## 2023 Charge Conference

---

Charge conference reports are due two weeks prior to your church's scheduled Charge Conference. Although you will be familiar with the forms, the TWK Conference has a new way of accessing and submitting them (see link below for a pdf of the instructions). Please note that there is not a local church leadership form. Instructions can be found on page 4 (see link below).

If you need help downloading and uploading the forms, please contact District Administrative Assistant Penny Story at [purchasedistrict@twkumc.org](mailto:purchasedistrict@twkumc.org) or 270-527-8282.
