APPALACHIA SERVICE PROJECT (ASP),
is a Christian ministry, open to all
people, that inspires hope and service
through volunteer home repair and
replacement in Central Appalachia.

ASP provides one of the most rewarding structured service opportunities in the nation—bringing thousands of volunteers from around the country to rural Central Appalachia to repair and replace homes for low-income families.

Since 1969, more than 450,000 ASP volunteers have made homes warmer, safer, and drier for nearly 20,000 families in need in Central Appalachia, 250 families have received brand new homes, and everyone involved has been touched by these life-transforming experiences.
