PLEASE NOTE:

- This form is for use on existing buildings only; refer to current ADA & state regulations for construction or major remodeling projects: https://www.ada.gov/2010ADASTandards_index.htm.
- The survey should be completed by a team including a member of the trustees, and people with construction, architecture and/or rehabilitation backgrounds. Include persons with disabilities and family members, especially someone who uses a wheelchair and someone with low vision, in the process.
- Interview individuals with disabilities and family members of children and adults with disabilities to learn how welcoming your congregation is and to help set priorities.
- This is not an all-inclusive listing of ADA guidelines or appropriate accommodations, but rather represents basic first steps that a church may take to begin to implement accessibility measures.
- Resources are available through your conference Disability Concerns Committee (¶1653) and through the DisAbility Ministry Committee of the UMC at <https://umcdmc.org/resources/accessibility-and-united-methodist-churches/> (check subheadings, too) to help you plan and carry out improvements.

Scoring Instructions:

1. Based on your findings, check **Yes** or **No** for each audit item. Focus on your main accessible entrance and on Sunday morning activities, especially worship. If the intent of the item is adequately met in a different way, e.g. greeters are posted throughout the morning on Sundays to open doors and provide directions (#13 and 15), mark it **Yes**. If you can and will fix the issue within a week or so, mark **Yes**. If an item occurs at least 85% of the time, e.g. microphone use in worship and large meetings, score it **Yes**. If only part of a multi-question item is met, mark that item as **No** unless alternatives are given, as designated by “**or.**” If a system is in place to provide services, e.g. “buddy” companions or e-mailed order of worship for Braille users, mark **Yes** even if no one is using it. See *Guidance for Completing the Accessibility Audit* at <https://umcdmc.org> for further clarification.
2. Add the number of **Yes** responses in each badge category (**Bronze**, **Silver**, and **Gold**).
3. Compute the percentage of **Yes** responses in that badge category.
4. In order to receive a badge at the designated level, the church needs to score at least 85% at that level and any lower levels, i.e. the church cannot receive **Silver** if the **Bronze** level is not met.

Examples:

- Church A scores 29/32 in the **Bronze** category (90%), 14/20 in the **Silver** category (70%) and 2/7 in the **Gold** category (28%). This church qualifies for the **Bronze** badge
- Church B scores 31/32 in the **Bronze** category (96%), 18/20 in the **Silver** category (90%) and 4/7 in the **Gold** category. This church may apply for a review to see if it qualifies for the **Gold** badge.*

	Bronze (Basic)	Silver (Satisfactory)	Gold (Great)
1. & 2. # of Yes responses	____/32	____/20	____/7 + ____ (bonus) = ____
3. percentage	%	%	%
4. 85% or greater = badge	Yes No	Yes No	Yes* No

B = Bronze (Basic accessibility and accommodations) – The church is welcoming and offers basic amenities needed for a person with a disability to participate, e.g. a place to park, a way to get into the building and sanctuary, a bathroom that is usable, etc. Most items at this level are low cost and can be easily provided, e.g. ushers and greeters trained in disability etiquette, website information on access. (Verified by self-report, using this *Annual Accessibility Audit for United Methodist Churches*. Check <https://umcdmc.org> for instructions on how to access your badge.)

S = Silver (Satisfactory accessibility and accommodations) – The church has many accessible features and offers accommodations for persons with a variety of disabilities including hearing loss and limited vision. Silver level items may cost a bit more and take more effort to put in place. While some areas are not yet fully accessible and inclusive, it is clear that the congregation is working towards accessibility. (Verified by self-report, using this *Annual Accessibility Audit for United Methodist Churches*. Check <https://umcdmc.org> for instructions on how to access your badge.)

G = Gold (Great accessibility and accommodations) – The congregation has gone beyond ADA and strives to provide an accessible space and appropriate accommodations. The church welcomes individuals with varying disabilities and their families through intentional measures and ministries. Continued improvement is planned based on needs of members and the community. This church would be a good choice to host conference events per ¶1716.2 of the *Book of Discipline*, and might mentor other churches. (*Verified by this *Annual Accessibility Audit for United Methodist Churches* and an interview or site visit. If your score reaches the **Gold** level, contact your conference Disability Concerns Committee or check <https://umcdmc.org> for further instructions. The audit will be reviewed in more depth to reach the **Gold** level. Additional measures you have taken may count as bonus **Gold** points to reach 85% or more.)
