Transforming the Lives of Seniors, One Need at a Time

For over 28 years, Golden Cross Senior Ministries has been a beacon of hope for nearly 2,200 older adults living in 31 affordable Wesley Living communities across West Tennessee, Murray, Kentucky, and Jonesboro, Arkansas. This remarkable ministry, founded on the principles of Matthew 25, is dedicated to enhancing the quality of life for seniors, providing them with the support and resources they need to thrive. The Wesley Living communities is the heart and soul for over 2,200 senior residents and where their community comes to life. Within the embrace of Wesley Living affordable housing, the vibrant seniors have found their haven of comfort and companionship. The cherished residents, with an average age of 74, have brought a wealth of life experiences, wisdom, and stories to share.

Through the generosity and support of the members of churches in the Tennessee-Western Kentucky Conference, Golden Cross Senior Ministries can directly benefit the senior residents, ensuring their basic necessities are met and their social and educational enrichment is nurtured. From funding community-wide social events like Bingo and outings to providing furnishings and move-in kits for homeless seniors transitioning into one of the 31 Wesley Living communities, your support truly makes a difference in the lives of those who have the least.

Eloquently stated by the residents, "The small things in life mean the most when you have the least." This sentiment echoes the heartfelt gratitude expressed by the seniors themselves, who find dignity, and solace in the love and care of this extraordinary ministry.

Your partnership, through prayers, encouragement, and financial contributions, is the foundation upon which Golden Cross Senior Ministries stands. Together, we can continue to transform the lives of seniors, one need at a time, and honor the vision set forth by the Rev. Jerry Corlew 28 years ago.
