### **District Pre-Conference Meetings are on May 4 & 5!**

We look forward to seeing you at the district pre-conference gatherings this Sunday and Monday, May 4 & 5. If you have not already registered, you still may attend, but letting your district administrator know you plan to be there would be helpful.

While together, annual conference members will prepare for the practice of holy conferencing and learn more about the process and content for voting on constitutional amendments and TWK resolutions. We also will experience the expectancy for God creating more than we can imagine! Please check below for details and contact your district office if you have questions. ## TWK Annual Conference Bible Study: Discipleship Reclaimed

TWKUMC has entered a new season of discipleship shaped by deep listening, spiritual reflection, and a shared desire to grow in faithfulness to Christ. Following a thoughtful and prayerful period of listening, five key discipleship priorities have been identified to guide our conference's collaborative ministry from 2024 to 2028.

We encourage everyone to explore these discipleship priorities through this six-week bible study before the annual conference. This study was produced by The Vine UMC and written in collaboration with TWK clergy and laity. You can access a free version in English, Spanish and Korean at [The Vine UMC's website](http://TheVineUMC.org).
