribute their full 10% Connectional Commitment and allow the new conference to work with them to achieve their full Connectional Commitment and or to further reduce conference costs.
7. Our commitment is to reduce this “transitional adjustment” to 0% by the fifth year after the formation of the New Conference and ask for no more than 10% of revenue at that point. (See page 2)
8. We will work with our District Superintendents, Bishop and others to understand the financial costs to the conference for a local church and appointed clergy. While recognizing the importance of our financial support for missional faith communities, we will work with local churches to complete the full payment of their 10% Connectional Commitment and 100% of the cost of Health and Pension benefits for their appointed clergy.
9. We will remain committed to challenging the ways that the conferences fund ministry, holding groups that request budgets accountable to the conference missional objectives and practices of good stewardship.
10. We propose that the New Conference will have one comprehensive budget that is developed with input from appropriate ministry teams and groups, vetted by CFA, and approved by the annual conference. So, there would be no additional budgets for districts and other groups.
11. We propose that local churches would pay their 10% share with no need to designate to any specific portion of the conference approved budget.
12. We believe that this will leave more dollars “in the hands” of local congregations, for them to decide how to spend those dollars most effectively for ministry, while at the same time honoring the stated mission of the Annual Conference and recognizing the power of our connectional system.

**Exhibit B – Resolution Approving Formation of New Conference -
New Conference Medical Benefit Plan Design Guiding Principles**

1. The new Conference will provide medical benefits for our full-time appointed clergy and lay employees of the conference, district, and area.
2. The new Conference will not provide medical benefits for less than full time clergy. However, any participant who meets the definition of “full time” for purposes of the Affordable Care Act rules, will be offered the opportunity to participate in the new Conference’s health plan.
3. The new Conference will provide Affordable Health Benefits to eligible participants, including clergy under appointment to local churches and conference staff (lay and clergy). Any local church that meets the 50 FTE threshold is an “Applicable Large Employer” and will be responsible for providing health benefits to their staff as required by the ACA, except for their appointed clergy who may be participants in the new Conference’s plan.

4. The new Conference will cost share family coverage.
5. The cost of medical benefits will not be an issue in the appointment process because of the use of a blended rate plan.
6. Participation in the plan is mandatory for eligible lay and clergy.
7. The new Conference will provide an Employee Assistance Plan that includes counseling and mental health support.
8. The new Conference will have a wellness program to encourage healthy living.
9. The new Conference will offer tax advantaged medical reimbursement accounts.
10. Our clergy will participate in the cost of their benefit package.
11. The new Conference will provide access to a plan for Dental and Vision coverage.
12. The new Conference will offer a competitive and comprehensive benefit plan.
13. The new Conference benefit package will include a prescription drug plan.
14. The new Conference needs to continue to find ways to reduce the cost of our participant pool.
15. The new Conference benefit package must be affordable for the new Conference and participants.
16. The new Conference will direct bill the cost of the benefit package for each participant. For local church-based participants, the bill will be sent to and paid by the local church, with a TBD cost share split between the church and clergy.
17. The new Conference plan must consider Methodist Health Systems (Memphis) to be "In Network".

toward the Tennessee-Western Kentucky Conference of The United
Methodist Church

Whereas: The Nashville Episcopal Area is comprised of the Memphis and Tennessee conferences, and

Whereas: In 2014, the Memphis and Tennessee annual conference delegates adopted the same mission statement:

The mission of the Memphis and Tennessee conferences is to discover, equip, connect, and send lay and clergy leaders who shape congregations that offer Jesus Christ to a hurting world one neighborhood at a time, and

Whereas: We are committed to our mission more than to our geographic boundaries, and

Whereas: Over the past five years, numerous areas of ministry have been aligned between the two conferences, and

Whereas: After successful alignment efforts demonstrated increased focus, efficiency, and fruitfulness, an advisory team was identified to further pursue what benefits and challenges would be presented by formation of a new conference to include all geographic areas of the current Memphis and Tennessee conferences, and

Whereas: In 2018, the Tennessee Annual Conference and Memphis Annual Conference sessions voted to endorse the intent to move forward with a plan to form a new conference, and

Whereas: In 2019, the Tennessee Annual Conference and Memphis Annual Conference sessions affirmed sending a motion to the Southeastern Jurisdictional Conference, for action at its 2020 session, requesting that the Tennessee and Memphis conferences be joined to form a new conference and to meet as a fully unified annual conference in 2021, and

Whereas: In 2019, the Tennessee Annual Conference and Memphis Annual Conference sessions endorsed a set of goals and objectives for the newly formed conference, as well as a funding plan and guiding principle plan for benefits, and

Whereas: The 2020 Southeastern Jurisdictional Conference session has been delayed due to the COVID-19 pandemic, and therefore, action on formation of the new conference has likewise been delayed, and

Whereas: In accordance with the actions taken at the 2019 annual conference sessions of the Memphis and Tennessee conferences, a resolution has been submitted to the Southeastern Jurisdictional Conference in which it will be asked to take the following action at its 2020 session: that the Southeastern Jurisdictional Conference approve realigning the boundaries of the Memphis and Tennessee conferences to form one new conference known as the Tennessee-Western Kentucky Conference of The United Methodist Church, with boundaries coextensive with the current Tennessee and Memphis conferences, and authorizing such new conference to conduct an organizational meeting consisting of the voting membership (lay and clergy) of the Tennessee and Memphis conferences prior to commencement of the new conference, and to begin operations as a fully unified conference thereafter, all in accordance with a Plan of Union to be adopted by both conferences during their 2021 annual conference sessions and

Whereas: Despite the delay resulting from the Southeastern Jurisdictional Conference postponement, the two conferences wish to continue to align their operations as much as possible to fulfill their jointly-held mission;

Now, therefore, be it resolved, in accordance with the actions taken at the 2019 annual conference sessions of the Memphis and Tennessee conferences, that the Connectional Table of the future Tennessee-Western Kentucky Conference, as well as the committees on Finance and Administration of the Tennessee and Memphis conferences, the trustees of both conferences, the newly-appointed Joint Distributing Committee, and other appropriate stakeholders continue working to develop the Plan of Union for the newly formed conference, to be considered by

each annual conference at their 2021 annual conference sessions, with the goal that such Plan of Union shall govern the creation and structure of the new conference.

Be it further resolved, in accordance with the actions taken at the 2019 annual conference sessions of the Memphis and Tennessee conferences, that the Southeastern Jurisdictional Conference be asked to take appropriate action at its next session in accordance with the resolution that has been submitted for its consideration, as described above.

Be it further resolved, that the Tennessee Annual Conference takes the following actions in order to align the operations of the two conferences from the date of closure of annual conference 2020 until the conferences operate as one under the Plan of Union that will be presented at the 2021 annual conferences:

1. Approval of the new conference ministry structure, which is attached as an appendix to this resolution;
2. Selection of the teams required by the new conference ministry structure, as outlined in the report of the Nominations Committee;
3. Adoption of individual conference budgets, including some joint budgeting for the conferences, which shall be accomplished by separate vote;
4. Ratification of any other contracts necessary for organization and operation of the new conference;
5. Authorizing the execution of any necessary legal documents to finalize and complete the union of the two conferences;

Be it further resolved, that upon union of the two conferences after approval by the Southeastern Jurisdictional Conference, the name of the corporation currently known as Tennessee Conference, United Methodist Church, Inc., be changed to Tennessee-Western Kentucky Conference, United Methodist Church, Inc.; and

Be it further resolved, that the Tennessee Annual Conference approves the merger of the corporate entity called "Memphis Conference of The United Methodist Church" into the corporate entity currently known as the "Tennessee Conference, United Methodist Church, Inc.", but to be renamed Tennessee-Western Kentucky Conference, United Methodist Church, Inc. Such merger to take place after approval by the Southeastern Jurisdictional Conference and all other necessary prerequisites according to law.

Be it further resolved, that the Tennessee Conference Board of Trustees shall be directed and empowered to take all necessary and appropriate steps to effectuate property transfers related to the creation of the new conference.

EXHIBIT 7 – Equitable Compensation Report

COMMISSION ON EQUITABLE COMPENSATION George L. Jensen/Tennessee and Dell King/Memphis, Chairs

The purpose of the Equitable Compensation Commission (ECC) is to support full-time clergy serving as pastors in the charges of the annual conference by: (a) recommending conference standards for pastoral support; (b) administering funds to be used in base compensation supplementation, and (c) providing counsel and advisory material on pastoral support to district superintendents and committees on pastor-parish relations; and (d) submitting an arrearage policy to be adopted by the annual conference. This purpose is consistent with the provision of ¶ 625 of *The Book of Discipline* (2016).

We recommend the following to the conference for action:

I. MINIMUM COMPENSATION LEVELS:

The commission recommends the following minimum compensation levels for 2022. Compensation does not include housing, which is the obligation of the charge, ¶252.4e however a charge without a parsonage is expected to pay a minimum of 25 percent of the minimum compensation amount for housing. Also note that this does not include the local church's fund for reimbursement to pastors for expenses incurred in the fulfillment of their professional responsibilities ("accountable reimbursement"). That reimbursement is in addition to the pastor's salary ¶ 627.

2022

Full Conference, Provisional and Commissioned Members:	\$43,701
Associate Members:	\$41,137
Full Time Local Pastors:	\$40,066

II. QUALIFICATION PROCESS FOR EQUITABLE COMPENSATION

To qualify for an Equitable Compensation Grant, a charge must submit an application to the Commission on Equitable Compensation through their district superintendent. The application will explain in detail why conference funds should be used for this charge, and what efforts have been made to raise the funds needed to pay the pastor's salary. Additionally, the application must explain the goals for the charge and pastor, and how it is engaging in its mission field. The following information must be included with the application:

1. Equitable Compensation Commission Questionnaire
2. Current Clergy Compensation Package approved by charge conference
3. Church Audit or Financial Statement (income statement and balance sheet)
4. Current Year Church Budget
5. Current Year Church Statistical Report (Table 1,2,3)
6. Direct Deposit Form (all payments will be direct deposited into church's account)

The application must be signed by the SPRC or council chair, and district superintendent, and recommended by the cabinet to the Equitable Compensation Commission. If a grant application is approved by the commission, Administrative Services will be instructed to forward the funds monthly to the church's bank using ACH (direct deposit).

At the date of this submission, the appointments for 2021-22 have not been finalized. Therefore, the Commission on Equitable Compensation will meet with the bishop and cabinet from time to time as needed to determine the amount that will be awarded to various charges from this budgeted amount based on justified need and availability of funds.

III. ARREARAGE POLICY

According to *The Book of Discipline* (2016), ¶¶624.1 and 625.2d, the Commission on Equitable Compensation is to submit “an arrearage policy to be adopted by the annual conference”. This policy is to address the situation where a church is slow or unable to pay the agreed upon compensation of its pastor.

1. In the event the local church treasurer becomes aware that the church will be unable to provide to the pastor full payment of a regularly scheduled payroll or housing allowance installment, the church treasurer shall immediately notify both verbally (within 24 hours) and in writing (within three days) the pastor, the lay leader, and the chairs of S/PPRC, finance, trustees, and the administrative/church council of the impending arrearage. Upon receipt of such notice, the chair of S/PPRC and/or the pastor shall immediately (within three days) notify the district superintendent of the impending arrearage. If the pastor does not receive an agreed upon payment and does not receive written notice from the local church treasurer required above, the pastor may initiate this process by notifying the district superintendent within 30 days of the missed payment. It is the pastor’s responsibility to keep copies of all such written notifications and to provide additional written confirmation (see #8 below) to the district superintendent when an arrearage has taken place. Failure to document salary or benefit arrearages may result in a loss of compensation and/or forfeiture of benefits

2. Upon receipt of notice of a pending arrearage, the chair of S/PPRC shall immediately (within three days) call a meeting of the pastor, lay leader, and chairs of finance, trustees, the administrative/church council, and the district superintendent to discuss the financial situation and seek remedies to prevent an arrearage from occurring. Such remedies might include:

- Drawing from invested funds, including short-term borrowing from board-designated funds
- An emergency appeal for special giving from the congregation
- Emergency grants or loans from the district or conference

According to *The Book of Discipline* ¶624.1, such remedies cannot include a reduction in the pastor’s compensation until the beginning of the next conference year.

3. If, after consultation among the lay leader and chairs of S/PPRC, finance, trustees, the administrative/church council, and district superintendent, it becomes apparent that the church may be facing a long-term financial crisis, the chair of S/PPRC shall notify in writing the pastor and district superintendent that an Equitable Compensation Subsidy Grant may be necessary to maintain compensation for the remainder of the conference year, or a change in pastoral compensation or appointment may be necessary at the beginning of the following conference year.

4. If the local church becomes delinquent in the pastor’s compensation (i.e., more than 30 days delinquent), then the district superintendent shall notify the Commission on Equitable Compensation, which on its own initiative may do any or all the following, but not limited to:

- Sending a representative from CEC to meet with the local church and pastor to seek resolution of the issue
- Developing with the local church a payment plan so that the pastor receives full payment of compensation by the end of the conference year. The district superintendent shall be invited to participate in this process.

5. If the local church is already receiving a subsidy grant from the Commission on Equitable Compensation, the commission may also:

- Examine the original subsidy grant application to determine if the amount requested to meet minimum compensation was reduced
- Require an outside audit of all church funds in compliance with GCFA Guidelines (www.gcfa.org)
- Notify the district superintendent of its findings and recommendations in writing

6. ¶ 2543.1 of *The Book of Discipline* (2016) makes clear that no real property on which a church building or parsonage is located shall be mortgaged to pay for the current or budgeted expenses of a local church (including arrearages), nor shall the principal proceeds of a sale of any such property be so used. This provision shall apply alike to unincorporated and incorporated local churches.

