Neighborhood Centers
OF MEMPHIS, INC.

About Us

The United Methodist Neighborhood Centers of Memphis began in 1907 and has been filling the gaps to meet the needs of the people in Memphis since.

UMNCM is committed to compassionate service to all God's children, providing education, childcare, social services and spiritual development in a loving atmosphere, emphasizing especially early childhood education, hunger ministry, and ministry with youth.

We partner with organizations, churches and volunteers from all over the city to provide the best ministry to the communities we serve. We are blessed to run Miriam Child Development Center and mobilize our church and volunteer connections to support our partners with time, volunteers, supplies and finances.

Our Ministries

Education and Childcare Miriam Child Development Center

Social Justice Soul Force Initiative

SFI is about encouraging collaboration among all the different groups at work on the problem, and in particular, spreading the modeling of the non-violent life in keeping with the teachings of the late Mahatma Gandhi, the Rev. Dr. Martin Luther King, Jr. and the Rev. Dr. James M. Lawson, Jr., who serves as our national Advisor. Dr. King called him "America's foremost strategist of Non-Violence."
