

Rekindling Our Call

2026 TWKUMC Annual Conference

Desired Outcomes

Formed and Empowered Spiritual Leaders

Participants will leave feeling called, equipped, and confident as spiritual leaders who are grounded in love rather than fear and attentive to the health of their own souls.

Deeply Connected and United

Participants will experience and affirm the power of our connection, discovering common ground, shared purpose, and a renewed sense of unity as the body of Christ.

Meaningful, Transferable, and Impactful Experience

Participants will engage in worship, learning, and practices that are practical and reproducible. (Can be carried back to local churches and multiplied beyond Annual Conference.)

Holy, Efficient, and Faithful Work Together

Participants will experience legislative and decision-making processes that are both spiritually grounded and efficient, honoring holy conferencing where voices are heard and discernment is faithful.

A Spirit-Filled Space of Welcome, Energy, and Peace

Participants will feel genuinely welcomed and present with one another, leaving Annual Conference energized rather than exhausted, and carrying a deep sense of peace that endures beyond the gathering.