- 1340 7. In extreme and unresolved circumstances, the local church and/or pastor may petition a session of the annual
1341 conference, following proper procedures, for assistance in payment of the arrearage not to exceed the minimum
1342 conference compensation standards. However, it is the responsibility of the local church to provide a minimum
1343 compensation for its appointed clergy (§624).
1344
- 1345 8. It is the responsibility of the pastor to provide evidence of an arrearage by providing documentation such as:
1346 treasurer's reports, charge conference reports of adopted salary and compensation, check stubs, W-2 forms, and a
1347 Certification of Payment form signed by the pastor, S/PPRC chair, trustee chair, treasurer, and administrative/church
1348 council chair. If such persons are not making themselves available to sign, the information will be provided with the
1349 signature of the pastor and the district superintendent.
1350
- 1351 9. The statute of limitations for filing a claim for funds from the annual conference (i.e., notification to the district
1352 superintendent of the arrearage) for any salary arrearage is one year from the date of the initial arrearage. Once an
1353 appointment ends the pastor no longer has claim on the local church for compensation funds (§342.4).

 - Plan participants may choose a high deductible (with an HSA) for no additional monthly premium or pay a monthly premium with a lower deductible. For the first time in years, participants with children and/or a spouse will have access to affordable health care
 - For TAC because of some residual reserves from prior years, in 2021 the Conference will bill only 75% of the cost to the local churches and pay for 100% of the Health Care Cost for plan participants not appointed to a local church with those reserves.

Staffing Changes for Missional Fruitfulness in the TWK Conference

We set out on a journey in 2018 to create a new conference by combining the Memphis & Tennessee Conferences. In 2019 we adopted our mission, vision, and values, in 2020 we approved a new structure and in 2021, we approved our Plan of Union which was subsequently approved by the Southeast Jurisdictional Conference. We will officially become the Tennessee-Western Kentucky (TWK) Conference on January 1, 2022.

The Plan of Union, adopted by the legacy annual conferences, tasks the Human Resources Committee (HR) of the TWK Guide Team with the task of continuing to align positions and responsibilities to the new TWK ministry structure. God has richly equipped the area to be the church for the future!

To assist them in this work, we engaged an outside consultant specializing in church and conference personnel structure to review our current staffing levels and assist us in creating a staffing structure that aligns to our mission. As he listened to leaders and led innovative discussions, he noted several ideas that surfaced to guide his recommendations: 1. A staff that supports rather than directs volunteer leaders and teams is essential to decentralize the ministry of the conference and keep funding in the local church. 2. A staff structure that promotes a culture of collaboration and works against siloed strategies is necessary to promote team ministry. Those recommendations have been reviewed by the Guide Team and the HR Committee.

This planning, review, and thought has brought us to the time of moving forward with a new staff structure. It is anticipated that all ministry positions will be on board by October 1st to begin the organizational work of the new conference. The HR Committee is refining job descriptions, reviewing compensation levels, and preparing job opening announcements with the anticipation of posting job openings in early August.

The HR Committee has approved the following staff positions for the TWK conference that will not require posting of the jobs because they are unchanged and have incumbents:

Connectional Ministry Officer (CMO): Melinda Young Britt
Executive Assistant to CMO- Izzie Zimmerman

The Office of Communications will be made up of the following personnel:
Director of Communication- Amy Hurd
Digital Media Specialist- Kylie Marino

The Office of Administrative Services will be made up of the following personnel:

Treasurer/Director of Administrative Services-Larry Davis
Assistant Treasurer/Controller- Clare Wilson
Assistant Benefits Officer- Melinda Parker
Assistant Administrative Officer/HR- Alice Grunau

The following changes will be made:

- The Equip Team will be supported by two positions, a fulltime Ministry Associate, and a Full time Administrative Assistant. The Ministry Associate will report to the Connectional Ministry Officer while the Administrative Assistant will report to the Ministry Associate.

- The Discover & Send Team and the Connect Strategy Teams will also be supported by a Ministry Associate and a Full Time Administrative Assistant. The Ministry Associate will report to the Connectional Ministry Officer and Administrative Assistant will report to the Ministry Associate.
- The Office of Leadership Formation & Development will be absorbed into the Equip Team thereby eliminating this distinct office. Current positions are being eliminated effective Sept 30, 2021.
- The Office of Administrative Services will be realigned and reduced by one staff position effective Sept 1, 2021.

Persons in positions that are being eliminated have been informed by their current manager. It is always a challenge to move through transition. However, the HR team believes that our new TWK staff structure will better accomplish our mission:

To discover, equip, connect, and send lay and clergy leaders who shape congregations that offer Christ to a hurting world, one neighborhood at a time.

Changes also bring about questions. These questions can help us clarify and learn how to live into our new structure in a positive way. As questions arise, please direct those to: info@nashareaumc.org

CONSENT AGENDA

BOARD OF TRUSTEES

Erv Walker, Chair

The Purpose of the Board of Trustees is to receive, hold in trust, buy and sell real and personal property and to invest funds, if any, as prescribed in The Book of Discipline, 2016, Section IV. Annual Conference Property,

¶2512.1-8, in the name of and on behalf of the Memphis Annual Conference. Additionally, pursuant to ¶ 2517 *Responsibilities of Annual Conference Trustees Related to Health and Welfare Institutions*, the Conference Trustees have the responsibility of establishing and maintaining statements of relationship between the Conference and related health and welfare organizations within the bounds of the Conference.

The Board of Trustees has two regular meetings each year, spring, and fall. The board also routinely conducts business via email and phone conferences to minimize the impact of time and travel on the board members as well as to be effective and timely in its work.

The Board of Trustees oversees and/or contributes to the maintenance of four properties on behalf of the conference and aids the districts in completing property transactions approved by prior Annual Conference resolutions. It provides guidance and information as requested in matters pertaining to the full range of former and current property issues.

The Trustees hold the following campus ministry facilities: Murray State University Wesley Foundation, University of Memphis Wesley Foundation and University of Tennessee-Martin Wesley Foundation.

The Trustees voted to approve a property management and brokerage program with A. Anthony Corporation to effectively manage discontinued and abandoned churches across the Conference.

COMMISSION ON EQUITABLE COMPENSATION

George L. Jensen/Tennessee and Martha Dell King,/Memphis, Chairs

The purpose of the Equitable Compensation Commission (ECC) is to support full-time clergy serving as pastors in the charges of the annual conference by: a) recommending conference standards for pastoral support; b) administering funds to be used in base compensation supplementation, and c) providing counsel and advisory material on pastoral support to district superintendents and committees on pastor-parish relations; and d) submitting an arrearage policy to be adopted by the annual conference. This purpose is consistent with the provision of ¶625 of *The Book of Discipline* (2016).

We recommend the following to the conference for action:

I. MINIMUM COMPENSATION LEVELS:

The commission recommends the following minimum compensation levels for 2022. Compensation does not include housing, which is the obligation of the charge, ¶252.4e however a charge without a parsonage is expected to pay a minimum of 25 percent of the minimum compensation amount for housing. Also note that this does not include the local church's fund for reimbursement to pastors for expenses incurred in the fulfillment of their professional responsibilities ("accountable reimbursement"). That reimbursement is in addition to the pastor's salary ¶627.

	<u>2022</u>
Full Conference, Provisional and Commissioned Members:	\$43,701
Associate Members:	\$41,137
Full Time Local Pastors:	\$40,066

II. QUALIFICATION PROCESS FOR EQUITABLE COMPENSATION

To qualify for an Equitable Compensation Grant, a charge must submit an application to the Commission on Equitable Compensation through their district superintendent. The application will explain in detail why conference funds should be used for the charge, and what efforts have been made to raise the funds needed to pay the pastor's salary. Additionally, the application must explain the goals for the charge and pastor, and how it is engaging in its mission field. The following information must be included with the application:

1. Equitable Compensation Commission Questionnaire

2. Current Clergy Compensation Package approved-by charge conference
3. Church Audit or Financial Statement (income statement and balance sheet)
4. Current Year Church Budget
5. Current Year Church Statistical Report (Table 1,2,3)
6. Direct Deposit Form (all payments will be direct deposited into church's account)

The application must be signed by the SPRC or council chair, and district superintendent, and

recommended by the cabinet to the Equitable Compensation Commission. If a grant application is approved by the commission. Administrative Services will be instructed to forward the funds monthly to the church's bank using ACH (direct deposit).

At the date of this submission, the appointments for 2021-22 have not been finalized. Therefore, the Commission on Equitable Compensation will meet with the bishop and cabinet from time to time as needed to determine the amount that will be awarded to various charges from this budgeted amount based on justified need and availability of funds.

III. ARREARAGE POLICY

According to *The Book of Discipline* (2016), ¶624.1 and 625.2d, the Commission on Equitable Compensation is to submit "an arrearage policy to be adopted by the annual conference." This policy is to address the situation where a church is slow or unable to pay the agreed upon compensation of its pastor.

1. In the event the local treasurer becomes aware that the church will be unable to provide to the pastor full payment of a regularly scheduled payroll or housing allowance installment, the church treasurer shall immediately notify both verbally (within 24 hours) and in writing (within three days) the pastor, the lay leader, and the chairs of S/PPRC, finance, trustees, and the administrative/church council of the impending arrearage. Upon receipt of such notice, the chair of S/PPRC and/or the pastor shall immediately (within three days) notify the district superintendent of the impending arrearage. If the pastor does not receive an agreed upon payment and does not receive written notice from the local church treasurer required above, the pastor may initiate this process by notifying the district superintendent within 30 days of the missed payment. It is the pastor's responsibility to keep couples of all such written notifications and to provide additional written confirmation (see #8 below) to the district

superintendent when an arrearage has taken place. Failure to document salary or benefit arrearages may result in a loss of compensation and/or forfeiture of benefits.

2. Upon receipt of notice of a pending arrearage, the chair of S/PPRC shall immediately (within three days) call a meeting of the pastor, lay leader, and chairs of finance, trustees, the administrative/church council, and the district superintendent to discuss the financial situation and seek remedies to prevent an arrearage from occurring. Such remedies might include:
 - Drawing from invested funds, including short-term borrowing from board-designated funds
 - An emergency appeal for special giving from the congregation
 - Emergency grants or loans from the district or conference

According to *The Book of Discipline* ¶624.1, such remedies cannot include a reduction in the pastor's compensation until the beginning of the next conference year.

3. If, after consultation among the lay leader and chairs of S/PPRC, finance, trustees, the administrative/church council, and district superintendent, it becomes apparent that the church may be facing a long-term financial crisis, the chair of S/PPRC shall notify in writing the pastor and district superintendent that an Equitable Compensation Subsidy Grant may be necessary to maintain compensation for the remainder of the conference year, or a change in pastoral compensation or appointment may be necessary at the beginning of the following conference year.
4. If the local church becomes delinquent in the pastor's compensation (i.e., more than 30 days delinquent), then the district superintendent shall notify the Commission on Equitable Compensation, which on its own initiative may do any or all the following, but not limited to:
 - Sending a representative from CEC to meet with the local church and pastor to seek resolution of the issue
 - Developing with the local church a payment plan so that the pastor receives full payment of compensation by the end of the conference year. The district superintendent shall be invited to participate in this process.
5. If the local church is already receiving a subsidy grant from the Commission on Equitable Compensation, the commission may also:
 - Examine the original subsidy grant application to determine if the amount requested to meet minimum compensation was reduced
 - Require an outside audit of all church funds in compliance with GCFA Guidelines (www.gcfa.org)
 - Notify the district superintendent of its findings and recommendations in writing
6. ¶2543.1 of *The Book of Discipline* (2016) makes clear that no real property on which a church building or parsonage is located shall be mortgaged to pay for the current or budgeted

expenses of a local church (including arrearages), nor shall the principal proceeds of a sale of any such property be so used. This provision shall apply alike to unincorporated and incorporated local churches.

7. In extreme and unresolved circumstances, the local church and/or pastor may petition a session of the annual conference, following proper procedures, for assistance in payment of the arrearage not to exceed the minimum conference compensation standards. However, it is the responsibility of the local church to provide a minimum compensation for its appointed clergy (§624).
8. It is the responsibility of the pastor to provide evidence of an arrearage by providing documentation such as: treasurer's reports, charge conference reports of adopted salary and compensation, check stubs, W-2 forms, and a Certification of Payment form signed by the pastor, S/PPRC chair, trustee chair, treasurer, and administrative/church council chair. If such persons are not making themselves available to sign, the information will be provided with the signature of the pastor and the district superintendent.
9. The statute of limitations for filing a claim for funds from the annual conference (i.e., notification to the district superintendent of the arrearage) for any salary arrearage is one year from the date of the initial arrearage. Once an appointment ends the pastor no longer has claim to the local church for compensation funds (§ 342.4).

THE FUTURE TENNESSEE-WESTERN KENTUCKY CONFERENCE

Board of Laity and Lay Servant Ministries

Witness for the 2021 Annual Conference

Who are the laity? We are not ordained clergy. We are not just the lay leaders, committee chairpersons or the Lay speakers in the local church. We are the congregation, those not ordained but equally called to be in ministry.

The future Tennessee-Western Kentucky conference board of laity consists of Bishop McAlilly, the Memphis and Tennessee Conference lay and associate lay leaders, the Tennessee and Memphis directors of Lay Servant Ministries, the Memphis and Tennessee district lay leaders and the district directors of Lay Servant Ministries, presidents of the conference United Methodist women and men, a cabinet representative, at-large Members and the conference director of leadership formation and development.

We have faithfully been aligning the Memphis and Tennessee Conference boards of laity over the past few years to most effectively represent (be the voice) of the laity in all aspects of the future Tennessee-Western Kentucky Conference.

This year we celebrate the great cloud of laity and clergy witnesses that have faithfully laid the foundation equipping and encouraging the laity of today to be all that God has called us to be. The ministry of laity flows from a commitment to Christ's outreaching love. Lay members of The United Methodist Church are, by history and calling, active advocates of the gospel of Jesus Christ. Every layperson is called to carry out the Great Commission (Matthew 28:18-20); every layperson is called to be missional. The witness of laity, their Christ-like examples of everyday living as well as the sharing of their own faith experiences of the gospel, is the primary evangelistic ministry through which all people will come to know Christ and The United Methodist Church will fulfill its mission.

