Dear Colleagues in Mission,

Merry Christmas and Blessed New Year!

We would like to express our sincere thanks for your generous gift and support for the work of the General Board of Global Ministries Asia-Pacific Regional Office. We are encouraged by your heartfelt concerns and your contribution to our missions in Asia.

Through your donation, we have supported the school in the slum area and provided vulnerable children a chance to go to school despite challenging circumstances. This school, named CSCFO (Cambodia Students and Children Found Organization), has 36 students aged between 6-12 years old. We provided funds to renovate dilapidated parts of the school, changed the classroom window, installed lights in classrooms, furnished them with desks and chairs, repaired the ceiling and roof, renovated the bathroom, and painted the building to help children have better conditions and an educational environment. We also provided them with books, a writing board, and writing utensils to all students and provided a reward to the best students who were ranked 1st, 2nd, and 3rd. This year, we invited an English teacher from Indonesia to this school to provide the opportunity to explore a different culture and learn a new language. Your donation will also help give scholarships to poor children allowing them to be in educational institutions.

Once again, we thank you for the donation, without which we would not have been able to help these children in Cambodia. You've already made a valuable difference in this community.

Thank you again for your contribution, and we look forward to your continued support and prayer.

Yours in Christ,

Asia-Pacific Regional Office Staff of GBGM