This past year God has inspired laity in new ways to minister to our neighbors fulfilling (Matthew 25:31-46) by feeding the hungry, giving a drink to those thirsty, shelter for the homeless, clothing for those in need, visiting the sick and those in prison.

Lay Servant Ministries (LSM) is one of the most significant lay leadership development programs available within the United Methodist connection. It is a “team” ministry...a partnership of laity and clergy working together in ministry.

And this year more than ever we have taken advantage of this partnership through instructors leading classes, individual sharing planning and technology skills, publicity and other things. This system of equipping and empowering lay servants provides the opportunity for laity to grow as disciples of Jesus Christ who then go and make other disciples.

During the last year, both the current Tennessee Conference Lay Servant Ministries group and the current Memphis Conference Lay Servant Ministries group have been working together to “do” ministry jointly, to provide online training classes in both conferences for the Basic course, advanced courses and for Certified Lay Minister (CLM) course work. These joint classes have made it possible for people from both conferences to “meet” online and be a part of these trainings.

People who serve in LSM have a variety of gifts and strengths and during the past year, we have been very grateful and thankful for those who have the technical skills to be a part of offering these LSM trainings online.

We celebrate that over two hundred ten people participated in Basic and Advanced classes since the fall of 2020. This number includes twenty-five in the Spanish speaking classes. Nine persons have continued their education to work towards becoming (CLM's). In addition, many of our trained laity are assigned to churches providing preaching, care ministry, program leadership, and witness to the community as part of a mutual ministry team.

As the Tennessee and Memphis Annual Conferences include, we the future Tennessee-Western Kentucky Conference Board of Laity, look forward to the future living out Hebrews chapter 12 in our churches, neighborhoods and into all the world: “Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with endurance the race that is set before us, fixing our eyes on Jesus, the pioneer and perfecter of our faith. For the joy set before him he endured the cross, despising the shame, and sat down at the right hand of the throne of God.”

Submitted by your conference lay leaders, George Brown, Janice McCallen, Holly NEal and conference LSM directors Susan Davidson and Dianne Holland.

UNITED METHODIST WOMEN

Meredith Bingham, Conference President

When the legacy of United Methodist Women was started in 1869 there was a securities market panic and through the years there have been many crises around the world bringing us to the pandemic of 2020. Throughout all these United Methodist Women have overcome many different obstacles through their commitment to do God's work to care for people in countries around the world.

Although the pandemic kept us from holding Spiritual Growth Retreats, Mission u, SEJ, etc. at local, district, conference, national levels in 2020, it did not stop us from accomplishing our projects throughout the world and expanding our mission giving by being supportive of our Purpose and each other. Financial commitments were met, prayer warriors were faithful, and the work continued.

September 19, 2020 the officers of the Memphis Conference UMW held our 48th Annual Day at Milan United Methodist Church. At this meeting we gathered to report our mission status for the year, to install newly elected officers, budgets and make plans for 2021. It was our first Annual Day to be live streamed and we had a high participation. We have plans to continue offering in-person and live stream events.

Spiritual Growth Retreat was held at Lakeshore on April 16-17, 2021. No better place to start anew than gathering at Lakeshore. This was our first in-person event and the 48 United Methodist Women attending were ready and happy to gather to further our spiritual growth with our guest author, Jane Rubietta, *Worry Less So You Can Live More*.

This year's Mission u will be a hybrid - opportunity to join in by Zoom will be available. Rebeca Grinstead will lead the study *Finding Peace in an Anxious World*. Marlene Simpson will lead the study *Bearing Witness in the Kin-dom: Living into the Church's Moral Witness through Radical Discipleship*. We will be joining with our sisters from the Tennessee Conference to offer a virtual youth study: *Becoming Peacemakers in a Culture of Violence*. We are excited about this new adventure and hope that many will join us for this important education event.

United Methodist Women of the Memphis and Tennessee Conference began in January, 2021 the process of merging our two conferences. I am delighted to report this task is moving along quickly and smoothly. There is much to be done but we are all in agreement we will be united as one January, 2022 with a very smooth transition into the new Tennessee Western Kentucky Conference.

Memphis Conference United Methodist Women, I want to thank you for your continued hard work and for your love of Christ which allows you to do this work. We will continue the legacy!

UNITED METHODIST FOUNDATION FOR THE MEMPHIS AND TENNESSEE CONFERENCES

The Reverend Dr. Philip Jamieson, President

“Six days later, Jesus took with him Peter and James and John, and led them up a high mountain apart, by themselves. And he was transfigured before them, and his clothes became dazzling white, such as no one on earth could bleach them. And there appeared to them Elijah with Moses, who were talking with Jesus. Then Peter said to Jesus, ‘Rabbi, it is good for us to be here; let us make three dwellings, one for you, one for Moses, and one for Elijah.’ He did not know what to say, for they were terrified. Then a cloud overshadowed them, and from the cloud there came a voice, ‘This is my Son, the Beloved; listen to him!’ Suddenly when they looked around, they saw no one with them anymore, but only Jesus.” (Mark 9:2-8) I write this during our celebration of Easter, our Lord’s triumph over death and anything else that would stand between us and the abundant life that he promises and provides. The transfiguration recorded in the scripture above is a foretaste of Jesus’ resurrection. I am in my third decade thinking about, teaching and preaching about Jesus’ Transfiguration. Perhaps I am rather slow, but I am not sure that I fully understand what is going on here. Probably the honest thing to admit is after thirty years, I have some hints and guesses. Miracles, of course, are not unusual in the Gospels. However what is strange here is that Jesus, rather than acting, is being acted upon. It turns out that this pre-resurrection event is the greatest manifestation of his glory. What I marvel at, is that this is not something that he does, but rather, simply who he is. For a moment, those terrified disciples see him as he really is (or at least to the degree they can handle) and so do we. The detail that stands out for me this time is the conversation; not Peter’s half-baked idea about three shrines, but the unknown conversation among Jesus, Moses and Elijah. Unknown from Mark because he is always in such a hurry, Luke (9:31) tells us that they were speaking about Jesus’ “departure,” his death in Jerusalem. One thing that Moses and Elijah had in common was the unusual nature of their deaths. Moses dies alone before God who buries him. Elijah apparently does not die at all but is translated directly to heaven on that chariot that “swings low” for him. And then there is Jesus. What awaits him and what astounds Moses and Elijah is that this one who is the fulfillment of all the Law and the Prophets is about to die in a very public way in the most manner. The one who inspired Moses and Elijah is now moving toward Jerusalem in order to die publicly humiliated with no glory, only shame. Is it not odd that in the end, the greatest manifestation of our Lord’s glory, that the talk turns to the cross? His glory is most manifest in his service.

The United Methodist Foundation for the Memphis and Tennessee Annual Conferences seeks to serve the people and churches of the Memphis and Tennessee Annual Conferences. Even with the first quarter difficulties of the markets, we had another excellent year of performance with over an 11% return in the Foundation. Along with that, the Development Fund continues to provide a 2% return on both individual and church accounts. Beyond our service of strong market returns, we served the two annual conferences with over \$120,000 in grants. We are thankful to be a part of Christ’s great service.

We are also pleased to announce that we were recently awarded a grant from the UMC Clergy Well-Being Initiative. This award is funded by a grant to the General Board of Pensions and Health Benefits of the UMC by the Lilly Endowment Inc.

Working in conjunction with the Memphis and Tennessee Annual Conferences, the grant will be used to help establish and fund pilot groups. These groups are focused upon personal finance for clergy and will utilize the recently published *Saving Grace* curriculum. Over a two-year period, a pilot clergy group will be launched in each of the nine districts of the Memphis and Tennessee Annual Conferences. Each clergy person selected for the groups will be given a Saving Grace Leader's kit in order to offer the class in their ministry setting.

Following completion of the curriculum, individual financial coaching and counseling will be made available to all participants. We are very thankful for this opportunity provided by the Lilly Endowment. We do believe that this program has the potential to strengthen both individual finances and to help local churches become better stewards of all that the Lord has provided them.

Thank you to all those who already invest with us. We look forward to working with the local churches of the Memphis and Tennessee Annual Conferences now and with the future Tennessee-Western Kentucky Annual Conference.

GENERAL BOARD OF HIGHER EDUCATION AND MINISTRY

The General Board of Higher Education and Ministry (GBHEM) announced its blueprint for the future, “Our Road Reimagined,” in 2020. The plan details the realignment of GBHEM’s culture and organizational structure to allow the agency to further its mission in a more effective, innovative and sustainable way. The creation of the plan was the result of a months-long process to survey and remodel the agency to set a course that is more collaborative, diverse and equitable at all levels.

While our approach is transforming, GBHEM’s mission is not. We remain committed to helping United Methodist lay and clergy leaders discover, claim and flourish in God’s call on their lives.

Over the last quadrennium, the world, The United Methodist Church and our constituents’ needs have changed considerable. To address those shifting needs, we are adapting culturally, strategically and operationally to successfully carry out our important mission and ministry well into the future. We are developing an innovation mindset we know will be important moving forward.

- Last fall, GBHEM began carefully redesigning our organization to transition to a more cross-functional culture with three primary areas of focus: **Constituent Relations and Services; Product Innovation and Implementation; and Administrative Relations and Services.** This structure is allowing us to be more effective, agile and sustainable.
- Further, these changes are aligning our Ordained Ministry and Higher Education teams strategically, creating more intentional collaborations, and building greater connection between the Church’s pastoral and academic ministries.
- The agency’s realignment also includes initiatives to reinvigorate our commitment to diversity, equity, and inclusion, and further strengthen our global focus. Our new structure opens the door for fresh opportunities, collaborations and partnerships and becoming more entrepreneurial and creative in our approach.

GBHEM looks confidently to the future. We are taking bold steps to remain good stewards and evolve in service to Christian leaders in a significant way throughout the Church, the Academy and the world.

regardless of the shifts and changes we are all experiencing, the same spirit of service and leadership that first inspired John Wesley lives on in each of us. We have been called in new and transformative ways. GBHEM is excited to share more with you in the months ahead. We invite you to connect and collaborate.

HINTON RURAL LIFE CENTER

Hayesville, North Carolina

Mission statement: Inspired by Jesus Christ, Hinton Rural Life Center's purpose is to engage individuals, congregations, and communities in transformation through retreat ministries and missional outreach.

Hinton Rural Life Center is blessed to have secured a strong foundation over the past decade and with the generosity of The Duke Endowment, North Carolina Health Foundation. The Nantahala Health Foundation, Dub and Murray Martin, the Payroll Protection Program, and our donors. Hinton was also blessed with an incredible giving response in 2020 from individuals, churches, and other organizations - with a 46% increase over 2019 giving. All of this financial support enabled Hinton to continue to cover the cost of operations and to reach out in mission and ministry over the past year.

One of Hinton's greatest assets is the talented and dedicated staff. Even through lay-offs and payroll deductions required to navigate cash flow in 2020, Hinton staff facilitated online webinars and summer staff training, hosted a virtual missional training event for young people, implemented and maintained new cleaning and operating protocols, and creatively and safely met needs in the community through the Safe & Healthy Home Repair ministry, firewood ministry, garden ministry, and Christmas Care.

- Over 460 households were served, which included 84 home repair projects and over 300 children receiving new clothing items for Christmas.
- Over 450 truckloads of firewood were distributed, an increase of 80 loads from 2019.
- Over 1150 pounds of garden produce was shared through local food pantries and with guests, up 300 pounds harvested from 2019.

As for 2021, there is excitement and enthusiasm about:

- Campus enhancements: renovating the McCall Retreat House and Sells Cottage for families and small groups; improving and creating new “Sanctuary” trails and gardens; updating disc golf course.
- Partnering with a local medical provider to further connect Hinton’s home repair ministry with improving the health and safety of the neighbors served.
- Continuing to offer virtual equipping and learning opportunities for young people that include summer staff training, Hinton YouthLead Academy, Youth Leadership Chatuge, and Staffers-in-Training. These are bearing fruit as participants are discerning calls to ordained ministry! Also being planned is a confirmation retreat ministry to launch in Spring 2022.
- Celebrating Hinton’s 60th Anniversary, as an agency of the Southeastern Jurisdiction of The United Methodist Church, with special events that recognize and give thanks for 60 years of fruitful mission and ministry for the glory of God! Hinton is honored to have Bishop Ken Carter as guest preacher at the Service of Celebration on September 25.

Located in the southwest corner of North Carolina in the Appalachian Mountains on Lake Chatuge, Hinton Rural Life Center is dedicated to serving all with retreat and renewal ministries; mission outreach opportunities for individuals, families, and church teams; and equipping and discipleship programs that impact individuals, groups, and congregations for transformational ministry in their own communities.

MEMPHIS CONFERENCE UNITED METHODIST MEN

Randy White, President

Have mercy, what a year! With the Covid Pandemic shutting down our country for most of the year, our churches and servants of God continue to function. Though for awhile we could not gather in our sanctuaries, serving our Master was still our priority.

We all know that we (UMM) have been trying to reach the “younger men” of this world and draw them to Christ. The limitless use of the electronic media in our meetings, functions, and services seems to be attracting more of this group. So, when we get back to some kind of normalcy, we need to continue to include some media in our activities.

As I have talked to the “district leaders” in this conference, we all understand there is no “written in stone” plan to building successful Men’s Program.

Each district and churches in each district, have different interest. The leaders of each district should rethink what the men’s ministry should be about in order to serve the needs of men and their congregations. They need to think in terms of what their men need going forward and not what has been.

Finding some type of project to complete is an excellent way to build stronger groups, therefore a stronger church. With strong leadership and clergy support, you will have a great start to a successful experience.

Clergy support is a must for a men's group to be a positive ingredient for a strong church. When clergy participate in activities, are vocal in their support, and are very appreciative of men's involvement, numbers and involvement increases.

Most importantly, it is vital to have a message of faith in all your activities. Our goal as "Men of God" is to lead men to CHRIST!

This past year has presented many, many opportunities for men's groups to reach out in their communities. Working in food banks, meals on wheels, minor home repairs, weather related disasters, providing scholarships, supporting sports teams, raising money for Reelfoot, Lakeshore, Upper Room Prayer Line and Exceptional Worship are a few examples. For years men of this conference have answered the Upper Room Prayer Line.

Also, The Memphis Conference and The Tennessee Conference are in the beginning stages of merging together and forming the Tennessee-Western Kentucky Conference. It is scheduled to launch in January 2022. May God's blessing be upon this merger and his guidance with all people making these decisions. Hopefully we'll be the greatest conference in the Methodist Church.

God Bless,
Randy White

METHODIST LE BONHEUR HEALTHCARE

Michael Ugwueke, President and Chief Executive Officer

At Methodist Le Bonheur Healthcare (MLH), our mission is to collaborate with patients and their families to be the leader in providing high quality, cost-effective, patient and family-centered care. Services are provided in a manner which supports the health ministries and Social Principles of the United Methodist Church to benefit the communities we serve.

MLH continues to make a tremendous impact on the health of the Mid-South, both inside and outside of hospital walls. Leading MLH in that effort is our President and Chief Executive Officer, Michael Ugwueke. 2020 was of course an immensely difficult year for the entire global community because of the COVID-19 pandemic. Healthcare systems like MLH faced challenges never before seen, and the resilience, compassion, and heroism displayed by our MLH associates was truly inspiring. In 2020, MLH cared for over 4,000 COVID inpatients, delivered over 5,000 babies, and performed 240 solid organ transplants. MLH embraced innovation and adaptation to provide constant care for our community, performing nearly 40,000 patient visits by telehealth and virtual connections and transitioning 2,000 associates to work from home and other remote locations. MLH worked tirelessly to ensure that associates had needed personal protective equipment through supply chain work and even by engineering over 3,000 face shields in-house and re-processing over 10,000 N95

2021 Memphis Conference Journal

facemasks. In the midst of all this, MLH also achieved the prestigious ISO 9001 certification, the gold standard for quality and safety processes, the only hospital system in Tennessee or Mississippi to do so.

The faith-based mission of MLH continues to be the foundation of all that we do. Leading us in that mission is Dr. Albert Mosley, Senior Vice President and Chief Mission Integration Officer for MLH. Dr. Mosley leads the Mission Integration Division, which includes all of our clinical chaplaincy services, volunteer services, the Employee Assistance Program and Dennis H. Jones Living Well Network, the MLH Foundation, Clinical Pastoral Education, the Center of Excellence in Faith and Health Equity, the Humanitarian Fund, United Methodist annual conference connections, the Office of Community Outreach, the Congregational Health Network, and many other initiatives and projects. Mission Integration offers guidance and direction for the integration of MLH's mission, vision, values, and guiding behaviors, especially from the perspective of the Social Principles of the United Methodist Church. Additionally, Mission Integration ensures that the relationship with the United Methodist Church and relevant social, ethical, and pastoral teachings are understood and integrated appropriately and consistently across the entire system.

In 2020, Mission Integration programs and associates bravely faced the COVID-19 pandemic, adapting and working to make sure that our communities still had access to needed care and resources. Our chaplains offered spiritual care for patients, families, and associates and also set up a spiritual care hotline for the community to access. Programs like My Sister's Keeper and BookNook continued virtually to maintain vital connections. Mission Integration led the effort to establish a health center at LeMoyne-Owen College in Memphis, the first of its kind on that campus. The Congregational Health Network (CHN) and Office of Community Outreach helped distribute hundreds of thousands of dollars in grant monies to assist families in need with rent, mortgage, and utility payments. Early in 2021, the CHN has also connected thousands of eligible community members to COVID-19 vaccines. Equally important were our partnerships with local churches, who hand-made and delivered more than 10,000 face coverings to help associates, visitors, and community members prevent the spread of the virus in the spring of 2020. Our Foundation raised thousands of dollars for a dedicated COVID relief fund, and the Humanitarian Fund distributed hundreds of thousands of dollars to associates and their families in need of assistance. Our Family Care Center facilitated Zoom calls so that patients could stay connected with loved ones.

We are deeply appreciative of the support of the three annual conferences who founded our system and continue to be vital partners. The healing ministry of Christ continues to be at our center.

GOLDEN CROSS SENIOR MINISTRIES, INC.

David Kabakoff, President

GOLDEN CROSS Senior Ministries, Inc. has a mission, "To enhance the quality of life for all seniors served by Wesley Living."

"Mr. G moved into a Wesley Living community. He had been living in his car due an unfortunate marital situation. He stated the GOLDEN CROSS assistance brought him to tears and reassured him that there is a God in Heaven. He feels as if his life has been turned around and the GOLDEN CROSS and Wesley Living is to credit. Through prayer the GOLDEN CROSS was an angel sent by God, as the resident stated with tears of joy."

"Mr. S stated that the items she received from GOLDEN CROSS she was very grateful for. She stated she was a live-in care caregiver and that her patient unexpectedly went an assisted living facility leaving her homeless and with nothing. GOLDEN CROSS gave hope to a hopeless situation and allowed the resident to

2021 Memphis Conference Journal

regain a sense of dignity. Dignity as well as stop her from feelings of hopelessness. Ms. S said, "I now feel as if I am somebody and not just a number in a soup line."

100% of all monies donated to GOLDEN CROSS Senior Ministries go directly to the benefit of the senior residents of Wesley Living communities. Why? Because no senior should ever have to travel life's journey alone!

Even with the challenges faced during the pandemic, GOLDEN CROSS was able to fulfill our mission and ministry. 33 formerly homeless seniors had their new found shelter turned into sanctuary. \$38,087 was invested providing basic furniture, household items and cleaning supplies. 44 of the most 'Frail' residents received personal support like bathing, dressing and house cleaning through the Personal Support Services scholarship program. \$36,187 was spent providing social interactions to fight loneliness and isolation. Over \$30,000 was spent providing individual resident Christmas gifts and catered Christmas meals for each resident.

GOLDEN CROSS Senior Ministries now serves the needs of the approximate 2,200 senior residents living in the 29 Wesley Living affordable housing retirement communities in West Tennessee, Murray KY and Jonesboro, AR. GOLDEN CROSS Senior Ministries supports those dear residents with daily use items, financial assistance and social activities. That support can't happen without the generosity of God's angels throughout our service area.

There are four main initiatives undertaken by the mission of GOLDEN CROSS Senior Ministries: the Resident Support fund provides material individual support and social interactions and activities, The Homeless Initiative provides interventions for homeless seniors moving into a Wesley Living community, Personal Support Services Scholarship provides personal care support for the most "frail" residents and the Endowment Fund that represents a "permanent" legacy gift protecting the future.

Your support, prayers, encouragement and donations truly transform lives one need at a time.

Thank you for your continued support.

Blessings,

David

HANNAH'S HOPE

Rev. Trina Bell Morrison, Executive Director

Dear Friends of the Memphis Annual Conference,

I bring you this report on behalf of the staff and Board of Trustees of Hannah's Hope as we prepare to celebrate the final gathering of the Memphis Annual Conference. We are completing our 18th year of ministry with

2021 Memphis Conference Journal

pregnant women in crisis and their vulnerable children and prospective adoptive families and like everyone, we have found ourselves adapting almost everything we do in order to continue to serve our clients during the COVID-19 pandemic. “Blessed are the flexible” has long been our mantra, but the past year has taken that to new heights.

Not only did we have to adapt the ways in which we serve our clients, but our Board had to adapt plans for fundraising to meet aggressive goals in a pandemic world. Their efforts brought forth record-breaking results as Hannah’s Hope raised over \$100,000 for the first time in history. You may recall that we had to change our business model and increase our fundraising efforts after more than 90% of our 2019 clients were able to make successful parenting plans which significantly impacted agency revenue from adoption fees. We are so very thankful for each individual donor, each small group and Sunday School class from around the conference, our Partners in Hope churches, the JOY Circle of Germantown UMC and the Metro District whose financial support enabled us to continue our ministry with pregnant women in crisis and their vulnerable children during a tumultuous pandemic year.

During the past year, in spite of the challenges of ministry during global pandemic:

- ❖ **Hannah’s Hope provided 2000+ hours of counseling and/or case management to vulnerable mothers and their children**
- ❖ **Hannah’s Hope provided extraordinary levels of case management and hands on care for 2 very special children with complex medical needs and ensured that they will have ongoing services through the federal Adoption Assistance program.**
- ❖ **Hannah’s Hope staff completed training in the areas of Infant Mental Health and Child/Parent Psychotherapy to better serve our clients and their children and were approved as a Child/Parent Psychotherapy Provider for the TN Dept. of Children’s Services.**

We are proud to be a growing, loving ministry dedicated to the healing of God’s children (pregnant women, families seeking to adopt, and children who need to be adopted) through adoption and pregnancy counseling. Our ministry is focused on “Engaging the Mission Field” all over West Tennessee and we live out the mission statement of the Annual Conference as well by “offering Jesus Christ to a hurting world” on a daily basis.

We are so thankful for the individuals, UMW Circles, Sunday school classes, and congregations who support the ministry of Hannah’s Hope through contributions to the Partners in Hope initiative and by filling Baby Bottles of Hope. It is only with this support that we are able to provide birth mother care bags for our clients after they give birth, provide free counseling to pregnant women in crisis situations, offer free consultations to couples seeking to discern whether God is calling them to adopt and stand in the gap for children in need of a new, forever home. We also appreciate each one of you who has taken the time to add a link to the Hannah’s Hope 2021 Memphis Conference Journal

website (www.hannahs-hope.org) and our Facebook page to your church website so that we may better connect with those who need us around the conference.

May the Grace and Peace of Christ be with you all...

WESTERN KENTUCKY UNITED METHODIST FAMILY SERVICES

Timm Fair, Chair

Western Kentucky United Methodist Family Services (WKUMFS) is a 501(c)(3) Foster Care Support Agency of the future Tennessee-Western Kentucky Conference of The United Methodist Church. Its ministry aligns perfectly with the future Tennessee-Western Kentucky Conference Mission; especially *offering Jesus Christ to the hurting world, one neighborhood at a time*. The Holy Scriptures in **Proverbs 31:8-9** says: *Speak up for those who cannot speak for themselves; ensure justice for those being crushed. Yes, speak up for the poor and helpless, and see that they get justice.*

The oppression of children entering foster care comes primarily from neglect or drug abuse by their birth parents. There are about 9,145 children in foster care in the state of Kentucky deprived of the normal blessings of a healthy family environment. WKUMFS engages this mission field in The Purchase District by establishing connections with social workers and foster parents as it prays for and serves these hurting children.

WKUMFS' Mission is threefold: 1) Provide for the care and maintenance, support and education of foster children and foster families. 2) Transform local churches by informing them of the ever-present need for foster parents, respite parents, and adoptive parents. 3) Develop foster children into good citizens of the community through experiencing the love of Jesus Christ.

The WKUMFS Board of Trustees consists of volunteer laity and clergy from local area United Methodist Churches along with Purchase District Ministry leaders.

Psalms 94:19 *When doubts filled my mind, Your comfort gave me renewed hope and cheer.*

Local United Methodist Congregations

2021 Memphis Conference Journal

You Can Provide Comfort to Foster Children & Foster Parents!

When congregations are inspired and equipped to help foster and adoptive families: Every child is cared for, every family has hope, congregations are strengthened, and communities are healthier and safer.

- Become a Foster or Adoptive Parent or Respite Care to Parents
- Start a Prayer Initiative for Foster Children & Parents
- Host an Adoption/Foster Care Awareness/Training Event
- Host Special Events for Foster Children such as Easter Egg Hunts & Fall Festivals
- Volunteer to Serve on a Citizen Foster Care Review Board
- Join the WKUMFS Board of Trustees or Donate

Improving the life of foster children is the measure of success. The Kentucky Foster Care program measures success against its permanency goals. They are 1) return to birth parent, 2) permanent relative placement and 3) adoption. There are 241 children awaiting adoption in Western Kentucky. Foster parents often adopt their foster children after bonding with them. Jesus described the final judgment in **Matthew 25:40** *"And the King will say, 'I tell you the truth, when you did it to one of the least of these My brothers and sisters, you were doing it to me!'"*

Thank You to All Who Have Supported This Ministry!

WESLEY LIVING/WESLEY SENIOR MINISTRIES/WESLEY MISSION

Jim Nasso, Chief Executive Officer jnasso@wesleyliving.com / 901.380.4900

"In response to the love of God, our mission is dedicated to providing excellent housing and services which enhance the quality of living for elderly persons and their families"

Wesley Housing Corporation of Memphis, Inc. d.b.a. Wesley Living, Wesley Senior Ministries, Inc. and Wesley at Graceland, Inc. d.b.a. Wesley Mission is essentially about people - elderly residents and at-home clients, staff, pastors, executives and boards of directors - necessary to the mission of enhancing the lives of older generations. Please visit our website at www.wesleyliving.com.

2020 was a year like none other in the lives of those reading this report. The pandemic affected the daily activities of each one of us including the more than 2200 residents and clients Wesley Living cares for daily. Wesley Living's **Core Values** of **Service, Compassion and Integrity** were on display and lived daily. The virus made its way to almost every community and with it we lost some precious residents.

Since last year's Annual Conference our organization's focus has not wavered from its service-oriented areas with the goal of enhancing the quality of life for the elderly. These areas are Ministry, Preservation, Staff development and the Future. Ministry is at the heart of our purpose and Pastoral care is a key to the lives of those we serve. We are finding more and more residents wanting one-on-one care requiring more dedication to this and what is sometimes a very specialized service. Reverend Dennis Neenan, now fully retired from the conference, has gracefully continued to serve our residents on a contractual basis while we seek to identify his replacement. Almost every community continues to be served by a United Methodist pastor located in close proximity. This would not be possible without the ongoing cooperation of the active clergy and several retired clergy who remain committed to serving in addition to their respective district superintendent.

Providing affordable housing and assisted living as the largest part of our ministry. The goal is to continually update the existing while expanding the services being provided. During 2020 our ministry was once again notified that two additional communities will be awarded Low Income Housing Tax Credits to acquire and preserve St. Mary Manor in Jackson, TN and Wesley Pine Ridge in Paris, TN. The closing and physical work will begin late in 2021.

Wesley Home Services provides non-medical, in-home assistance services which range from companionship to housekeeping to personal assistance. Despite the pandemic, it has been a refuge for many seniors who have remained in their homes.

No amount of ministry, preservation or genuine caring can be provided without a compassion filled quality staff committed to our **Core Values**. Our efforts to provide a living wage and competitive benefits have not wavered and while great strides continue, the labor market remains difficult. Careers are to be found at Wesley Living and encourage everyone to inquire if a faith based organization is of interest for their career path.

The number of elderly needing quality, affordable housing and services continues to grow. Wesley Living is a premier provider and remains committed to solving these social issues. Wesley Living also remains committed to expanding the number of elderly served when possible.

GOLDEN CROSS Senior Ministries, Inc. continues to be a strong partner providing answers to resident needs. Please see their report in the Journal.

We sincerely appreciate your prayerful support and continue to value our effectiveness in how the lives of the elderly are improved every day. Today, we re-commit ourselves to honor this connection and to live out our mission "In response to the love of God..."

LAKESHORE CAMP & RETREAT CENTER

Rev. Gary D. Lawson, Sr, Executive Director

I would love to be sharing with you the numbers of guest groups, campers, and DayShore participants that we usually do when we send out our Annual Report. In a pandemic, that would not be very impressive to say the least. I can say, however, that 2020 was an extraordinary year. We discovered who we are as we faced the need to call upon our friends and camp family to help us, literally, survive. In that same act of dependency, we were awed by the supportive community that came together to make sacrifices and share resources to see us to safety. We sought new ways to be in ministry in a virtual world, maintained our connection to the beautiful people that make us who we are, developed vital safety protocols in the fight against an unwelcome intruder (COVID-19), and witnessed sacrifices by our staff that we were only possible by the Grace of a Loving God.

Perhaps our boldest act was to take on an abbreviated Summer Camp Season following all the protocols we had put in place. As one of only 12 United Methodist Camps in the nation offering camp, we functioned strictly within our cabin groups, remained socially distanced, did all outdoor activities, including

free time GaGa ball, in our living cohorts, and wore masks while we sang or moved around. Our commitment during our 5-week camp experience was to always remain transparent. We were prepared to immediately shut down if we came to a point when we could not be confident in the safety of our community. We almost made it, but camp ended a day and a half sooner than we planned. Our sorrow in having to do that was tempered by our pride in knowing that our protocols worked.

Our first week of Covid Summer was Senior High Camp. The campers were amazing and followed the plan with zero complaints. At about the mid-point in the week, I noticed three female campers working on a project with their masks in place. I went over to them to share in what they were focused on. Somewhere in the moment, I apologized for their needing to wear their masks. They all looked up at me. One of them with tears forming said, "No, please, we are just so thankful you are doing this for us." I will not forget that moment as an affirmation that God was doing something worthwhile.

When we had to cut our last camp short, we could see the disappointment on the campers faces, but they still did not complain. One mother told us a couple of weeks later that she expected her campers to gripe all the way home about the short week but especially having to wear masks. To her surprise, they talked about how much fun they had, the activities they did, the songs they learned, and the worship they got to go to nightly. Camp is camp, even with a few masks in the way.

Despite the short summer at 50% capacity, we still were blessed to witness 3 baptisms and 2 formal reaffirmations of faith. That makes 13 and 7 over the past 3 years. Those do not include the number of already baptized young persons who share about their sacred moments of spiritual growth throughout a week on the Shore. Imagine how many campers grow in their faith without telling us about it.

Obviously, during an extraordinary time like 2020, limited funding, staff layoffs and cuts in hours, we had to defer several maintenance projects. We celebrate the hard work of the Reidland UMC Men's Ramp Builders, headed by Joe Burkhead, for the many hours they put into rebuilding the handicap ramp at the conference center. They even included 3 nice breakout areas along the ramp for our guests to enjoy.

Because of the support of our friends, former staff, camper families, and all our generous donors making timely gifts, I am confident that we will be able to make it through what will be a down year in 2021 as the pandemic begins to fade (hopefully). Congratulations to the Purchase District churches for outreaching the others in our Color Cup Challenge. It was a close match all around, and we thank all the participating churches of the Memphis Conference for their great support. Cabin 17, our team of monthly supporters, has grown to over 110 participants, and our 4-Square Club of committed \$1000 donors, are the source of untold blessings that will continue to come as we go forward. We still need you. We depend on you in a regular year too. There will be lots of catching up to do when something called normal happens. For what you all have done, Thank you, Thank you, Thank you!

For Life, Love, and the God of Grace,

Papa G Reverend Gary D. Lawson
Sr. Executive Director

UT MARTIN WESLEY FOUNDATION

Rev. Amanda Crice, Campus Minister

UTM Wesley Foundation is an extension ministry of the Memphis Annual Conference of the United Methodist Church whose mission is to *DISCOVER, EQUIP, CONNECT and SEND lay and clergy leaders who shape congregations that offer Jesus Christ to a hurting world, one neighborhood at a time.* UTM Wesley lives into this larger mission through their own mission statement: *offering diverse Christian community that empowers students to explore faith and discover grace in order for all to develop a strong, confident foundation in God's Kingdom.*

Our Core values can be summed up with CONNECT, GROW, and SERVE. These values are largely entrusted to the student leadership team who are the frontline stewards of our mission and values. The board supports and bolsters the student leadership with oversight and guidance. Our ministry is intentional to offer a place for students to cultivate meaningful connections with one another, with their campus community, with the Martin community, with regional churches and with the larger global mission of the United Methodist Church.

This past year has been incredibly challenging. With students who are weary and worn from the online learning experience, and our forced distance from gatherings among ourselves and with supporting churches, we have had to be nourished by memories of past connectional opportunities and dreams of what's possible in creative forms of connection. Nevertheless, we would like to share the following celebrations from this year:

1. We have seen **outstanding leadership** from our Wesley Board and Student Council Members. Starting this summer the students who had applied to be in leadership positions began meeting and brainstorming about ways we could offer meaningful ministry in safe and responsible ways. Without the fun of our annual team building leadership retreat away they spent two full days imagining scenarios, learning about safe practices, and writing programing and safety guidelines for our facility. They spent several hours creating sanitation stations, making and hanging signs and adapting our programing. And, they were faithful to show up for our efforts even when the restrictions made the pay-off feel much smaller. In partnership and in parallel, the Wesley Board began meeting bi-weekly at the end of July and continued to do so through September to monitor cases and help us navigate safe decision making. Our year would not have been possible without the above and beyond efforts and support of our leadership teams.
2. Our **bi-weekly podcast** was one fruitful opportunity born of the thinking outside of the box this year necessitated. Our worship intern has worked very hard to create, write, and produce this effort. She engages a variety of guests on a variety of meaningful topics that all help to form us as better disciples. Since the launch of our first episode in November 2020 we have had over 250 downloads and we have hosted totals of 18 active students, 8 engaged community members and 4 alumni on our episodes.
3. We developed **multiple weekly small groups** in order to continue to engage students in spiritual growth and offer community and connection. Following church and university protocol guidelines we hosted groups of 10 or less students. As often as weather allowed we hosted these groups outside in space that our students worked hard to renovate and make welcoming. One particularly successful group was the Awakened Life small group that used curriculum that was developed and provided by the General Board of Higher Education. Its focus on mental health and spiritual tools for navigating difficulties proved to be an excellent and needed resource for our students.
4. Our stewardship and development intern took on the task of adapting our **weekly meal ministry**. Pre-COVID, not only was our weekly meal a crucial component of our programming for students, it also provided a meaningful way to engage and connect with local congregations. Most weeks members of local congregations would provide the meal, then stay to eat and worship with the students. In order to do our best to maintain that ministry our intern created a weekly to-go meal opportunity. This student took over communication and scheduling with the local churches and invited a handful of people to our weekly distribution so congregations would still have face time with students.

We have been serving between 25-40 student meals per week throughout this school year and we have engaged 8 different supporting church groups who rotate in providing the meals.

5. We have continued to find safe ways to **serve**. Although many of our normal outlets for service opportunities have changed, we have continued to offer a helping hand to Martin FUMC in their weekly meal ministry to Wesley Senior Center and to college students. We had the opportunity to serve at the modified local Relay to Life event, we are hosting a can food drive for We Care and our students are finding every opportunity to lend a helping hand in the community.

Respectfully Submitted,

Rev. Amanda Crice

UNIVERSITY OF TENNESSEE HEALTH SCIENCE CENTER CAMPUS MINISTRY

Dr. Jonathan C. Lewis, DMin, BCC, Chaplain and Campus Minister

At the University of Tennessee Health Science Center (UTHSC) in Memphis, the United Methodist campus ministry continues to grow and explore new opportunities. In March of 2011, Dr. Lewis started as the campus minister there, and he continues to serve in that position. Dr. Lewis is also the Director of Community Partnerships in the Mission Integration Division at Methodist Le Bonheur Healthcare (MLH).

UTHSC is composed entirely of graduate schools, all of them specializing in some form of health science - from dentistry to medicine to nursing to laboratory science and much more. Dr. Lewis relates well to UTHSC because of his own immersion in the hospital and healthcare setting, where he ministers to patients, families, and medical professionals of all kinds.

The campus ministry student group at UTHSC is called the Faith Health Collaborative (FHC). For more information, please visit www.faithhealthcollaborative.com. FHC engages the entire UTHSC community - all colleges and programs, all students, faculty, and staff. FHC connects UTHSC to MLH, including its clinical work, its fruitful partnerships with community organizations and congregations, its local and international missions and service opportunities, and its unique educational initiatives through the Center of Excellence in Faith and Health Equity. Since being officially approved as a campus student group in 2016, FHC has recruited student vice presidents from all 6 of the colleges that make up UTHSC and maintains an active membership of about 50 students. Specific initiatives for FHC include:

Connection to United Methodist Congregations and Programs

Through FHC, students, faculty, and staff connect to Dr. Lewis and the United Methodist Church. Relationships and partnerships with United Methodist congregations and programs are a significant goal of FHC. FHC aims to be an innovative vehicle that increases student exposure to the church and especially its health ministries.

Support and Service

Jonathan is a Board Certified Chaplain, experienced spiritual caregiver, and holds a Doctor of Ministry degree in pastoral counseling. Jonathan's engagement at UTHSC enables him to offer support and care to the entire UTHSC community, witnessing to the love of Christ that can work through the United Methodist Church and its people, reflecting the call of the Gospel to love God and love our neighbors.

UTHSC medical students engaged with Jonathan's doctoral project through a workshop that addressed using pastoral counseling skills in clinical care, allowing students to develop their own ideas and skills about how to not only care for bodies, but also for minds, hearts, and spirits.

Education

In partnership with Church Health and UTHSC, Dr. Lewis continues to help design and facilitate the "Serving the Underserved" certificate course. "Serving the Underserved" seeks to create a space for productive dialogue among health science students on the components of healthcare among underserved populations and the ways in which poverty shapes the health lives of people and communities. FHC helps to expand and develop that educational experience, aligning itself with the Wesleyan emphasis on health, education, and personal formation. "Serving the Underserved" received about 100 applications from interested students and faculty persons in 2020, despite cancellation of the spring course and moving the fall course to a virtual format for the first time, due to the COVID-19 pandemic. Since starting in 2010, "Serving the Underserved" has engaged nearly 900 students and faculty. Dr. Lewis was also invited to serve on the Board of Directors for Cope, a student-led project in the College of Medicine that leads students to form their own practices of resilience, mental wellness, and healthy communication in the midst of the rigors of medical school and clinical practice.

MEMPHIS WESLEY FOUNDATION

Morgan Stafford, Executive Director

Carla Taylor, Interim Chair, Board of Directors

Rev. Tondala Hayward, Incoming Chair, Board of Directors

The mission of the Memphis Wesley Foundation is to be a diverse and inclusive faith community welcoming all students. Our vision is to be a student movement developing spiritual leaders in Memphis and beyond. Our five

core values are authenticity, diversity, generosity, inclusivity, and integrity. Despite the COVID-19 pandemic, the student-led ministries of Memphis Wesley have continued to thrive during the 2020-21 school year.

Wesley at Memphis is *investing in more college students and young adults*. We are now an official student organization at four higher education institutions in Memphis: Christian Brothers University, LeMoyne-Owen College, Rhodes College, and the University of Memphis. We continue to reach more than forty students in the weekly ministries of Memphis Wesley. Our students lead ministries in the areas of compassion, devotion, justice, and worship.

Our students *engage the mission field* in Memphis and beyond. Vital missional partnerships in the past year include the Mid-South Food Bank Mobile Pantry at Colonial Park UMC and the food ministries at St. Matthew's UMC. Memphis Wesley continues to lead the way as the first and only campus ministry to become a partner organization with MICA, Memphis Interfaith Coalition for Action and Hope, a coalition working for positive social change in Memphis.

Memphis Wesley is *creating transforming leaders* each day. Our student leadership internship program expanded to twelve students at four schools. Our graduate leadership internship program expanded from one to four young adult leaders. These sixteen young leaders have served faithfully across the areas of discipleship, engagement, operations and outreach.

As the Memphis Conference seeks to *grow fruitful and faithful churches*, Memphis Wesley continues to strengthen our partner church network. Our board of directors has more churches represented at the table.

While churches have not been able to provide meals for students for our Tuesday community nights, we have continued to spotlight our partner churches online with videos later shared on social media. We appreciate the faithful support of our partner churches and the creative ways they support our students and ministries.

Memphis Wesley celebrates continued growth in our ministries and we look forward to a return to in person gatherings this fall. A recent low-cost renovation of our "coffee corner" will provide a welcoming space for students and supporters to gather in the future at our facility at 3625 Midland Ave. Visit our website at www.wesleymemphis.org or connect with us on social media to learn more. Thank you for your support of Memphis Wesley!

AFRICA UNIVERSITY

Africa University thanks the local congregations of the Memphis Conference for investing 80 percent of the asking to the Africa University Fund in 2020. Thank you for your prayers, engagement and faithful support for the ministry of Africa University.

The West Tennessee and Western Kentucky congregations that comprise the Memphis Conference are a source of inspiration and strength to Africa University in these uncertain times.

The multilayered impact of COVID-19, and the measures instituted to control the public health crisis it has caused, have brought about profound and lasting adjustments in how we live, work, serve and connect. For Africa University, these include:

- **A shift to online-only teaching and learning from late March through December 2020.** Online teaching and remote work required more equipment and training for faculty and staff as well as creative actions to ensure consistent internet access for the students, regardless of location. As the only university in Zimbabwe accredited to offer online degrees, Africa University had the infrastructure and expertise to transition smoothly and break new ground with competency - based student assessment tools.
- Africa University is currently **ranked number one in Zimbabwe and 39th among the top 200 universities in Africa**, having risen 59 spots in the continental university rankings 2020.
- **Gifts totaling more than \$300,000 from across the United Methodist connection were designated for COVID-19 relief efforts.** These second-mile gifts enabled Africa University to house, feed and encourage close to 300 international students who were stranded on its campus between March and July 2020.
- **Excellent student retention and modest enrollment growth**, with an uptake of online learning by students of more than 99 percent. More than 3,000 students enrolled for the 2020-2021 academic year - 16% more than the previous year - with 2,395 studying full-time. Fifty-seven percent of full-time students were female and 24% were intentional.
- **Innovation, outreach and service** through:
 - The development and distribution of masks and hand sanitizer (*of its own design/formulation*), that have now been certified for commercial production.
 - The launch, via a web application, of farm to household delivery of fresh produce, meat, poultry and milk products by the Africa University Dream Farm Trust
 - Two student-led initiatives - ***Feed a Family*** and ***Ben Hill UMC Women's Residence Girl Child Support Program*** - provided medical care, food and school fees assistance to vulnerable families in the wider community. Campus-based and home-based students raised resources, procured supplies, and organized safe distribution to families.

- **The successful completion of two new buildings** - the Highland Park UMC-funded student union facility and a dormitory for female students. A new solar farm powers the Highland Park women's dormitory.

Africa University's online campus is here to stay, thanks to further infrastructure upgrades and the lessons learned while staying focused on its mission in 2020. Africa University is working to grow its pan-African presence and impact through new programs, partnerships, and an effective blend of in-person and online learning options.

Thank you, Memphis United Methodists, for helping to prepare young leaders to be "an aroma that brings life" to a world that is crying out for justice, compassion, healing and wholeness (2 Corinthians 2:14-16). Through your prayers and gifts, you participate with the students, lecturers and administrators in disciple-making by example.

The steadfast support of local churches for the Africa University Fund helps the institution to maintain its focus on equipping leaders to serve and transform communities.

In journeying alongside Africa University in ministry and mission, Memphis United Methodists are the church in the world - seeding hope and sharing the love of Christ. You affirm that when we are all in it together, God's grace is indeed sufficient. To God be the glory.

CANDLER SCHOOL OF THEOLOGY

Since our founding in 1914, **Candler School of Theology at Emory University** has educated more than 10,000 students, shaping thoughtful, principled, and courageous leaders dedicated to transforming the world in the name of Jesus Christ. We continued our work even through the most difficult year, with the coronavirus continuing its march around the world, a reckoning for racial injustice rolling across our nation, and a toxic, divisive political atmosphere challenging our civic life. Perhaps there has been no better year than this to underscore the importance of faithful and creative leaders for the church's ministries throughout the world - the type of leaders we form at Candler.

Though our mission remains unchanged, the pandemic has necessitated many changes in how we undertake that mission: We have shifted classes online, redesigned syllabi to support optimal online learning, developed

2021 Memphis Conference Journal

new ways to worship and experience community together in the virtual sphere, and discerned which new habits and modalities have promise for enriching our work even after the pandemic ends. Through these efforts, we and our students have gained deep experience in being flexible, adaptable, and creative as we respond to the demands of ever-changing contexts - experience that not only serves us well now, but will continue to serve us and our ministries far into the future.

Candler is one of 13 official seminaries of The United Methodist Church, yet true to the Methodist tradition of ecumenical openness, we enthusiastically welcome students from 44 denominations, with 46% of MDiv students coming from the Wesleyan tradition. Our student body reflects the diversity and breadth of the Christian faithful, with an enrollment of 483 from 12 countries and 37 states, 44 percent persons of color (U.S.), and a median age of 27 among MDivs. This diversity is a rich blessing, and this year we created a new staff position of assistant director of student life for diversity, equity and inclusion to foster understanding and ensure we are responsive to the needs of our diverse student body.

We offer six single degrees (MDiv, MTS, MRL, MRPL, ThM, DMin) and ten dual degrees. Our Doctor of Ministry degree is 90 percent online, so students can remain in their places of ministry while completing their degrees. Our new Chaplaincy concentration is now among our most popular, and our Teaching Parish program enables students to serve as student pastors in local churches throughout the southeast, learning firsthand about shepherding a congregation; this year, there were 36 participants.

Alleviating student debt through generous financial aid remains among our top priorities. In 2019-2020, we awarded nearly \$6.6 million in financial aid, with 100% of MDiv and 98% of all students receiving support. All MDiv students who are certified candidates for ordained ministry in the UMC receive full-tuition scholarships, and all MDiv, MTS, and master of religious leadership students who are enrolled part-time or more receive a scholarship covering at least 50% of tuition for the length of their program.

The demands of the pandemic did not diminish Candler's robust schedule of events. Candler's Black Church Studies program celebrated its 30th anniversary with a yearlong sale of online lectures and panel discussions, now available at vimeo.com/candler. We also launched The Candler Foundry to make theological education accessible to all, through short and semester-length courses taught by Candler faculty, videos and discussion guides to spark conversation in groups or one-on-one, and Facebook Live panel discussions connecting theology with current issues in the world. View the latest offerings at candlerfoundry.emory.edu.

Candler's ability to fulfill our mission of educating faithful and creative leaders for the church's ministries throughout the world depends upon your prayers, partnership, and support. Thank you for the countless ways you advance this vital ministry in the life of our denomination. We invite you to visit us online at candler.emory.edu.

DREW UNIVERSITY THEOLOGICAL SCHOOL

Melanie Johnson-DeBaufre, Interim Dean

As with most other schools in the northeast of the U.S., Drew University evacuated its campus in early spring 2020 in response to the COVID-19 pandemic. Drew Theological School faculty and staff adapted to this challenge with resilience, compassion, and creativity. The Theological School faculty put their courses all online, led development workshops for faculty across the university, and, in order to accommodate our many international admits who would not be able to enter the United States for fall 2020, designed an asynchronous Master of Divinity program. As a result of this work, the Theological School welcomed 147 new students, its largest entering class in a decade, with an enrollment of 380 for the current academic year. Our chapel team has also led the way in creating online worship experiences that connect the Drew community now across the globe. All degree programs at the Theological School include interdisciplinary courses that demand out-of-the-box thinking, apprenticeship training that addresses real-world issues, and modes of learning that promote adaptability and innovation. Our MDiv and MATM degrees include a required gateway year, vocational pathways, and experiential learning that develops and deepens adaptive courses reflecting the integration of the theological disciplines and practices characteristic of the life of faith. The faculty have also articulated shared values that are infused across the teaching and learning at Drew: a commitment to anti-racism; gender and sexual-identity equality; eco-sustainability and environmental justice; and interfaith understanding and cooperation. Drew cultivates pastors, preachers, deacons, activists, teachers, and thought leaders who go all over the world to take their place as the next generation of faith leaders and change agents.

DUKE UNIVERSITY DIVINITY SCHOOL

Edgardo Colon-Emeric, the Irene and William McCutchen Associate Professor of Reconciliation and Theology, Associate Dean for Academic Affairs and Director of the Center for Reconciliation will become Dean of Duke Divinity School (DDS) July 1, 2021. Dean Gregory L. Jones will leave DDS to become president of Belmont University.

DDS announced a new hybrid version of its Master of Divinity (M.Div.) program that will give students the opportunity to earn the M.Div. degree without relocating to Durham, N.C. The hybrid learning curriculum combines remote coursework with week-long residential intensives, where students connect in-person. The first cohort will begin coursework in fall 2021.

DDS welcomed the largest incoming class in school history with 257 new students from 35 different states and seven countries, including China, Italy, Japan, Kenya, Nigeria, South Korea and the United States. Our Master of Arts in Christian Practice (28 students) and Doctor of Ministry (52 students) programs received record enrollments. The Master of Theology (13 students), Master of Theological Studies (34 students), and Doctor of Theology (6 students) had strong enrollment. Our new Certificate in Theology and Health Care will enroll 6 students, all of whom are TMC Fellows. Across all degree programs, 31 percent of the incoming class identified as a race/ethnicity other than white. Black students made up 21 percent of all students, Asian students, 5 percent; and American Indian students, 2 percent. 45 percent of students in the incoming class were female, and 55 percent were male. The M.Div. degree program gained 113 new students. Students from minority groups comprised more than 25 percent of incoming M.Div. students, with black students making up 19 percent. Female students made up 46 percent of incoming M.Div. students, while males were 54 percent. There were 30 denominations represented in the M.Div. entering class, with 30 percent affiliated with the United Methodist Church. Nondenominational students made up 16 percent of the new M.Div. students; Baptists, 16 percent; and Anglican-Episcopalian, 9 percent.

2020 also witnessed an expansion of DDS's partnerships, including the Kern Family Foundation partnership with the Office of Wesleyan Engagement to provide accelerated pathways for undergraduate students to pursue the Master of Divinity degree at Duke. DDS welcomed its first cohort of students at Martin Methodist College, taking classes at Duke. The Americas Initiative, a fellowship of organizations, scholars and practitioners convened by the Center of Reconciliation, is working on peacebuilding among Latin American and Latinx communities, particularly those of Indigenous and African descent. The five-year Black Pastoral Leadership Collaboration, begun in the fall of 2019 and jointly funded by DDS and the Provost's Office, is working to harness the research and experiential wisdom of Black pastoral leaders nationally through a leadership school and practical theology archiving project.

DDS sought to reckon and broader ways with systemic racism and injustice, particularly in light of the overlapping pandemics of COVID-19, economic crisis, and mental health challenges, and the school sought opportunities to strengthen its partnership and racial justice work across Duke University. A Story Listening and Gathering project solicited past or present students, faculty, and staff to share stories of how race and racial discrimination affects daily life at DDS with a goal of understanding the experiences of the community and to inform the school's broader anti-racism efforts. A new Race and the Professions Fellowship, in partnership with the Kenan Institute for Ethics, and the Churches Promoting Recovery Project, in partnership with the Theology, Medicine, and Culture Initiative, provided new opportunities for students to deepen their vocational formation and reimagine community transformation beyond campus.

DDS hired eight new faculty members in 2020. Peter Casarella is a Professor of Theology. Sarah Barton is an Assistant Professor of Occupational Therapy and Theological Ethics. Quinton Dixie is an Associate Research Professor of Church History and Black Church Studies. Zebulon Highben is Associate Professor of the Practice of Church Music. Alma Tinoco Ruiz is a Lecturer in Homiletics and Evangelism and Director of the Hispanic House of Studies. Janet Martin Soskice is the William K. Warren Distinguished Research Professor of Catholic Theology. Norbert Wilson is Professor of Food, Economics, and Community. Wylin D. Wilson is an Assistant Professor of Theological Ethics.

Memphis Theological Seminary

Michael K. Turner, Director of Methodist House of Studies

mturner@memphisseminary.edu

For nearly four decades, Memphis Theological Seminary has been a leading institution in the Mid-South for producing graduates who are commissioned as elders or deacons in The United Methodist Church. United Methodist students continue to be the largest denomination represented at our school and a significant number of our full-time faculty are from a Pan-Methodist tradition. We are also on the list of approved seminaries of the University Senate of The United Methodist Church. In addition, our accreditation was recently reaffirmed by SACSCOC for ten years and we remain accredited by ATS through 2025.

Enrollment remains steady and we continue to develop innovative strategies and solutions to keep theological education within reach for all women and men seeking to live out their call to ministry. This has traditionally included offering a night track, as well as hybrid-online courses, in which students complete 49% of the coursework online and 51% on campus.

The ongoing pandemic has caused some dramatic changes to campus operations and class delivery models in the 2020-21 academic year, as all MTS classes were moved online and MTS staff began working from home. The University Senate of the UMC, as well as our accrediting bodies SACS and ATS, approved MTS to offer fully online courses. MTS was also the recipient of CARES Act funding that allowed us to purchase laptops and hotspots for student use, as well as offer direct payments to our students to offset the costs incurred by the transition to online learning.

We expect to offer some on-campus courses in the Fall of 2021, with proper precautions such as social distancing, masking, and regular sanitation. Though, we will continue to supplant on-campus courses with additional online contact hours and we will offer some completely synchronous and asynchronous online classes at least through the duration of the pandemic.

Important Happenings at the Seminary

Rev. Dr. Jody Hill assumed the office of the President in January of 2020. We also welcomed two new full-time faculty members in the 2020-21 Academic Year: Dr. Tricia Vesely, Visiting Assistant Professor in Hebrew Bible and Christian Ethics; and Dr. Christy Woodbury-Moore, Assistant Professor Spiritual Formation and Director of Supervised Ministry.

In addition to our Master of Divinity degree, MTS introduced two new Master of Arts in Christian Ministry concentrations in Chaplaincy Studies and Methodist Ministry this past academic year. Those concentrations are ideal for UMC students pursuing ordination as a deacon or through the Advanced Course of Study. We are also recruiting students for new Doctor of Ministry cohorts in Womanist Preaching, Preaching as Leadership, Forming and Growing Churches, and Faith and Health to begin in summer of 2021.

MTS is also offering a series of free virtual classes to local churches and lay people called Sunday Morning Seminary. The program was designed to provide a series of free educational tools and experiences for lay people and local congregations. As part of Sunday Morning Seminary, several of our Methodist faculty have offered classes. For example, Dr. Michael Turner offered a month-long online class on Slavery, Religion, and the Civil War.

Wesleyan Studies at the Seminary

Memphis Theological Seminary is pleased to report that theological education for United Methodist students continues to remain vibrant and forward-looking. Dr. Michael Turner teaches the required classes in UMC history, doctrine, and polity each academic year. This academic year, MTS was also able to offer those ordination requirement classes to students enrolled at the Center for Youth Ministry Training at Austin Presbyterian Seminary. Students also have the opportunity to earn a Certificate in Wesleyan Studies by completing at least five classes in Wesleyan/Methodist Studies. We are offering a new elective on “Accountability and Addiction: Wesley and Twelve Step Recovery” this summer.

The Seminary completed the endowment of the Hamilton and Varnell Chair in Wesleyan Studies in November of 2019. This endowment was made possible by generous lead gifts from Mrs. Barbara Hamilton and the late Dr. Ralph Hamilton, as well as the late Mrs. Jeanne Varnell and the late Mr. Henry Varnell. The endowment ensures the future of Wesleyan Theological formation at MTS. The Hamilton and Varnell Chair in Wesleyan Studies is held by Dr. Michael Turner, Associate Professor of the History of Christianity and the Director of the Methodist House of Studies.

The endowment also continues to support the Methodist House of Studies at MTS. The MHOS serves as a community within a community for students from Methodist backgrounds. Recent student gatherings have focused on topics that include the upcoming General Conference, rural ministry, women in history, bivocational ministry, and hospital chaplaincy. We also host Board of Ordained Ministry preparatory events for our students. Beginning late this Spring, the MHOS website will also begin hosting a blog featuring reflections from students, alumni, and others in ministry about the future of the Methodist tradition.

The MHOS also provides continuing education events for clergy and lay people. Just prior to the pandemic shutdown, the MHOS partnered with the Turner Center for Church Leadership at St. Luke’s UMC to offer a one-day workshop titled “Christian Conversation in a Polarized Culture: Human Sexuality and the Future of The United Methodist Church.” The goal of this workshop was to prepare United Methodist pastors and lay people for difficult conversations around human sexuality in anticipation for the 2022 General Conference. Over 150 people from 23 local congregations attended.

We are grateful for the support of the Memphis Annual Conference and for the many fine students who have attended MTS from Memphis over the years. We appreciate the confidence that the Conference places in MTS for preparation of United Methodist women and men for Christian ministry, and we welcome your ongoing involvement and prayers for the Seminary. For ongoing information about the Methodist House of Studies and Memphis Theological Seminary, we invite you to visit us at www.MethodistHouse.org and check [The Good News from MTS](#) for regular updates.

SAINT PAUL SCHOOL OF THEOLOGY

Saint Paul School of Theology, a seminary of the United Methodist Church, is committed to the formation of people for innovative, creative ministry. We are one institution, online and on-campus, in Kansas and Oklahoma.

This past year, we have all faced new challenges amid these unsettled times. Saint Paul School of Theology began the 2020-2021 academic year offering students an online option for all courses. With many students choosing to attend class solely online, our Student Council created a monthly “Chat & Chew” where students, faculty, and staff come together to eat lunch and talk about life, seminary, and ministry. In addition, Rev. Rod Newman, our Oklahoma Campus Chapel Coordinator, crafts a weekly Community Prayer to provide encouragement and faithfulness as the school seeks to provide spiritual formation in new ways.

Kansas Campus Chapel Coordinator Dr. Casey Sigmon took worship to new technological levels by introducing our weekly online worship service via Zoom, bringing our separate campus chapel services together for one service where all are invited to create a sacred atmosphere from wherever they are. Along with our featured alumni worship preachers, the community was blessed this fall by the presence of Musician in Residence Hannah Rand, from The Many, who led the music each week for worship. In Spring 2020, Odell Talley, Director of Music for Swope Parkway United and organist for Zion Travelers Missionary Baptist, served as Musician in Residence. For those who cannot join us live, chapel recordings are available on the Saint Paul YouTube channel.

Saint Paul staff and faculty continue to contribute to the academy, church, and society. This year, we have added new adjunct professors, including Rev. Dr. Carol Cook-Moore and Rev. Dr. Tiffany Nagel Monroe both of the OKUMC, Rev. Dr. Robert Turner of Vernon Chapel AME, UMC Deaconess Cindy Johnson of Rio Grande Conference, Rev. Adam Hamilton and Debi Nixon both of Church of the Resurrection, Rev. Chebon Kernell of the UMC Native American Comprehensive Plan, and Rev. Dr. Shannon Fleck of the Oklahoma Conference of Churches.

The faculty of Saint Paul School of Theology continue to maintain high standards of scholarship, research, publication, and engagement. Their many activities and publications over the past year are so numerous that space permits only the sharing of selected highlights.

1. Dr. Jim Brandt, Professor of Historical Theology, will publish “Schleiermacher’s Christian Ethics” in the forthcoming Oxford Handbook of Schleiermacher, which will appear in 2022 from the Oxford University Press.
2. Dr. Nancy Howell, Professor of Theology and Philosophy of Religion and Oubri A. Poppele Professor of Health and Welfare Ministries, continues her service on the Executive Committee of the international Society for Science and Religion, working on several committees advancing the aims of the Society.
3. Rev. Dr. Israel Kamudzandu, Associate Professor of New Testament Studies, will see the publication of his book, Reading and Interpreting the Bible with Global South Christians: A 21st Century Model for Europe and North America Christendom, by Wipf and Stock Publishers this summer. He has also written four Commentaries on 2 Corinthians and Ephesians which appeared on WorkingPreacher.org in April.
4. Dr. Hal Knight, Donald and Pearl Wright Professor of Wesleyan Studies, continues his work as a contributing writer in *The Missouri Methodist* magazine.

5. Dr. Kristen E. Kvam, Professor of Theology, serves as co-chair for the American Academy of Religion's Program Unit "Martin Luther and Global Lutheran Traditions." Over the last several months, she has conducted invited presentations to the Great Plains UMC Clergy and its Clergy Excellence in Liminal Time Conversations and the Fall Theological Conference of Central States Synod (ELCA) on October 14, 2020.
6. Dr. Casey Sigmon, Assistant Professor of Preaching and Worship and Director of Contextual Education, continues to contribute regularly to WorkingPreacher.org and served as the keynote speaker at the Wesleyan Liturgical Society in Kansas City in March 2020. Her scholarly writing all appear in the Preaching the Manifold Grace, Vol. 2, edited by Ronald J. Allen and published by Wipf and Stock.

This year, we have faced several challenges that turned into opportunities for new recruiting spaces and partnerships to enhance students' seminary experience. With the change from in-person to virtual events, Rev. Shannon Hancock, Director of Admissions and Communications, has expanded her reach to prospective students by participating as a virtual exhibitor at online conferences. Rev. Hancock engages with prospective students via apps such as Whova and Hopin to highlight Saint Paul's unique course delivery system and formative community.

In February, Saint Paul held the 2021 Slater-Willson Lecture online featuring Rev. Dr. Miguel A. De La Torre. His lecture, "Why Do They Come?" explored the political, economic, and social causes of our current immigration crisis. Before the lecture, Rev. Dr. De La Torre participated in a student-led forum, entering a conversation centering around the practical aspects of ministry and immigration. Later in April, Saint Paul Evangelical Society, led by Dr. Hal Knight, hosted a lecture given by Dr. Sammy G. Alfaro, Associate Professor of Theology at Grand Canyon University and Pastor of Iglesia Nuevo Dia (New Day Church), on the "Pastoral Strategies for Ministering Among Latinx Immigrant Communities." And for the first time, on May 22, Saint Paul held a virtual commencement celebration with videos, cap and gown photos, online congratulatory messages from friends and family, and a commencement address by Rev. Chebon Kernell. The class of 2021 had 22 graduates, including 16 Master of Divinity and 1 Doctor of Ministry graduates. Due to the pandemic, for safety concerns, Saint Paul has postponed our 60th Anniversary Celebration. However, we have rescheduled the event for Friday, October 22 and look forward to coming together as a community for a safe, in-person gathering.

For the 2020-2021 fiscal year, Saint Paul Course of Study (COS) School educated 255 individual students, 40 of which were new students, with a total registration of 520 classes and offering a total of 51 courses. Due to Covid-19, the school quickly pivoted its course offerings and delivered lessons in both asynchronous and synchronous online formats. In Winter 2019, Saint Paul began a hybrid (online and on-campus) schedule for six courses. Although for 2021, this went fully online, plans to increase the number of hybrid course offerings are in development.

Saint Paul Board of Trustees added three new members to their ranks: Bishop James D. Tindall, Sr., Pastor Emeritus at Metropolitan Spiritual Church of Christ Kansas City; Ms. Sharon Cleaver, Senior Director of Marketing Communications, and PR for the Boys and Girls Clubs of Greater Kansas City; and Mr. Rogers Strickland, Founder/CEO of Strickland Construction.

Through a Board initiative related to diversity and inclusion, Saint Paul created a working group on Native American theology and ministries comprised of Native theologians and church leaders. Their efforts are

focused on how the church and academy can work together toward healing generational trauma related to the spread of Christianity and the genocide of indigenous North Americans.

As we have happily reported in past years, Saint Paul is financially sound and operates with a balanced budget. The changes made these last years have established a solid financial foundation for years of sustainability. We continue to be grateful for donations from the community that provide technology, scholarships, and emergency assistance to students. Our significant investments in technology have recently allowed our staff, faculty, and students to transition to a fully hybrid educational delivery model providing a safe learning environment during the pandemic. Our faculty was uniquely adept at managing technology in the classroom before the pandemic, making the transition to all online courses a smooth process.

With the Board's assistance, led by Board Chair Rev. Dr. Tex Sample, the seminary focuses on its mission. Our trustees work to continuously enhance and evaluate the strategic plans in place to guide us into the future. Perhaps most importantly, we have learned much and grown closer as a community due to the pandemic.

Saint Paul School of Theology is blessed to be your partner in ministry and help those seeking more to answer the call.

We are a seminary that offers online and on-campus classes with a flexible schedule to help our students manage pastoral leadership demands in the 21st century. We are grateful for your support of our students and our seminary. May we continue to live into the call of Jesus Christ to be faithful witnesses for healing in these unsettled times and for generations to come.

President Neil Blair, Saint Paul trustees, faculty, staff, alumni, and students thank you for your prayers and support.

WESLEY THEOLOGICAL SEMINARY

For the world, 2020 was a year like no other. In the midst of a global pandemic, plus resurgent racism, mass unemployment, and politically challenging times in the US, Wesley remained committed to fostering wisdom and courage, preparing graduates to lead innovative ministries while remaining grounded in our biblical and theological traditions for the sake of God's inbreaking kingdom. The mode of educational delivery changed overnight, as we became an all-online seminary on March 15, 2020 and have remained so to keep students, faculty, staff and all members of the Wesley community safe from COVID-19 exposure on campus. This is simply Wesley modeling what we teach our students: to be committed to our God-given mission while being innovative and responsive in the delivery of ministry. Here are some of the ways we are accomplishing that with our many partners in this mission, as we seek to faithfully minister to the world in the future.

Research projects support congregational community engagement and envision future ministry

Wesley is pleased to announce new opportunities for UMC congregations to explore, clarify, and pursue thriving in their communities. Through **The Source Collaborative**, Wesley will work with three cohorts of regional congregations in a two-year process of prayer, community engagement, congregational visioning, and coaching, with the goal of following Jesus in mission and ministry. Interested congregations can contact innovation@wesleyseminary.edu for more information. This work, funded by a \$1 million Lilly Endowment, Inc, grant, raises Wesley's role as a leading research and development seminary for the whole church and complements Wesley's other Lilly Endowment-funded projects focused on congregational vitality.

The [Religious Workforce Project](#) is an expansive study of the current and future nature of religious work, particularly in local congregations, so as to understand what opportunities and constraints may exist in the future and to adapt resources and training accordingly. Through the [Wesley Innovation Hub](#), the seminary has worked with 18 congregations in the greater Washington area to experiment with ministries with young adults outside the church. Together, these projects forge insight into future ministry and local church development, influencing the way students are trained in master's, doctorates, and course of study education, but also informing workshops, podcasts, articles, and training for church leaders working in their communities across the country.

We invite you to discover the latest research and conversations generated by the Wesley community through our new web portal, #EngageInTheseTimes, at www.wesleyseminary.edu/#engage.

Using research and partnerships to reach and equip the next generation of ministers

Research shows that the primary way people learn about and begin to consider seminary options is through their pastor or an alumnus. Whether you feel called or you know someone who does, **Wesley is ready to work with you** as we make theological education more accessible and relevant to the realities of ministry today - for laity and clergy, for those seeking a degree or certification or continuing education, and for ministry from within or beyond the church.

Wesley offers an 81-hour Master of Divinity, a 36-hour Master of Arts, and a 60-hour Master of Theological Studies, any of which can be focused around specializations in public theology, urban ministry, arts and theology, missional church, children and youth ministry and advocacy, or African American church leadership.

For full-time students, we offer a modern and affordable residential community in the nation's capital. Our **Community Engagement Fellows** program prepares students to engage in entrepreneurial, community-based ministry. Generous stipends are available for each Fellow while they complete their MDiv degree. Our **3+3 Fast Track BA/MDiv program with Shenandoah University** allows students to complete both degrees in six years, entering ministry more quickly and with less debt.

For people with work, ministry, and family commitments, **Wesley's Master of Divinity degree can now be completed via online, weekend, short-term intensive, and weeknight courses in 5 years.** Check out upcoming flexible course offerings for Summer and Fall 2021 at www.wesleyseminary.edu/admissions/try-a-class-3.

Wesley works with each student to make seminary affordable. Thanks to the consistent support of graduates, congregations, and friends, Wesley provides more than \$2 million annually in scholarships. In addition to our regular merit awards, ranging from 25% to 100% tuition with stipends, Wesley has released special additional scholarships: **full-tuition scholarships** for people recommended by Wesley alumni, campus ministers, or Christian camping or service ministries who feel called to leadership in the church as it is becoming; **Next Call in Ministry scholarships** for students who have worked in a non-ministry setting for at least 10 years; and **Generacion Latinx Scholarships** for emerging Latinx/Hispanic leaders for ministries both within and beyond the church.

Take your ministry to the next level

In addition to full master's degrees, Wesley offers graduate certificates for those preparing for specialized ministry! The new **Certificate for Children and Youth Ministry and Advocacy (CYMA)** is designed for people who work with and advocate for children and young people, whether in churches, schools, or non-profit organizations. The **non-residual certificate can be completed in 12 to 15 months** through online coursework and up to two residential sessions. For more information, visit www.wesleyseminary.edu/admissions/cyma-3. The **Certificate in Faith and Public Life** explores the

foundations of public theology, religious freedom, and civil discourse through graduate courses. For more information, visit www.wesleyseminary.edu/ice/programs/public-theology/public-life/.

Wesley is a leader in **Doctor of Ministry programs** in specialized tracks that can include international study. Wesley is pleased to announce three new Doctor of Ministry tracks for 2022: Ministry in a Digital Age, a timely new track exploring the new opportunities and challenges of online ministry; Justice, Compassion, and Witness in a Turbulent World, hosted in Cambridge, England; and a program focused on Latinx ministry. "Comfort (The Lord is My Shepherd)"

Raney

Dakota Hill, First UMC, Dyersburg, TN

GREETING

Aaron Dennis, Gratitude UMC

We have gathered to celebrate the lives of those who have served faithfully through the years
and now share the triumph of Christ.

We affirm with praise and thanksgiving the goodness of our Lord.

Let us rejoice in God's presence with us, in death as in life, among those who mourn
as with those who now see Christ face to face.

In the midst of our grief we sing with joy, for God's love is over all that has been made.

Blessed be God's glorious name for ever.

PRAYER

PSALM 121

Catherine Phelps, First UMC, Covington TN

R: The righteous live forever, their reward is with the Lord.

I lift up my eyes to the hills.

From whence does my help come?

My help comes from the Lord, who made heaven and earth.

The Lord will not let your foot be moved, the Lord who keeps you will not slumber.

Behold, the One who keeps Israel will neither slumber nor sleep.

The Lord is your keeper;

the Lord is your shade on your right hand.

The sun shall not smite you by day,

nor the moon by night.

The Lord will keep you from all evil, and will keep your life.

The Lord will keep your going out and your coming in from this time forth and for evermore. R

PRAYER FOR ILLUMINATION

Sara Corum, Trinity UMC

Lord, open our hearts and minds by the power of your Holy Spirit, that, as the Scriptures are read and your Word proclaimed, we may hear with joy what you say to us today. Amen.

SERMON

"Cloud of Witnesses"

Bishop Joe Pennel

AFFIRMATION OF FAITH

Sergio Jimenez, Aldersgate/La Puerta UMC

I believe in God the Father Almighty, maker of heaven and earth;

And in Jesus Christ his only Son our Lord:

who was conceived by the Holy Spirit, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, dead, and buried; the third day he rose from the dead; he ascended into heaven, and sitteth at the right hand of God the Father Almighty; from thence he shall come to judge the quick and the dead.

I believe in the Holy Spirit, the holy catholic Church, the communion of saints, the forgiveness of sins, the resurrection of the body, and the life everlasting. Amen.

NAMING OF THE FAITHFUL DEPARTED

PRAYER FOR THE SAINTS

Carol Cavin-Dillon, West End UMC

O God of both the living and the dead, we praise your holy name for all your servants who have faithfully lived and died.

We thank you for the sacred ties that bind us to those unseen who accompany us as a cloud of witnesses. We pray that, encouraged by their example and strengthened by their fellowship, we may be diligent followers and that nothing will be able to separate us from your love in Christ Jesus our Lord. Amen.

CLOSING HYMN

"Hymn of Promise"

Sleeth

Sammy Tillman, First United Methodist Church, Brownsville TN

In the bulb there is a flower; in the seed, an apple tree;
in cocoons, a hidden promise: butterflies will soon be free!
In the cold and snow of winter there's a spring that waits to be,
unrevealed until its season, something God alone can see.
There's a song in every silence, seeking word and melody;
there's a dawn in every darkness bringing hope to you and me.
From the past will come the future; what it holds, a mystery,
unrevealed until its season, something God alone can see
In our end is our beginning; in our time, infinity;
in our doubt there is believing; in our life, eternity;
in our death, a resurrection; at the last, a victory,
unrevealed until its season, something God alone can see.

July 20, 1941—February 16, 2021

Howard Wayne Burkeen, 79, of Tiptonville, Tennessee, passed from this life on Tuesday, February 16th at the West Tennessee Healthcare Hospital in Dyersburg Tennessee.

Howard Wayne (known to all as Wayne) was born near Dexter Kentucky on July 20th, 1941 to the late Paul Wilbur Burkeen and Treva Mae Burkeen. He grew up surrounded by family and friends in the Independence Community near Almo Kentucky. His mother often told the story that as a child, Wayne would say, "I love everybody". He carried this philosophy throughout the remainder of his life. He was known as a kind and loving man to all that he met. He loved his God and his family with all his heart. He attended the Independence United Methodist Church as a young child and was a member there for 49 years. He is currently a member of the Crockett Chapel Methodist Church in Tiptonville, Tennessee.

Wayne married Marita Evans Burkeen on June 6th, 1964. She was "the love of his life" and they were happily married for more than 56 years. During that time, they spent very few days apart. Wayne worked hard all his life to provide for his family. He retired from the Fulton County Transit in 2007. He had also worked at Wiggins Furniture of Murray, the Murray Tappan Plant, Lovett Brothers Gulf of Murray, and the Dyersburg Cumberland Presbyterian Church. The work that he never retired from was his service to God and the people of the Methodist Church. His wife entered the ministry in 1986 and Wayne was her partner in ministry since that time. He was always present, supporting his wife, singing in the choir and volunteering for whatever was needed. Even when his health began to decline, he continued to be at her side. They served 32 years together in several United Methodist Churches in Kentucky and Tennessee, including: Storey's Chapel, Fowlkes, Sorrells Chapel, Palestine, Cayce, Bardwell, Corinth, Tiptonville, Cunningham, and Crockett Chapel.

Mark William Engle
June 4, 1957—February 17, 2021

Mark William Engle, 63, of Gilbertsville became a part of the Great Cloud of Witnesses on February 17, 2021, at Mercy Health-Lourdes Hospital in Paducah. He was senior plant chemist at Arkema Inc. in Calvert City, where he worked 25 years. He was a veteran of the U.S. Navy, serving in the Gulf War and in a nuclear weapons training group from 1991 to 1993. He attended Geneva College in Beaver Falls, Pa.

Mark was a blessing and an example to all those who witnessed his dedication to his church, his wife and his children. Mark would tell you, in his humble and modest way, that his contribution to building God's Kingdom here on earth, and his joy, was to support the ministry of his wife, Pastor Susan Engle. Many personal and professional sacrifices were gladly made to ensure she received his dedicated and loving support. He was an intricate part of worship services at Trinity United Methodist Church in Paducah, in part through operating audiovisual equipment. He also took pride in all the accomplishments of his sons, including their striving to overcome many obstacles to get there. As a dedicated member of the Steeler Nation, he could be heard in passionate discussions of his team's latest triumph or letdown.

He was born June 4, 1957, to the late Kay Elwood Engle and Bonnie Williams Engle.

Mark is survived by his wife of 40 years, Rev. Susan Engle; three sons, Matthew Engle (Whitney), Timothy Engle (Kera), and Samuel Engle; four grandchildren; Nathaniel Engle, Zachary Engle, Alexander Engle, and Marie Engle; one brother, Daniel Engle (Nancy); two sisters Kathy Knepp (Eric) and Karen Ashmore (Adrian); fifteen nieces and nephews.

Mark took every opportunity to enjoy time together with his family exploring Kentucky Lake on his pontoon, a gift from his beloved wife and sons. Cherished was his time spent as granddad with his grandsons and granddaughter.

He captioned a photo of him with his sons with the following: A man of many companions may come to ruin, but there is a friend who sticks closer than a brother (Proverbs 18:24). A favorite quotation from Theodore Roosevelt reads in part. "It is not the critic who counts: not the man who points out how the strong man stumbles or where the doer of deeds could have done better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood, who strives valiantly..."

Richard Lee Hackleman
December 3, 1942—February 17, 2021

Richard Lee Hackleman, 78, of Memphis passed away on February 17, 2021.

He then attended Memphis Theological Seminary and became an ordained United Methodist Minister. He served on the Gates Circuit, as well as Atoka, Grand Junction, LaGrange

and Holmes. He retired in 2006. Most recently he attended services at Trinity United Methodist Church, his family church growing up.

James R. "Dick" Haley
July 22, 1944---April 5, 2021

James Richard (Dick) Haley was born on July 22, 1944 in Wardell, Missouri. His mother was the late Laura L. Haley. After graduating from Hayti High School in May, 1962, Dick moved to Memphis, Tennessee where he met his future wife, Loretta A. Stone. Dick and Loretta were married on August 2, 1963. He enlisted in the Air Force in January, 1963 and after basic training in Texas, was stationed in Myrtle Beach, South Carolina. He did tours of duty in India, Turkey, Italy, Spain, and other countries in Europe. While in the Air Force, their first daughter, Gina Ann (Scott) Roberts was born. When his enlistment was up, the Haley's returned to Memphis and Dick was employed by National Linen Service and Tastyee Bread Co. Their second daughter, Amy Beth (Ricky) Gamblin was born.

In January, 1970, Dick answered the call to Ministry and was appointed to Mercer-Andrews Chapel Charge in June of that year. Their third daughter, Christy Lynn (Thomas) Potts was born in October of that year. During this time, Dick also finished college and seminary. He received a Bachelor of Science from Lambuth College and Master of Divinity from Memphis Theological Seminary. They served churches over West Tennessee and West Kentucky for the next 44 years. In June, 2009, he retired from the Pickwick-Pisgah Charge, but continued to serve the Pisgah Church until 2014. The Haley's fell in love with this area and retired to Shiloh, Tennessee. Dick was wheel chair bound for several years. In September of 2020, he became ill and was in the hospital for 15 days after which he had to go to the nursing home. This was a very trying time for Dick and his family, especially since Covid prevented his family from visiting him.

On Good Friday, Dick went, peacefully, with his family at his bedside, to be with his Lord. Besides his wife and daughters, Dick leaves three grandchildren, Andrew Potts, James (Will) Potts, and Haley Gamblin and three step grandchildren, Logan (Allie) Roberts, Ellie (Eddie) Grau, and Emmie Roberts, one step great grandchild, P J Roberts. Dick based his whole ministry on Love. His favorite Bible passage was the Love Chapter (I Corinthians 13) and his favorite Bible quote was from John Wesley, the founder of the Methodist Church: "Best of all, God is with us."

David Glenn Atkinson
July 5, 1960 – April 7, 2021

If you knew Rev. David Atkinson, you knew his smile, his laugh, his way of always having a story to relate to make you smile. You also knew his concern and care for others. In the words of his best friend, Rev. Sky McCracken, "David loved the church, loved God, and wanted to be the best pastor to any church he served." You knew that when David said he would pray for you or that he was thinking about you, he meant it. He touched so many lives here at Collierville United Methodist Church, as well as those during his other appointments over the years.

David was born in Jacksonville, Florida on July 5, 1960. From an early age his work ethics hone through. By the time he answered the call to be a pastor, he had proven himself to be a grounded, well-spoken man of God. From his appointment as a Wesley Foundation Campus Minister at Murray State, to his time at Benton First in Kentucky, to his most recent appointment in 2015 at Collierville United Methodist Church, David had amassed great philosophical knowledge and oratory skill. His ability to relate stories from his past to applicable biblical teachings created a mental picture for all. He crafted a clear image of the characters and the scene, making you feel like you were there yourself. With his humble and humorous nature, many know David's typical response to questions like, "How ya doing, David?" would be "Oh, better than I deserve." And his always common blessing was, "Be at Peace."

David and his beloved wife Susan were blessed as parents of three fine young men; Christopher, Stephen, and John Michael. His family meant the world to him. He is also survived by his sister Stephanie (Reggie) Hope, brother Patrick (Beverly) Atkinson; his aunt Patsy Linville and cousin Lori Carter. Every time he spoke of Susan and the boys, he would get this twinkle in his eye and a wide smile would light up his face with joy. You could see that this great pride in his family extended to his congregational family and friends as well. As Sky McCracken said, "if he liked you, he loved you," which was seen and felt in the warmth in which David greeted others. David was a magnanimous presence and had an immense delight for life and Christ. Beverly Crossnoe, David's administrative assistant and friend, recalls that if you didn't appreciate the hymns sung with gusto, don't stand beside David!"

David will be greatly missed here at Collierville United Methodist Church and by all those lives he touched in all areas. Bishop Bill McAlilly stated that, "It was my humble privilege to serve alongside David. I grieve this great loss to the people called Methodists, and celebrate his life and his legacy." That legacy at CUMC and everywhere he served is one of following the Great Commission to transform lives by extending God's love to all. We are greatly saddened by his passing, but we know, that if he were here, he would be telling us to "Be at Peace."
